RE: Article 6 Information Request- Portland Streetcar ADDENDUM

On July 14, we submitted an information request pursuant to Article 6 of the collective bargaining agreement between Portland State University and PSU-AAUP and the agreements reached to resolve UP-045-08 regarding the Portland Streetcar.

In addition to that information, PSU-AAUP requests the following information:

7. Any records in any form regarding the use of the streetcar by faculty members in general, and faculty members in the PSU-AAUP bargaining unit in particular,
8. Any data compiled by either PSU or the Portland Streetcar about estimated usage by Portland State employees, and/or by Portland State faculty members, and/or by Portland State faculty members in the PSU-AAUP bargaining unit,
9. A written transcription of the feedback received at the listening sessions set up to get feedback about this matter on July 17, 2017, and copies of all emails sent by any PSU-AAUP bargaining unit members to provide feedback about the matter.

Thank you in advance for your cooperation in this matter. We would appreciate the response to these additional items with the original July 17, 2017 information request items, but we understand if that is not possible. If that is not possible, please advise so we can request under separate cover an extension of our timelines to submit the demand to arbitrate the matter, if applicable.

I look forward to hearing from you.
