***I. RECOGNITION AND RIGHTS—Articles 1 - 8***

**Article 1. RECOGNITION**

Pursuant to the certification of the Oregon Employment Relations Board dated March 8, 1978, (Case C-381) and the Letter of Agreement between the parties, dated August 11, 1993, which clarifies and fully recognizes the Academic Professionals as members of the bargaining unit, the University recognizes the Association as the exclusive representative of all members of the bargaining unit established in the certification for the purpose of collective bargaining on matters of employment relations as defined by law.

2. "University" means Portland State University and/or the Oregon State Board of Higher Education as the public employer. The Letters of Agreement are noncontractual understandings between the University and the Association.

6. "Days" or "calendar days" means calendar days. "Working Day" means a day when classes or examinations are scheduled and held in accordance with the official academic calendar of the University, excluding Saturdays and Sundays. **Section 9.** The University reserves the right to charge the Association at customary billing rates for the costs of file searching, analysis, generation, and reproduction of information furnished in compliance with this Article. When the University expects to make a charge, it will furnish the Association an estimate of the cost and obtain Association authorization before proceeding to comply with the request.

## **Article 7. CONSULTATION**

**Section 1.** The Association and the President of the University or his/her designee agree to meet at the request of either party to discuss matters pertinent to the implementation or administration of this Agreement. ## II. ASSOCIATION MATTERS—Articles 9 - 11

### Article 9. DUES DEDUCTION

Upon written request on a form provided by the Association and approved by the University, members of the Association may have regular dues deducted from their paychecks in amounts and at times certified by the Treasurer of the Association. Authorization to deduct dues shall remain valid until written notice is given to the University by the member to cancel the authorization. The University will, by the fifteenth (15<sup>th</sup>) of the month following the deduction, send payment to the Association for the total amount so deducted accompanied by a listing identifying the members and the amounts for whom the deductions are being paid. In the event that the University discovers or learns of a dues deduction error, a letter will be sent to the affected employee and a copy of this letter will be sent to the Association.

### Article 10. FAIR SHARE—See AMENDMENT #1, Page 77

~~The University recognizes the positive Fair Share election among members of the bargaining unit. The Office of Human Resources of the University shall be responsible for notifying payroll each month of new bargaining unit members eligible for fair share dues, and of bargaining unit members who have been removed from the unit and the reason for the removal.~~

~~The University will automatically begin deducting fair share dues from new bargaining unit members' paychecks from the date of hire and will automatically discontinue deducting fair share dues from the date of removal from the unit or at the time the member elects to pay regular dues.~~

~~Fair share dues are based on a percentage of full Association dues that are chargeable to fair share members, which is computed for each academic year by the Association. The chargeable percentage will be provided by the Association to the University by August 1 of each academic year. The new Fair Share percentage to be charged becomes effective with the September payroll each year. The amount of monthly fair share dues will be automatically calculated and deducted by the University using the following formulae. Faculty on nine (9) month academic year appointments have fair share dues deducted over the ten months (September - June) that they receive pay. Dues will be prorated in September and June. Faculty on twelve (12) month appointments have dues deducted in each of the twelve months that they receive pay.~~

~~*Formula A:* The formula for calculating indefinite tenured faculty members' monthly fair share dues is 0.0075 times the member's annual FTE, times the member's annual salary rate, divided by the number of months of the faculty member's term of service (9 or 12), times the chargeable percentage.~~

~~*Formula B:* The formula for calculating nontenured faculty members' monthly fair share dues is 0.00375 times the member's annual FTE, times the member's annual salary rate, divided by the number of months of the faculty member's term of service (9 or 12), times the chargeable percentage.~~

~~*Summer Formula:* Nine-month faculty members who receive pay for work during the Summer Session will have fair share dues deducted from their pay using the appropriate percentage as defined above; multiplied by the amount paid each month during the Summer Session, multiplied by the chargeable percentage.~~

~~After nontenured faculty have completed four years under Formula B, fair share dues are then calculated using Formula A. The Association will notify payroll when a fair share member is moving from fair share dues calculation using Formula B to fair share dues calculations using Formula A. Rights of nonassociation employees based on religious tenets or conscientious objections shall be protected. Religious objectors shall pay the fair share amount to a nonreligious charity in accordance with the applicable procedures in ORS 243.666.~~

~~By January 1, 2008, the University shall code fair share dues deduction under the Deductions category of the employee Earnings statement as "AAUP Union Fair Share Deductions." Additionally, the University shall code full member dues as "AAUP Union Membership Dues."~~

~~Conscientious objection to fair share payments must be made in writing to the President of the Association. The objector must submit, in two copies, an affidavit in the form displayed in Appendix A of this Agreement. Upon receipt of this affidavit, the President of the Association shall forward, within ten (10) days, one copy of it to the Office of Human Resources. From the date of receipt of the affidavit, the University shall continue to deduct the equivalent of fair share payments, but shall make payments through the University Foundation to the Peter Nicholls Scholarship (Account #2319312) or another restricted scholarship account specified by the objector.~~

## **Article 11. RELEASED TIME**

### **Section 1. Released Time for Contract Negotiations**

Up to seven (7) members whom the Association designates may be released from duties not directly related to teaching and scholarly endeavor for the academic years within this Agreement for the purpose of preparing for and participating in the negotiation of a successor Agreement, re-opened Agreement, or expedited bargaining, as provided in this Article.

For instructional faculty members, time served preparing for and participating in the negotiation of a successor Agreement may replace other service obligations to the University.

For non-instructional members of the Association, members will be provided with released time sufficient to permit the member to prepare for and participate in the negotiations.

### **Section 2. Released Time for Other Association Services**

Up to three (3) members whom the Association designates may be released from one-third (1/3) of their regular job duties for the performance of Association duties.

One (1) member shall be released from job duties pursuant to this Section without reimbursement to the University. For additional members released pursuant to this Section, the Association shall reimburse the University for the actual cost to the University of replacing the released time in a manner which shall be negotiated by the Association and University in consultation with the member's department chair or chair-equivalent. The member's department chair or chair-equivalent is responsible for determining the nature of the job duties from which the member will be excused.

### **Section 3. Course Releases**

In order to facilitate the ability of members to perform Association duties for bargaining or other Association duties as provided in Sections 1 and 2 above, up to six (6) course releases (or the approximate equivalent for academic professionals) shall be available to Association members per academic year. The first, third, and fifth course releases provided during an academic year shall be provided without reimbursement to the University. The Association shall reimburse the University for the second, fourth and sixth course releases provided during an academic year at the instructor rate per credit hour for instructional members and actual replacement costs for other members.

### **Section 4. Scheduling of Released Time**

The Association shall notify the University at least thirty (30) days prior to the beginning of an academic term in which a released time assignment will begin. Said notification shall include the name of the member to receive the released time assignment and the purpose of the released time. The thirty- (30) day notification period may be waived by mutual agreement of the parties.

The activities performed on behalf of members of the unit by those permitted released time under this Article shall be credited as service to the University.

### *III. TERMS AND CONDITIONS OF EMPLOYMENT—Articles 12 - 25*

#### **Article 12. ACADEMIC FREEDOM AND GOVERNANCE**

**Section 1.** The University recognizes the paramount importance of academic freedom in an institution of higher education and reaffirms its continuing commitment to the protection of the principles of academic freedom, as defined in OAR 580-022-0005.

**Section 2.** Notwithstanding the exclusive right of the association to negotiate and reach agreement on terms and conditions of employment, recognized in Article 1 (RECOGNITION), and the right of the University to carry out its ordinary and customary functions of management, recognized in Article 5 (RESERVED RIGHTS OF THE UNIVERSITY), the parties agree that it is mutually desirable that the collegial system of shared governance be maintained and strengthened so that faculty will have a mechanism and procedures, independent of collective bargaining, for appropriate participation in the governance of the University. To that effect, the Portland State University Faculty Constitution shall remain in existence for the duration of this Agreement subject to the provisions of Oregon University System IMD 1.120 through 1.126.

#### **Section 3.**

- (a) Except as provided in Subsection (b) of this section, Sections 1 and 2 of this Article are statements of intent and policy and are not subject to Article 28 (RESOLUTION OF DISPUTES) of this Agreement.
- (b) An allegation that the Faculty Constitution has been abrogated is grievable.
- (c) Alleged misapplication or misinterpretation of the Faculty Constitution is not subject to Article 28 (RESOLUTION OF DISPUTES) of this Agreement, but such allegations may be grieved through other University grievance procedures.

**Section 4.** As required by OAR 580-021-0010, "Consultative Procedures," faculty, department heads, and deans shall have the opportunity for effective participation in deliberations leading to recommendations for appointment, reappointment, tenure, or promotion of faculty. The University will recommend that departments review guidelines, in addition to guidelines for promotion and tenure, concerning effective participation of faculty in the hiring and promotion of faculty. Departments or units that do not have guidelines for faculty participation in decisions concerning hiring of faculty will establish written guidelines by January 1, 2001.

#### **Article 13. NONDISCRIMINATION**

The University and the Association will not discriminate against any member with respect to wages, hours, or any terms or conditions of employment, or in the application of the provisions of this Agreement by reason of age, color, handicap, disability, marital status, family status, national origin, race, religion, sex, gender, gender identity, sexual orientation, or veteran status, or by reason of membership or nonmembership in the Association.

The Association agrees to support the University in the fulfillment of its affirmative action and equal opportunity obligations.

## **Article 14. PROMOTION AND TENURE**

**Section 1.** "Portland State University Policy and Procedures for the Evaluation of Faculty for Tenure, Promotions, and Merit Increases," dated May 17, 1996 and adopted by the Faculty Senate on June 12, 1996, and "Revisions to Research Faculty Promotion and Tenure Process" dated June 1 and 8, 2009 and adopted by the Faculty Senate on June 8, 2009, which specify the means of implementation of OAR 580-021-0100 through 580-021-0140, shall remain in effect with respect to members of the bargaining unit, except as modified by this Agreement.

**Section 2.** Bargaining unit members hired before June 8, 2009 whose academic units had promotion guidelines for Research Assistant and Associate ranks may choose to be evaluated for promotion under those guidelines rather than the 2009 guidelines until June 30, 2014.

**Section 3.** The University reserves its rights to alter, amend, modify, and make additions or deletions to the University guidelines and Oregon Administrative Rules on promotion, the award of tenure and salary increases, after (a) consultation with the Association on changes in criteria and (b) agreement with the Association on changes in procedure.

**Section 4.** Except as provided for by the "Portland State University Policy and Procedures for the Evaluation of Faculty for Tenure, Promotion, and Merit Increases," and the Oregon Administrative Rules it implements, the University will not employ tenure-track faculty members, on 0.50 FTE or more, for more than seven (7) FTE years without the awarding of tenure.

**Section 5.** The University will not arbitrarily reduce the FTE of any faculty member for the express purpose of avoiding its obligation not to employ a faculty member, on 0.50 FTE or more, for more than seven (7) FTE years without the awarding of tenure.

**Section 6.** For the purpose of this Article, faculty members include only members of the bargaining unit assigned to an academic program or department; a division, school, or college; the Library; and the Counseling Center.

## **Article 15.**

*[Article intentionally left blank.] [Previous text was deleted via collective bargaining.]*

## **Article 16. INSTITUTIONAL CAREER SUPPORT/PEER REVIEW**

**Preamble.** Recognizing the traditional and current importance of tenure as protection of the exercise of academic freedom, and recognizing the importance of competent teaching, research and community service, the following Institutional Career Support/Peer Review plans have been agreed upon.

**Section 1. Objectives.** The intent of the Institutional Career Support/Peer Review process is to promote and sustain high standards of performance and professional development for all unit members holding tenured positions at Portland State University, regardless of their particular function.

The following are specific purposes addressed by this plan:

- (a) To provide a positive and systematic process for career review and development planning, involving the member and a supportive group of peers.
- (b) To provide institutional support for the realization of a mutually agreed upon professional development plan. Career review and planning will center on the individual's particular past and desired future contributions to the member's academic unit.
- (c) To assure a balance between the personal commitment to specific goals on the part of the member, the institutional support necessary to help achieve these professional goals, and the goals of the relevant department as formulated by its faculty.
- (d) To provide recognition for demonstrated high standards of professional, institutional, and public service.

### **Section 2. Review Committee.**

- (a) Each member holding tenure shall be assigned a review committee, normally composed of three (3) persons, whose responsibilities are set forth in Section 3 below. The faculty of each department (or other appropriate unit) shall adopt formal procedures for the selection of members of these committees. These procedures must be published and distributed to all members of the organizational unit to which they apply. They must also be filed and approved in the Office of Academic Affairs as part of the departmental guidelines.
- (b) Members of review committees may be persons outside the department, and when appropriate, qualified persons outside the University.
- (c) Alterations in the foregoing procedures may be necessary due to the special problems of small departments, of persons holding appointments in more than one department, etc. Such alterations shall be made in consultation with the Provost.

### **Section 3. Procedures and Committee Responsibilities.**

- (a) Each tenured member eligible for review according to a departmental schedule shall first meet with the assigned review committee for an informal discussion concerning the member's work, professional needs, difficulties, and goals for future professional development. To promote maximum candor, no record of the substance of this meeting will be kept, and the discussion will be regarded as confidential. Prior to this first meeting, the member will furnish the committee a current resume and a narrative review of the member's past professional achievements and plans for the future.
- (b) If the faculty member being reviewed believes that additional institution support is important to his/her continued professional growth he/she will notify the committee of this in writing within one (1) week of the meeting in Subsection (a) of this article. If the committee does not receive such notification it shall meet within two (2) weeks to determine on the basis of the faculty member's past record and future plans whether procedures in Subsections (c) through (h) of this article would, in their opinion, be beneficial. They shall inform the faculty member of their decision within one (1) week.
- (c) If the faculty member has informed his/her committee of his/her need for additional support, or if the committee has determined that procedures in Subsections (c) through (h) of this article should be followed, then the committee shall notify the department chair that a professional development plan will be forthcoming. This notification shall reach the department head no later than December 1 of the year of the review.
- (d) If the department chair has been notified that a professional development plan will be presented, then by January 15 the individual under review will give the committee a brief written plan for professional activities and development over a specified period of years.
- (e) After the review committee has received the plan in Subsection (c) above, it shall meet again with the individual to determine jointly a formal development plan and what reasonable special institutional support may be necessary to carry out the plan. This joint recommendation shall be sent to the department chair no later than February 15 of the year of eligibility. The department chair will forward the joint recommendation to the appropriate school or college office by March 1. The school or college office will forward the joint recommendation with an attached evaluation to the Office of Academic Affairs by March 15. The Office of Academic Affairs shall notify the faculty member being reviewed by April 1 whether the institutional support requested in his plan will be provided. If the support required to carry out the plan is not provided, the individual will not be held responsible for failure to complete the plan. In this circumstance, the committee and the faculty member will determine jointly whether an alternative plan is feasible.
- (f) During the period covered by the plan, the review committee, the department chair, the dean, and other persons able to provide help shall be available to the individual to provide all possible assistance, consultation, and advice. The person being reviewed will keep in touch with the assigned committee concerning progress made towards reaching the goals of the plan. Since, by its very nature, scholarly and creative work is unpredictable, an individual shall be free at any time to propose to alter, revise, supplement, or abandon a particular plan for professional development. The member should, however, obtain approval for any such change from the assigned review committee and department chair.

- (g) At the end of the period covered by the professional development plan, the individual shall present the results or accomplishments of the plan to the review committee and other interested persons including the department chair, in the most appropriate fashion.
- (h) If, in the judgment of the majority of the review committee, the professional development plan has been successfully concluded, the review committee shall so inform the individual being reviewed and the department chair in a statement signed by the members of the committee. A minority report of the committee may accompany this statement. A copy of the complete statements shall also be sent to the appropriate departmental committees dealing with pay and promotion. Based on its evaluation of the work done, the review committee may, at its discretion, include in its report specific recommendations to the department chair or appropriate departmental committees concerning promotion, merit pay, etc.
- (i) If, on the other hand, the committee finds that the proposed professional development plan has not been completed within the period agreed upon, it shall present to the individual written suggestions outlining how the situation may reasonably be remedied. The committee shall not report such action to the department chair or to departmental committees until the individual in question has had a reasonable opportunity [within one (1) academic term] to discuss the committee's suggestions and possible alternatives with the committee.

**Section 4. Frequency of Peer Review.** Reviews will normally take place every three (3) years with scheduling to be at departmental discretion. They may take place more often at the request of an individual or at the end of a planned period of professional activities and development, as determined jointly by the individual and the assigned committee. If a faculty member has indicated a definite retirement date, no review will take place within a three- (3) year period immediately preceding his date, unless it has been recommended by the committee as a result of a previous review or unless the faculty member requests it.

**Section 5. Rewards.** It will be the responsibility of the departmental Promotion, Tenure, and Salary Committee(s) and/or the department chair, the appropriate dean, the Provost, and the President to ensure that the promotion/merit reward system be maintained and supported so as to provide recognition for excellence. In addition, the University agrees to establish a career support fund in the amount of \$50,000 per year during the term of this Agreement for the purpose of supporting development plans consistent with this Article.

**Section 6. Additional Provisions.**

- (a) Nothing in this article shall be used to limit the freedom of a member to do the research, or the scholarly or creative work of the member's choice; or to carry out this work in a manner the member regards as appropriate.
- (b) Refusal of a tenured professor to present a plan for professional development to the assigned review committee or to otherwise cooperate with the committee [see Section 3 above] shall not be used as prima facie evidence of failure to perform academic responsibilities.
- (c) No plan for professional development shall commit a member to an activity over which the member does not have substantial control [e.g., a plan may call for writing a book, but not for publishing it].

## **Article 17. ACADEMIC PROFESSIONAL FACULTY**

### **Section 1. Introduction**

Portland State University and the American Association of University Professors recognize the important contributions that Academic Professionals make to the University community. As such, we are committed to encouraging the professional growth and development of Academic Professionals.

### **Section 2. Career Development**

- (a) The University will publish a chart including, but not limited to, the type of leaves, awards, grants, and contracts for which Academic Professional faculty are eligible. This chart will be included in the Office of Human Resources website and in this Agreement as Appendix F (Available Faculty Awards, Rewards, and Leaves).
- (b) As described in Article 19 (Professional Development and Support), Academic Professionals are fully eligible to apply to the Faculty Development Program. The University agrees to communicate with Academic Professionals at the beginning of each academic year regarding their eligibility to apply.
- (c) As employees of the Oregon University System, Academic Professionals have career development leave available to them as leave without pay, as provided for in OAR 580-021-0029. Sabbatical leave normally applies only to instructional ranks; for other unclassified employees, special permission for exceptional cases is required, as provided for in OAR 580-021-0200.

### **Section 3. Description of Structure**

- (a) Structure of the System—Academic Professional positions are grouped into the following job families based upon the job responsibilities involved:
  - Program Administrator—Levels 1, 2, 3
  - Advisor/Counselor—Levels 1, 2
  - Instructional Specialist—Levels 1, 2
  - Healthcare Professional—  
Psychologist; Clinical Social Worker; Psychology Resident, Physician; Dentist
  - Educational Technology Specialist
  - Attorney

Any new job family classification and any deletions of a job family or families in the current classifications will be subject to consideration by the Academic Professional Appeals Advisory Committee and agreement between the University and the Association.

- (b) Levels within families and pay ranges are identified in Article 30 (SALARY) of this Agreement. Available in the Office of Human Resources and on their website are copies of the “Academic Professional Job Families” dated July 1, 2002.

- (c) Changes in Job Family Definitions: Substantial changes in family definitions which result in the potential for a lower salary range shall require the parties to agree upon the salary range for the newly revised family definition.

#### **Section 4. Requests for Review of a Position's Placement**

- (a) Supervisors of Academic Professionals may request a review of a position's placement in a job family and/or level by submitting a written request to the Office of Human Resources.
- (b) An Academic Professional may request a review of his/her job family and/or level in which his/her position is placed. The Academic Professional shall first meet with his/her supervisor regarding the request for review. Following this meeting, an Academic Professional may submit a written request for review of his/her position to the Office of Human Resources. An employee may submit such a request twelve (12) months after completion of a previous position placement review or twelve (12) months after his/her initial hire date. The Office of Human Resources shall complete the position review within no more than thirty (30) working days from the date the evaluation request is received.
- (c) An Academic Professional may appeal the results of the review of his/her position placement by submitting a written request to the Office of Human Resources within thirty (30) working days of the date on which the decision was issued. The Academic Professional shall provide a copy of such an appeal to his/her supervisor. Should a decision from the above review and appeal process result in the placement of the position in a job family and/or level with a higher pay range, any resulting salary increase will be effective the first of the month following the date the initial request [pursuant to Section 4(b)] was received by the Office of Human Resources.
- (d) Appeal of Position Review Decision.

*First Level of Appeal:* Appeals can be made to the Associate Vice President for Human Resources on the basis of job family placement and level placement. The request shall state the basis upon which the employee is requesting a review.

A standing Appeals Advisory Committee to the Associate Vice President for Human Resources with cross-campus representation will provide input and recommendations to the appeals. The Appeals Advisory Committee will have at least two members who are represented by the Association. The Association will provide the University with a list of five represented faculty from which the University will select two to be members of the committee to serve for the term of this Agreement.

The decision on the appeal made by the Associate Vice President for Human Resources shall be communicated in writing to the Academic Professional, to his/her supervisor, and to the Association within fifteen (15) working days of the date the appeal was filed.

*Second Level of Appeal:* If the Academic Professional is dissatisfied with the appeal decision of the Associate Vice President for Human Resources, he/she may advance the appeal to the Provost, or other relevant vice president, in writing within fifteen (15) working days from the date on which the decision was made. The Provost, or other relevant vice president, will provide a written response within fifteen (15) working days.

- (e) Should a decision from the above review and appeal process result in the placement of the position in a job family and/or level with a lower pay range, the Academic Professional's salary will not decrease.
- (f) Should a decision from the above review and appeal process result in the placement of the position in a job family and/or level with a higher pay range, any resulting salary increase will be effective on the first of the month following the date the initial written request was received by the Office of Human Resources [based on the date the request was filed according to Section 4(b)]. In no case shall an Academic Professional be paid below the minimum of the new job family and/or level to which his/her position is assigned.
- (g) Placement decisions are not grievable and are not subject to Article 28 (RESOLUTION OF DISPUTES). Grievances may be filed based on violations of proper process as specified in Section 4 of this article.

### **Section 5. Academic Professional Appointments and Compensation**

The University and the Association are committed to encouraging the professional growth and development of Academic Professionals, and to rewarding their individual professional contributions.

- (a) Unless their Notice of Appointment letters indicate that the appointment is time-limited, Academic Professionals will be appointed on an indefinite basis. They shall be entitled to the following schedule of notice of termination of their position:

Less than 1 year of service	90 calendar days
1 to 3 years of service	120 calendar days
3 or more years of service	180 calendar days

Service shall be defined as service at the University as an Academic Professional.

Time-limited appointments shall not be used outside of grant or contract funding without a specific underlying limit on the funding of the position, or a leave replacement, or to fill a vacancy pending a search, or the written agreement of the Association.

- (b) Salary ranges for Academic Professional job families and levels are included in Article 30 (SALARY).
  1. If an Academic Professional's current salary falls above the maximum of the pay range to which his/her position is assigned, the salary will not be reduced. If a position is reassigned to a new level or family, the Academic Professional's salary will not be reduced.
  2. If an Academic Professional's current position is reassigned to a higher level within the same job family, the Academic Professional's salary will be increased as referenced in Article 30 (SALARY).
  3. Adjustments within salary ranges are referenced in Article 30 (SALARY). Among the methods of salary adjustments which pertain to Academic Professionals are:

- Minimum salary increases will be given to every Academic Professional whose performance of job responsibilities is satisfactory, as documented in an annual performance evaluation as per Article 30 (SALARY), Section 3.
  - In-range advancement provides progression within the salary range based upon the annual performance evaluation. A minimum requirement for in-range advancement is a performance evaluation rating which is above satisfactory. The salary that results from an in-range advancement may not exceed the salary range maximum, except as provided in Article 30 (SALARY), Section 5.
- (c) Academic Professionals who have not received an in-range advancement for three consecutive years may request within thirty (30) calendar days after the third-year notification an extended professional development plan from their supervisor. The supervisor will send a copy of this plan to the relevant dean or vice provost, the Associate Vice President for Human Resources, and the Provost, or other relevant vice president. The Association will receive notification that this process has been implemented. This article will only be applicable in cases when in-range advances are in affect as per Article 30 (SALARY).

### **Section 6. Salary Range Structure Movement**

Changes in the minimum and maximum of the salary ranges for each job family and level shall be determined by those increases designated in Article 30 (SALARY), Section 3 (Salary Adjustments).

### **Section 7. Assessment**

- (a) The Association and the University agree to incorporate, by reference, the recommendations of the Academic Professional Assessment Advisory Committee final report dated September 27, 2002 into this agreement.
- (b) To provide the Association with sufficient information to negotiate a successor agreement, the Associate Vice President for Human Resources will provide the Association with an annual report of information concerning advancement, appeals, and requests for position review and professional development plans for Academic Professionals.

### **Section 8. Academic Professional Evaluations**

- (a) All Academic Professionals shall have annual performance reviews (evaluations). The performance review year will be the preceding 12 months. A calendar for the performance evaluation cycle shall be established and published at the same time as the promotion and tenure review cycle. Academic Professionals on one-year appointments shall be reviewed annually.
- (b) Each division, school, or college is required, with the participation of the appropriate academic professional employees, to establish specific written job-relevant criteria supporting the achievement of program, division, school or college, and university goals as well as professional growth of individuals. Such evaluation methods and criteria should be clear and unambiguous, but also flexible; so that, when an Academic Professional's assignment is in multiple areas such as teaching, research, administration, and service, the evaluation will address all appropriate areas.
- (c) Performance evaluations should promote the effectiveness of Academic Professionals by:

- Articulating the types of contributions that will lead to greater professional growth, recognition, and rewards;
- Recognizing relevant talents, capabilities, and achievements;
- Identifying job performances that were below expectations that shall be addressed during the next evaluation period.

(d) Performance evaluations shall document in writing consideration of:

- Job performance relative to established criteria during the evaluation period;
- Professional development and future expectations.

The Provost, or other relevant vice president, vice provost, or dean of each division, school, or college is responsible for an annual evaluation of all Academic Professionals employed within his/her unit. The evaluation shall be conducted according to the guidelines established by the University. The guidelines shall be available on the Office of Human Resources website. The University will seek input from Academic Professionals and the Association if substantial changes are contemplated.

### **Section 9. Flexible Work Schedules**

- (a) Academic Professional staff members throughout the University may have, as indicated below, flexible work schedules. For example, Academic Professionals often travel on University business and/or work evenings and weekends. A flexible work schedule is defined as having established working hours different from the standard 8:00 a.m. to 5:00 p.m. Monday through Friday schedule, to be followed by an employee for an agreed upon period of time.
- (b) Employees interested in flexible work schedules should make a request in writing to their supervisor. Administrators of Academic Professionals are responsible for the work schedules in their units. They have the discretion to consider flexing employee schedules when requested and if suitable for positions in their area. In many cases flexible work schedules may be a positive option benefiting the Academic Professional and the Department; however, in some cases it may not be practical. For more information about flexible work schedules (including other requirements, suitability, and the approval process), please see the Human Resources website at [www.pdx.edu/hr](http://www.pdx.edu/hr).
- (c) During the period of this agreement the Human Resources department will, upon request, provide training for Academic Professionals and their supervisors to promote the availability of flexible scheduling and the application of Wage and Hour Law. Specifically, the training will cover compliance requirements of federal and state wage and hour law and other contractual obligations as they pertain to employees when they travel for University business, work evenings, and/or work weekends. This is an effort (1) to ensure that administrators of Academic Professionals and Academic Professionals themselves properly report hours through University time sheets and roster forms; and (2) to guide the consistent handling of these procedures across all units with Academic Professionals throughout the University. Academic Professionals, their supervisors, and/or the Association may request such training.

## **Article 18. FIXED-TERM INSTRUCTIONAL AND RESEARCH FACULTY**

### **Section 1. Introduction**

- (a) The University and the Association recognize that in order to maintain a vital university culture we must develop a primarily tenured and tenure-track faculty, protect participatory governance structures, guarantee the diversity of our faculty, and assume the rights and responsibilities of academic freedom. The University and the Association acknowledge that a reasonable assurance of continued employment provides for a highly qualified faculty and protects academic freedom essential to the integrity of teaching and scholarship.
- (b) The University acknowledges the value of the services of fixed-term instructional and research faculty, the need for continuity of services, and the benefits that follow from the employment of fixed-term instructional and research faculty in commitment to the institution, to strong programs, to consistent advising, and to retention. Fixed-term faculty are ensured the inherent rights of academic freedom and they recognize the accompanying responsibilities.
- (c) Definition of Fixed-Term Faculty. Fixed-term faculty are faculty who are not on tenure-track appointments, but whose appointments are at least .50 FTE annualized. These appointments are primarily for instruction and research as described in the position descriptions. Appointments are for a specific period of time, as set out in the notice of appointment.

### **Section 2. Fixed-term Instructional Faculty Appointments**

- (a) The University and the Association recognize that fixed-term instructional faculty are, even in a first year of employment, an essential and integrated part of a department's or program's staff. Initial appointments are not the responsibility of a sole administrator. Where possible, a committee of at least three (3) shall seek qualified applicants and forward a recommendation to the chair.
- (b) The University and the Association recognize that clear communication of expectations and rewards is essential for a fair and productive professional relationship. To that end, the University will provide template letters of offer for fixed-term instructional appointments. For fixed-term instructional appointments, 1.00 FTE will include no more than 36 course credits of assigned teaching per academic year. Assigned university/community/professional service and scholarly work shall not exceed ten percent (10%) of an instructional fixed-term faculty member's workload without a reduction in instructional load.
- (c) The template letter of offer will include a position description. Taken together, a letter of offer and position description for fixed-term instructional appointments will include the following information: appointment start and end dates, FTE, annual salary rate, actual salary, teaching assignment (including, where possible, the list of courses to be taught and the location of those courses if not on the downtown University campus) and any expectations for research and scholarly work, university service, professional service, or other responsibilities. Bargaining unit members shall have an opportunity to review the letter of offer and position description and will affirm their acceptance of the offer of employment by signing and returning to the University a copy of both the letter of offer and the position description.

- (d) The University will direct departments to complete letters of offer and position descriptions at least 30 days prior to the start of work for the initial term of employment of any fixed-term instructional faculty member so that employment documents are forwarded to the Office of Human Resources according to the published payroll deadline schedule.

### **Section 3. Fixed-term Research Faculty Appointments**

- (a) The University and the Association recognize that fixed-term research faculty are, even in a first year of employment, an essential and integrated part of a department's or program's staff. Initial appointments are not the responsibility of a sole administrator. Where possible, a committee of at least three (3) shall seek qualified applicants and forward a recommendation to the chair.
- (b) The University and the Association recognize that clear communication of expectations and rewards is essential for a fair and productive professional relationship. To that end, the University will provide template letters of offer for fixed-term research appointments. Assigned university/community/professional service and instructional work shall not exceed ten percent (10%) of a fixed-term research faculty member's workload without a reduction in the research load.
- (c) The template letter of offer will include a position description. Taken together, a letter of offer and position description for fixed-term research appointments will include the following information: appointment start and end dates, FTE, annual salary rate, actual salary, research assignment and any expectations for additional research and scholarly work, university service, professional service, or other responsibilities. Bargaining unit members shall have an opportunity to review the letter of offer and position description and will affirm their acceptance of the offer of employment by signing and returning to the University a copy of both the letter of offer and the position description.
- (d) The University will direct departments to complete letters of offer and position descriptions at least 30 days prior to the start of work for the initial term of employment of any fixed-term research faculty member so that employment documents are forwarded to the Office of Human Resources according to the published payroll deadline schedule.

### **Section 4. Reviews of Fixed-term Instructional and Research Faculty**

- (a) Each Department/Academic Unit shall establish and maintain guidelines for review of fixed-term instructional and research faculty bargaining unit members. Guidelines must be reviewed and approved by the respective dean and the Provost.
  1. Each department shall identify the departmental committee responsible for the review of fixed-term instructional and research faculty. Departmental guidelines shall provide for the appointment of at least one fixed-term faculty member to the departmental committee charged with review under this article. A fixed-term faculty member so appointed may be elected by the department or appointed by the department chair as outlined in the department's guidelines.
  2. In the case of fixed-term research faculty whose salary is completely grant-funded, the Principal Investigator(s) for the grant providing the funding and one fixed-term research faculty bargaining unit member may serve in place of the review committee if consistent with Departmental guidelines for the work unit.

3. Departmental procedures shall provide a variety of evidence to be used in the review of both fixed-term instructional and research faculty. Departments will require a personal narrative or self-evaluation and an annual report of relevant activities.
  - (a) For fixed-term instructional faculty, departmental guidelines shall include the review of quantitative summaries of student evaluations of teaching and narrative reviews by departmental or other appropriate faculty of teaching materials and course materials.
  - (b) For research faculty, departmental guidelines shall provide for narrative review by the principal research supervisor.

A fixed-term faculty member under review may submit to the review committee other materials which the faculty member considers to be relevant.

4. Departmental procedures shall include review of other responsibilities in university and professional service as described in the position description. Departmental committees are expected to identify areas of strength and areas needing further development for each fixed-term faculty member reviewed as appropriate.
  5. Review committees shall forward their recommendations to the department chair.
  6. During the first six (6) annual appointments, a fixed-term faculty member shall be reviewed each year. Departmental reviews of fixed-term faculty with more than six (6) years of continuous service who have undergone a successful sixth-year review for multi-year appointment eligibility shall be completed at least once every three (3) years.
  7. For any fixed-term faculty member on an annual appointment, review must be completed by March 15. For any fixed-term faculty member on a multi-year appointment, review must be completed by June 15 of the first year of a multi-year appointment.
- (b) During the sixth (6<sup>th</sup>) year of continuous service, fixed-term faculty shall be reviewed for eligibility for multi-year appointments. The faculty member may choose to defer this review. Upon successful review, the fixed-term faculty member shall be eligible and shall be considered for a multi-year appointment.
  - (c) The University, at its discretion, may offer any fixed-term faculty member a multi-year appointment with the understanding that the review procedures based on the number of years of continuous service described above continue to apply. Grant-funded fixed-term research faculty members may receive contracts that run the length of the grant, up to three (3) years, as allowable by Administrative Rules and OUS policy, with Presidential approval.
  - (d) Fixed-term faculty who are eligible and wish to be reviewed for promotion will be reviewed under departmental and University guidelines as described in Article 14 (PROMOTION AND TENURE) and this Section. This review would be in lieu of the review described in Section 3(a). One of the rewards of positive review for promotion will be automatic eligibility for consideration for multi-year appointments.
  - (e) Each academic unit shall establish guidelines and criteria for promotion within both the instructional and research ranks consistent with University Policies and Procedures for the Evaluation of Faculty for Tenure, Promotions, and Merit Increases as referenced in Article 14.
    1. For instructional faculty, these guidelines shall include the criteria for promotion from Instructor to Senior Instructor and Senior Instructor to Assistant Professor.
    2. For research faculty, the procedures for promotion shall include the criteria for promotion between the ranks of research assistant, senior research assistant, research associate, and senior research associate.

In no case shall the development of guidelines and criteria for promotion of fixed-term instructional and research bargaining unit members be the sole responsibility of a single

administrator; except under extraordinary circumstances, guidelines should be developed by an elected committee including fixed-term instructional and/or research bargaining unit members. Guidelines must be reviewed and approved by the appropriate dean and the Provost.

- (f) For an individual fixed-term instructional or research faculty member, eligibility for multi-year appointments, once established, shall be continuous, unless there is a break in service and/or termination occurs. For the purpose of this article, approved sabbatical leave and professional development leave without pay are not considered breaks in service.

### **Section 5. Seniority Status**

- (a) The University and the Association agree that completion of six (6) or more years of full-time continuous service constitutes seniority for a fixed-term faculty member. Given consistent programmatic/curriculum needs, departments shall first offer fixed-term appointments to qualified fixed-term faculty with seniority.
- (b) The University commits to send letters of offer no later than June 15th of each year to fixed-term instructional faculty members that (1) the University intends to continue to employ, and (2) have achieved seniority status with at least ten (10) years of continuous service.
- (c) Upon request, the fixed-term faculty member with seniority must be considered for professional development leave without pay with the right to return. This seniority standard does not prohibit fixed-term faculty members from applying for earlier leaves or sabbatical leaves [as defined in Article 33 (SABBATICAL LEAVES)].

**Section 6.** The University will publish a chart including but not limited to the types of leaves, awards, grants, and appointments for which fixed-term faculty are eligible. This chart will be included in the ABC's of PSU, the Office of Human Resources web site, and the appendices to the collective bargaining agreement.

**Section 7.** The University agrees to place a minimum of forty-five percent (45%) of fixed-term instructional and research faculty with seniority status on multi-year appointments beginning September 15, 2010. Appointment decisions should consider years of continuous service.

**Section 8.** Nothing in Article 18 shall be construed as superseding Article 22 (RETRENCHMENT).

## Article 19. PROFESSIONAL DEVELOPMENT AND SUPPORT

**Section 1.** The University recognizes that adequate supporting services are necessary for effective scholarship. Faculty are encouraged to participate in activities that enhance their professional development.

- (a) In order to support scholarship and professional development the University shall fund a multifaceted Development Program that reflects both the need for bargaining unit members to fulfill the tasks of scholarly and scientific research, writing, and teaching, and also to fulfill the mission of the University. All bargaining unit members, whether in fixed-term, tenure-track, or tenured appointments, shall be eligible to apply for and receive funds through this program.
- (b) The Faculty Development Program will be administered by the Faculty Development Committee, with oversight by the Provost or the Provost's designee. The Committee shall be composed of members selected by the Committee on Committees and representative of the breadth of the university faculty. The Committee shall develop criteria and procedures for various categories of awards and determine which of its Committee members shall serve on review and selection committees. Membership on the Committee is for up to three years. The Committee on Committees should appoint members such that approximately one-third of the members are replaced annually with terms of service running during the academic year.
- (c) The Faculty Development Committee sets the maximum grant amount at the beginning of each academic year up to \$12,500. Eligible faculty will be notified of the criteria and procedures for awards during November of each academic year.

General eligibility criteria include, but are not limited to:

1. bargaining unit members who are primarily instructional faculty requesting funding to support professional development;
  2. bargaining unit members who are Academic Professionals requesting funding to support professional development;
  3. bargaining unit members who are established investigators for whom the proposed project is essential for the successful pursuit of outside funding;
  4. bargaining unit members who are scholars proposing to undertake an activity for which external support is extremely difficult to obtain; or
  5. bargaining unit members who are initiating a research program or other scholarly activity where there is a significant probability that the program or activity will generate external support or contribute to the university.
  6. Department chairs are eligible to apply to the Faculty Development Program.
- (d) Applicants who are unsuccessful in obtaining a faculty development grant will be provided with constructive feedback by the Faculty Development Committee regarding the specific selection criteria and the basis for rejection.
  - (e) The Faculty Development Committee shall submit an annual report to the Faculty Senate, itemizing awards made to individual faculty members by name, purpose of the project, and the award amount.

- (f) Awards made shall be effective on July 1 of each year for a project period of up to twenty-four (24) months. All award funds not expended within twenty-four (24) months will revert to the University, unless prior agreement has been reached for an extension of up to one year.

**Section 2.** The University recognizes that professional travel for presentation of the products of scholarly work is necessary for effective professional development. Bargaining unit members and department chairs are encouraged to participate in activities that enhance their professional development.

- (a) Requests of up to \$1,500 per individual for travel funds may be made to the Faculty Development Committee. The Committee shall develop a review schedule for travel requests at least once during each academic year term. Each travel request must indicate all sources of funds to be used in the requested professional travel. The Faculty Development Committee shall not approve travel requests unless the request is matched by at least \$100 or 20 percent (20%) of the estimated travel cost for requests over \$750 in department, grant, contract, or personal funds; and the request is endorsed by the faculty member's department chair or equivalent.
- (b) The Faculty Development Committee shall produce an annual report to be submitted to the Faculty Senate itemizing travel awards made including the individual faculty member's name, the purpose of the travel, and the award amount.

**Section 3.** The University will allocate \$400,000 annually for the Faculty Development Program and \$200,000 annually for professional travel.

## **Article 20. INTELLECTUAL PROPERTY/DISTANCE EDUCATION**

Faculty are becoming increasingly involved in distance learning, web-based courses, and other education and training programs that have implications concerning the use and ownership rights of intellectual property.

The University and the Association agree to follow Oregon Administrative Rules, Internal Management Directives, Federal Law, and State Law that govern intellectual property rights of faculty. Both parties agree that governance and ownership of intellectual property rights and responsibilities do not change as a result of the medium of delivery or storage (e.g. on-line, electronic media).

The University agrees to provide as a resource the Director of Innovation and Industry Alliances to faculty members who have questions and/or concerns about the use or misuse of intellectual property rights. Faculty may also contact the Association about these matters.

The University and the Association agree to facilitate and conduct intellectual property awareness and education sessions that will reinforce the rights and responsibilities of Portland State employees including faculty and administration.

## **Article 21. STRIKES AND LOCKOUTS**

**Section 1.** For the duration of this Agreement, the Association, on its own behalf and on behalf of members of the bargaining unit, agrees not to participate or engage in, aid, or assist any strike concerning a dispute under this Agreement. For the purposes of this Article, a strike includes any stoppage or cessation of work, slow down of any kind, or other interference with the operations of the University, whether done in concert or singly for the purposes defined in ORS 243.650(22). Any member of the bargaining unit who violates any provision of this Article shall be subject to disciplinary action including loss of pay, suspension, and discharge. Nothing contained in this Article shall be construed to be a limitation of any right of the University to any other remedies, legal or equitable, to which the University may otherwise be entitled.

**Section 2.** In the event of a violation of this Article, the Association upon request of the University, shall immediately use its best efforts to effect the return to normal work routine of the members involved.

**Section 3.** For the duration of this Agreement, the University agrees that it will not lock out members of the bargaining unit.

## Article 22. RETRENCHMENT

**Definition:** In this Article "Department" will be used to refer to departments, programs, or other similar administrative units. The Library will be treated as a single unit for purposes of this Article.

**Section 1.** In a viable, complex, and multifaceted university, it may be necessary to adjust departments and staff. Historically, these adjustments have been accomplished by attrition and by not renewing appointments in specific departments. The provisions of this Article and accompanying procedures do not apply to this historical practice.

The modification of departments generated solely by changes in curricula or in the educational programs or mission of the University is accomplished through usual curricular mechanisms and the provisions of this Article likewise do not apply.

**Section 2.** The President of the University may declare that a condition of financial exigency exists, or that a condition requiring departmental reductions or eliminations exists, after fulfilling the requirements of OAR 580-021-0315 and this Article. The University's School of Extended Studies is considered to be a separate entity for purposes of financial exigency.

- (a) A condition of financial exigency may be declared if the President finds that the University's budget has insufficient funds to do all of the following:
  1. maintain all essential programs and services;
  2. finance the full compensation of all tenured faculty;
  3. finance the full compensation of faculty on fixed-term appointment until the end of the period of appointment;
  4. finance the full compensation of all other faculty until the end of an appointment, including the providing of timely notice.
- (b) A condition requiring reduction or elimination of a department may be declared if the President finds that institutional operations within a reduced budget, or failure to reallocate funds, would result in a serious distortion of the academic or other essential programs and services of the University if retrenchment procedures were not implemented.

Recognizing the requirements of OAR 580-021-0315 for prior consultation with the Chancellor and the Board, the parties agree that factual disputes regarding the existence of a condition of financial exigency or the existence of a condition requiring reduction or elimination of a program or department shall not be subject to the grievance, contract dispute resolution, or arbitration articles of this Agreement. An allegation that procedures set forth in this Article were not adhered to is a proper subject for a grievance.

**Section 3.** Before deciding to declare a condition of financial exigency, or to reduce or eliminate a department, the President or designee shall consult with appropriate faculty councils.

- (a) At any time that the President finds that the University's financial condition is such that a declaration of financial exigency or of departmental reduction or elimination may become unavoidable, the President shall promptly notify the Association and the members of the bargaining unit.

- (b) After issuance of such notice of Section 3(a), appropriate representatives of the University shall offer to meet with representatives of the Association for the purpose of presenting and discussing a full description and analysis of the financial condition of the University. If Association representatives fail to accept within a reasonable time an offer to meet, the University shall have no further obligation to consult with the Association or hear their views under the provisions of this Article.
- (c) After the issuance of such notice of Section 3(a), the President or designee shall present a full description and analysis of the financial condition of the University at a regular or special meeting of the Faculty Senate, and to such other faculty councils as the President may deem appropriate.
- (d) When the meetings provided for in Section 3(b) and (c) above are held, a time will be established when comments and recommendations will be due in the President's Office. The time allowed for such consideration will be at least thirty (30) days unless the President finds and states that circumstances require a response in a shorter period of time.

The President will give thoughtful consideration to such comments and recommendations as are submitted by the established time; and will engage in such further discussions, including efforts to reconcile varying points of view, as he may deem useful. The President or designee will, at the Association's request, meet with representatives of the Association to hear and discuss the Association's comments and recommendations.

The parties agree to use their good offices to facilitate Senate consideration, and further agree that the Senate, at its discretion, may hear and consider the views of any person or organization during their deliberations of these matters.

- (e) In reaching a decision whether to declare a condition of financial exigency or a condition requiring departmental reduction or elimination, the President will consider, among other matters, institutional guidelines concerning the mission and educational development of the institution; departmental effectiveness and productivity; enrollment historical, current and projected; the state of development of departments; the balance between academic personnel and other elements of the budget; the dependence of other departments in the University on the department proposed for reduction or elimination; and the availability of similar programs and services elsewhere in the community.
- (f) After fulfilling the requirements of Sections 2 and 3 of this article, the President may declare that a financial exigency exists or that the reduction or elimination of a department is necessary.

**Section 4.** After a declaration is made, a provisional plan will be announced and an opportunity provided for faculty and the Association to comment on the plan, including suggesting alternatives for amelioration of the financial condition. The provisional plan will include tentative assignments of reductions to departments and the time by which responses are to be submitted. The time allowed for such considerations shall be at least thirty (30) days unless the President finds and states that circumstances require a response in a shorter period of time. During this time the President will receive and consider such comments and recommendations from the Faculty Senate as the Senate chooses to submit.

The Association, and the faculty of the department assessed a budget reduction in the provisional plan, may make recommendations within the time allotted concerning the manner in which the tentative reductions are to be accomplished. Forms of budget curtailment which may be proposed

and considered include, but are not limited to, voluntary leaves of absence, shared appointments, temporary salary reductions, temporary reductions in FTE, layoffs for fixed period, and indefinite layoffs.

If the final plan being considered by the President will result in the layoff of more faculty than recommended by the departmental faculty, the President or designee shall meet with the departmental faculty (or representatives thereof) for further discussion of departmental recommendations.

Following completion of the procedures outlined above, the President will announce a final plan and will notify departments to be affected of the amounts and nature of reductions to be applied.

**Section 5.** Prior to the effective date of layoff of any faculty member on continuing appointment, a good faith effort shall be made by the Administration to place that faculty member in another instructional or noninstructional position within the University. If this effort fails the Administration shall make reasonable efforts to assist the faculty member in finding suitable employment elsewhere.

- (a) If the President's final plan (Section 4) includes layoff of faculty, the order of layoff within a department shall be as specified in Subsections (b) and (c) below. However, this order shall be modified to ensure:
  1. the ability of the remaining faculty to meet adequately the needs of the department, including the need for various areas of specialization, and
  2. compliance with the University's Affirmative Action Program and Goals.
- (b) Order of layoffs within a department:
  1. fixed-term faculty
  2. faculty on annual tenure
  3. faculty on indefinite tenure.
- (c) Within each of the categories above in Subsection (b)1-3, layoffs shall be made in inverse order to the length of continuous service at the University. ("Length of service" shall include time spent on sabbatical leaves.)

The President's decisions affecting order of layoff shall be based on departmental recommendations made in accordance with existing departmental procedures. These recommendations shall be submitted in a timely manner through the appropriate dean or vice president; but if no timely recommendations are received from the department, the President may receive recommendations from the appropriate dean or vice president.

- (d) Although a member may be laid off, no member of the bargaining unit shall be terminated as a result of financial exigency or departmental reduction or elimination except as provided in Subsection (h) below. Tenure-related faculty who have been laid off shall retain all the benefits and privileges of a member on official leave without pay, except that the University's obligation to recall from layoff is specifically limited to the conditions set forth below.
- (e) No department in which a layoff is in effect shall hire new faculty until all tenured faculty eligible for recall in that department have been offered recall, unless failure to hire new faculty would seriously impair the ability of the department to meet its needs as determined in Section 5(a)1 above at the time layoff decisions were made, or unless the President finds and declares after receiving and considering a departmental recommendation reviewed by the appropriate dean and

vice president that failure to do so would seriously impair the department's ability to meet adequately its current needs, including the needs for various areas of specialization.

- (f) A faculty member recalled from layoff shall be offered reemployment at the same rank and at a salary rate not less than that which the member was receiving at the time of layoff.
- (g) Any offers of reinstatement within a department shall be made in inverse order to the order of layoff. The faculty member will have thirty (30) days from the date the offer is sent in which to accept the offer. If no acceptance is received in writing within the thirty- (30) day period, the faculty member will be deemed to have declined the offer and the University will thereafter have no further obligation to the member. It is the responsibility of the faculty member to keep the University apprized of a current mailing address.
- (h) Faculty on indefinite tenure who have not been reemployed as of June 15 of the year following five (5) full academic years after layoff shall be deemed to have been given timely notice and their employment will have been terminated as of the June 15 date. Faculty on annual tenure who have not been reemployed as of June 15 of the year following two (2) full academic years after layoff shall be deemed to have been given timely notice and their employment to have been terminated as of the June 15 date. The employment of faculty on fixed-term appointments who have not been reemployed as of the date of the end of their term of appointment shall be deemed to have been terminated on the date.
- (i) In cases of layoff resulting from financial exigency the Administration shall make every effort to provide timely notice to affected members of the bargaining unit.

## **Article 23. RETRENCHMENT HEARINGS**

This article provides hearing procedures for layoff (not for cause) rising out of deliberations concerning financial exigency or program reduction or elimination.

**Section 1.** A faculty member who is laid off or whose salary is reduced as a result of decisions made under Article 22 (RETRENCHMENT) shall be given by the University a statement describing (a) the basis for the layoff or salary reduction, (b) the manner in which the decision was made, and (c) the information and data relied upon in reaching the decision. A faculty member who receives such notice shall have the right to a hearing.

The hearing shall be before a committee of three (3). The committee shall consist of one (1) member named by the President, one (1) member named by the Association, and a hearings officer chosen by agreement between the President and the Association. If the President and the Association are unable to agree on a hearings officer, they shall request the ERB to provide a list of qualified hearing officers. From this list, a hearings officer shall be chosen in the same manner as an arbitrator is to be chosen under Article 28, Division C (ARBITRATION).

**Section 2.** The faculty member requesting the hearing shall have the right to counsel.

**Section 3.** The faculty member may choose whether to have an open or a closed hearing.

**Section 4.** Within fifteen (15) days of receipt of notice of layoff, the faculty member shall file with the President of the University a request for a hearing, which shall identify the allegation to be made in the hearing.

**Section 5.** The scope of these hearings is limited to allegations that the decision to layoff or to reduce the salary of a faculty member was arbitrary or not made in good faith or that new evidence justifies a reconsideration of such a decision.

**Section 6.** The committee shall issue a report within thirty (30) calendar days after the conclusion of the hearings. Committee recommendations shall be sent to the President of the University for action. The President may remand the matter to the Committee for further proceedings. The President will announce his decision within thirty (30) calendar days after receiving the Committee's original recommendations or those submitted after remand.

**Section 7.** If the President takes no action within thirty (30) calendar days after receipt of the final Committee report, or if his action does not provide redress for the faculty member, the faculty member may appeal to the Oregon State Board of Higher Education in accordance with OAR 580-021-0390.

## Article 24. WORKING CONDITIONS

The University is committed to creating and maintaining conditions that are conducive to the health and safety of its employees. The University is also committed to creating an institutional climate that values and supports its faculty and to helping its members balance their work, educational, and family responsibilities.

**Section 1.** The University will forward to the Association reports regarding the maintenance of standards prescribed for air and water quality, safe working conditions, seismic safety, and vector control. A faculty member shall endeavor to maintain safe working conditions and shall adhere to established safety rules, regulations, and practices. It is a faculty member's responsibility to report any health and/or safety hazards to the appropriate University administrator.

**Section 2.** The University and the Association will work together to clarify and publicize faculty members' rights and responsibilities regarding student conduct, including informing faculty members of the Student Conduct Code and the appropriate routing of concerns regarding student conduct. To the extent possible under law, the University will notify the Association of faculty reports of incidents of threatening student conduct filed with Campus Public Safety or Office of Student Affairs.

**Section 3.** It is the responsibility of every member of the Portland State University community to conduct him or herself in accordance with PSU's Professional Standards of Conduct policy, as posted on the PSU Human Resources website. The University shall promptly respond to such a request and shall make every effort to accommodate the request.

**Section 5.** The University recognizes the importance of individual office space for instructional faculty members. The University also recognizes the increasing importance of educational media and information technology and its applications to effective teaching, learning, research, and communication; the University will offer the appropriate in-service training. The Association acknowledges that instructional faculty are responsible for obtaining appropriate technological and pedagogical training in the application and use of instructional technologies for teaching.

[\*In some cases, shared access to personal computers may be adequate.]
- (c) Annually by October 1, the University, in consultation with a committee appointed by the Office of Academic Affairs, will review the list of the minimum components for an

instructional faculty office. All departments will be notified of the minimum faculty office components.

- (d) Annually by November 1, each department will submit to the Office of Academic Affairs a list of the faculty members whose work environments lack the minimum components of an instructional faculty office. Annually by December 1, the University will provide the Association with a list including an itemization of the minimum components of a faculty office deemed to be lacking for each individual faculty member.
- (e) The University will provide the Association with the results of all surveys on faculty working conditions, educational media services, and information on technology/computer resources within one month of completion.

**Section 6.** Departments that offer courses for academic credit off campus and outside the Portland metropolitan area shall develop procedures to insure that faculty have a written agreement that outlines the obligations and responsibilities of both the faculty member and the Department.

**Section 7.** Individuals teaching off campus shall be reimbursed for incidental course-related expenses by the department credited with offering the off-campus assignment. Expenses in excess of \$50.00 require prior approval by the department chair or designee.

- Parking Structure 3 (24 spaces)

- Fourth Avenue Garage (196 permits)
- University Place Lot (100 permits)

**Section 3.** In order to promote better use of University facilities by bargaining unit members, the University supports the concept of parking flexibility. Flexibility will make it convenient for faculty to spend more time on campus. Recognizing the value of flexibility in the kinds of parking permits made available, the University shall extend to faculty all of the various parking options now available to students.

## IV. DISPUTE RESOLUTION—Articles 27 - 28

### Article 26.

*[Article intentionally left blank.] [Topics previously included in this article were incorporated into Article 28 via collective bargaining.]*

### Article 27. IMPOSITION OF PROGRESSIVE SANCTIONS

#### Section 1. Just Cause.

If a member is subject to sanction for just cause, just cause for the imposition is defined as follows:

- (a) Failure to carry out responsibilities as defined in Article 4 (RESPONSIBILITIES OF THE MEMBERS).
- (b) Failure to perform the responsibilities of an academic staff member, arising out of one's particular assignment, toward students, toward the academic discipline, toward colleagues, or toward the institution in its primary educational and scholarly functions and secondary administrative functions of maintaining property, disbursing funds, keeping records, providing living accommodations and other services, sponsoring activities, and protecting the health and safety of persons in the institutional community. Evidence to demonstrate just cause under the standard set forth in this subsection may include, but is not limited to, evidence of incompetence, gross inefficiency, default of academic integrity in teaching, research, or scholarship, and intentional or habitual neglect of duty. [Although the effect of absence of teaching and/or research faculty is difficult to measure, unauthorized or unjustified absence from class, research, counseling activities, or other scheduled duties in excess of five (5) consecutive scheduled or regular working days is sufficient basis for monetary sanction.]
- (c) Cause as defined in OAR 580-021-0325(1) and OAR 577-041-0010(2).

#### Section 2. Progressive Imposition of Sanctions: Sanctions Available.

- (a) Bargaining unit members have the right to request the presence of the appropriate Association representative at any meeting that is or becomes an investigatory meeting that might result in sanction. When a bargaining unit member makes a request for the presence of an Association representative, the University has three options:
  - 1. It can stop questioning until the representative arrives; or,
  - 2. It can cancel the meeting; or,
  - 3. It can tell the bargaining unit member that it will call off the meeting unless the bargaining unit member voluntarily gives up his/her rights to an Association representative.
- (b) The parties agree that sanctions, when imposed, will progress from minor to severe for repeated failure to meet professional obligations. However, in some circumstances, actions or omissions, which have resulted or will, result in irreparable harm to the academic community or members thereof, may require the imposition of severe sanctions in the first instance. Sanctions shall include oral reprimand, oral reprimand with notation to the personnel file, written reprimand,

suspension with pay, denial of salary increase, suspension without pay, denial of promotion, reduction in pay, reduction in rank, and discharge.

### **Section 3. Procedures for the Imposition of Sanctions.**

- (a) Sanction of Oral Reprimand. The sanction of oral reprimand may be imposed by the appropriate administrative officer if the officer believes that there is just cause to warrant the sanction. The sanction of oral reprimand must be imposed within sixty (60) working days of the appropriate administrator's knowledge of the act, failure to perform, or condition on which the sanction is based.
- (b) Sanction of Oral Reprimand with Notation to File. The sanction of oral reprimand with notation to file may be imposed by an administrative officer if there is just cause to warrant the sanction. The sanction of oral reprimand with notation to file must be imposed within forty-five (45) working days of the appropriate administrator's knowledge of the act, failure to perform, or condition on which the sanction is based. After one (1) year from the date of an oral reprimand with notation in file, if no further sanction has been imposed against the bargaining unit member, the notation shall be removed from the member's file.
- (c) Sanctions More Severe than Oral Reprimand. Complaints alleging that a bargaining unit member has engaged in conduct such as to warrant the imposition of sanctions more severe than oral reprimand shall be filed with the President of the University or designee. Such complaints shall be in writing and shall state specifically the facts believed to constitute the grounds for the imposition of such sanctions. Upon receiving such written complaint, the President or designee shall, within ten (10) working days, refer it to an appropriate administrative officer and shall also have a copy of the written complaint delivered in person to the bargaining unit member and the Association or sent by certified mail to a last known address. If the administrator finds that there is no basis for a sanction, the administrator shall notify affected parties thereby terminating the process. The administrative officer shall fully explore the possibility of a settlement mutually acceptable to the bargaining unit member and the officer. If no mutual settlement is effected, the following procedures shall apply:
  - 1. Written Reprimand. If there is just cause for a sanction more severe than an oral reprimand, a sanction of written reprimand may be imposed. After one (1) year from the date of a written reprimand, if no further sanction has been imposed against a bargaining unit member, the written reprimand or notation shall be removed from the member's file.
  - 2. Sanction More Severe than Written Reprimand. If there is just cause for a sanction more severe than a written reprimand, a notice of intent to impose severe sanction shall be served, either personally upon the member, or by certified mail (with return receipt requested) to the member's address of record and to the Association. The notice shall contain a description of the alleged act(s) or omission(s), date(s), time(s), place(s), and proposed sanction. In addition, the notice must inform the individual of procedural protections available including the right to a review and an opportunity for a hearing before a committee of peers prior to the imposition of sanctions and the right to request the Association to file a grievance at Step 3 subsequent to the imposition of sanctions.
- (d) Suspension of the faculty member during the pendency of proceeding is justified only if immediate harm to the member or others is threatened by the member's continuance.

- (e) Within five (5) working days of the receipt of notice to impose severe sanction, a bargaining unit member may request a review and a hearing by an ad hoc committee of peers. The committee shall be constituted as follows: within two (2) working days of the receipt of the request for review, the President shall appoint one member, and the Association shall appoint a second member to serve; the two (2) members thus selected shall, within two (2) working days of their selection, choose a third member who shall serve as chairperson. The ad hoc committee shall within ten (10) working days of selection review the matter and hold a hearing, if requested, and shall within fifteen (15) working days of selection issue a report to the President stating whether in their opinion there is just cause to impose the sanction.
- (f) In the event a hearing is held, the following procedures shall apply:
1. The bargaining unit member shall appear at the hearing and may be accompanied and assisted by other persons, including counsel and the Association.
  2. The University shall appear at the hearing and be represented by a person designated by the President. The University's representative may be accompanied and assisted by other persons, including counsel.
  3. Hearings shall be open unless closed by request of the bargaining unit member or requirement of law. A verbatim record of all hearings shall be made.
  4. During the hearing an opportunity shall be provided for the bargaining unit member and the University's representative to present brief opening and closing statements and for both parties to present evidence and testimony and to call and cross-examine witnesses.
  5. The chairperson of the ad hoc committee shall preside at the hearing and over the deliberations of the committee. The chairperson shall have authority to rule upon questions of admissibility of evidence and to exclude irrelevant, untrustworthy, and unduly repetitious evidence.
  6. The ad hoc committee shall describe the issues considered, make its findings of fact, and make its recommendations based on those findings in a written report to the President.
  7. Dissenting opinions, if any, by members of the ad hoc committee may be submitted with the report to the President.
- (g) The President shall upon consideration of the ad hoc committee's report impose the sanction or conclude the matter.
- (h) When the President or administrative officer has decided to impose a sanction, the Association may initiate the grievance and arbitration procedures provided for in this Agreement. The grievance would be filed at Step 3. The timeline requirements for filing a grievance shall begin to run from the date of the Association's and the bargaining unit member's notification of the sanction. In the event that the Association's notification date differs from the bargaining unit member's notification date, the later date shall apply. In matters not involving academic judgments as defined in Article 28, Division B, Section 3 (RESOLUTION OF DISPUTES: GRIEVANCES), issues of procedure and substance may be grieved and arbitrated. In matters involving academic judgment, issues of procedure and sufficiency of evidence may be grieved and arbitrated.

- (i) Under no circumstances may the sanction of reduction in rank or discharge be implemented until the individual has exhausted available administrative remedies under this Agreement or fails to file a timely appeal from a decision on the grievance.
- (j) The University and the Association agree that the sanction procedures described in this Article shall be in lieu of those procedures described in OAR 580-021 and in OAR 577-041 (Oregon Administrative Rules) which shall have no application to members of the bargaining unit.
- (k) Notwithstanding the limitations prescribed in Article 28, Division C (RESOLUTION OF DISPUTES: ARBITRATION), the authority of an arbitrator shall extend to the settlement of all issues identified as grievable in this Article.

## **Article 28. RESOLUTION OF DISPUTES**

### **Division A. EXPEDITED DISPUTE RESOLUTION**

**Section 1.** If the Association believes that a provision of this Agreement which confers rights upon it has been violated, misinterpreted, or improperly applied, or if the University believes the Association has violated, misinterpreted, or improperly applied a provision of this Agreement, the complaining party may file with the other a written complaint citing the provision of this Agreement alleged to have been violated, misinterpreted, or improperly applied, the approximate date of the alleged act or omission, the person responsible, and the remedy sought. Such a complaint shall be filed within thirty (30) days of the date of the alleged act or omission.

**Section 2.** In the manner provided in Article 7 (CONSULTATION), the parties shall meet to attempt to resolve the matter.

**Section 3.** If the parties resolve the complaint, the resolution will be reduced to writing and signed by the parties within five (5) working days of the meeting on the complaint.

**Section 4.** If the complaint is not resolved, the complaining party may give to the other notice of intent to arbitrate within the time limits provided in Division C (ARBITRATION) of this Article, except as provided in Division A, Section 5 (EXPEDITED DISPUTE RESOLUTION) of this Article.

**Section 5.** The University and the Association agree to use arbitration as the sole method of deciding unresolved disputes alleging violation, misinterpretation, or improper application of the express terms of this Agreement; therefore, the parties hereby waive their respective rights to have such matters resolved by the Employment Relations Board as provided by ORS 243.672(1)(g) and 243.672(2)(d); except that disputes relating to definition of the bargaining unit shall be resolved by the Employment Relations Board and not by arbitration.

**Section 6.** The procedures provided in this Section and in Division B (GRIEVANCES) of this Article cannot both be invoked concerning the same problem, dispute, grievance, or complaint.

## **Division B. GRIEVANCES**

**Section 1. Purpose.** The purpose of this Article is to provide a procedure that will promote prompt and efficient investigation and resolution of grievances. The parties encourage informal resolution of grievances whenever possible. The University is not obliged to observe any other procedure for the resolution of grievances as that term is hereby defined.

### **Section 2. Resort to Other Procedures.**

If, prior to seeking resolution of a dispute by presenting a grievance hereunder, or while the grievance proceeding is in progress, a member seeks resolution of the matter through the grievance procedures provided in either OAR Chapter 577, Division 42 or OAR Chapter 580, Division 21, the University shall have no obligation to entertain or proceed further with the matter pursuant to this grievance procedure or pursuant to Division C (ARBITRATION) of this Article.

### **Section 3. Definitions.**

- (a) The term "grievance" is defined as an allegation that there has been a violation, misinterpretation, or improper application of the provisions of this Agreement. The term "grievance" shall not include complaints related to matters of academic judgment. For the purpose of this Agreement, "academic judgment" shall mean the judgment by faculty and administrators: 1. concerning academic standards, competence and performance as these relate to appointment, reappointment, promotion, tenure, or merit salary increases; and 2. concerning curricula and educational policy.
- (b) "Grievant" means one or more members of the bargaining unit or the bargaining unit itself alleging damage or injury by the act or omission being grieved.
- (c) "Relevant Vice President" means the vice president who is in the reporting line of a given bargaining unit member or other Portland State University officer with academic rank who reports directly to the President of the University, whether or not such person holds the title of vice president.

### **Section 4. General Provisions.**

- (a) Grievances may be filed only by the Association on behalf of any member or group of members of the bargaining unit.
- (b) A bargaining unit member who is serving as grievance officer and files a grievance on his/her own behalf shall not represent him/herself in his/her own grievance, but is not required to relinquish the role of grievance officer for the bargaining unit. The Association will appoint an interim grievance officer.
- (c) The parties may agree to modify the time limits in any step of the grievance procedure. At formal steps, agreement to modify time limits shall be in writing.
- (d) Failure at any step of this procedure to request review of a decision within the specified time limits, including any extensions thereof, shall be considered acceptance by the grievant of the decision rendered at the previous step. Failure of the administration to communicate the decision

on the grievance at any step within the time limits, including any extension thereof, shall allow the grievant to proceed to the next step.

- (e) All grievances which proceed to formal settlement procedures, all requests for review, and all arbitration actions shall be submitted on forms attached to this Agreement as Appendices B, C, and D, respectively; and shall be signed by a representative of the Association and, where appropriate, the grievant. The University may refuse consideration of a grievance not filed in accordance with this Article.
- (f) If the matter being grieved relates to an act or omission by the Provost, another Vice President, or the President, the grievance may be presented at Step Two or Step Three, as appropriate, but in the manner provided at Step One.
- (g) A grievance may be withdrawn at any time by either the Association or the grievant.
- (h) A grievance may not be presented under this Article for an act or omission which occurred prior to the effective date of this Agreement, except for grievances filed in a timely manner under the provisions of the previous Collective Bargaining Agreement.
- (i) Regardless of the outcome of the grievance procedures, no action adverse to the grievant or the Association may be taken in retaliation for invoking the procedure.

#### **Section 5. Presentation of Grievances.**

**General.** Time is of the essence in the presentation of grievances. The time limits provided below for the initial presentation of a grievance are measured from the date of the act; omission or commencement of condition upon which the grievance is based; or from such later date that the bargaining unit member knew or reasonably should have known of the act, omission, or commencement of the condition upon which a grievance is based, whichever is later. In no event, however, will a grievance be presented more than one hundred twenty (120) working days after the act, omission, or commencement of the condition on which the grievance is based. The 120-working-day limit will be extended for those members who are out of the country or are on an official leave of absence so that the member will have a reasonable time after returning to campus to present a grievance.

**Informal Procedure.** The grievant and, if needed to facilitate resolution, a bargaining unit member of the Association, may discuss the grievance with the administrator most directly concerned in an attempt to resolve the grievance informally. A grievance may be presented informally within twenty (20) working days of the act, omission, or commencement of the condition on which the grievance is based, or from such date that the bargaining unit member knew or reasonably should have known of the act, omission or commencement of the condition upon which the grievance is based, whichever is later. The grievant should apprise the administrator that the matter being presented is a grievance arising under the terms of this Agreement in order to distinguish the matter from a noncontractual complaint. The administrator to whom the complaint is presented shall communicate a decision to the grievant within five (5) working days of the presentation of the grievance.

**Confidential Mediation.** The parties may, at their discretion, enter into confidential mediation communications prior to the formal presentation of a grievance as described in this Article provided as follows:

- (a) “Suspend” as used in paragraphs (b), (c), and (d) below will mean that days will not count against the one hundred twenty (120), twenty (20), and forty (40) working days specified in “General,” “Informal Procedure,” and “Formal Procedure” Step One of Division B, Section 5 of this Article, respectively. In cases that may involve Progressive Sanctions, the days will also not count against the sixty (60), forty-five (45), and ten (10) working days specified in Article 27, Section 3, (a), (b), and (c) respectively.
- (b) The parties agree to suspend the grievance timelines, and, where relevant, progressive sanctions timelines, while they consider if they are able to enter into and arrange confidential mediation; this agreement will be in writing.
- (c) All parties to the mediation must agree in writing to engage in confidential mediation for a specific period of time; this time may be extended by mutual agreement of all parties; and
- (d) All parties must agree to suspend consideration of the grievance until such time as the mediation resolves the grievance or the period agreed to in (c) concludes. In no case shall the rights of the Association to continue to pursue resolution of the grievance under this Article be limited or considered untimely if the parties have mutually agreed to confidential mediation, except as dictated by other conditions of this Article.

**Formal Procedure.** If the matter is not satisfactorily resolved by informal means, or by confidential mediation, the following formal grievance procedure will apply.

*Step One.* A grievance shall be presented to the appropriate dean or administrative officer within forty (40) working days of the act, omission, or commencement of the condition on which the grievance is based. The grievance shall be presented on the grievance form (Appendix B). The grievance shall set forth the act, omission, or condition on which the grievance is based; the date thereof as precisely as possible; the specific provision of this Agreement which is alleged to have been violated, misinterpreted, or improperly applied; and the remedy sought.

Upon the Association’s written request, fifteen (15) working days postponement of formal consideration shall be allowed for a further attempt to achieve informal resolution of the grievance.

The appropriate dean or administrative officer shall meet with the grievant and the appropriate representative of the Association within five (5) working days of receipt of the grievance form (Appendix B), or within five (5) working days of the expiration of the period of time allowed to Step One for informal resolution. The dean or administrative officer shall send a decision in writing to the grievant and the Association within ten (10) working days of this meeting.

*Step Two.* If the Association is not satisfied with the decision at Step One, a request for review (Appendix C) may be filed with the relevant Vice President within ten (10) working days of the date of the decision at Step One. The relevant Vice President or designee shall meet with the grievant and the appropriate representative of the Association within five (5) working days of receipt of the request for review to discuss the grievance. The relevant Vice President shall send his/her decision concerning the grievance in writing to the grievant and to the Association within ten (10) working days of such meeting.

*Step Three.* If the Association is not satisfied with the decision at Step Two, a request for review (Appendix C) may be filed with the President or designee within ten (10) working days of the date of the decision at Step Two. The President or designee shall meet with the grievant and the appropriate representative of the Association within ten (10) working days of receipt of this request, and the President or designee shall send a decision in writing to the grievant and to the Association within ten (10) working days of such meeting.

*Step Four.* If the Association is not satisfied with the decision at Step Three, a request for review (Appendix C) may be filed with the Chancellor within ten (10) working days of the decision at Step Three; or, the Association may give written notice (Appendix D) to the President or designee of intent to proceed to arbitration. Notice of intent to arbitrate must be filed with the President of the University within twenty (20) working days of the date of the decision at Step Three.

If a request for review is filed with the Chancellor, the right to arbitrate the grievance is thereby waived. The Chancellor or designee shall meet with the grievant and the appropriate representative of the Association within ten (10) working days of receipt of a request for review, and the Chancellor or designee shall send a decision in writing to the grievant and to the Association within ten (10) working days of such meeting.

As used in this Section, the date of filing of a request for review shall be the date that the form (Appendix C) is received in the administrative office. The date of the decision is the date the decision is sent to the grievant and the Association. Dates of filing and dates of decisions shall be entered into a log maintained for that purpose and signed by the person who actually received or sent the document being logged.

## **Division C. ARBITRATION**

**Section 1. Arbitration of Grievances.** If a grievance brought under Division B (GRIEVANCES) of this Article is not resolved at Step Three of that procedure, the Association may submit the matter to arbitration. Notice of intent to arbitrate (Appendix D) must be filed with the President of the University within twenty (20) working days of the date of the decision at Step Three. If no notice of intent to arbitrate is filed within the time limit, the right to arbitrate is thereby waived.

**Section 2.** Matters within the scope of Divisions A and B of this Article may be submitted to arbitration if not resolved in the manner provided in Article 7 (CONSULTATION). Notice of intent to arbitrate must be served on the opposing party within twenty (20) working days of the last consultation meeting at which the issue was discussed.

**Section 3.** Within ten (10) working days of receipt of notice of intent to arbitrate, the parties shall meet to attempt to agree upon an arbitrator. If the parties are unable to agree upon an arbitrator within five (5) working days of the meeting, the party initiating arbitration shall request the American Arbitration Association to submit a list of seven (7) arbitrators, none of whom shall be an employee of the Oregon University System unless both parties have agreed to the contrary.

Each party shall alternately strike one (1) name from the list of seven (7); the remaining person shall be the arbitrator. The party initiating the arbitration shall strike the first name.

If the arbitrator selected cannot hold the hearing or render a decision within the time limits provided herein and either party does not agree to an extension of time, a new list of seven (7) names shall be

requested from the American Arbitration Association and the selection procedure as provided herein shall be repeated.

**Section 4. Conduct of the Hearing.** The arbitrator shall hold the hearing in Portland, Oregon unless otherwise agreed to by the parties. The hearing shall commence within sixty (60) working days of the arbitrator's acceptance of the case, unless both parties agree to an extension of time.

If the arbitrator or either party requests that post-hearing briefs be submitted, the arbitrator shall establish a date for the submission of such briefs and the hearing will be deemed to have been closed by such date.

**Section 5. Arbitrability.** The arbitrator shall first decide the issue to be arbitrated; then the arbitrator's jurisdiction shall be decided. If arbitrability is in dispute between the parties, the arbitrator shall hear the parties on the question before deciding the matter of arbitrability, which shall be announced. Upon concluding that the issue is arbitrable, the arbitrator shall normally proceed with the hearing at that time.

Upon concluding that the arbitrator has no power to act, the arbitrator shall not hear the matter or make any decision or recommendation regarding the merits of the issue.

**Section 6. Authority of the Arbitrator.** The arbitrator shall neither add to, subtract from, modify, nor alter the terms or provisions of this Agreement. The arbitrator shall refrain from issuing any statement, opinion, or conclusions not essential to determination of the issue submitted.

Except as otherwise provided in this Article, the arbitrator shall have no authority to hear or decide any issue or grievance contesting an "academic judgment" as defined in Division B, Section 3 (GRIEVANCES) of this Article. In cases involving "academic judgment" involving the exercise of discretion, the arbitrator shall not substitute his/her judgment for that of the faculty or the administrator. Nor shall the arbitrator review such decision except for the purpose of determining whether the provisions of this Agreement have been followed. If the arbitrator determines that procedural steps have not been followed where an exercise of "academic judgment" is involved, the arbitrator shall remand the matter to the appropriate official or body to be reconsidered in accordance with the relevant procedures. In such case, the arbitrator may not direct that a bargaining unit member be reappointed, promoted, or awarded indefinite tenure. The arbitrator, however, may direct that the status quo ante be maintained until a judgment is made having properly followed appropriate procedural steps.

The arbitrator shall have no authority to determine whether Article 13, Nondiscrimination, has been violated, except with respect to claims alleging discrimination on the basis of Association activity. Other grievances alleging violation of that provision may be taken only through the pre-arbitration levels of the grievance procedure. Nothing in this Agreement precludes employees from filing or pursuing, at any time, claims alleging violations of state or federal non-discrimination laws with outside agencies (e.g. the Oregon Bureau of Labor and Industries or the Equal Employment Opportunity Commission) or courts.

The arbitrator shall have no authority to award monetary penalties or damages. The arbitrator shall have the authority to make the bargaining unit member whole, but does not have the authority to direct that a bargaining unit member be reappointed, promoted, or awarded indefinite tenure.

The arbitrator shall have no authority to make any decision limiting or interfering in any way with the powers, duties, and responsibilities of the University and the Board that have not been expressly limited by this Agreement.

**Section 7. Arbitrator's Decision.** The arbitrator derives authority wholly and exclusively from the express terms of this Agreement. The decision of the arbitrator shall be final and binding upon the parties as to the issues submitted, provided that either party may appeal the decision on the basis of repugnance to law, jurisdiction, or that the arbitrator exceeded authority granted by this Agreement.

The decision of the arbitrator shall be issued within thirty (30) calendar days of the close of the hearing unless the parties have agreed to additional time.

The decision of the arbitrator shall be in writing and shall set forth findings of fact, reasoning, and conclusions on the issue submitted.

**Section 8. Costs.** All fees and expenses of the arbitrator shall be divided equally between the parties. Each party shall bear the cost of preparing and presenting its own case. Expenses of witnesses, if any, shall be borne by the party calling the witness. The cost of any transcripts required by the arbitrator shall be divided equally between the parties and each party shall be furnished a copy thereof. If either party wishes a transcript of the hearing, it may have one made at its own expense, but shall provide the arbitrator and the other party a copy at no charge.

**Section 9. Miscellaneous Provisions.** Except as modified by the provisions of this Agreement, arbitration proceedings shall be conducted in accordance with the then prevailing Voluntary Labor Arbitration Rules of the American Arbitration Association or, if the parties agree, in accordance with the Association's Expedited Arbitration Rules.

Unless decided otherwise by the arbitrator for good cause, the burden of proof in all matters shall be upon the party initiating the arbitration.

## **Article 29.**

*[Article intentionally left blank.] [Topics previously included in this article were incorporated into Article 28 via collective bargaining.]*

## *V. COMPENSATION, LEAVES, HUMAN RESOURCE ISSUES—Articles 30 - 38*

### **Article 30. SALARY AND RETIREMENT**

**Preamble.** Portland State University shall provide faculty with timely compensation for work performed. Compensation rates are established by this Agreement. Work performed that is in addition to the faculty member's contractual duties shall be compensated at a rate that is mutually agreed upon by Portland State University and the faculty member. Such agreement shall be made in writing before beginning the assignment.

It is the mutual goal of the University and the Association that faculty compensation rates for Portland State University bargaining unit members move closer to the median of their established comparators' total compensation amounts using the College and University Personnel Association's (CUPA) National Faculty Salary Survey (NFSS) doctoral subset averages by discipline/department and rank in Public Four-Year Colleges and Universities.

#### **Section 1. Retirement.**

PSU shall continue to pay the six percent (6%) employee contribution on behalf of members then participating in the Public Employees Retirement System (PERS) to the Public Employees Retirement Fund for PERS-eligible employees through December 31, 2003; effective January 1, 2004, in lieu of paying the six percent (6%) employee contribution to the Public Employees Retirement Fund, Portland State University will pay the six percent (6%) employee contribution to the employee's Individual Account Program (IAP) established under ORS 238A.300 and ORS 238A.305, including the amount required under ORS 238.215 if a supplemental retirement option has been selected, for the period of this Agreement.

Pursuant to ORS 238A.335, Portland State University shall pay on behalf of members participating in the Oregon Public Service Retirement Plan (OPSRP) the statutorily required employee contribution of six percent (6%) under ORS 238A.330. Such payments on behalf of members shall continue for the life of this Agreement or until such earlier time as a member shall cease to be a participating member of OPSRP.

The full amount of members' required contributions paid by Portland State University to PERS/ORP/OPSRP on behalf of members shall be considered as "salary" within the meaning of ORS 238.005 (20) and 238A.005 (16) for the purpose of computing "final average salary" within the meaning of ORS 238.005 (8). Salary under this definition shall not be considered "salary" for the purposes of determining the amount of employee contributions required to be contributed. The contributions paid by the University on behalf of members shall be credited to employee accounts and shall be considered to be employee contributions for the purposes of ORS 238, ORS 238A, and ORS 243.800(8).

If for any reason the six percent (6%) Employer payment of the employee contribution is declared invalid or is otherwise eliminated and a replacement is not available, then effective on the date of its invalidation or elimination, a corresponding general salary increase of six percent (6%) shall be paid to eligible employees. In such case, employees' six percent (6%) contributions shall be deducted for payment to the applicable employee accounts and shall be treated as "pre-tax" contributions pursuant to Internal Revenue Code Section 414(h)(2), for the period of this Agreement.

## Section 2. Salary Base.

The salary base for determining the salary increase for unit members currently employed shall be the members' preceding appointment salary less any stipends.

## Section 3. Salary Adjustments.

The Employer will make a contribution sufficient to cover premium costs to provide fully paid medical, dental, and basic life insurance benefits chosen by each eligible bargaining unit member through the Public Employees Benefit Board (PEBB), for the remainder of the 2009 benefits plan year.

For plan year January 1, 2010 through December 31, 2010, the Employer will increase its monthly contributions by up to five percent (5%) of the actual monthly composite resulting for plan year 2009.

For plan year January 1, 2011 through December 31, 2011, the Employer will increase its monthly contributions by up to five percent (5%) of the actual monthly composite resulting for plan year 2010.

Should PEBB increase the rates it charges to the Employer based on this assessment, the Employer will pay for the portion of the rate increase that is attributable to the assessment. The notice shall include the date the leave begins and expected ending date, and the current and future bargaining unit member responsibilities affected. The department chair will forward the notice to the Dean, the Office of Academic Affairs, and the Office of Human Resources. The department chair will notify the bargaining unit member ten (10) days prior to the beginning date of the leave.

### **Section 2.**

- (a) From time to time, a faculty member who holds a tenure-track appointment may qualify to take advantage of the provisions of the Family Medical Leave Act. Time granted for family/medical leave shall not be considered continual service to the University for purpose of promotion and tenure.
- (b) A faculty member who wishes to extend the probationary period for promotion and tenure must obtain written certification of eligibility for family/medical leave from the University benefits officer.
- (c) At the request of faculty member eligible for family/medical leave, the University will consider entering into a special agreement to extend the probationary period for up to one year before mandatory consideration for indefinite tenure is given.

### **Article 33. SABBATICAL LEAVES**

**Section 1.** Sabbatical leaves should be granted when it can be shown that the faculty member will use the time in a manner which will provide increased service to the institution either through study and research, writing, advanced study, or travel related to the applicant's field or professional activities.

**Section 2.** A faculty member who has more than ten (10) years continuous full-time service since the last sabbatical leave may be given highest priority for the award of sabbatical leave.

**Section 3.** A faculty member on academic-year appointment is eligible for sabbatical leave after six (6) years of continuous full-time service. For the purpose of calculating eligibility a member shall be deemed to have served full-time during any academic year when, for the benefit of the University, set out in writing the member's employment is less than full time, provided that the total FTE for the academic year plus the FTE from Summer employment during either the immediately preceding or immediately following Summer term is at least .81 of the academic year FTE.

**Section 4.** If split sabbaticals are approved, eligibility for sabbatical shall be calculated as if the terms of leave were taken consecutively starting with the first term of said sabbatical.

**Section 5.** In cases where it is necessary to choose between several applications for sabbatical leave from the same department or unit, preference will not be given based on salary.

### **Article 34. LIBRARY FACULTY DEVELOPMENT DAYS**

The Director of the Library will continue the past practices and procedures of development days for tenure-track library faculty at the assistant professor rank. Each tenure-track assistant professor in the Library will be entitled to five development days per academic year of the Agreement for the purpose of research, writing, and other activities directly related to the criteria for tenure and promotion. These days will be scheduled to accommodate staffing in the Library.

## **Article 35. PERSONNEL FILES**

The purpose of this article shall be to specify the means of implementation of OAR 577-040-0005 through OAR 577-040-0025.

**Section 1.** A faculty member has the right to know of the existence and location of each of the three legally permissible files maintained on him or her by the University that might be used relative to the employee's qualifications for employment or re-employment, performance evaluation, and/or disciplinary action. Each file shall refer to the existence and location of other files. The University is responsible for informing the faculty member of the existence and location of such files, herein referred to as personnel files.

The University may discharge the responsibility of faculty notification through a description of the location and policies with respect to the maintenance of personnel files in the University Faculty Handbook.

**Section 2.** The individual shall have access to examine his or her file during normal business hours under conditions which protect the integrity of the files, except for excised portions as per OAR 580-022-0100(2)(3). The faculty member shall have the right to copies of his or her file. The faculty member may be accompanied by a representative of his or her own choice at the time the file is examined.

**Section 3.** The source of all materials in the personnel file shall be identified. No unauthorized or anonymous materials shall be contained in the personnel file (OAR 580-022-0075).

**Section 4.** A faculty member shall have the right to submit additional information to be placed in his or her personnel file to include, but not limited to: transcripts supporting claim to academic work; documents supporting claim to professional training; letters and records describing work experience; copies of all statements of employment; all documents relating to professional growth or performance; documents indicating special competencies, achievements, scholarly research, academic, professional, or other contributions; any statement that the faculty member wishes to have entered in response to, or in elaboration of any other item in his or her file.

**Section 5.** If a faculty member should become aware that his or her personnel file contains errors of fact or omission, the faculty member may petition, in writing, the Provost or his/her authorized designee, to remove or correct said information.

## **Article 36. OUTSIDE EMPLOYMENT**

Teaching and research are the primary functions of the University and are nourished by efficient and imaginative administration. Service to the community and nation is an inherent obligation. These four—teaching, research, administration, and public service—are essential features of academic life and make comparable demands on ability and devotion.

The contributions of a faculty member are not, however, measured solely by activities directly related to University programs. The objectives of the University are served, and its programs enriched, by the active participation of its faculty members in outside activities which contribute to the advancement

of the faculty member's profession or provide an opportunity for professional growth through interaction with industry, business, government, and other institutions of our society.

The University recognizes contributions and achievements, not only by appropriate salary advancement and promotion, but also by permitting faculty members substantial freedom in arranging their academic lives. This freedom is, however, subject to an overriding principle:

The potential magnitude of outside professional activity is such that orderly procedures must be followed to avoid ethical and legal conflicts of interest and to ensure that such activities do not conflict with the proper discharge of University responsibilities.

The Office of Graduate Studies publishes the "Guidelines for Avoiding Conflict of Interest between the University Faculty and the Private Sector." These guidelines are hereby referenced in this Agreement and therefore are to be considered a part of this Agreement.

### **Article 37. HUMAN RESOURCES INFORMATION SYSTEM IMPLEMENTATION**

The University and the Association acknowledge the responsibility and the value of managing employee information through the University's Human Resources Information System (HRIS). The Association agrees to attempt in good faith to resolve issues related to payroll processes, personnel procedures, identification of bargaining unit members, and dues deductions through informal discussions with the Associate Vice President for Human Resources or designee. Any issues not resolved through informal discussions or through formal HR procedures shall be referred to the Vice President for Finance and Administration or designee. The procedures outlined above do not waive the Association's right to access the dispute resolution procedures in this agreement.

In the event of a system failure, the University will provide alternative methods for issuing paychecks in a timely manner to bargaining unit members.

### **Article 38. MEMBER NOTIFICATION**

The University agrees that in the interest of informing members of the University community about current services and policies, it will:

1. distribute employee assistance program brochures annually to all members of the bargaining unit (including a copy sent each year to the Association); and
2. include, in each revision of the PSU Faculty Handbook and the ABC's of PSU web-guide, entries for "day care" and "elder care" and other related services offered (for example, "drugs and alcohol") with cross references to "benefits" and "employee assistance program."

Claims which have not been adjudicated will not be settled without the concurrence of the Association.

#### **Article 41. SEPARABILITY**

Notwithstanding the provisions of ORS 243.702(1), it is the expressed intent of the parties that in the event any provisions of this Agreement shall at any time be declared invalid by any court of competent jurisdiction or rendered invalid through federal or state regulation or decree, such action shall not invalidate any remaining provision of this Agreement. All provisions not declared invalid shall remain in full force and effect. Upon the request of either party, both parties shall enter into negotiations for the purpose of attempting to arrive at a mutually satisfactory replacement for such invalidated provision.

#### **Article 42. TOTALITY OF AGREEMENT**

The parties acknowledge that during the negotiations which resulted in this Agreement, the Association and the University had the unlimited right and opportunity, consistent with previously adopted ground rules, to present demands and proposals with respect to any and all matters lawfully subject to collective bargaining; that all understandings and agreements negotiated are set forth in this Agreement; and that this Agreement constitutes the entire and sole agreement between the parties for its duration.

Each party, for the lifetime of this Agreement, agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter, whether or not referred to or covered by this Agreement, even though such subject or matter may not have been within the knowledge or contemplation of the parties at the time they negotiated or signed this Agreement.

Nothing in this Article precludes mutual agreement of the parties to alter, amend, supplement, or otherwise modify in writing any of the provisions of this Agreement. In the event the parties meet to modify this Agreement as provided in this paragraph, student representatives shall be sent timely notice of the meeting and shall be entitled to participate in the manner provided by ORS 243.778.

The University shall send written notice to the Association no later than March 15 prior to the expiration of this Agreement specifying those new subjects or sections of this Agreement it proposes to negotiate. Those sections of this Agreement not opened by said notices or by subsequent mutual agreement shall automatically become a part of any successor Agreement. Negotiation of the successor Agreement shall begin no later than March 31 prior to the expiration of this Agreement or such date thereafter as may be mutually agreed upon by the parties.

**Article 44. TERM OF AGREEMENT**

*LETTERS OF AGREEMENT—Letters of Agreement #1 - #5*

**LETTER OF AGREEMENT—LOA #1: Tuition Benefits**

Effective Fall Term 2000, bargaining unit members will be eligible for any new Oregon State Board of Higher Education policy concerning staff fee privilege.

## **LETTER OF AGREEMENT—LOA #2: PSU and AAUP Labor/Management Committee**

There shall be a labor/management committee consisting of four members: the Vice Provost for Academic Administration and Planning, a person designated by the President of the University, and two Association members, designated by the President of the Association.

The committee shall meet at a minimum of once per quarter and/or at the request of either party to discuss matters concerning bargaining unit members—for example, workload, strategies for communicating Agreement requirements, or other issues of joint concern.

At the beginning of each fall term, the committee shall develop an agenda that includes a charge for addressing issues and a timeline for the work required. Additional resource personnel may be invited to participate in meetings to provide needed expertise. A report of the committee's activities will be presented to the parties during the following spring term.

### **LETTER OF AGREEMENT—LOA #3: PSU and AAUP Workload Task Force**

The committee shall consist of four members, two designated by the University and two designated by the President of the Association. As appropriate the task force may wish to invite others to join it when they have a particular expertise or concern.

The committee shall meet at a minimum of once per quarter and/or at the request of either party to discuss matters concerning workload and move these discussions forward into appropriate campus venues, including faculty senate and CAE.

The joint task force will issue a yearly report that will be presented to the Provost and the Association by June 15<sup>th</sup> of each year.

**LETTER OF AGREEMENT—LOA #4: Salary Reductions for Academic Years 2009-2011**

In response to the extraordinary circumstances created by the global economic downturn over the past year, and in recognition of the University's financial difficulties, the parties agree to the following cuts for the 2009-2010 and 2010-2011 years:

**(A) Year 1: 2009-2010**

The parties agree that salaries will be reduced by the percentages set forth below from current levels during 2009-2010.

During 2009-2010, Portland State University intends to be closed from Saturday, December 19, 2009 through Monday, December 28, 2009. This period includes five (5) regular working days.

In exchange for the salary reduction referenced above, members will receive leave days according to the schedule below:

For 12-month employees at 1.0 FTE (assuming a full year of implementation):

Annual Pay @ 1.0 FTE	Minimum Number of Leave Days	% Impact on Salary
<\$30,000	3 days per fiscal year	1.15%
≥\$30,000 and <\$50,000	4.2 days per fiscal year	1.62%
≥\$50,000 and <\$70,000	5.4 days per fiscal year	2.08%
≥\$70,000 and <\$90,000	6.6 days per fiscal year	2.54%
≥\$90,000 and <\$110,000	7.8 days per fiscal year	3.00%
≥\$110,000 and <\$130,000	9 days per fiscal year	3.46%
≥\$130,000 and <\$150,000	10.2 days per fiscal year	3.92%
≥\$150,000	11.4 days per fiscal year	4.38%

For 9-month employees at 1.0 FTE (assuming a full year of implementation):

Annual Pay @ 1.0 FTE	Minimum Number of Leave Days	% Impact on Salary
<\$24,590	2.19 days per academic year	1.15%
≥\$24,590 and <\$40,984	3.07 days per academic year	1.62%
≥\$40,984 and <\$57,377	3.95 days per academic year	2.08%
≥\$57,377 and <\$73,770	4.82 days per academic year	2.54%
≥\$73,770 and <\$90,164	5.70 days per academic year	3.00%
≥\$90,164 and <\$106,557	6.58 days per academic year	3.46%
≥\$106,557 and <\$122,951	7.45 days per academic year	3.92%
≥\$122,951	8.33 days per academic year	4.38%

The number of leave days to which a Member is subject will be prorated according to the member's appointment FTE and by the number of months remaining in the year after effective implementation. The number of leave days to which a Member is subject is to be rounded up to the next whole number of days.

At a minimum, Members will be provided with sufficient leave days to cover the University Closure period. The first five (5) days of leave provided to a Member pursuant to this Letter of Agreement

~~are to be used for the University Closure period. Members subject to more than five (5) leave days (the number of days necessary to cover the University Closure period) must schedule and coordinate the use of those additional leave days with the relevant department chair, dean, or provost, based on the operating requirements of the University. Class schedules will not be disrupted by the use of leave days.~~

~~Some Members may be required to work during the University Closure period due to the operational needs of the University. In such cases, the Member will be provided with additional leave days equal to the number of University Closure days that the Member was required to work, which are to be scheduled and coordinated with the relevant department chair, dean, or provost, based on the operating requirements of the University.~~

~~Members on approved sabbatical leave will not be subject to the salary reductions as described in this Letter of Agreement while on their sabbatical leave.~~

~~The accruals of sick leave and vacation time are not affected by the terms of this Letter of Agreement.~~

~~Members whose visa status would be affected by the salary reduction of this Letter of Agreement will be exempt from the salary reductions of this Letter of Agreement.~~

~~Leave days provided by this Letter of Agreement must be taken during the year in which they were awarded and are not compensable in any other manner.~~

~~Leave days provided by this Letter of Agreement days are separate and distinct from any other type of leave. Leave days provided by this Letter of Agreement do not accrue and unused leave days expire on the last day of the year.~~

~~Offers extended to incoming members of the bargaining unit will be within the contractual salary range for the position less the reduction mandated by this Letter of Agreement for that salary level.~~

## **~~(B) Year 2: 2010-2011~~**

~~The parties agree that the terms negotiated above for 2009 will continue through 2010-2011 unless the parties renegotiate the terms of this Letter of Agreement as provided below.~~

~~During 2010-2011, Portland State University intends to be closed from Saturday, December 18, 2010 through Monday, December 27, 2010. This period includes five (5) regular working days.~~

~~By March 31, 2010, if the University or the Association believes that the University's financial circumstances have changed such that the provisions of this Letter of Agreement should be reconsidered, then such party may request renegotiation of this Letter of Agreement and the parties will reopen this Letter of Agreement only for the sole purpose of renegotiating the salary and leave day provisions.~~

## **LETTER OF AGREEMENT—LOA #5: Salary Restoration**

1. The University will restore member salary rates to pre-reduction levels (either the rate effective on October 31, 2009 or a subsequently adjusted rate). This restoration will be effective on April 1, 2010. Letter of Agreement #4 is rescinded as of April 1, 2010.

2. The University will allocate \$ 1 million, to be spent over the rest of the biennium:

- \$ 400 K one-time support for the Library
- \$ 200 K towards computing (computers and software)
- \$ 200 K toward faculty travel
- \$ 200 K toward professional development fund

**Amendment #1  
to the  
Collective Bargaining Agreement  
with  
Portland State University Chapter,  
American Association of University Professors  
and  
Portland State University**

**Recitals:**

- I. The State of Oregon, acting by and through the State Board of Higher Education on behalf of Portland State University (“PSU”) and the Portland State University Chapter of the American Association of University Professors (“PSU-AAUP”), entered into a collective bargaining agreement that was ratified on October 19, 2009 and is effective through August 31, 2011 (the “CBA”).
- II. PSU-AAUP asserts that a change to PSU-AAUP’s dues structure creates a conflict in Article 10 of the CBA warranting the renegotiation of Article 10 pursuant to ORS 243.702.
- III. In response to PSU-AAUP’s request, PSU has agreed to renegotiate Article 10.

**Agreement:**

PSU and PSU-AAUP agree to modify Article 10 and Appendix A of the Collective Bargaining Agreement as follows, effective as of ratification of this Amendment #1 by both parties:

**Article 10. FAIR SHARE**

**Section 1.** The University recognizes the positive Fair Share election among members of the bargaining unit. The Office of Human Resources of the University shall be responsible for notifying payroll each month of new bargaining unit members eligible for Association membership or payment of fair share fees, and of bargaining unit members who have been removed from the unit and the reason for the removal.

**Section 2.** The University will automatically calculate and begin deducting fair share fees from new bargaining unit members' paychecks from the date of hire and will automatically discontinue deducting fair share fees from the date of removal from the unit or at the time the member elects to pay regular dues.

**Section 3.** The Fair Share amount shall be an amount equivalent to the dues collected for membership in the PSU-AAUP.

**Section 4.** The University shall code fair share dues deduction under the Deductions category of the employee Earnings statement as “AAUP Union Fair Share Deductions.” Additionally, the University shall code full member dues as “AAUP Union Membership Dues.”

### **Section 5. Religious Objections**

- (a) Rights of non-association of employees based on bona fide religious tenets or teachings of a church or religious body of which such employees are members shall be protected. Religious objectors shall pay an amount equivalent to regular union dues to a nonreligious charity, or to another charitable organization mutually agreed upon by the employee affected and the Association, in accordance with the applicable procedures in ORS 243.666. Such employees shall furnish written proof to the Association and the University, as specified below, that this has been done, if appropriate.

The objector must submit, in two copies, an affidavit in the form displayed in Appendix A of this Agreement. Upon receipt of this affidavit, the President of the Association shall forward, within ten (10) days, one copy of it to the Office of Human Resources. - (c) Conscientious objectors of record as of October 1, 2010 shall be considered religious objectors and have appropriate payments continue in accordance with this Section.

### **Section 6. Indemnification**

The Association shall indemnify and hold harmless the University, and its agents and employees, against any and all claims, suits, orders, judgments or other forms of liability of any nature whatsoever that arise out of or relate to any action taken or not taken by the University, its agents or employees, for the purpose of complying with Article 10 of this Collective Bargaining Agreement.
