Re: AAUP Article 6 Information Request- Allocated and Unspent funds from
Article 19

Pursuant to Article 6 of the collective bargaining agreement between Portland State University and PSU-AAUP, we request the following information that is necessary to bargain and enforce the CBA.

For each Academic Year from 2008 to 2014, please provide an accounting of all money allocated pursuant to Article 19 by the Faculty Development Committee for the Faculty Development Program, and all allocations that were not spent, as follows: date of award, recipient name, Title of Award application, amount allocated by the FDC, the amount of the award ultimately spent, and the balance at the end of the allocation period. For each academic Year, please total the unspent balance. The spreadsheet should look as follows:
