9
10 **Section 1.** The University and Association endorse the principles of academic freedom articulated in the

17 of the University. Academic freedom carries with it certain responsibilities, such as the faithful
18 performance of professional duties and obligations, the recognition of the demands of the scholarly
19 enterprise, and the candor to make it clear that when one is speaking on matters of public interest, one is
20 not speaking for the institution. The University affirms its continued commitment to the protection of
21 academic freedom with changes in the political and technological landscape.

22
23 **Section 2.** Notwithstanding the exclusive right of the association to negotiate and reach agreement on
24 terms and conditions of employment, recognized in Article 1 (RECOGNITION), and the right of the
25 University to carry out its ordinary and customary functions of management, recognized in Article 5
26 (RESERVED RIGHTS OF THE UNIVERSITY), the parties agree that it is mutually desirable that the
27 collegial system of shared governance be maintained and strengthened so that faculty will have a
28 mechanism and procedures, independent of collective bargaining, for appropriate participation in the
29 governance of the University. To that effect, the Portland State University Faculty Constitution shall
30 remain in existence for the duration of this Agreement subject to the provisions of the Board of Trustees
31 Policy on the Roles of the Board, President and Faculty, Shared Governance and Academic Freedom,
32 adopted by the Board on June 14, 2017.

33
34 **Section 3.**

- 35

37 intent and policy and are not subject to Article 28 (RESOLUTION OF DISPUTES) of this
38 Agreement.
39 (b) An allegation that the Faculty Constitution has been abrogated is grievable.
40 (c) Alleged misapplication or misinterpretation of the Faculty Constitution is not subject to Article 28

42 other University grievance procedures.
43

1 **Section 4.** Faculty, department chairs, and deans shall have the opportunity for effective participation in
2 deliberations leading to recommendations for appointment, reappointment, tenure, or promotion of
3 faculty. The University will recommend that departments review guidelines, in addition to guidelines for
4 promotion and tenure, concerning effective participation of faculty in the hiring and promotion of faculty.
5 Departments or units shall maintain guidelines for faculty participation in decisions concerning hiring of
6 faculty.

7
8
9 **Article 13. NONDISCRIMINATION**

13 reason of age, color, handicap, disability, marital status, family status, national origin, race, religion, sex,
14 gender, gender identity, sexual orientation, or veteran status, or by reason of membership or non-
15 membership in the Association.

32 consultation with the Association on changes in criteria and (b) agreement with the Association on
33 changes in procedure.

34

38 than seven (7) FTE years without the awarding of tenure.

39
40 **Section 4.** The University will not arbitrarily reduce the FTE of any faculty member for the express

- 8 by the SCHOOL/COLLEGE/DEPT at the time of hire), or under the P&T guidelines in place at the
- 9 time of their review. The member shall indicate the guidelines chosen at the beginning of their

32 and levels along with representative duties and examples of titles.
33
- 34 (c) Changes in Job Family Definitions: Substantial changes in family definitions which result in the
35 potential for a lower salary range shall require the parties to agree upon the salary range for the newly
36 revised family definition.
37

38 **Section 4. Annual Review of Position Description and Requests for Review of a Position's** 39 **Placement** 40

- 41 (a) Academic Professional position descriptions will be reviewed annually and if needed, updated as part
42 of the Academic Professional Evaluation process (See Section 8). If the Academic Professional and
43 Supervisor believe the position description updates are significant enough to warrant a change to job
44 groupings and/or career track and level, they shall make a request for a position placement review to
45 Human Resources when they update the position description.
46

- 1 (b) If an Academic Professional's position changes prior to their next scheduled annual review, the
2 Supervisors of Academic Professionals should update the position description and may request a
3 review of a position's placement in a job grouping and/or career track and level by submitting a
4 written request to the Office of Human Resources.
5
- 6 (c) An Academic Professional may also request a review of their job grouping and/or career track and
7 level in which his/her position is placed outside of their annual review cycle. The Academic
8 Professional shall first meet with their supervisor regarding the request for review. Following this
9 meeting, an Academic Professional may submit a written request for review of their position to the
10 Office of Human Resources. An employee may submit such a request twelve (12) months after
11 completion of a previous position placement review or twelve (12) months after their initial hire date.
12 The Office of Human Resources shall complete the position review within no more than thirty (30)
13 working days from the date the evaluation request is received.
14
- 15 (d) An Academic Professional may appeal the results of the review of their position placement by
16 submitting a written request to the Office of Human Resources within thirty (30) working days of the
17 date on which the decision was issued. The Academic Professional shall provide a copy of such an
18 appeal to their supervisor. Should a decision from the above review and appeal process result in the
19 placement of the position in a job grouping and/or level with a higher pay range, any resulting salary
20 increase will be effective the first of the month following the date the initial request [pursuant to
21 Section 4(b)] was received by the Office of Human Resources. Academic Professionals will retain a
22 copy of their initial request to verify this submission.
23
- 24 (e) Appeal of Position Review Decision.
25

26 *First Level of Appeal:* Appeals can be made to the Associate Vice President for Human Resources on the
27 basis of job family placement and level placement. The request shall state the basis upon which the
28 employee is requesting a review.
29

30 A standing Appeals Advisory Committee to the Associate Vice President for Human Resources with
31 cross-campus representation will provide input and recommendations to the appeals. The Appeals
32 Advisory Committee will have at least two Academic Professional (AP) members who are represented
33 by the Association and two members representing PSU who are appointed by the Administration.
34 Each party (Association and Administration) shall also identify an alternate for their committee
35 members. APs serving on the committee shall be provided release time to participate in the committee.
36 The Appeals Advisory Committee will set a standing monthly meeting time. If no appeals have been
37 filed, the committee will not meet. The Appeals Advisory Committee shall have access to all prior
38 placement process documentation, including the documentation used by HR to make the placement
39 decision. The decision on the appeal made by the Associate Vice President for Human Resources must
40 be communicated in writing to the Academic Professional, to their supervisor, and to the Association
41 within thirty (30) working days of the date the appeal was filed.
42

43 *Second Level of Appeal:* If the Academic Professional is dissatisfied with the appeal decision of the
44 Associate Vice President for Human Resources, they may advance the appeal to the Provost, or other
45 relevant vice president, in writing within fifteen (15) working days from the date on which the decision

1 was made. The Provost, or other relevant vice president, will provide a written response within fifteen
2 (15) working days.

3
4 (f) Should a decision from the above review and appeal process result in the placement of the position in
5 a job grouping and/or level with a lower pay range, the Academic Professional's salary will not
6 decrease.

7
8 (g) Should a decision from the above review and appeal process result in the placement of the position in
9 a job grouping and/or level with a higher pay range, any resulting salary increase will be effective on
10 the first of the month following the date the initial written request was received by the Office of
11 Human Resources [based on the date the request was filed according to Section 4(b)]. In no case shall
12 an Academic Professional be paid below the minimum of the new job grouping (family) and/or career
13 track and level to which their position is assigned.

14
15 (h) Placement decisions are not grievable and are not subject to Article 28 (RESOLUTION OF
16 DISPUTES). Grievances may be filed based on violations of proper process as specified in Section 4
17 of this article.

18 19 **Section 5. Academic Professional Appointments and Compensation**

20
21 The University and the Association are committed to encouraging the professional growth and
22 development of Academic Professionals, and to rewarding their individual professional contributions.

23
24 (a) For Academic Professionals hired after July 1, 2016, the first six (6) months of employment in an
25 Academic Professional position is a trial service period. An Academic Professional will not be required
26 to serve a trial service period when moving from another position in the bargaining unit unless it is
27 during the first six (6) months of employment in that position. Academic Professionals with six (6) or
28 more months of continuous service who experience a break in service due to a lay-off stemming from
29 change in departmental needs or program requirements will not be required to complete a new trial
30 service period if recalled. Trial service may be extended by mutual agreement of the University and
31 Association. Trial service employees may be removed from service by providing thirty (30) calendar
32 days of prior written notice to the employee and the Association at any time during the trial service
33 period. An Academic Professional on trial service is to be evaluated no later than the end of the 4th
34 month of employment. Removals from service under this paragraph are not subject to Article 28
35 (RESOLUTION OF DISPUTES). In the event of multiple removals from service under this
36 paragraph from any particular University unit, the parties agree to discuss the removals in the
37 Labor/Management Committee.

38
39 (b) Unless their Notice of Appointment (see Appendix I for Academic Professional Template letters of
40 offer) letters indicate that the appointment is time-limited, Academic Professionals will be appointed
41 on an indefinite basis following completion of the trial service period. Such appointment may be
42 terminated only through Article 22 (RETRENCHMENT), Article 27 (IMPOSITION OF
43 PROGRESSIVE SANCTIONS), or due to a change in departmental needs or program requirements.
44 In the event of a change in departmental needs or program requirements, a written explanation of the
45 change will be provided concurrently to the employee and the Association and the Academic
46 Professional will be provided the following amount of notice of lay-off:

1		
2	Less than 1 year of service	90 calendar days
3	1 to 3 years of service	120 calendar days
4	3 or more years of service	180 calendar days
5		

6 **Service shall be defined as 0.5 FTE or greater consecutive years of service at the University. Academic**
7 **Professionals recalled following the reversal of a layoff stemming from a decision regarding departmental**
8 **needs or program requirements, as described below, will not be defined as having a break in service.**

- 9
- 10 (c) If multiple Academic Professionals in equivalent positions, and with equivalent position-related
11 qualifications, skills and expertise, are to be laid off due to the same change in departmental needs or
12 program requirements, then lay-off shall be in order of seniority and the employees will be laid off in
13 inverse order to length of continuous service at the University. The school/college or department will
14 make a good faith effort to find a comparable position within the University for the employees.
15
- 16 (d) If the reason for the decision that led to the lay-off due to change in departmental needs or program
17 requirements is reversed within one year from the date that notice of termination was provided to the
18 employee(s), the affected employee(s) will be recalled in inverse order of termination.
19

20 To exercise recall rights, an Academic Professional must:

- 21
- 22 1. Notify Human Resources in writing, within 30 days of the lay-off notice, of intent to be placed
23 on the recall list.
- 24 2. Inform Human Resources of any change in telephone, email or address.
- 25 3. In the event of a recall, Human Resources will contact the faculty member by phone and email,
26 and notify the Association, of the recall.
- 27 4. The recalled academic professional will have ten (10) working days to accept or reject the
28 position. Failure to contact Human Resources within ten (10) working days will be considered
29 a rejection of the position.
- 30 5. A recalled academic professional who rejects a position will be removed from the recall list.
31

32 (e) Time-limited appointments may be used for an Academic Professional whose compensation is a direct
33 cost (rather than an indirect cost) paid from grant or contract funding, as the term “direct cost” is
34 generally understood under the federal government's Uniform Guidance. Time-limited appointments
35 may also be used for leave replacement, to fill a vacancy pending a search, or with the written
36 agreement of the Association. Academic Professionals with time-limited appointments who experience
37 early termination of their position due to a significant reduction in grant or contract funding will
38 receive at least thirty (30) calendar days of notice of termination.
39

40 (f) Salary ranges for Academic Professional job families and levels are included in Article 30 (SALARY).
41

- 42 1. If an Academic Professional's current salary falls above the maximum of the pay range to which
43 their position is assigned, the salary will not be reduced. If a position is reassigned to a new level or
44 family, the Academic Professional's salary will not be reduced.
45

- 1 2. If an Academic Professional's current position is reassigned to a higher level within the same job
2 family, the Academic Professional's salary will be increased as referenced in Article 30 (SALARY).
3
4 3. Adjustments within salary ranges are referenced in Article 30 (SALARY). Among the methods of
5 salary adjustments which pertain to Academic Professionals are:
6
7 • Minimum salary increases will be given to every Academic Professional whose performance of
8 job responsibilities is satisfactory, as documented in an annual performance evaluation as per
9 Article 30 (SALARY), Section 3.

10 11 **Section 6. Salary Range Structure Movement and Advancement within Job Levels**

- 12
13 (a) Changes in the minimum and maximum of the salary ranges for each job family and level shall be
14 determined by those increases designated in Article 30 (SALARY), Section 3 (Salary Adjustments).
15
16 (b) Academic Professional Advancement within a Job Level: Academic professionals will be given regular
17 opportunities for salary progression within their job grouping/level up to the maximum salary within
18 that range.
19
20 i. Academic Professionals who have worked at Portland State University in an Academic
21 Professional position for at least four years at the time of their annual evaluation will be eligible
22 for a salary increase.
23
24 ii. If the Academic Professional's aggregate evaluations are rated satisfactory or above for that
25 four-year period, they will receive the salary increase.
26
27 iii. The salary increase will be added to the base salary beginning in the July that follows the
28 evaluation.
29
30 iv. Thereafter, Academic Professionals will be eligible for recurring salary increases every four
31 years upon meeting the requirements in subsection (i) and (ii), until the maximum salary for job
32 grouping/level is reached.
33
34 v. Salary adjustments will begin in July, 2022. The salary adjustment amount is listed in Article 30
35 Section 4 (d) (Salary Adjustments).
36
37 (c) An Academic Professional who obtains a salary increase under this Section will also be eligible for a
38 Cost-of-Living Adjustment in the same calendar year.
39
40 (d) Criteria listed in subsection (b) of this article will not be used by the University to prohibit an
41 Academic Professional from obtaining a Cost-of-Living Adjustment, as referenced in Article 30,
42 Section 4.
43

44 **Section 7. Assessment**

45

- 1 (a) The Association and the University agree to incorporate, by reference, the recommendations of the
2 Academic Professional Assessment Advisory Committee final report dated September 27, 2002 into
3 this agreement.
4
- 5 (b) To provide the Association with sufficient information to negotiate a successor agreement, the
6 Associate Vice President for Human Resources will provide the Association with an annual report of
7 information concerning advancement, appeals, and requests for position review and professional
8 development plans for Academic Professionals.
9

10 **Section 8. Academic Professional Evaluations**

- 11
- 12 (a) All Academic Professionals shall have annual performance reviews (evaluations). The performance
13 review year will be the preceding 12 months. The Performance Evaluation Form for Academic
14 Professionals must be completed. A calendar for the performance evaluation cycle shall be established
15 and published at the same time as the promotion and tenure review cycle. Academic Professionals on
16 one-year appointments shall be reviewed annually.
17
- 18 (b) Each division, school, or college is required, with the participation of the appropriate academic
19 professional employees, to establish specific written job-relevant criteria supporting the achievement of
20 program, division, school or college, and university goals as well as professional growth of individuals.
21 Such evaluation methods and criteria should be clear and unambiguous, but also flexible; so that, when
22 an Academic Professional's assignment is in multiple areas such as teaching, research, administration,
23 and service, the evaluation will address all appropriate areas.
24
- 25 (c) Performance evaluations should promote the effectiveness of Academic Professionals by:
- 26 • Articulating the types of contributions that will lead to greater professional growth, recognition,
27 and rewards;
 - 28 • Recognizing relevant talents, capabilities, and achievements;
 - 29 • Identifying job performances that were below expectations that shall be addressed during the next
30 evaluation period.
31
- 32 (d) Performance evaluations shall document in writing consideration of:
- 33 • Job performance relative to established criteria during the evaluation period;
 - 34 • Professional development and future expectations.
35
- 36 (e) The Provost, or other relevant vice president, vice provost, or dean of each division, school, or
37 college is responsible for an annual evaluation of all Academic Professionals employed within their
38 unit. The evaluation shall be conducted according to the guidelines established by the University. The
39 guidelines shall be available on the Office of Human Resources website. The University will seek
40 input from Academic Professionals and the Association if substantial changes are contemplated.
41
- 42 (f) The University will provide support and training for supervisors about the AP evaluation process. If
43 an employee receives a negative evaluation, a written performance improvement plan will be offered
44 by the supervisor.
45

46 **Section 9. Alternative Work Arrangements and Flexible Work Schedules**

- 1
2 (a) **Purpose:** The University recognizes that alternative work arrangements and flexible schedules benefit
3 both the employees and the institution. The arrangements can increase job satisfaction and employee
4 retention, facilitate a family-friendly environment, and promote a healthy work/life balance. Flexible
5 schedules and alternate work arrangements recognizes the Academic Professional's professionalism
6 and can create opportunities to increase the availability of support for our diverse faculty and student
7 body.
8
- 9 (b) **Full-time overtime-exempt:** An Academic Professional's workload is expected to be approximately
10 2080 hours per year. Overtime-exempt Academic Professionals have no expectation of receiving
11 additional salary for hours that exceed this number. The Association and the University acknowledge
12 that the amount of work may cycle with time of year, specific assignments, and/or other situational
13 demands. In the event that an overtime-exempt Academic Professional's workload is unusually high
14 for some period of time, it is often appropriate to provide additional flexibility in order to balance out
15 the Academic Professional's work commitment. In such cases, the Academic Professional must work
16 in cooperation with the relevant supervisor to determine when and how such adjustments will be
17 made. (For example, an employee's schedule in subsequent weeks could be adjusted; or, if the
18 workload increases cyclically, there could be a subsequent decrease in work schedule.) This is not
19 intended as an hour-for-hour adjustment, but rather as a mechanism to provide flexibility in an
20 overtime-exempt Academic Professional's work schedule in keeping with work-life balance ideals. It is
21 not necessary for exempt employees to maintain complex records of hours worked.
22
- 23 (c) **Alternative Work Arrangements:** Academic Professionals may request an alternative work schedule
24 with their supervisors. The alternative work arrangement options are listed below. In some situations, a
25 combination of the options below may be appropriate. The work arrangements are subject to the
26 approval of their supervisor. The process for requesting an alternative work arrangement and the
27 criteria for approval is outlined in (d) below.
28
- 29 **1. Remote Work Arrangements**
30 A remote work arrangement allows employees to work all or some portion of their time from an
31 alternative work site.
32
 - 33 **2. Compressed Schedule Arrangements**
34 A compressed schedule allows employees to work less than a traditional Monday to Friday
35 schedule. For example, 4/10's - employees works 10-hour days in a week with a 5th day off. Other
36 compressed schedule options may be appropriate.
37
 - 38 **3. Non-Standard Work Arrangements**
39 A non-standard work schedule allows employees to work hours outside the traditional 8:00 a.m. to
40 5:00 p.m. workday. For example, an employee may start their day at 7 am or work later into the
41 evening.
42
 - 43 **4. Occasional Flex-time request:** PSU recognizes that non-work situations can arise that cannot be
44 scheduled outside of the workday. In these cases, an employee may need to take some time to
45 attend to the situation (ex: Doctor Appt., Home repair, etc.). In general, if the employee needs to
46 flex their schedule on a temporary basis, they do not need to submit a formal request. The

1 employee should coordinate with your supervisor to “make up” the work from the missed portion
2 of the day.
3

4 (d) **Request for alternative work arrangements:** Employees interested in an alternative work
5 arrangement should make a request in writing to their supervisor. Supervisors of Academic
6 Professionals are responsible for the work schedules in their units. They have the discretion to
7 consider alternative employee schedules when requested and if suitable for positions in their area. In
8 many cases alternate work schedules may be a positive option benefiting the Academic Professional
9 and their unit; however, in some cases it may not be practical. When considering a request for an
10 alternative work arrangement, the supervisor will consider the employee’s face-time requirements, the
11 feasibility of conducting work off-site, and the potential impacts the request may have on other
12 employees’ abilities to utilize alternative schedules. If the request for alternative work arrangements is
13 an accommodation, please use this url - <https://www.pdx.edu/hr/employee-accommodations>
14

15 (e) **Request process:** The supervisor will generally provide their response to the request within 10
16 working days of the employee’s submission. If the request is denied, the supervisor will include a
17 written rationale for the denial.
18

19 (f) **Expediated Requests:** There may be emergency situations where a request for alternative
20 arrangements needs to be expedited. In these situations, the supervisor is encouraged to respond to the
21 request as soon as practicable and should consider the circumstances that necessitate the schedule
22 change. For occasional short-term needs, Academic Professionals may flex their schedule, under
23 section (c)(4) above and after discussion with their supervisor. It is not necessary for exempt
24 employees to maintain complex records of hours worked.
25

26 (g) **Changes to Alternative Work Arrangements:** An existing alternative work arrangement may be
27 changed by an employee or their supervisor at any time, if the needs of either party changes. In the
28 event changes to the current alternate schedules are necessary, those changes will be discussed between
29 the employee and the supervisor. No changes will be affected prior to conversation between the
30 employee and supervisors. Supervisor turnover alone is not reason enough to suspend a flexible
31 and/or remote work arrangement.
32

33 (h) **Evaluation:** Employees with alternative work arrangements will be evaluated on their performance
34 and output of work regardless of their where they perform their work.
35

36 (i) **Alternative Schedule Training:** During the period of this agreement the Human Resources
37 department will, in partnership with OAA, upon request, provide training for Academic Professionals
38 and their supervisors to promote the availability of flexible scheduling and the application of Wage and
39 Hour Law. Specifically, the training will cover compliance requirements of federal and state wage and
40 hour law and other contractual obligations as they pertain to employees when they travel for University
41 business, work evenings, and/or work weekends. This is an effort (1) to ensure that administrators of
42 Academic Professionals and Academic Professionals themselves properly report hours through
43 University time sheets and roster forms; and (2) to guide the consistent handling of these procedures
44 across all units with Academic Professionals throughout the University. Academic Professionals, their
45 supervisors, and/or the Association may request such training.
46

1 **Section 10. Workload**

- 2
- 3 (a) Academic Professionals shall not be assigned an unreasonable or excessive workload.
- 4
- 5 (b) If an Academic Professional has concerns regarding workload, the employee is encouraged to raise the
6 concerns with the relevant supervisor, who shall meet with the employee to discuss the concerns. This
7 meeting will take place within a reasonable period of time and will include a discussion about workload
8 and priorities with a goal of a shared understanding about the work. If an Academic Professional is not
9 satisfied with the meeting outcome, an ad-hoc committee, comprised of the employee, the supervisor,
10 Human Resources and the Association shall meet to discuss the concerns and seek to agree upon a
11 resolution. If a resolution is not reached by the ad-hoc committee, the Association may file a grievance
12 at Step Three of the grievance process described in Section 5 of Article 28 (RESOLUTION OF
13 DISPUTES).
- 14
- 15 (c) If such grievance is not resolved at Step Three of the grievance process, the Association may submit
16 the matter to arbitration as described below. Notice of intent to arbitrate (Appendix D) must be filed
17 with the President of the University within twenty (20) working days of the date of the decision at Step
18 Three. If no notice of intent to arbitrate is filed within the time limit, the right to arbitrate is thereby
19 waived. The arbitrator is to be chosen as provided in Section 3, Division C of Article 28
20 (RESOLUTION OF DISPUTES). The hearing shall be held on a mutually agreeable date in Portland,
21 Oregon unless otherwise agreed to by the parties. The hearing shall commence within sixty (60)
22 working days of the arbitrator's acceptance of the case, unless both parties agree to an extension of
23 time. The arbitration is to be conducted without court reporter transcripts or briefs. In considering
24 whether this Section 10 has been violated, the Arbitrator shall not be precluded from reviewing the
25 contract as a whole. Each individual's case will be decided on its own merits and grievance/arbitration
26 decisions arising under this Section 10 shall not operate as a precedent for other cases. The arbitrator
27 shall issue a written award but no opinion. The sole and exclusive remedy for the University's violation
28 of this Article 10 shall be limited to a prospective cease and desist order. All fees and expenses of the
29 arbitrator shall be divided equally by the University and the Association. Each party shall bear the cost
30 of preparing and presenting its own case.
- 31
- 32 (d) Except for violations of the process described herein or as otherwise expressly stated in this Section
33 10, disputes arising under this Section 10 are not subject to Article 28 (RESOLUTION OF
34 DISPUTES). Nothing herein limits the ability of the Association or a member to bring a grievance
35 (contractual or non-contractual), file a complaint or otherwise seek a remedy under any other provision
36 of this Agreement, an applicable University policy, or any other applicable law or rule.
- 37
- 38 (e) In the event of multiple issues arising under this Section from any particular University unit, the parties
39 agree to discuss such issues in the Labor/Management Committee.
- 40

41 **Section 11. Career Mobility**

- 42
- 43 (a) The University supports mobility of its employees within the University as part of providing employees
44 with varied experiences and opportunities for growth. Academic Professionals are encouraged to
45 consider and pursue other job opportunities within the University when interested in doing so.
46 Academic Professionals are encouraged to pursue informal dialogue with other departments to learn

1 about such opportunities. In all cases, it is the employee's responsibility to make proper application for
2 an available position.

3 (b) In order to provide opportunities to current Academic Professionals, all Academic Professional
4 positions will be posted internally for at least ten (10) working days before being posted for external
5 candidates. Departments are encouraged to provide potential internal candidates with the expected
6 salary range in order to better enable the applicant to make a well-informed decision about pursuing
7 the position.

8
9 (c) Any current Academic Professional who meets the minimum required qualifications for an open
10 Academic Professional position and who applies within the required time period will be afforded a first
11 round interview for the open position. Following the interview, the Academic Professional will be
12 notified regarding his or her status as a candidate. The Academic Professional may be offered the
13 position, may be told that an external search will move forward and that the Academic Professional
14 will be included in the pool of candidates, or may be told that he or she is not moving forward in the
15 process. If the Academic Professional is offered the open position, the hiring manager and Academic
16 Professional will meet to discuss and negotiate salary, taking into account the Academic Professional's
17 experience and the requirements of the position. External candidates will not be interviewed until
18 Academic Professionals who have applied for the position within the required period of time have had
19 a reasonable opportunity to be interviewed for the position.

20
21 (d) There shall be no retaliation against any Academic Professional for considering or seeking other
22 employment at the University.

23 24 **Section 12. Service to the University**

25
26 Service to the University assigned to an Academic Professional (AP) by their supervisor shall be
27 considered part of the AP's regular workload. An AP may request to participate in Service to the
28 University not directly assigned to them. The supervisor, upon discussion with the AP, may determine that
29 the service will be treated as part of the AP's regular workload. If the service to the University is not
30 determined to be part of their regular workload, the AP may still participate in the service if it does not
31 adversely interfere with the regular duties of the AP.

32 33 **Section 13. Career Counselors**

34 35 (a) Career Counselor Workload

- 36
37 1. Career Counselors will exercise professional judgment to manage their job duties and
38 responsibilities in consultation with their supervisors.
39
40 2. Career Counselors may raise concerns about their position, workload or other work-related issues
41 with their supervisor. If no resolution occurs within a reasonable amount of time, career
42 counselors may meet directly with the Associate Vice Provost to discuss the issue. If there is no
43 resolution that occurs within a reasonable time, workload issues can be elevated to the ad hoc
44 committee as referenced in Article 17, Section 10 in the Collective Bargaining Agreement.

45 46 (b) Appointment Scheduling

- 1
- 2 1. Career Counselor support needs may vary by individual career counselor.
- 3
- 4 2. In addition to student/alumni career counseling, career counselors do projects, teach classes and
- 5 conduct workshops associated with counseling students and alumni. Time will continue to be
- 6 allocated for this work.
- 7
- 8 3. Career Counselors will exercise their professional judgment when scheduling their availability and
- 9 appointments with students/alumni in consultation with their supervisor.
- 10
- 11 4. Career Services has procedures around drop-in appointments. Career Counselors will be asked to
- 12 provide input prior to any decision to change in drop-in appointment procedures.
- 13

14 (c) Career Counselor Professional Development, Training & Support

- 15
- 16 1. The Supervisor and the Associate Vice Provost for Advising and Career Services will seek input
- 17 and receive requests for training from Career Counselors and will be responsive to career
- 18 counselor training needs.
- 19
- 20 2. Career Counselor training is not professional development pursuant to CBA Article 19. Career
- 21 Counselor training related to the delivery of Career Services provided by PSU will be conducted
- 22 during work time.
- 23

24 (d) Career Counselor Location and Work Environment

25

26 Career Counselors will have workspace comparable to what they had prior to the implementation of

27 the Academic and Career Advising Redesign recommendations. Comparability shall be based on

28 functionality, such as: capacity to have private conversations with students/alumni; sufficient space and

29 chairs to have meetings with students/alumni; and computer, phone and other resources typically

30 required in the position.

31

32 (e) Career Counselor Roles and Responsibilities

- 33
- 34 1. No career counselor whose position resides in the Advisor/Counselor 2 job family will have their
- 35 position moved to the Advisor/Counselor 1 job family as a result of the Academic and Career
- 36 Advising Redesign.
- 37
- 38 2. Career Counselors will have one assigned supervisor (supervisor of record) to whom they report.

40 (f) Personnel Evaluation and Supervision

41

42 The parties recognize Coordinated Advising and Career Services as a “unit” in Article 17 Section 8 (b).

43 For the purposes of evaluation and supervision, Career Services is a “sub-unit” of Coordinated

44 Advising and Career Services. A common set of performance criteria will guide the evaluation process

45 for all Career Counselors.

1 **Article 18. NON-TENURE TRACK INSTRUCTIONAL AND RESEARCH FACULTY**

2
3 **Section 1. Introduction**

- 4
5 (a) The University and the Association recognize that in order to maintain a vital university culture we
6 must develop a primarily tenured and tenure-track faculty, protect participatory governance structures,
7 guarantee the diversity of our faculty, and assume the rights and responsibilities of academic freedom.
8 The University and the Association acknowledge that a reasonable assurance of continued employment
9 provides for a highly qualified faculty and protects academic freedom essential to the integrity of
10 teaching and scholarship.
11
12 (b) The University acknowledges the value of the services of non-tenure track instructional and research
13 faculty, the need for continuity of services, and the benefits that follow from the employment of non-
14 tenure track term instructional and research faculty in commitment to the institution, to strong
15 programs, to consistent advising, and to retention. Non-tenure track faculty are ensured the inherent
16 rights of academic freedom and they recognize the accompanying responsibilities.
17
18 (c) Definition of Non-Tenure Track Faculty. Non-tenure track faculty, are faculty members who are not
19 on tenure-track appointments, but whose appointments are at least .50 FTE annualized. These
20 appointments are primarily for instruction and research as described in the position descriptions.
21 Non-tenure track instructional faculty will be employed on a continuous basis after completion of a
22 probationary period, as provided in Section 2 below, unless a fixed-term appointment is appropriate, as
23 provided in Section 3 below, Non-tenure track research faculty will be employed as provided in
24 Section 5 below.
25

26 **Section 2. Non-Tenure Track Instructional Faculty Continuous Appointments**

- 27
28 (a) The University and the Association recognize that non-tenure track instructional faculty are, even in a
29 first year of employment, an essential and integrated part of a department's or program's staff. Initial
30 appointments are not the responsibility of a sole administrator. Where possible, a committee of at least
31 three (3) shall seek qualified applicants and forward a recommendation to the Department Chair.
32
33 (b) Probationary Period. Non-tenure track instructional faculty members will be employed on annual
34 contracts during the first six (6) years of employment as non-tenure track instructional faculty
35 members. Annual contracts during the probationary period will automatically renew unless timely
36 notice is provided. Notice of non-renewal of an annual contract during the probationary period must
37 be provided by April 1 of the first year of the probationary period and by January 1 of the second
38 through fifth years of the probationary period, effective at the end of that academic year.
39
40 (c) Evaluation during Probationary Period. Non-tenure track instructional faculty members are to be
41 evaluated annually during years 1 through 5 of the probationary period, pursuant to guidelines as
42 provided in Section 6 below.
43
44 (d) Evaluation for Continuous Appointment. In year 6 of the probationary period, non-tenure track
45 instructional faculty members are to be evaluated for continuous appointment, pursuant to guidelines
46 as provided in Section 6 below. Prior to the end of the final academic year of the probationary period,

1 a non-tenure track instructional faculty member is to be awarded a continuous appointment or
2 provided twelve (12) months' notice of termination of employment.
3

4 (e) Terms of a Continuous Appointment. For purposes of this Article, a "continuous appointment" is an
5 indefinite appointment that can be terminated only under the following circumstances:
6

- 7 1. Pursuant to Article 22 (Retrenchment).
8
- 9 2. When a sanction of termination is warranted and imposed pursuant to Article 27 (Imposition
10 of Progressive Sanctions).
11
- 12 3. Due to a change in curricular needs or programmatic requirements made in accordance with
13 applicable shared governance procedures. In such a case:
 - 14 i. As soon as practicable, but no later than 60 days prior to issuing a notice of
15 termination, the Department Chair must provide written justification for the decision
16 and explanation of the applicable shared governance procedure to the faculty members,
17 the Dean, the Provost and the Association.
18
 - 19 ii. If the employment of multiple faculty members in equivalent positions, and with
20 equivalent position-related qualifications, skills and expertise, are to be terminated due
21 to the same change in curricular needs or programmatic requirements, then lay-off shall
22 be in order of seniority. Faculty will be laid off in inverse order to length of continuous
23 service at the University.
 - 24 1. "Continuous service," for purposes of layoff and recall, means time worked at
25 PSU in a position that annualizes at 0.5 FTE or greater.
26
 - 27 2. Should members subject to layoff and recall have the same seniority date, then
28 the order of seniority for that seniority date shall be determined by the
29 sequence of numbers in their PSU ID number. Members will be laid off from
30 highest PSU ID number to lowest PSU ID number, and shall be recalled from
31 highest PSU ID to lowest PSU ID number.
32
 - 33 iii. The faculty member is to be given at least six months' notice of termination of
34 employment, with such termination effective at the end of the academic year.
 - 35 1. If a faculty member receives a notification of termination pursuant to this
36 section and was eligible for and had submitted a portfolio for promotion
37 review, or were in their 6th year of probationary service and were eligible for
38 continuous appointment, or were eligible pursuant to Letter of Agreement
39 #12(CBA 2015-19) and submitted their portfolio for continuous appointment
40 review, those reviews shall proceed without respect to the termination notice.
 - 41 i. If the faculty member achieves promotion or continuous appointment,
42 they shall be considered to be in the new rank or employment status
43
44
45
46

1 awarded pursuant to the recall procedures in Article 18, Section
2 2(e)(3)(v) and this Agreement.

3
4 ii. If the probationary employee applying for continuous appointment is
5 not awarded continuous appointment, they shall be terminated
6 consistent with this section.
7

8 iv. The School/College will make a good faith effort to find a comparable position within
9 the University for the faculty member.
10

11 v. If the reason for the decision that led to the layoff is reversed within three years from
12 the date that notice of termination was provided to the faculty member, the affected
13 faculty members will be recalled in inverse order of layoff. To exercise recall rights, a
14 faculty member must:
15

16 a. Notify Human Resources in writing, within 30 days of the termination notice,
17 of intent to be placed on the recall list. If/when there is a need for a recall list,
18 the parties agree to meet promptly for the purpose of negotiating a process for
19 administering the recall list.
20

21 b. Inform Human Resources of any change in telephone, email or address.
22

23 c. In the event of a recall, Human Resources will contact the faculty member by
24 phone and email, and notify the Association, of the recall.
25

26 d. The recalled faculty member will have ten (10) working days to accept or reject
27 the position. Failure to contact Human Resources within ten (10) working days
28 will be considered a rejection of the position.
29

30 e. A recalled faculty member who rejects a position will be removed from the
31 recall list.
32

33 f. Acceptance of any job at PSU, other than the NTTIF position from which they
34 were laid off, will not impact their position on the recall list.
35

36 g. For employees recalled to their position:
37

38 1) The time spent on the recall list will not count as a break in service.
39 Time on the recall list shall be considered the same as a leave without
40 pay and all members laid off shall retain benefits and privileges of a
41 member on leave without pay (consistent with Article 22, Section 5 (d)).
42

43 2) Upon recall, the University will return the employees to the contract
44 type and rank, with the same contract provisions, as in the individual
45 contract from which they were terminated.
46

- 1 3) Upon return to service, employees who had completed the six-year
 2 probationary period will not be required to complete a new six-year
 3 probationary period.
 4
 5 4) Upon return to service, employees who were in the six-year
 6 probationary period will return to their probationary period at the point
 7 of exit upon termination.
 8
 9
 10 4. If the faculty member receives an unsatisfactory evaluation and fails to remediate the
 11 deficiencies during the subsequent academic year, as provided in paragraph (g) below.
 12

13 (f) Evaluation Following Continuous Appointment. Faculty on a continuous appointment are to be
 14 evaluated every five (5) years following continuous appointment and then every five (5) years following
 15 the last evaluation or promotion, pursuant to guidelines as provided in Section 6 below. In the event of
 16 an unsatisfactory evaluation, the evaluation shall identify the deficiencies that require remediation and
 17 may make recommendations for improvement. Following an unsatisfactory evaluation, a remediation
 18 plan will be developed as provided in paragraph (g) below.
 19

20 If a faculty member on Continuous Appointment undergoes a successful promotional review prior to
 21 year 5 of the post-continuous appointment, their next post-continuous appointment review will occur
 22 five years after their successful promotional review. The first year of the next 5-year post-continuous
 23 appointment review count will start on September 16 the academic year following the successful
 24 review.

1 **Notification of Eligibility, Participate, Opt-Out, or Deferral of Post-Continuous Appointment**
2 **Review:**

3 OAA and the Deans office shall be responsible for creating and maintaining a list of NTT
4 Instructional Faculty who are eligible for Post-Continuous Appointment Review.

5 OAA will send a list to the Dean's office for confirmation of eligibility no later than May 1st of each
6 year.

7
8 Department Chairs will notify each faculty member eligible for a post CA review by June 1 of the
9 academic year prior to the year of eligibility.

10 **Requests to Opt-out:**

11 Faculty who provide a letter to the Dean, with a copy to HR stating they will retire within 2 years shall
12 be allowed to opt-out of post-tenure review.

13 **Request to Defer:**

- 14 1. Faculty may submit a written request to defer their post-continuous appointment review and opt
15 to apply for promotional review instead. Faculty may not apply for promotion and post-
16 continuous appointment in the same year.
- 17 2. Requests for deferral must be made by June 15 of the year a faculty member is notified and must
18 be approved by the Department Chair or the Supervisor of Record, and the Dean. Deferrals are
19 for a one-year period. The decision in response to the member's request for deferral will be made
20 within 30 working days from submission.
- 21 3. Deferrals should be based on the following:
 - 22 a. Personal circumstances such as maternity, paternity, adoption, injuries, illnesses, or other
23 protected leave circumstances that have had an impact on the faculty member's work.
 - 24 b. Sabbatical and when returning from special assignments on or off campus, such as
25 professional or administrative positions
- 26 4. All requests for a deferral must be made in writing by the faculty member and will include an
27 explanation of why the deferral is needed.
- 28 5. If there has been no request for a deferral, the review will go forward as scheduled and follow the
29 post-continuous appointment review timeline posted on the [OAA Deadlines for Academic](#)
30 [Personnel Actions](#).

31 All requests for deferral or opt-out must be approved or denied in writing by the Dean and
32 forwarded to the faculty member, department chair/designee no later than June 15th of the
33 academic year prior (EX: Response Due 6/15/2021) to review and the Dean's decision will be

1. Departmental Post-Continuous Appointment Review Committee Establishment and Authority. All recommendations for post-continuous appointment review originate with a formally established departmental committee. The department chair/designee notifies the chair of the appropriate departmental committee of those non-tenure track faculty who are eligible for post-continuous appointment review.

Faculty members will be evaluated by a committee of their peers. In a department with more than one NTT instructional faculty member, at least one NTT instructional faculty member will be on the review committee, if the department does not have another NTT instructional faculty member, the department chair/designee will look outside of the department to find a NTT instructional faculty member from a similar discipline to serve on the committee. When a faculty member has been involved in interdisciplinary teaching and/or research, the committee will include a faculty representative from a mutually agreed upon second department or program.

Administration may use these procedures for Post-Continuous Appointment Review for those NTTF who hold Unclassified Exempt (UnEx) positions. No AAUP member, however, will be assigned to serve on a post-continuous appointment review committee of an NTTF in an UnEx position who has any supervisory duties in their unit. In the UnEx post-continuous appointment review, the role of the department chair shall be filled by the immediate supervisor of the individual under review provided the immediate supervisor is not the Dean. If the immediate supervisor of the individual under review is the Dean, the Dean must designate a person to fulfill the role of the immediate supervisor (e.g. an Associate Dean).

1 The committee shall endeavor to reach consensus before writing its narrative report to the
2 department chair/designee. In its narrative report, the committee shall explain its decision and
3 provide evidence to support the decision. If the committee finds the faculty member's
4 contributions meet the standards set forth for post-continuous appointment review, it shall
5 document this in their narrative report. If the committee finds the faculty member's
6 contributions do not meet standards, the report shall document the areas the committee finds
7 do not meet the standards and provide evidence so that these areas shall be addressed in a
8 Faculty Improvement Plan (FIP).

9
10 Should a unanimous decision not be reached, the committee's narrative report shall include the
11 views of the majority and the minority.

12 The committee's narrative report should be forwarded to the department chair/designee no
13 later than the 2nd Friday November.

- 14
15 2. Responsibilities of the Department Chair/Designee. The department chair/designee, must
16 assure that the faculty member's post-continuous appointment review committee has followed
17 department/academic unit and University post-continuous appointment review guidelines, has
18 considered the faculty member's dossier, and that the committee's narrative report is complete
19 and uses the proper forms. In units that do not have departments, the department chair
20 responsibilities shall be filled by a person or persons specified in unit guidelines; potential *chair*
21 *designees* may include program directors, area directors, or the faculty member's supervisor.

22
23 The department chair/designee shall write a letter affirming or challenging the committee's
24 decision and recommendation based on the criteria in departmental post-continuous
25 appointment review guidelines, and explain their reasons. If the department chair/designee
26 finds the faculty member's contributions do not meet standards, the department
27 chair/designee's letter shall document the areas they find do not meet the standards and
28 provide evidence so that these areas shall be addressed in a Faculty Improvement Plan.

29
30 The department chair/designee will provide a copy of their letter and attach it to the
31 committee's narrative report and forward the entire dossier to the faculty member under review
32 and to the chair of the committee within 10 working days of the transmittal of the committee
33 report but not later than the first 2nd Friday in November.

34
35 The faculty member must be given the opportunity to review their file, including the post-
36 continuous appointment review committee's report and the department chair/designee's letter,
37 before it is forwarded to the Dean.

38
39 The faculty member should indicate they have reviewed their file by signing the NTTF
40 Appraisal Signature Sheet. If the faculty member disagrees with the recommendation of either
41 the committee or the department chair/designee, they may request reconsideration of one or
42 both recommendations.

43 At this point in the process, the faculty member may request to meet with the committee or the
44 department chair/designee no matter if the review is positive or negative. See section below
45 regarding timing for meeting due to reconsideration.

1 3. Procedures for Reconsideration of Department Chair/Designee and/or Committee
2 Recommendation. If a faculty member questions the post-continuous appointment review
3 committee's recommendation and/or the department chair/designee's recommendation, they
4 may make a request for reconsideration of the recommendations in writing. Request(s) for
5 reconsideration should be submitted to the department chair/designee within 5 working days
6 of receiving the committee and chair/designee recommendations.

7 The reconsideration(s) may be requested on the basis of procedural or substantive issues. The
8 faculty member should prepare whatever additional material is pertinent. The supporting
9 materials must be submitted to the department chair/designee as appropriate within 20
10 working days of the request for reconsideration. At the time of submitting materials to support
11 reconsideration, the faculty member may request to meet with the committee and/or the
12 department chair/designee. The meeting(s) must occur within 5 working days of the request to
13 meet.

14
15 If the reconsideration is requested for the committee's decision, the department chair/designee
16 should return the dossier along with any supporting materials submitted by the faculty member
17 to the committee for reconsideration. The committee chair must report in writing to the faculty
18 member and the department chair/designee the results of the committee's reconsideration. The
19 faculty member's materials will then be forwarded to the department chair/designee for their
20 review, and then forwarded to the faculty member.

21
22 If reconsideration is requested of the department chair/designee's decision, the department
23 chair/designee must report in writing to the faculty member and the committee the results of
24 their reconsideration.

25
26 Should the committee and/or the department chair/designee reverse their original decisions
27 and find the faculty member's contributions to meet standards, they shall write a report of the
28 new decision and attach it to the top of the original report. The faculty member will then
29 review the entire dossier and sign the appraisal signature sheet before the department
30 chair/designee forwards it to the Dean for their consideration.

31
32 The department chair/designee must provide the Dean a statement of assurance that all eligible
33 faculty have been reviewed and submit to the Dean for each faculty member reviewed:

- 34
35 a. A completed appraisal signature sheet signed by the members of the post-continuous
36 appointment review committee and the department chair/designee.
- 37 b. The post-continuous appointment review committee recommendation and department
38 chair/designee's letter.
- 39 c. If reconsideration was requested, a copy of the faculty member's request, the materials
40 submitted, and the reconsideration reviews done by the department chair/designee
41 and/or committee.

42 4. Responsibility of the Dean. The Dean shall review materials submitted by the faculty member
43 and the narrative report of the post-continuous appointment review committee and the

1 department chair/designee with regard to the dossier submitted by the faculty member in order
2 to write a letter affirming or challenging the recommendation of the committee and/or the
3 department chair/designee.

4 If the Dean disagrees with the recommendation of the post-continuous appointment review
5 committee and/or the department chair/designee, the Dean must explain their decision and
6 document which criteria in the department's post-continuous appointment review guidelines
7 were or were not being met and provide evidence to support their decision.
8

9 The Dean's letter shall be delivered to the department chair/designee, the post-continuous
10 appointment review committee chair, and the faculty member within 10 business days of
11 receipt of the committee and chair reports or no later than the Fourth week of January.
12

13 If the Dean, department chair/designee, and committee finds that the faculty member's
14 contributions do not meet standards and the faculty member does not request reconsideration
15 of the Dean's decision, a Faculty Improvement Plan will be developed based on the
16 deficiencies identified in the review and as provided in paragraph (i) below.
17

- 18 5. Procedures for Reconsideration of Dean's Recommendation. If the Dean finds that the faculty
19 member's contributions do not meet standards and the Dean's recommendation differs from
20 the committees and/or the department chair/designee's; the department chair/designee, chair
21 of the committee, and/or the faculty member may request in writing a conference for
22 reconsideration by the Dean within 5 working days of the receipt of the Dean's letter. After
23 notifying the Dean that the faculty member requests reconsideration, the faculty member has
24 10 working days to provide additional materials to the Dean in support of the reconsideration.

25 If upon reconsideration, the Dean reverses their original decision and finds the faculty
26 member's contributions meet standards, the Dean shall so report in writing and provide a copy
27 of their letter to the department chair/designee and faculty member.
28

29 If the Dean finds that the faculty member has met standards when the post-continuous
30 appointment review committee's and the department chair/designee's finding disagree, the
31 Dean shall provide a copy of their letter to the department chair/designee, committee chair,
32 and faculty member.
33

34 The Dean's original recommendation, and Dean's recommendation after reconsideration, shall
35 be included in the dossier. When the Dean finds that the faculty member's contributions do
36 not meet standards and the Faculty member requests reconsideration, the faculty member's
37 entire dossier is then forwarded to the Provost for review.
38

- 39 6. Role of the Provost. The Provost shall review the materials only in those cases when a faculty
40 member is found not to have met standards and requests reconsideration of the Dean's final
41 recommendation.

42 The Provost will review the decisions by the Dean, department chair/designee, and post-
43 continuous appointment review committee to determine if the faculty member meets or does

1 not meet standards. If the Provost finds that the faculty member does not meet standards, then
2 they must give reasons for their decision, addressing evidence provided at earlier levels of
3 review.
4

5 The Provost shall notify the faculty member, the department chair/designee, and the Dean in
6 writing of their final decision.
7

8 The faculty member may request in writing a conference for reconsideration by the Provost
9 within 5 working days of the receipt of the Provost's letter and may add additional evidence to
10 the file within 20 working days of receiving the Provost's letter. If requested, the Provost shall
11 meet with the faculty member.
12

13 The Provost's decision after reconsideration shall be forwarded to the faculty member, the
14 department chair/designee, and the Dean. The Provost's decisions shall be included in the
15 Post-Continuous Appointment dossier housed in the Dean's office.
16

- 17 7. After receipt of the Provost's final decision, a step 3 grievance may be filed by or on behalf of
18 the faculty member, as provided in the PSU-AAUP collective bargaining agreement, or through
19 the non-contractual grievance process, as applicable, if the faculty member believes that there
20 has been a violation, misinterpretation or improper application of these guidelines.
- 21 8. In the event that it is found that a faculty member does not meet standards; a Faculty
22 Improvement Plan will be developed based on the deficiencies identified in the review and as
23 provided in paragraph (i) below.

24 (h) Faculty Improvement Plan for Faculty on Continuous Appointment.

- 25 1. In the event that the faculty member does not meet standards, the faculty member and
26 department chair/designee will meet to discuss the deficiencies identified in the review.
27 Following the meeting, the department chair/designee will develop a Faculty Improvement
28 Plan to address the deficiencies. If the faculty member disagrees with the improvement plan,
29 the faculty member may appeal to the dean or the dean's designee, who shall review the plan
30 and make the final decision regarding the contents of the plan. The Faculty Improvement Plan
31 is to be developed before the end of the academic year in which the faculty member was found
32 to not meet standards. If the department chair/designee and faculty member identify resources
33 that would assist with the improvement plan, a request for access to such resources will be
34 made to and considered by the Dean. The lack or limited availability of resources could result
35 in modification or extension of the Faculty Improvement Plan.
- 36 2. Progress on the Faculty Improvement Plans to be assessed and communicated on a regular
37 basis during the subsequent academic year. At a minimum, the department chair/designee and
38 the faculty member will meet near the beginning of the fall term following the PCAR to review
39 the improvement plan and near the end of the fall term to review the faculty member's
40 progress on the improvement plan. Prior to the end of fall term, the department chair/designee
41 is to provide the faculty member with a written assessment of progress on the faculty

1 improvement plan, which includes identification of issues that have not yet been successfully
2 remediated.

- 3
- 4 3. At any point in the process, the department chair/designee can determine that the Faculty
5 Improvement Plan has been successfully completed, at which time the department
6 chair/designee shall notify the faculty member and conclude the faculty improvement process.
- 7 4. Winter term of the academic year following the start date of the Faculty Improvement Plan, the
8 department chair/designee shall meet to review progress on the improvement plan. After the
9 meeting, the department chair/designee is to notify the faculty member whether the
10 improvement plan has been successfully completed.
- 11 5. When the department chair/designee decides the objectives have not been reached, the faculty
12 member may request in writing a conference for reconsideration by the department
13 chair/designee within 10 working days of the receipt of the chair/designee's letter to the Dean.
14 The faculty member may provide additional materials in writing within 10 working days of the
15 request for reconsideration.
- 16 6. If the department chair/designee reverses their decision, they shall write a revised letter to
17 the Dean. The Dean will wait to make a decision until receiving the reconsideration letter
18 from the department chair/designee. Should a faculty member refuse to create and/or
19 follow the Faculty Improvement Plan(except due to circumstances that are substantially
20 outside the faculty member's control), the faculty member shall be notified and subject to
21 sanctions pursuant to Article 27 of this collective bargaining agreement.
- 22 7. The Faculty Improvement Plan with information on how it was fulfilled, must be signed within
23 20 working days of completion by the faculty member, the department chair/designee, and
24 Dean and filed with the Provost Office. If the department chair/designee and Dean agree that
25 the Faculty Improvement Plan has been successfully completed, the faculty member will be
26 eligible for the post- continuous review increase that is currently in force effective September 16
27 the following academic year.
- 28 8. If the plan has not been successfully completed, the department chair/designee may either
29 extend the plan for an additional academic term or provide the faculty member with notice of
30 termination. A Faculty Improvement Plan may be extended by the department chair/designee
31 for up to three academic terms. A notice of termination provided under this section shall be
32 provided to the member, Dean, Provost, and the Association and shall be effective no sooner
33 than the end of the subsequent academic term.

34 The faculty member's name will be included on the Assurance of Review filed with the Dean and Provost
35 no later than June 15 following the completion of the Faculty Improvement Plan. The Assurance of
36 Review will officially track the status of the Faculty Improvement Plan. When the Faculty Improvement
37 Plan is successful, the Assurance of Review will act as notice to re-start the 5-year count for the next post-
38 continuous appointment review, year 1 starting on September 16 of the following academic year.

39

1 **Section 3. Non-Tenure Track Instructional Faculty Fixed-Term Appointments.**

2
3 The University and the Association recognize that circumstances occasionally warrant the hiring of non-
4 tenure track instructional faculty on a fixed-term appointment for a specific and limited period of time. For
5 example, a fixed-term appointment is appropriate for visiting faculty, to fill a temporary vacancy (such as a
6 vacancy caused by another employee being on leave or pending a search for a vacant position), when a
7 program is newly established or expanded, when the specific funding for the position is time-limited, or for
8 a specific assignment or to fill a discrete need that is not expected to be ongoing. The letter of offer for a
9 fixed-term instructional faculty appointment shall state the reason that warrants the fixed-term
10 appointment. In the event that the University intends to extend a fixed-term appointment beyond three
11 years of continuous service, the University will provide notice to the Association at least 60 days in
12 advance of the extension. In the event that a fixed-term instructional faculty member is to be appointed to
13 a position eligible for a continuous appointment, the University will notify the Association and the parties
14 agree to discuss, as necessary, the appropriate probationary period and whether any time served as a fixed-
15 term faculty member is to be credited to the probationary period.
16

- 17 (a) Criteria and evaluation requirements for fixed-term faculty members hired after April 5, 2016 to receive
18 service credit toward continuous appointment:
19

20 The parties agree that they will apply a defined set of criteria in the award of service credit to fixed-term
21 faculty members in their appointment to a probationary continuous appointment position in accordance
22 with Article 18, Section 3. This agreement shall apply to all faculty members hired under Article 18,
23 Section 3 after April 5, 2016.
24

- 25 1. Service Credit awards to fixed term faculty members will be made based on the following criteria:
26

- 27 a. Service credit shall be awarded only for time spent as an AAUP-represented fixed-term
28 instructional faculty member at or above .5 FTE.
29
30 b. One (1) year of service credit shall accrue to faculty members who worked 1.0 FTE at least two
31 (2) of the three (3) terms in an academic year. No service credit will be granted for a year in
32 which the individual faculty member was employed as a fixed-term faculty member for one (1)
33 term.
34
35 c. The maximum amount of service credit awarded will be three (3) years.
36
37 d. Consistent with Faculty Senate guidelines for probationary NTTF-CA positions established in
38 Spring 2017, it is expected that Fixed-Term faculty will be evaluated annually. If a department
39 did not complete the evaluation in a given year, it will be assumed that the evaluation was
40 positive.
41

- 42 2. Service credit can be awarded only if the probationary continuous appointment position had an
43 open search per the CBA Article 18.2.a, or if the department received a search waiver for the
44 position from Office of Global Diversity and Inclusion (OGDI)
45

- 46 3. Service credit can be awarded only if the department had approved revisions to their department

1 P&T guidelines that include continuous appointment evaluation procedures, and those procedures
2 were applied to the evaluations in question in paragraph 1, above.
3
4

5 **Section 4. Non- Tenure Track Instructional Faculty Offer and Position Descriptions (Continuous**
6 **Appointment and Fixed-Term Appointment).**
7

- 8 (a) The University and the Association recognize that clear communication of expectations and rewards is
9 essential for a fair and productive professional relationship. To that end, the University will provide
10 template letters of offer for non-tenure track instructional appointments. (See Appendices E and H.)
11 For non-tenure track instructional appointments, 1.0 FTE will include no more than 36 course credits
12 of assigned teaching per academic year. Assigned university/ community/ professional service and
13 scholarly work shall not exceed ten percent (10%) of an instructional non-tenure track faculty
14 member's workload without a reduction in instructional load.
15
- 16 (b) The template letter of offer will include a position description. Taken together, a letter of offer and
17 position description for non-tenure track instructional appointments will include the following
18 information: whether the appointment is eligible for continuous appointment or fixed-term,
19 appointment start date, appointment end date (for fixed-term appointments only), the reason
20 warranting the fixed-term appointment (for fixed-term appointments only), FTE, annual salary rate,
21 actual salary, teaching assignment (including, where possible, the list of courses to be taught and the
22 location of those courses if not on the downtown University campus), whether the appointment is
23 renewable, and any expectations for research and scholarly work, university service, professional
24 service, or other responsibilities. Bargaining unit members shall have an opportunity to review the
25 letter of offer and position description and will affirm their acceptance of the offer of employment by
26 signing and returning to the University a copy of both the letter of offer and the position description.
27
- 28 (c) The University will direct departments to complete letters of offer and position descriptions at least 30
29 days prior to the start of work for the initial term of employment of any non-tenure track instructional
30 faculty member so that employment documents are forwarded to the Office of Human Resources
31 according to the published payroll deadline schedule.
32

33 **Section 5. Non-Tenure Track Research Faculty Appointments**
34

- 35 (a) The University and the Association recognize that non-tenure track research faculty are, even in a first
36 year of employment, an essential and integrated part of a department's or program's staff. Initial
37 appointments are not the responsibility of a sole administrator. Where possible, a committee of at
38 least three (3) shall seek qualified applicants and forward a recommendation to the chair.
39
- 40 (b) The University and the Association recognize that clear communication of expectations and rewards
41 is essential for a fair and productive professional relationship. To that end, the University will provide
42 template letters of offer for non-tenure track research appointments (See Appendix G). Assigned
43 university/community/professional service and instructional work shall not exceed ten percent (10%)
44 of a non-tenure track research faculty member's workload without a reduction in the research load.
45

- 1 (c) The University, at its discretion, may offer non-tenure track research faculty members appointments
2 that are appropriate based on the specifics of the position. For instance, non-tenure track research
3 faculty members may be employed for a fixed term, for a period of time that runs the length of a
4 particular grant, or an ongoing appointment (without a fixed end date) that is contingent on the
5 continued availability of external funding. In all such cases, the appointment must provide the
6 member with at least thirty (30) days of notice of early termination of the employment (although
7 greater notice is encouraged when possible). No member who achieved seniority status and was
8 provided a multi-year appointment under the terms of the collective bargaining agreement in effect
9 prior to April 4, 2016 will be provided a shorter appointment as a result of the 2016 revisions to this
10 Article.
11
- 12 (d) The template letter of offer will include a position description. Taken together, a letter of offer and
13 position description for non-tenure track research appointments will include the following
14 information: appointment start date, appointment end dates (if any), FTE, annual salary rate, actual
15 salary, whether the position is grant or contract funded, the potential grounds for early termination
16 and the required period of notice of early termination (which may not be less than thirty (30) days),
17 whether the position is non-renewable, research assignment and any expectations for additional
18 research and scholarly work, university service, professional service, or other responsibilities.
19 Bargaining unit members shall have an opportunity to review the letter of offer and position
20 description and will affirm their acceptance of the offer of employment by signing and returning to
21 the University a copy of both the letter of offer and the position description.
22
- 23 (e) The University will direct departments to complete letters of offer and position descriptions at least
24 30 days prior to the start of work for the initial term of employment of any non-tenure track research
25 faculty member so that employment documents are forwarded to the Office of Human Resources
26 according to the published payroll deadline schedule.
27

28 **Section 6. Reviews of Non-Tenure Track Instructional and Research Faculty**

29

- 30 (a) The Faculty Senate is responsible for the development of guidelines governing the evaluation of non-
31 tenure track faculty, including evaluations that occur prior to, at the time of, and following continuous
32 appointment. Each Department/Academic Unit shall establish and maintain guidelines for review of
33 non-tenure track instructional and research faculty bargaining unit members that are consistent with
34 guidelines developed by the Faculty Senate. Nothing in this provision affects or alters the Association's
35 ability to file a grievance, as provided in Article 28 that alleges a violation of such guidelines.
36
- 37 (b) The guidelines must, at a minimum:
38
- 39 1. Be in writing and be made available to members;
 - 40 2. Require each department to identify the committee(s) responsible for the evaluations;
 - 41 3. Establish job-relevant evaluation criteria and require the criteria to be in writing;
 - 42 4. Provide that the results of the review be in writing and provided to the member;
 - 43
 - 44
 - 45
 - 46

- 1 5. Provide that the member is entitled to meet with the reviewers;
- 2
- 3 6. Provide that the member is able to respond to the review by submitting a statement or comments,
- 4 which shall be attached to the review;
- 5
- 6 7. Provide that the member may submit relevant materials to the reviewers;
- 7
- 8 8. Provide that the member may request a review if one has not been provided within the time period
- 9 provided for by the guidelines;
- 10
- 11 9. Provide that the member is to have reasonable notice of the evaluation; and
- 12
- 13 10. In a department with more than one non-tenure track faculty member, provide that at least one
- 14 non-tenure track faculty member will be on the review committee.
- 15

16 (c). Timing for Reviews of Non-Tenure Track Research Faculty members (NTTF-R)

- 17
- 18 1. Promotional reviews of NTTF-R members may occur twice during the academic or calendar year.
- 19
- 20 2. NTTF-R members hired on a 12-month appointment will follow the review schedule established
- 21 by Office of Academic Affairs (OAA) for NTTF hired on 9-month appointments. For example, a
- 22 12-month NTTF-R member who is hired April 1, 2018, will receive their first review during the
- 23 2019-20 review schedule beginning September 16, 2019.
- 24
- 25 3. Changes in rank and compensation related to the promotion will be effective at the beginning of
- 26 the NTTF-R member's next appointment period, typically July 1 for 12-month appointments and
- 27 September 16 for 9-month appointments.
- 28

29 (d). Promotional and/or Continuous Appointment reviews of NTTF-I members with "mid-year" hire

- 30 dates
- 31
 - 32 1. 9-month NTTF-I members with a hire date later than October will be reviewed according to the
 - 33 schedule established by the Office of Academic Affairs, starting with the fall of their second full
 - 34 academic year following hire. For example, a 9-month NTTF-I member who is hired on a
 - 35 probationary Continuous Appointment on January 1, 2018 will receive their first review in the
 - 36 review in the academic year 2019-20 review cycle beginning September 16, 2019.
 - 37
 - 38 2. NTTF-I members on 12-month appointments with a hire date later than October 1 will be
 - 39 reviewed according to the schedule established by Office of Academic Affairs, starting with the fall
 - 40 of their second full academic year following hire. For example, 12-month NTTF-I members who
 - 41 are hired January 1, 2018, will receive their first review in the academic year review cycle beginning
 - 42 September 16, 2019.
 - 43

44 **Section 7.** The University will publish a chart including but not limited to the types of leaves, awards,

45 grants, and appointments for which non-tenure track faculty are eligible.

1 **Section 8.** Nothing in Article 18 shall be construed as superseding Article 22 (RETRENCHMENT).

2
3
4 **Article 19. PROFESSIONAL DEVELOPMENT AND SUPPORT**

5
6 **Section 1. Introduction.**

7
8 The University recognizes that adequate supporting services are necessary for effective scholarship and
9 professional development. All faculty, including tenure-related faculty, non-tenure track faculty and
10 academic professionals, are encouraged to participate in activities that enhance their professional
11 development.

12
13 **Section 2. Faculty Development Program.**

14
15 In order to support scholarship and professional development the University shall fund a multifaceted
16 Faculty Development Program that reflects both the need for members to fulfill the tasks of scholarly and
17 scientific research, writing, teaching, advising, supporting student health and wellness and all other aspects
18 of the mission of the University. All members, including tenure-related faculty, non-tenure track faculty
19 and academic professionals, shall be eligible to apply for and receive funds through this program. The
20 Faculty Development Program, as allocated in Section 4, will be administered by the Faculty Development
21 Committee (a Faculty Senate committee), with oversight by the Provost or the Provost's designee. The
22 Committee shall be composed of members selected by the Committee on Committees (a Faculty Senate
23 committee) and representative of the breadth of the university faculty including tenure-related faculty, non-
24 tenure track faculty and academic professionals.

25
26 **Section 3. Individual Professional Development Account (IPDA) Program.**

27
28 (a) The University and the Association support continuing professional development for members in
29 teaching, scholarship, service and other job-related professional development opportunities. Members
30 are encouraged to participate in activities that enhance their professional development. To that end,
31 Individual Professional Development Accounts (IPDAs) shall be maintained and funded as provided
32 in this Section.

33
34 (b) By September 30 of the fiscal year, each IPDA will be credited (prorated by FTE) at the beginning of
35 the fiscal year as follows:

36

Tenure-Related Faculty	\$1100
Non-Tenure Track Faculty	\$600
Academic Professionals	\$500

37
38
39

40
41 Annual amounts credited to the IPDA for continuing employees will be available for use on July 1 of
42 each fiscal year. Members can receive reimbursement for funds spent between July 1 and September
43 30.

44
45 (c) An IPDA will be created for newly employed members upon hire. If continued employment is
46 conditioned upon completion of a trial service period provided for by Art. 17, Section 5, the academic

1 professional will not be able to access their IPDA funds until they have successfully completed their
2 trial service. If employment is not conditioned on the completion of a trial service period, the
3 employee will have access to their IPDA funds from the date of hire.
4

- 5 (d) The amount credited to an IPDA for a newly employed member will be prorated according to the
6 number of full calendar months remaining in the fiscal year from their date of hire. Nine-month
7 members hired on September 16 of the academic year will be credited with the full year's IPDA.
8
- 9 (e) The amount credited to an IPDA for a member who is less than 1.0 FTE will be prorated based on the
10 member's FTE that corresponds to the FTE in their appointment letter and the variable appointment
11 FTE thresholds shown below. However, an approved sabbatical leave will not result in proration of
12 the IPDA credit.
13
- 14 1. For members on variable FTE appointments, the IPDA will be prorated as follows:
 - 15 • .5-.74 FTE—75% of IPDA amount
 - 16 • .75 or above FTE—100% of IPDA amount
 - 17
 - 18 2. If the variable appointment letter specifies the FTE is between 0.5 to 1.0 FTE, then 0.75 FTE
19 will be used to calculate the member's IPDA amount. If the actual FTE the member worked
20 over the course of the year is less than .75, their IPDA allotment for the subsequent year will
21 be reduced to 75% of their award. If the member leaves the University, they will not be
22 charged for any IPDA funds spent in excess of their actual FTE.
23
- 24 (f) A member may utilize funds in an IPDA for activities that support the job-related professional
25 development of the member. The use of IPDA funds is subject to the pre-approval of the member's
26 supervisor and to all applicable University policies and procedures regarding the appropriate use and
27 documentation of University expenditures. Examples of such use could include, but are not limited
28 to, travel for the presentation of scholarly work, conference fees and travel, professional organization
29 fees, professional licensure or certification requirements, acquisition of specialized equipment (such as
30 laboratory or art supplies), tuition and/or fees, subscriptions and books, submission fees, and relevant
31 training and continuing education opportunities.
32
- 33 (g) Unused funds in an IPDA shall automatically roll over at the end of each year for four years. Funds
34 not used after four years may roll over for a longer period of time, upon good cause shown and upon
35 request of the member and approval of the Dean or their designee. Funds unused after four years or
36 remaining in a member's account upon termination of employment shall revert to an account within
37 the relevant college, school or other University unit and be used by the Dean for other professional
38 development-related purposes. A member who transfers within the University to another position in
39 the bargaining unit will not lose access to accumulated IPDA funds as a result of the transfer.
40
- 41 (h) At the end of each fiscal year in which IPDA funds have reverted to a college, school or other unit,
42 the Dean of such unit shall provide a report to the Office of Academic Affairs and the Association
43 regarding the reverted funds and the use of such funds.
44

45 **Section 4. Professional Development Allocations.**
46

1 **Section 5. Unspent Faculty Development Funds**
2

- 3 (a) By September 15 of each year the Office of Academic Affairs (OAA) will share with the FDC and the
4 Association a spreadsheet of the previous year's allocation and expenditure of faculty development
5 funds in the format provided in the University's March 30, 2017 response to the Associations February
6 24, 2017 Information Request.
7
- 8 (b) At the end of each fiscal year, OAA will place in reserves a buffer (Hold-Back) of \$5,000 from funds
9 that are released from expired projects to cover expenditures that occur in the year following the
10 release of the funds that the faculty member's department is unable to cover.
11
- 12 (c) All remaining funds after the Hold-Back that are unspent will be made available for re-allocation by the
13 Faculty Development Committee (FDC).
14
- 15 (d) The spreadsheet will include the aggregate amount of funds that are released at the end of the
16 academic year (after carry-over approvals from OAA and/or the Faculty Development Committee
17 (FDC), the funds that are rolled into the FDC from unused PTR PDP plans from the previous year,
18 the Hold-Back from that academic year, and the funds that are released from the previous academic
19 year's Hold-Back as follows (this is an example only):
20

21	2017-18 Contractual Allocation:	\$ 675,000
22	2017 No Longer Allocated and Released funds:	\$ 45,000
23	2017 Unspent and Released Hold-Back from 2016:	\$ 3,756
24	2017 Unspent PTR PDP funds	\$ 7,256
25	2013-2017 Unspent and Released (9/15/17 only)	\$ 110,000
26	Total available for FDC allocation 2017-18:	\$ 841,012
27	2017 Hold-Back:	\$ 5,000

28
29

30 **Article 20. INTELLECTUAL PROPERTY/DISTANCE EDUCATION**
31

32 Faculty are becoming increasingly involved in distance learning, web-based courses, and other education
33 and training programs that have implications concerning the use and ownership rights of intellectual
34 property.
35

36 The University and the Association agree to follow applicable University Standards and policies, Federal
37 Law, and State Law that govern intellectual property rights of faculty. Both parties agree that governance
38 and ownership of intellectual property rights and responsibilities do not change as a result of the medium
39 of delivery or storage (e.g. on-line, electronic media).
40

41 The University agrees to provide as a resource the Office of Innovation and Intellectual Property to faculty
42 members who have questions and/or concerns about the use or misuse of intellectual property rights.
43 Faculty may also contact the Association about these matters.
44

1 The University and the Association agree to facilitate and conduct intellectual property awareness and
2 education sessions that will reinforce the rights and responsibilities of Portland State employees including
3 faculty and administration.

4
5 **COPYRIGHT OWNERSHIP**

6
7 The University and the Association negotiated and reached agreement on the University Copyright
8 Ownership Policy, which is included in the CBA as an Appendix J.

9
10 The parties agree that no faculty member will be compelled to enter into a separate agreement, as defined
11 in the policy, as a condition for continuing employment, promotion, tenure, or rehire. A faculty member's
12 decision to not enter into a separate agreement shall not be just cause for discipline.

13
14
15
16 **Article 21. STRIKES AND LOCKOUTS**

17
18 **Section 1.** For the duration of this Agreement, the Association, on its own behalf and on behalf of
19 members of the bargaining unit, agrees not to participate or engage in, aid, or assist any strike concerning a
20 dispute under this Agreement. For the purposes of this Article, a strike includes any stoppage or cessation
21 of work, slow down of any kind, or other interference with the operations of the University, whether done
22 in concert or singly for the purposes defined in ORS 243.650(22). Any member of the bargaining unit who
23 violates any provision of this Article shall be subject to disciplinary action including loss of pay,
24 suspension, and discharge. Nothing contained in this Article shall be construed to be a limitation of any
25 right of the University to any other remedies, legal or equitable, to which the University may otherwise be
26 entitled.

27
28 **Section 2.** In the event of a violation of this Article, the Association upon request of the University, shall
29 immediately use its best efforts to effect the return to normal work routine of the members involved.

30
31 **Section 3.** For the duration of this Agreement, the University agrees that it will not lock out members of
32 the bargaining unit.

33
34
35 **Article 22. RETRENCHMENT**

36
37 **Definition:** In this Article "Department" will be used to refer to departments, programs, or other similar
38 administrative units. The Library will be treated as a single unit for purposes of this Article.

39
40 **Section 1.** In a viable, complex, and multifaceted university, it may be necessary to adjust departments
41 and staff. Historically, these adjustments have been accomplished by attrition and by not renewing
42 appointments in specific departments. The provisions of this Article and accompanying procedures do not
43 apply to this historical practice.

1 The modification of departments generated solely by changes in curricula or in the educational programs
2 or mission of the University is accomplished through usual curricular mechanisms and the provisions of
3 this Article likewise do not apply.

4
5 **Section 2.** The President of the University may declare that a condition of financial exigency exists, or
6 that a condition requiring departmental reductions or eliminations exists, after fulfilling the requirements
7 of University Standard 580-021-0315 and this Article.

- 8
9 (a) A condition of financial exigency may be declared if the President finds that the University's budget
10 has insufficient funds to do all of the following:
11
12 1. maintain all essential programs and services;
13 2. finance the full compensation of all tenured faculty;
14 3. finance the full compensation of faculty on fixed-term appointment until the end of the period of
15 appointment;
16 4. finance the full compensation of all other faculty until the end of an appointment, including the
17 providing of timely notice.
18
19 (b) A condition requiring reduction or elimination of a department may be declared if the President finds
20 that institutional operations within a reduced budget, or failure to reallocate funds, would result in a
21 serious distortion of the academic or other essential programs and services of the University if
22 retrenchment procedures were not implemented.

23
24 Recognizing the requirements of University Standard 580-021-0315 for prior consultation with the
25 Board of Trustees, the parties agree that factual disputes regarding the existence of a condition of
26 financial exigency or the existence of a condition requiring reduction or elimination of a program or
27 department shall not be subject to the grievance, contract dispute resolution, or arbitration articles of
28 this Agreement. An allegation that procedures set forth in this Article were not adhered to is a proper
29 subject for a grievance.

30
31 **Section 3.** Before deciding to declare a condition of financial exigency, or to reduce or eliminate a
32 department, the President or designee shall consult with appropriate faculty councils.

- 33
34 (a) At any time that the President finds that the University's financial condition is such that a declaration
35 of financial exigency or of departmental reduction or elimination may become unavoidable, the
36 President shall promptly notify the Association and the members of the bargaining unit.
37
38 (b) After issuance of such notice of Section 3(a), appropriate representatives of the University shall offer
39 to meet with representatives of the Association for the purpose of presenting and discussing a full
40 description and analysis of the financial condition of the University. If Association representatives fail
41 to accept within a reasonable time an offer to meet, the University shall have no further obligation to
42 consult with the Association or hear their views under the provisions of this Article.
43
44 (c) After the issuance of such notice of Section 3(a), the President or designee shall present a full
45 description and analysis of the financial condition of the University at a regular or special meeting of
46 the Faculty Senate, and to such other faculty councils as the President may deem appropriate.

1
2 (d) When the meetings provided for in Section 3(b) and (c) above are held, a time will be established when
3 comments and recommendations will be due in the President's Office. The time allowed for such
4 consideration will be at least thirty (30) days unless the President finds and states that circumstances
5 require a response in a shorter period of time.
6

7 The President will give thoughtful consideration to such comments and recommendations as are
8 submitted by the established time; and will engage in such further discussions, including efforts to
9 reconcile varying points of view, as he may deem useful. The President or designee will, at the
10 Association's request, meet with representatives of the Association to hear and discuss the
11 Association's comments and recommendations.
12

13 The parties agree to use their good offices to facilitate Senate consideration, and further agree that the
14 Senate, at its discretion, may hear and consider the views of any person or organization during their
15 deliberations of these matters.
16

17 (e) In reaching a decision whether to declare a condition of financial exigency or a condition requiring
18 departmental reduction or elimination, the President will consider, among other matters, institutional
19 guidelines concerning the mission and educational development of the institution; departmental
20 effectiveness and productivity; enrollment historical, current and projected; the state of development
21 of departments; the balance between academic personnel and other elements of the budget; the
22 dependence of other departments in the University on the department proposed for reduction or
23 elimination; and the availability of similar programs and services elsewhere in the community.
24

25 Prior to making a decision on a condition requiring unit reduction or elimination, the President will
26 also consider:
27

- 28 1. the proposal and documentation required by the PSU Faculty Senate in the procedure for
29 "Elimination of Academic Units," approved by on 05-04-20 (Provost concurred on 05-11-20); and
30
- 31 2. PSU-AAUP's response to the proposal; and
32
- 33 3. The Office of Academic Affairs' (OAA) response to the proposal.
34

35 (f) After fulfilling the requirements of Sections 2 and 3 of this article, the President may declare that a
36 financial exigency exists or that the reduction or elimination of a department is necessary.
37

38 **Section 4.** After a declaration is made, a provisional plan will be announced and an opportunity provided
39 for faculty and the Association to comment on the plan, including suggesting alternatives for amelioration
40 of the financial condition. The provisional plan will include tentative assignments of reductions to
41 departments and the time by which responses are to be submitted. The time allowed for such
42 considerations shall be at least thirty (30) days unless the President finds and states that circumstances
43 require a response in a shorter period of time. During this time the President will receive and consider
44 such comments and recommendations from the Faculty Senate as the Senate chooses to submit.
45

1 The Association, and the members in the department assessed a budget reduction in the provisional plan,
2 may make recommendations within the time allotted concerning the manner in which the tentative
3 reductions are to be accomplished. Forms of budget curtailment which may be proposed and considered
4 include, but are not limited to, voluntary leaves of absence, shared appointments, temporary salary
5 reductions, temporary reductions in FTE, layoffs for fixed period, and indefinite layoffs.

6
7 If the final plan being considered by the President will result in the layoff of more members than
8 recommended by the department, the President or designee shall meet with members of the department
9 (or representatives thereof) for further discussion of departmental recommendations.

10
11 Following completion of the procedures outlined above, the President will announce a final plan and will
12 notify departments to be affected of the amounts and nature of reductions to be applied.

13
14 **Section 5.** Prior to the effective date of layoff of any member on continuing appointment, a good faith
15 effort shall be made by the Administration to place that member in another instructional or non-
16 instructional position within the University. If this effort fails the Administration shall make reasonable
17 efforts to assist the member in finding suitable employment elsewhere.

18
19 (a) If the President's final plan (Section 4) includes layoff of instructional and/or research faculty, the
20 order of layoff within a department shall be as specified in Subsections (b) and (c) below. If the
21 President's final plan (Section 4) includes layoff of academic professionals, the order shall be as
22 specified in (c) below. However, this order shall be modified to ensure:

- 23
24 1. the ability of the remaining faculty and academic professionals to meet adequately the needs of the
25 department, including the need for various areas of specialization, and
- 26
27 2. compliance with the University's Affirmative Action Program and Goals.

28
29 (b) Order of layoffs for instructional and research faculty within a department:

- 30
31 1. fixed-term faculty
- 32
33 2. non-tenure track faculty prior to continuous appointment
- 34
35 3. non-tenure track faculty on continuous appointment
- 36
37 4. faculty on annual tenure
- 38
39 5. faculty on indefinite tenure.

40
41 (c) Within each of the categories above in Subsection (b)1-5 for instructional and research faculty, layoffs
42 shall be made in inverse order to the length of continuous service at the University. Within an
43 academic professional position within a department, layoffs shall be made in inverse order to the
44 length of continuous service at the University. ("Length of service" shall include time spent on
45 sabbatical leaves.)
46

1 The President's decisions affecting order of layoff shall be based on departmental recommendations
2 made in accordance with existing departmental procedures. These recommendations shall be
3 submitted in a timely manner through the appropriate dean or vice president; but if no timely
4 recommendations are received from the department, the President may receive recommendations from
5 the appropriate dean or vice president.
6

7 (d) Although a member may be laid off, no member of the bargaining unit shall be terminated as a result
8 of financial exigency or departmental reduction or elimination except as provided in Subsection (h)
9 below. Members who have been laid off shall retain all the benefits and privileges of a member on
10 official leave without pay, if any, except that the University's obligation to recall from layoff is
11 specifically limited to the conditions set forth below.
12

13 (e) A department in which a layoff is in effect pursuant to this Article may not (a) hire new tenure-related
14 faculty until all tenure-related faculty eligible for recall in that department have been offered recall; (b)
15 hire new non-tenure track instructional faculty eligible for continuous appointment until all non-tenure
16 track instructional faculty members on or eligible for continuous appointment have been offered recall;
17 or (c) hire for an academic professional position until all persons who had been in that position have
18 been offered recall. However, the restrictions of this paragraph do not apply if the failure to hire new
19 employees would seriously impair the ability of a department to meet its needs as determined in
20 Section 5(a)1 above at the time layoff decisions were made, or if the President finds and declares after
21 receiving and considering a departmental recommendation reviewed by the appropriate dean and vice
22 president that failure to do so would seriously impair the department's ability to meet adequately its
23 current needs, including the needs for various areas of specialization.
24

25 (f) A member recalled from layoff shall be offered reemployment at the same rank and at a salary rate not
26 less than that which the member was receiving at the time of layoff.
27

28 (g) Any offers of reinstatement within a department shall be made in inverse order to the order of layoff.
29 The member will have thirty (30) days from the date the offer is sent in which to accept the offer. If no
30 acceptance is received in writing within the thirty- (30) day period, the member will be deemed to have
31 declined the offer and the University will thereafter have no further obligation to the member. It is the
32 responsibility of the member to keep the University apprised of a current mailing address.
33

34 (h) Faculty on indefinite tenure who have not been reemployed as of June 15 of the year following five (5)
35 full academic years after layoff shall be deemed to have been given timely notice and their employment
36 will have been terminated as of the June 15 date. Non-tenure track instructional faculty on continuous
37 appointment who have not been reemployed as of June 15 of the year following three (3) full academic
38 years after layoff shall be deemed to have been given timely notice and their employment will have
39 terminated as of the June 15 date. Faculty on annual tenure and non-tenure track instructional faculty
40 still in the probationary period who have not been reemployed as of June 15 of the year following two
41 (2) full academic years after layoff shall be deemed to have been given timely notice and their
42 employment to have been terminated as of the June 15 date. The employment of faculty on fixed-term
43 appointments who have not been reemployed as of the date of the end of their term of appointment
44 shall be deemed to have been terminated on that date. The employment of an academic professional
45 who has not been reemployed as of one year following the notice of layoff shall be deemed to have
46 been terminated on that date.

- 1
2 (i) In cases of layoff resulting from financial exigency the Administration shall make every effort to
3 provide timely notice to affected members of the bargaining unit.
4
5

6 **Article 23. RETRENCHMENT HEARINGS**
7

8 This article provides hearing procedures for layoff (not for cause) arising out of deliberations concerning
9 financial exigency or program reduction or elimination.
10

11 **Section 1.** A member who is laid off or whose salary is reduced as a result of decisions made under
12 Article 22 (RETRENCHMENT) shall be given by the University a statement describing (a) the basis for
13 the layoff or salary reduction, (b) the manner in which the decision was made, and (c) the information and
14 data relied upon in reaching the decision. A member who receives such notice shall have the right to a
15 hearing.
16

17 The hearing shall be before a committee of three (3). The committee shall consist of one (1) member
18 named by the President, one (1) member named by the Association, and a hearings officer chosen by
19 agreement between the President and the Association. If the President and the Association are unable to
20 agree on a hearings officer, they shall request the ERB to provide a list of qualified hearing officers. From
21 this list, a hearings officer shall be chosen in the same manner as an arbitrator is to be chosen under Article
22 28, Division C (ARBITRATION).
23

24 **Section 2.** The member requesting the hearing shall have the right to counsel.
25

26 **Section 3.** The member may choose whether to have an open or a closed hearing.
27

28 **Section 4.** Within fifteen (15) days of receipt of notice of layoff, the member shall file with the President
29 of the University a request for a hearing, which shall identify the allegation to be made in the hearing.
30

31 **Section 5.** The scope of these hearings is limited to allegations that the decision to layoff or to reduce the
32 salary of a member was arbitrary or not made in good faith or that new evidence justifies a reconsideration
33 of such a decision.
34

35 **Section 6.** The committee shall issue a report within thirty (30) calendar days after the conclusion of the
36 hearings. Committee recommendations shall be sent to the President of the University for action. The
37 President may remand the matter to the Committee for further proceedings. The President will announce
38 his decision within thirty (30) calendar days after receiving the Committee's original recommendations or
39 those submitted after remand.
40

41 **Section 7.** If the President takes no action within thirty (30) calendar days after receipt of the final
42 Committee report, or if his action does not provide redress for the member, the member may appeal to
43 the Board of Trustees.
44
45

1 **Article 24. WORKING CONDITIONS**

2
3 The University is committed to creating and maintaining conditions that are conducive to the health and
4 safety of its employees. The University is also committed to creating an institutional climate that values and
5 supports its faculty and to helping its members balance their work, educational, and family responsibilities.
6

7 **Section 1.** The University will forward to the Association reports regarding the maintenance of standards
8 prescribed for air and water quality, safe working conditions, seismic safety, and vector control. A faculty
9 member shall endeavor to maintain safe working conditions and shall adhere to established safety rules,
10 regulations, and practices. It is a faculty member’s responsibility to report any health and/or safety hazards
11 to the appropriate University administrator.
12

13 **Section 2.** The University and the Association will work together to clarify and publicize faculty members’
14 rights and responsibilities regarding student conduct, including informing faculty members of the Student
15 Conduct Code and the appropriate routing of concerns regarding student conduct. To the extent possible
16 under law, the University will notify the Association of faculty reports of incidents of threatening student
17 conduct filed with Campus Public Safety or Enrollment Management and Student Affairs.
18

19 **Section 3.** It is the responsibility of every member of the Portland State University community to conduct
20 him or herself in accordance with PSU’s Professional Standards of Conduct policy, as posted on the PSU
21 Human Resources website. Each department head, manager, supervisor, employee, and faculty member is
22 responsible for creating and maintaining an atmosphere free from harassment, violence, and retaliation.
23 Harassment, including verbal harassment and threatening or violent behavior are prohibited.
24

25 **Section 4.** If a faculty member believes in good faith that his/her present office or classroom assignment
26 presents a clear danger to his/her health and/or safety, he/she may request a temporary reassignment. The
27 University shall promptly respond to such a request and shall make every effort to accommodate the
28 request.
29

30 **Section 5.** The University recognizes the importance of individual office space for instructional faculty
31 members. The University also recognizes the increasing importance of educational media and information
32 technology and its applications to effective teaching, learning, research, and communication; the University
33 will offer the appropriate in-service training. The Association acknowledges that instructional faculty are
34 responsible for obtaining appropriate technological and pedagogical training in the application and use of
35 instructional technologies for teaching.
36

- 37 (a) The University will provide e-mail and internet access to all represented members.
38
- 39 (b) The Association and the University agree that the following are to be considered the minimum
40 office components for bargaining unit instructional faculty:
- | | |
|--|------------------------------------|
| 41 Desk and office chair | Side chair |
| 42 Bookcase or book shelves | File cabinet (with lock) |
| 43 Waste basket | Telephone (with voice mail access) |
| 44 Personal computer* (adequate for normal internet access, word processing, and use of e-mail) [*In | |
| 45 some cases, shared access to personal computers may be adequate.] | |
| 46 | |

- 1 (c) Annually by October 1, the University, in consultation with a committee appointed by the Office
2 of Academic Affairs, will review the list of the minimum components for an instructional faculty
3 office. All departments will be notified of the minimum faculty office components.
4
- 5 (d) Annually by November 1, each department will submit to the Office of Academic Affairs a list of
6 the faculty members whose work environments lack the minimum components of an instructional
7 faculty office. Annually by December 1, the University will provide the Association with a list
8 including an itemization of the minimum components of a faculty office deemed to be lacking for
9 each individual faculty member.
10
- 11 (e) The University will provide the Association with the results of all surveys on faculty working
12 conditions, educational media services, and information on technology/computer resources within
13 one month of completion.
14

15 **Section 6.** Departments that offer courses for academic credit off campus and outside the Portland
16 metropolitan area shall develop procedures to insure that faculty have a written agreement that outlines the
17 obligations and responsibilities of both the faculty member and the Department.
18

19 **Section 7.** Individuals teaching off campus shall be reimbursed for incidental course-related expenses by
20 the department credited with offering the off-campus assignment. Expenses in excess of \$50.00 require
21 prior approval by the department chair or designee.
22

23 **Section 8.** If a member voluntarily resigns, the University will notify the member of their right to request
24 an exit interview. Employees who are still members of the bargaining unit at the time of the exit interview
25 may choose to bring an Association representative with them to the interview.
26

27 **Section 9. Faculty Workload/Work Distribution**

28

29 This section addresses workload and work distribution related to Tenure Track and Non-Tenure Track
30 faculty members. For workload considerations related to Academic Professionals refer to Article 17,
31 Section 10 of this contract.
32

33 Tenure Track and Non-Tenure Track faculty members will not be assigned unreasonable or excessive
34 workload. Additionally, faculty members are encouraged to balance their work so as not to overload
35 themselves, and are encouraged to seek assistance from their Department Chairs (or equivalent) as
36 appropriate. PSU Administration and PSU-AAUP recognize that the distribution of work may vary across
37 disciplines and academic units as well as during different stages of a faculty member's academic career.
38

39 If a Tenure Track or Non-Tenure Track faculty member has concerns regarding workload, they are
40 encouraged to raise their concerns with the relevant supervisor who shall meet with the employee to
41 discuss the concerns, using the following process:
42

- 43 (a) A meeting will take place within a reasonable period (approximately 15 working days) of faculty
44 member's request to meet. The meeting will include a discussion about workload and priorities with a
45 goal of a shared understanding of the member's workload and work distribution.
46

- 1 (b) The conversation shall be documented in a written statement with any adjustment to workload and
2 work distribution specifically noted. The supervisor will create the document, with input from the
3 faculty member. The faculty member and the department chair may get input about the written
4 document from the Association and OAA.
5
- 6 (c) The written statement may include, among other things, change in work assignments, reductions or
7 modifications in duties, or explicit recognition that a member's specific contribution is valued by the
8 University.
9
- 10 (d) Points of agreement and any points of differences will be noted. The written statement shall be
11 completed within 10 working days of the meeting and signed by both parties.
12
- 13 (e) The written statement may be included in future performance reviews.
14

15 If the faculty member or the supervisor continue to have concerns after the written document is created,
16 the following process will be used:
17

- 18 (a) An ad-hoc committee, composed of the faculty member, the supervisor, OAA, and the Association
19 shall meet to discuss concerns and seek to agree on a resolution. This meeting shall take place within a
20 reasonable period of time (approximately 10 working days). If the ad-hoc committee is unable to fully
21 resolve the faculty member's concerns, those remaining concerns will be noted.
22
- 23 (b) The faculty member and/or supervisor may request that the Dean (or equivalent) review the written
24 document, including any remaining concerns noted by the ad-hoc committee, and then participate in a
25 joint conversation/meeting to facilitate a final resolution.
26
- 27 (c) The joint conversation shall happen within approximately 20 working days of the request by either
28 party.
29
- 30 (d) The Dean (or equivalent) shall make a final determination with a written response detailing their
31 rationale for their decision within 15 working days of the joint meeting.
32

33 In the event of multiple issues arising under this Section from any particular University unit, the parties
34 agree to discuss such issues in the Labor/Management Committee. The PSU / AAUP Labor Management
35 Committee will monitor the workloads in that unit for 18 months, or another period based on mutual
36 agreement.
37

38 In lieu of the multiple review processes, the parties agree this section of the Collective Bargaining
39 Agreement is not grievable, except as it may relate to process.
40

41 **Section 10. Per Diem Travel Policy** 42

- 43 (a) PSU-AAUP-represented employees who are traveling as part of a Federal grant or contract shall be
44 reimbursed for per diem based on the actual time they departed and the actual time they arrived home
45 or as stipulated by the grant or contract.
46

1 (b) PSU-AAUP-represented employees who travel for any other work-purpose shall continue to be
2 reimbursed for partial day per diem at the rate of 75% per travel day.
3

4 **Section 11. Online Leave Reporting System**

5

6 (a) Members must report leave used.
7

8 (b) Members must use the Online Leave Reporting System unless there are extenuating circumstances that
9 prevent them from doing so. If such circumstances exist, they should notify their supervisor as soon as
10 possible.
11

12 (c) Overtime eligible (FLSA non-exempt) and vacation eligible members (12-month employees) will
13 receive notifications to input leave used on or about the 1st of the month. If leave is not input by or
14 about the 10th of the month, they will receive notification on or about the 10th of the month.
15

16 (d) The Online Leave reporting process shall not require input from sick time only eligible members (9-
17 month employees) if there is no leave to report during the reporting period.
18

19 (e) The University will send no more than one notice on or about the 1st of the month for the previous
20 month to sick time eligible members (9-month employees). The notification shall state that no leave
21 input is required if no leave needs to be reported for the reporting period.
22

23 (f) On or about the 16th of the month, members will receive notification that their leave report was
24 forwarded to their supervisor for approval. Members will receive a subsequent notice when the leave
25 report is approved.
26

27 **Section 12. DUO FOB replacement upon malfunction**

28

29 Should a member choose not to use a personal mobile device for two-factor authentication (2FA) to log-
30 on PSU Information Systems, the University will provide members with an initial Duo Fob, or its
31 successor, upon request to log on to PSU Information Systems using 2FA. The University will replace the
32 Duo Fob free of charge if it malfunctions. Members will be charged to replace a lost or stolen Duo Fob at
33 the approved rate at the time of replacement.
34

35 **Section 13. Possible External Threats to Member's Academic Freedom**

36

37 If a faculty member believes in good faith that he/she is experiencing undue pressure from individuals or
38 groups off campus, including for work protected by academic freedom (see Article 12, section 1), the
39 University provides [title of guide TBA] as a guide to resources and support for members of the Portland
40 State University community.
41

42 **Section 14. REMOTE WORK**

43

44 (a) Introduction
45

1 PSU supports remote work when it meets the needs of the University. It can maximize productive
2 work time, decrease the need for parking and office facilities, and decrease traffic congestion and air
3 pollution while providing flexibility for employees. The remote work location may be the employee's
4 home or another suitable location.

5
6 (b). Remote Work includes:

- 7
8 1. Work conducted in a location other than an employee's traditional workplace.
9
10 2. Work conducted in a place that is not owned or managed by PSU.
11
12 3. Ongoing or temporary arrangement.
13
14 4. Examples: Working from home on a set schedule (i.e. last Friday of the month); Hired to work
15 from out-of-state location; Working from home to accommodate temporary medical condition.
16

17 If the remote worksite is not in Oregon, the supervisor and employee must submit the [Authorization to](#)
18 [Work Out of State Form](#), before work begins.

19
20 (c). Exceptions to Remote Work Agreements:

- 21
22 1. Occasionally, or permanently working from a location owned by PSU (i.e., Salem location)
23
24 2. Attending and working at a conference or training hosted at non-PSU location.
25
26 3. Fulfilling on-call or off-hours work obligations as part of job (i.e., responding to urgent issues from
27 off-campus)
28
29 4. It is an accepted practice for teaching and research faculty to carry out their work with varied
30 schedules on campus and at alternate locations. Normally, a formal remote work agreement will
31 not be required for faculty unless the normal work assignment is consistently at an alternate
32 location (i.e., not the standard assigned office).
33
34 5. On occasion, a department may also determine that employees may need to work at alternate
35 worksites for a short period of time to accommodate unusual circumstances, such as a brief office
36 closing for renovations or relocation. In such cases, the formal telecommuting agreement is not
37 required, but should be documented for department files by memorandum or email, specifying
38 work expectations and duration.
39

40 (d). Remote Work Agreements Requirements and Eligibility

- 41
42 1. A remote work agreement is required for members to work outside of the office on a routine basis,
43 temporary arrangements, or occasional work arrangements.
44
45 2. An AAUP bargaining unit member whose work does not require face-to-face interaction, or for
46 which that interaction may be scheduled, may be eligible to work remotely. Tasks that benefit from

1 uninterrupted work time are suitable for remote work. Such tasks include writing, editing, reading,
2 analysis, design work, computer programming, word-processing and data entry.

- 3
4 3. Remote work may not be suitable for all employees and/or positions. All remote work is subject to
5 advance approval.

6
7 (e). Remote Work Application Process

- 8
9 1. Employee discusses their request to work remotely with their supervisor.
10
11 2. Employee completes the PSU Remote Work Agreement (On PSU HR website).
12
13 3. Supervisor reviews Agreement and approves or makes edits within 15 days of submission
14 (pursuant to Article 24 Section 9).
15
16 a. If approved, the Agreement is sent to Human Resources.
17
18 b. If edits are made, the Agreement is electronically sent back to the Employee to review
19 again.
20
21 4. Once all approvals are received, the Remote Work Agreement is routed to Human Resources for
22 filing in the Employee's personnel file.
23
24 5. The Employee and Supervisor receive a notification once the Agreement has been finalized.

25
26 (f) Remote Work Agreement

- 27
28 1. Employees who are approved for remote work shall abide by the University's Remote Work
29 Guidelines and their Remote Work Agreement. A copy of the Agreement shall be retained in the
30 employee's electronic personnel file with Human Resources. The agreement should be reviewed
31 annually and revised as needed.
32
33 2. Unless otherwise stated in the Remote Work agreement, the supervisor, the next level supervisor,
34 or the employee may discontinue the arrangement, giving, generally no less than one-week written
35 notice. The parties may negotiate a longer notice to provide for a smooth transition.
36
37 3. Inability to work at your remote location. In the event an employee on remote work experiences an
38 emergency at their remote work site they will need to check in with their supervisor to determine if
39 coming to campus to work is an option. If that is not an option and the employee cannot work at
40 their remote site or campus, they should confer with their supervisor to determine next steps.
41
42 4. Performance & Policies. All work shall be performed according to the same standards as is
43 expected at the primary worksite. The supervisor and employee will meet at regular intervals to
44 review the employee's work performance. PSU policies, rules and practices shall apply at the
45 remote work site. The supervisor will monitor and evaluate performance by relying more heavily
46 on work results rather than direct observation. Failure to follow policy, rules and procedures may

1 result in termination of the remote work arrangement and/or disciplinary action, up to and
2 including termination.
3
4
5

6 **Article 25. PARKING AND TRANSPORTATION**

7

8 **Section 1.** General permit parking designated for faculty and staff only will be provided in the following
9 Portland State University locations. The designated areas will be marked with signage.

10
11 Parking Structure 3 (24 spaces)
12 Parking Structure 2 (23 spaces)
13 University Center Garage (44 spaces)
14 Extended Studies Lot (24 spaces)
15

16 **Section 2.** Location specific: The following numbers of parking permits are available for sale, at the
17 location-specific rate, to faculty and staff in the following Portland State University locations. Faculty and
18 staff will be given priority to purchase these permits.
19

20 Fourth Avenue Garage (196 permits)
21 University Place Lot (100 permits)
22

23 **Section 3.** In order to promote better use of University facilities by bargaining unit members, the
24 University supports the concept of parking flexibility. Flexibility will make it convenient for faculty to
25 spend more time on campus. Recognizing the value of flexibility in the kinds of parking permits made
26 available, the University shall extend to faculty all of the various parking options now available to students.
27

28 **Section 4. Portland Streetcar**

29

- 30 (a) Effective July 1, 2021 members may purchase a Streetcar-only transit pass at PSU Transportation and
31 Parking Services at the discounted rate provided to PSU and have the cost deducted from their
32 paycheck.
33
34 (b) Members may discontinue their streetcar only transit pass at any time by returning the pass to PSU
35 Transportation and Parking Services.
36

37 **Section 5. Transit between Worksites**

38

- 39 (a) The University shall provide members who require access to the Portland Streetcar to transit between
40 worksites a Streetcar-only transit pass at the University's expense.
41
42 (b) To obtain the pass, the member shall bring a letter from their supervisor explaining their need for the
43 transit pass to PSU Transportation and Parking Services.
44
45 (c) The Streetcar-only transit pass shall be valid until the end of the current academic year.
46

1 (d) A new letter acknowledging the need for the transit pass shall be submitted each academic year.

2
3 (e) The University shall create an online process for members to obtain a Streetcar-only transit pass for
4 transit between worksites by December 31, 2021.

5
6 PSU-AAUP will be notified of the details of the street-car contract and any changes that may be made.
7

8
9 **Article 26. UNIVERSITY CLOSURES**

10
11 In the event the University is closed due to inclement weather or short-term hazardous or emergency
12 conditions, employees will not be expected to report for work unless otherwise notified by their
13 supervisors. However, it is recognized that employees may be expected to come in if their research project
14 requires it.. All members shall be paid as though they had worked their normal schedule on such day(s).
15

16
17 *IV. DISPUTE RESOLUTION—Articles 27 - 28*

18
19 **Article 27. IMPOSITION OF PROGRESSIVE SANCTIONS**

20
21 **Section 1. Just Cause.**

22
23 If a member is subject to sanction for just cause, just cause for the imposition is defined as follows:
24

25 (a) Failure to carry out responsibilities as defined in Article 4 (RESPONSIBILITIES OF THE
26 MEMBERS).

27
28 (b) Failure to perform the responsibilities of an academic staff member, arising out of one's particular
29 assignment, toward students, toward the academic discipline, toward colleagues, or toward the
30 institution in its primary educational and scholarly functions and secondary administrative functions of
31 maintaining property, disbursing funds, keeping records, providing living accommodations and other
32 services, sponsoring activities, and protecting the health and safety of persons in the institutional
33 community. Evidence to demonstrate just cause under the standard set forth in this subsection may
34 include, but is not limited to, evidence of incompetence, gross inefficiency, default of academic
35 integrity in teaching, research, or scholarship, and intentional or habitual neglect of duty. [Although the
36 effect of absence of teaching and/or research faculty is difficult to measure, unauthorized or
37 unjustified absence from class, research, counseling activities, or other scheduled duties in excess of
38 five (5) consecutive scheduled or regular working days is sufficient basis for monetary sanction.]
39

40 (c) Cause as defined in University Standards 580-021-0325(1) and 577-041-0010(2).
41

42 **Section 2. Progressive Imposition of Sanctions: Sanctions Available.**

43
44 (a) Bargaining unit members have the right to request the presence of the appropriate Association
45 representative at any meeting that is or becomes an investigatory meeting that might result in sanction.

1 When a bargaining unit member makes a request for the presence of an Association representative, the
2 University has three options:

- 3 1. It can stop questioning until the representative arrives; or,
- 4 2. It can cancel the meeting; or,
- 5 3. It can tell the bargaining unit member that it will call off the meeting unless the bargaining unit
6 member voluntarily gives up his/her rights to an Association representative.

- 7
- 8 (b) The parties agree that sanctions, when imposed, will progress from minor to severe for repeated failure
9 to meet professional obligations. However, in some circumstances, actions or omissions, which have
10 resulted or will, result in irreparable harm to the academic community or members thereof, may require
11 the imposition of severe sanctions in the first instance. Sanctions shall include oral reprimand, oral
12 reprimand with notation to the personnel file, written reprimand, suspension with pay, denial of salary
13 increase, suspension without pay, denial of promotion, reduction in pay, reduction in rank, and
14 discharge.

15

16 **Section 3. Procedures for the Imposition of Sanctions.**

- 17
- 18 (a) Sanction of Oral Reprimand. The sanction of oral reprimand may be imposed by the appropriate
19 administrative officer if the officer believes that there is just cause to warrant the sanction. The
20 sanction of oral reprimand must be imposed within sixty (60) working days of the appropriate
21 administrator's knowledge of the act, failure to perform, or condition on which the sanction is based.
22
- 23 (b) Sanction of Oral Reprimand with Notation to File. The sanction of oral reprimand with notation to
24 file may be imposed by an administrative officer if there is just cause to warrant the sanction. The
25 sanction of oral reprimand with notation to file must be imposed within forty-five (45) working days of
26 the appropriate administrator's knowledge of the act, failure to perform, or condition on which the
27 sanction is based. After one (1) year from the date of an oral reprimand with notation in file, if no
28 further sanction has been imposed against the bargaining unit member, the notation shall be removed
29 from the member's file.
- 30
- 31 (c) Sanctions More Severe than Oral Reprimand. Complaints alleging that a bargaining unit member has
32 engaged in conduct such as to warrant the imposition of sanctions more severe than oral reprimand
33 shall be filed with the President of the University or designee. Such complaints shall be in writing and
34 shall state specifically the facts believed to constitute the grounds for the imposition of such sanctions.
35 Upon receiving such written complaint, the President or designee shall, within ten (10) working days,
36 refer it to an appropriate administrative officer and shall also have a copy of the written complaint
37 delivered in person to the bargaining unit member and the Association or sent by certified mail to a
38 last known address. If the administrator finds that there is no basis for a sanction, the administrator
39 shall notify affected parties thereby terminating the process. The administrative officer shall fully
40 explore the possibility of a settlement mutually acceptable to the bargaining unit member and the
41 officer. If no mutual settlement is effected, the following procedures shall apply:
- 42
- 43 1. Written Reprimand. If there is just cause for a sanction more severe than an oral reprimand, a
44 sanction of written reprimand may be imposed. After one (1) year from the date of a written
45 reprimand, if no further sanction has been imposed against a bargaining unit member, the written
46 reprimand or notation shall be removed from the member's file.

1
2 2. Sanction More Severe than Written Reprimand. If there is just cause for a sanction more severe
3 than a written reprimand, a notice of intent to impose severe sanction shall be served, either
4 personally upon the member, or by certified mail (with return receipt requested) to the member's
5 address of record and to the Association. The notice shall contain a description of the alleged act(s)
6 or omission(s), date(s), time(s), place(s), and proposed sanction. In addition, the notice must
7 inform the individual of procedural protections available including the right to a review and an
8 opportunity for a hearing before a committee of peers prior to the imposition of sanctions and the
9 right to request the Association to file a grievance at Step 3 subsequent to the imposition of
10 sanctions.

11
12 (d) Suspension of the faculty member during the pendency of proceeding is justified only if immediate
13 harm to the member or others is threatened by the member's continuance.

14
15 1. Procedures for Paid Administrative Leave during an Investigation

16
17 i. Definition

18
19 “Paid administrative leave during an investigation” means the placement of an AAUP
20 represented employee on paid administrative leave when they are the subject of one of the
21 following: (1) an administrative investigation by the University (such as by OGDI, HR, or
22 IAO); (2) an external investigation by regulatory authorities, licensure boards, etc.; or (3) a
23 criminal investigation.

24
25 ii. Procedure

- 26
27 a. An employee who is the subject of an investigation should typically remain in regular
28 duty status throughout the course of the investigation. In rare cases, it may be
29 appropriate to remove the employee from the workplace during an investigation.
30 Such cases generally arise when:
- 31
32 1. There is a significant concern that the employee’s presence on campus may put at
33 risk the health and safety of students or other members of the university
34 community;
 - 35
36 2. The employee’s presence in the workplace poses a risk to the integrity of the
37 investigation; or
 - 38
39 3. There is a reasonable basis to believe that continuation of the employee in regular
40 duty status during an investigation poses an unacceptable level of risk to
41 University resources, exposes the University to liability, or causes substantial
42 disruption in the workplace.
- 43
44 b. In cases where the University is considering placing an AAUP represented employee
45 on paid administrative leave during an investigation, the University will make every
46 effort to consult with AAUP in accordance with the following guidelines:

1. The University will notify AAUP and request a meeting in person, or by phone, to discuss the University's concerns and possible alternatives to paid administrative leave during an investigation.
2. The meeting should occur within two business days whenever possible.
3. At the meeting, the parties will share as much information as reasonably possible in order to have a full and complete discussion. However, the parties acknowledge that in some cases the University may not be able to disclose confidential information about an ongoing investigation.
4. The parties agree that they will consider the reputational and other damage associated with the measures being considered and shall make reasonable and honest efforts to minimize that damage.
5. The parties agree that they will consider the workload to cover if the employee is placed on administrative leave during an investigation. If administrative leave is used, the parties will determine how, and whether, the workload will be distributed.
6. The parties agree to maintain confidentiality with regard to the matters disclosed and discussed during the meeting. Neither party will disclose information obtained in the meeting to any third party or use such information for any purpose other than to seek a mutually acceptable agreement regarding paid administrative leave during an investigation or appropriate alternatives, or as needed to process grievances that arise out of the use of administrative leave, up to and including arbitration.
7. The parties will discuss the concerns, and consider alternative options to address those concerns with the goal of avoiding paid administrative leave during an investigation whenever possible. Such options may include:
 - a. Requiring the employee to telecommute during the course of the investigation;
 - b. Temporary reassignment to other duties or other work locations;
 - c. Imposing temporary limitations on the employee's duties or authority; and
 - d. Other creative solutions proposed by the parties.
8. If the parties agree upon an alternative solution, it will be confirmed in writing.
9. If the parties are not able to agree, or no other solution sufficiently addresses the concerns raised by the University, the University may impose Investigatory

1 Administrative Leave. In such cases, the AAUP does not waive its right to file a
2 grievance as provided in the CBA.
3

4 iii. Terms of Administrative Leave during an investigation
5

6 When the University places an AAUP represented employee on paid administrative leave
7 during an investigation, it will comply with the following requirements:
8

- 9 a. The University will notify the employee in writing that they are being placed on paid
10 administrative leave during an investigation.
11
- 12 b. The notice to the employee will state the general nature of the investigation and the
13 anticipated duration of the leave.
14
- 15 c. The notice will inform the employee that paid administrative leave during an
16 investigation is not disciplinary and they will not lose pay or benefits during the period
17 they are on leave.
18
- 19 d. The employee will be reinstated to regular duty status as soon as reasonably possible.
20
- 21 e. In cases where the University begins the process of seeking a disciplinary sanction
22 against the employee following an investigation, the University will comply with Article
23 27 of the CBA and the employee will be returned to regular duty status unless
24 immediate harm to the employee or other is threatened by the employee's continuance.
25
- 26 (e) Within ten (10) working days of the receipt of notice to impose severe sanction, a bargaining unit
27 member may request a review and a hearing by an ad hoc committee of peers. The committee shall be
28 constituted as follows: within ten (10) working days of the receipt of the request for review, the
29 President shall appoint one member, and the Association shall appoint a second member to serve; the
30 two (2) members thus selected shall, within five (5) working days of their selection, choose a third
31 member who shall serve as chairperson. The ad hoc committee shall within thirty (30) working days of
32 selection review the matter and hold a hearing, if requested, and shall within fifteen (15) working days
33 of selection issue a report to the President stating whether in their opinion there is just cause to impose
34 the sanction.
35
- 36 (f) In the event a hearing is held, the following procedures shall apply:
37
- 38 1. The bargaining unit member shall appear at the hearing and may be accompanied and assisted by
39 other persons, including counsel and the Association.
40
- 41 2. The University shall appear at the hearing and be represented by a person designated by the
42 President. The University's representative may be accompanied and assisted by other persons,
43 including counsel.
44
- 45 3. Hearings shall be open unless closed by request of the bargaining unit member or requirement of
46 law. A verbatim record of all hearings shall be made.

4. During the hearing an opportunity shall be provided for the bargaining unit member and the University's representative to present brief opening and closing statements and for both parties to present evidence and testimony and to call and cross-examine witnesses.
 5. The chairperson of the ad hoc committee shall preside at the hearing and over the deliberations of the committee. The chairperson shall have authority to rule upon questions of admissibility of evidence and to exclude irrelevant, untrustworthy, and unduly repetitious evidence.
 6. The ad hoc committee shall describe the issues considered, make its findings of fact, and make its recommendations based on those findings in a written report to the President.
 7. Dissenting opinions, if any, by members of the ad hoc committee may be submitted with the report to the President.
- (g) The President shall upon consideration of the ad hoc committee's report impose the sanction or conclude the matter.
 - (h) When the President or administrative officer has decided to impose a sanction, the Association may initiate the grievance and arbitration procedures provided for in this Agreement. The grievance would be filed at Step 3. The timeline requirements for filing a grievance shall begin to run from the date of the Association's and the bargaining unit member's notification of the sanction. In the event that the Association's notification date differs from the bargaining unit member's notification date, the later date shall apply. In matters not involving academic judgments as defined in Article 28, Division B, Section 3 (RESOLUTION OF DISPUTES: GRIEVANCES), issues of procedure and substance may be grieved and arbitrated. In matters involving academic judgment, issues of procedure and sufficiency of evidence may be grieved and arbitrated.
 - (i) Under no circumstances may the sanction of reduction in rank or discharge be implemented until the individual has exhausted available administrative remedies under this Agreement or fails to file a timely appeal from a decision on the grievance.
 - (j) The University and the Association agree that the sanction procedures described in this Article shall be in lieu of those procedures described in University Standards 580-021 and 577-041, which shall have no application to members of the bargaining unit.
 - (k) Notwithstanding the limitations prescribed in Article 28, Division C (RESOLUTION OF DISPUTES: ARBITRATION), the authority of an arbitrator shall extend to the settlement of all issues identified as grievable in this Article.

1 **Article 28. RESOLUTION OF DISPUTES**

2
3 **Division A. EXPEDITED DISPUTE RESOLUTION**

4
5 **Section 1.** If the Association believes that a provision of this Agreement which confers rights upon it has
6 been violated, misinterpreted, or improperly applied, or if the University believes the Association has
7 violated, misinterpreted, or improperly applied a provision of this Agreement, the complaining party may
8 file with the other a written complaint citing the provision of this Agreement alleged to have been violated,
9 misinterpreted, or improperly applied, the approximate date of the alleged act or omission, the person
10 responsible, and the remedy sought. Such a complaint shall be filed within thirty (30) days of the date of
11 the alleged act or omission.

12
13 **Section 2.** In the manner provided in Article 7 (CONSULTATION), the parties shall meet to attempt to
14 resolve the matter.

15
16 **Section 3.** If the parties resolve the complaint, the resolution will be reduced to writing and signed by the
17 parties within five (5) working days of the meeting on the complaint.

18
19 **Section 4.** If the complaint is not resolved, the complaining party may give to the other notice of intent to
20 arbitrate within the time limits provided in Division C (ARBITRATION) of this Article, except as
21 provided in Division A, Section 5 (EXPEDITED DISPUTE RESOLUTION) of this Article.

22
23 **Section 5.** The University and the Association agree to use arbitration as the sole method of deciding
24 unresolved disputes alleging violation, misinterpretation, or improper application of the express terms of
25 this Agreement; therefore, the parties hereby waive their respective rights to have such matters resolved by
26 the Employment Relations Board as provided by ORS 243.672(1)(g) and 243.672(2)(d); except that
27 disputes relating to definition of the bargaining unit shall be resolved by the Employment Relations Board
28 and not by arbitration.

29
30 **Section 6.** The procedures provided in this Section and in Division B (GRIEVANCES) of this Article
31 cannot both be invoked concerning the same problem, dispute, grievance, or complaint.

32
33
34 **Division B. GRIEVANCES**

35
36 **Section 1. Purpose.** The purpose of this Article is to provide a procedure that will promote prompt and
37 efficient investigation and resolution of grievances. The parties encourage informal resolution of
38 grievances whenever possible. The University is not obliged to observe any other procedure for the
39 resolution of grievances as that term is hereby defined.

40
41 **Section 2. Resort to Other Procedures.** If, prior to seeking resolution of a dispute by presenting a
42 grievance hereunder, or while the grievance proceeding is in progress, a member seeks resolution of the
43 matter through the grievance procedures provided in University Standards 577-041 or 580-021, the
44 University shall have no obligation to entertain or proceed further with the matter pursuant to this
45 grievance procedure or pursuant to Division C (ARBITRATION) of this Article.

1 **Section 3. Definitions.**

- 2
- 3 (a) The term "grievance" is defined as an allegation that there has been a violation, misinterpretation, or
4 improper application of the provisions of this Agreement. The term "grievance" shall not include
5 complaints related to matters of academic judgment. For the purpose of this Agreement, "academic
6 judgment" shall mean the judgment by faculty and administrators: 1. concerning academic standards,
7 competence and performance as these relate to appointment, reappointment, promotion, tenure, or
8 merit salary increases; and 2. concerning curricula and educational policy.
9
- 10 (b) "Grievant" means one or more members of the bargaining unit or the bargaining unit itself alleging
11 damage or injury by the act or omission being grieved.
12
- 13 (c) "Relevant Vice President" means the vice president who is in the reporting line of a given bargaining
14 unit member or other Portland State University officer with academic rank who reports directly to the
15 President of the University, whether or not such person holds the title of vice president.
16

17 **Section 4. General Provisions.**

- 18
- 19 (a) Grievances may be filed only by the Association on behalf of any member or group of members of the
20 bargaining unit.
21
- 22 (b) A bargaining unit member who is serving as grievance officer and files a grievance on his/her own
23 behalf shall not represent him/herself in his/her own grievance, but is not required to relinquish the
24 role of grievance officer for the bargaining unit. The Association will appoint an interim grievance
25 officer.
26
- 27 (c) The parties may agree to modify the time limits in any step of the grievance procedure. At formal
28 steps, agreement to modify time limits shall be in writing.
29
- 30 (d) Failure at any step of this procedure to request review of a decision within the specified time limits,
31 including any extensions thereof, shall be considered acceptance by the grievant of the decision
32 rendered at the previous step. Failure of the administration to communicate the decision on the
33 grievance at any step within the time limits, including any extension thereof, shall allow the grievant to
34 proceed to the next step.
35
- 36 (e) All grievances which proceed to formal settlement procedures, all requests for review, and all
37 arbitration actions shall be submitted on forms attached to this Agreement as Appendices B, C, and D,
38 respectively; and shall be signed by a representative of the Association and, where appropriate, the
39 grievant. The University may refuse consideration of a grievance not filed in accordance with this
40 Article.
41
- 42 (f) If the matter being grieved relates to an act or omission by the Provost, another Vice President, or the
43 President, the grievance may be presented at Step Two or Step Three, as appropriate, but in the
44 manner provided at Step One.
45
- 46 (g) A grievance may be withdrawn at any time by either the Association or the grievant.

- 1
2 (h) A grievance may not be presented under this Article for an act or omission which occurred prior to the
3 effective date of this Agreement, except for grievances filed in a timely manner under the provisions of
4 the previous Collective Bargaining Agreement.
5
6 (i) Regardless of the outcome of the grievance procedures, no action adverse to the grievant or the
7 Association may be taken in retaliation for invoking the procedure.
8

9 **Section 5. Presentation of Grievances.**

10
11 **General.** Time is of the essence in the presentation of grievances. The time limits provided below for the
12 initial presentation of a grievance are measured from the date of the act; omission or commencement of
13 condition upon which the grievance is based; or from such later date that the bargaining unit member
14 knew or reasonably should have known of the act, omission, or commencement of the condition upon
15 which a grievance is based, whichever is later. In no event, however, will a grievance be presented more
16 than one hundred twenty (120) working days after the act, omission, or commencement of the condition
17 on which the grievance is based. The 120-working-day limit will be extended for those members who are
18 out of the country or are on an official leave of absence so that the member will have a reasonable time
19 after returning to campus to present a grievance.
20

21 **Informal Procedure.** The grievant and, if needed to facilitate resolution, a bargaining unit member of the
22 Association, may discuss the grievance with the administrator most directly concerned in an attempt to
23 resolve the grievance informally. A grievance may be presented informally within twenty (20) working days
24 of the act, omission, or commencement of the condition on which the grievance is based, or from such
25 date that the bargaining unit member knew or reasonably should have known of the act, omission or
26 commencement of the condition upon which the grievance is based, whichever is later. The grievant
27 should apprise the administrator that the matter being presented is a grievance arising under the terms of
28 this Agreement in order to distinguish the matter from a noncontractual complaint. The administrator to
29 whom the complaint is presented shall communicate a decision to the grievant within five (5) working days
30 of the presentation of the grievance.
31

32 **Confidential Mediation.** The parties may, at their discretion, enter into confidential mediation
33 communications prior to the formal presentation of a grievance as described in this Article provided as
34 follows:
35

- 36 (a) "Suspend" as used in paragraphs (b), (c), and (d) below will mean that days will not count against
37 the one hundred twenty (120), twenty (20), and forty (40) working days specified in "General,"
38 "Informal Procedure," and "Formal Procedure" Step One of Division B, Section 5 of this Article,
39 respectively. In cases that may involve Progressive Sanctions, the days will also not count against
40 the sixty (60), forty-five (45), and ten (10) working days specified in Article 27, Section 3, (a), (b),
41 and (c) respectively.
42
43 (b) The parties agree to suspend the grievance timelines, and, where relevant, progressive sanctions
44 timelines, while they consider if they are able to enter into and arrange confidential mediation; this
45 agreement will be in writing.
46

- 1 (c) All parties to the mediation must agree in writing to engage in confidential mediation for a specific
2 period of time; this time may be extended by mutual agreement of all parties; and
3
4 (d) All parties must agree to suspend consideration of the grievance until such time as the mediation
5 resolves the grievance or the period agreed to in (c) concludes. In no case shall the rights of the
6 Association to continue to pursue resolution of the grievance under this Article be limited or
7 considered untimely if the parties have mutually agreed to confidential mediation, except as
8 dictated by other conditions of this Article.
9

10 **Formal Procedure.** If the matter is not satisfactorily resolved by informal means, or by confidential
11 mediation, the following formal grievance procedure will apply.
12

13 *Step One.* A grievance shall be presented to the appropriate dean or administrative officer within
14 forty (40) working days of the act, omission, or commencement of the condition on which the
15 grievance is based. The grievance shall be presented on the grievance form (Appendix B). The
16 grievance shall set forth the act, omission, or condition on which the grievance is based; the date
17 thereof as precisely as possible; the specific provision of this Agreement which is alleged to have
18 been violated, misinterpreted, or improperly applied; and the remedy sought.
19

20 Upon the Association's written request, fifteen (15) working days postponement of formal
21 consideration shall be allowed for a further attempt to achieve informal resolution of the grievance.
22

23 The appropriate dean or administrative officer shall meet with the grievant and the appropriate
24 representative of the Association within five (5) working days of receipt of the grievance form
25 (Appendix B), or within five (5) working days of the expiration of the period of time allowed to
26 Step One for informal resolution. The dean or administrative officer shall send a decision in
27 writing to the grievant and the Association within ten (10) working days of this meeting.
28

29 *Step Two.* If the Association is not satisfied with the decision at Step One, a request for review
30 (Appendix C) may be filed with the relevant Vice President within ten (10) working days of the
31 date of the decision at Step One. The relevant Vice President or designee shall meet with the
32 grievant and the appropriate representative of the Association within five (5) working days of
33 receipt of the request for review to discuss the grievance. The relevant Vice President shall send
34 his/her decision concerning the grievance in writing to the grievant and to the Association within
35 ten (10) working days of such meeting.
36

37 *Step Three.* If the Association is not satisfied with the decision at Step Two, a request for review
38 (Appendix C) may be filed with the President or designee within ten (10) working days of the date
39 of the decision at Step Two. The President or designee shall meet with the grievant and the
40 appropriate representative of the Association within ten (10) working days of receipt of this
41 request, and the President or designee shall send a decision in writing to the grievant and to the
42 Association within ten (10) working days of such meeting.
43

44 As used in this Section, the date of filing of a request for review shall be the date that the form (Appendix
45 C) is received in the administrative office. The date of the decision is the date the decision is sent to the

1 grievant and the Association. Dates of filing and dates of decisions shall be entered into a log maintained
2 for that purpose and signed by the person who actually received or sent the document being logged.

4 **Division C. ARBITRATION**

6 **Section 1. Arbitration of Grievances.** If a grievance brought under Division B (GRIEVANCES) of this
7 Article is not resolved at Step Three of that procedure, the Association may submit the matter to
8 arbitration. Notice of intent to arbitrate (Appendix D) must be filed with the President of the University
9 within twenty (20) working days of the date of the decision at Step Three. If no notice of intent to arbitrate
10 is filed within the time limit, the right to arbitrate is thereby waived.

12 **Section 2.** Matters within the scope of Divisions A and B of this Article may be submitted to arbitration
13 if not resolved in the manner provided in Article 7 (CONSULTATION). Notice of intent to arbitrate
14 must be served on the opposing party within twenty (20) working days of the last consultation meeting at
15 which the issue was discussed.

17 **Section 3.** Within ten (10) working days of receipt of notice of intent to arbitrate, the parties shall meet to
18 attempt to agree upon an arbitrator. If the parties are unable to agree upon an arbitrator within five (5)
19 working days of the meeting, the party initiating arbitration shall request the Federal Mediation and
20 Conciliation Service to submit a list of seven (7) arbitrators, none of whom shall be an employee of an
21 Oregon public university unless both parties have agreed to the contrary.

23 The first strike shall be determined by coin toss. Each party shall alternately strike one (1) name from the
24 list of seven (7); the remaining person shall be the arbitrator.

26 If the arbitrator selected cannot hold the hearing or render a decision within the time limits provided
27 herein and either party does not agree to an extension of time, a new list of seven (7) names shall be
28 requested from the Federal Mediation and Conciliation Service and the selection procedure as provided
29 herein shall be repeated.

31 **Section 4. Conduct of the Hearing.** The arbitrator shall hold the hearing in Portland, Oregon unless
32 otherwise agreed to by the parties. The hearing shall commence within sixty (60) working days of the
33 arbitrator's acceptance of the case, unless both parties agree to an extension of time.

35 If the arbitrator or either party requests that post-hearing briefs be submitted, the arbitrator shall establish
36 a date for the submission of such briefs and the hearing will be deemed to have been closed by such date.

38 **Section 5. Arbitrability.** The arbitrator shall first decide the issue to be arbitrated; then the arbitrator's
39 jurisdiction shall be decided. If arbitrability is in dispute between the parties, the arbitrator shall hear the
40 parties on the question before deciding the matter of arbitrability, which shall be announced. Upon
41 concluding that the issue is arbitrable, the arbitrator shall normally proceed with the hearing at that time.

43 Upon concluding that the arbitrator has no power to act, the arbitrator shall not hear the matter or make
44 any decision or recommendation regarding the merits of the issue.

1 **Section 6. Authority of the Arbitrator.** The arbitrator shall neither add to, subtract from, modify, nor
2 alter the terms or provisions of this Agreement. The arbitrator shall refrain from issuing any statement,
3 opinion, or conclusions not essential to determination of the issue submitted.
4

5 Except as otherwise provided in this Article, the arbitrator shall have no authority to hear or decide any
6 issue or grievance contesting an "academic judgment" as defined in Division B, Section 3
7 (GRIEVANCES) of this Article. In cases involving "academic judgment" involving the exercise of
8 discretion, the arbitrator shall not substitute his/her judgment for that of the faculty or the administrator.
9 Nor shall the arbitrator review such decision except for the purpose of determining whether the provisions
10 of this Agreement have been followed. If the arbitrator determines that procedural steps have not been
11 followed where an exercise of "academic judgment" is involved, the arbitrator shall remand the matter to
12 the appropriate official or body to be reconsidered in accordance with the relevant procedures. In such
13 case, the arbitrator may not direct that a bargaining unit member be reappointed, promoted, or awarded
14 indefinite tenure. The arbitrator, however, may direct that the status quo ante be maintained until a
15 judgment is made having properly followed appropriate procedural steps.
16

17 The arbitrator shall have no authority to determine whether Article 13, Nondiscrimination, has been
18 violated, except with respect to claims alleging discrimination on the basis of Association activity. Other
19 grievances alleging violation of that provision may be taken only through the pre-arbitration levels of the
20 grievance procedure. Nothing in this Agreement precludes employees from filing or pursuing, at any time,
21 claims alleging violations of state or federal non-discrimination laws with outside agencies (e.g. the Oregon
22 Bureau of Labor and Industries or the Equal Employment Opportunity Commission) or courts.
23

24 The arbitrator shall have no authority to award monetary penalties or damages. The arbitrator shall have
25 the authority to make the bargaining unit member whole, but does not have the authority to direct that a
26 bargaining unit member be reappointed, promoted, or awarded indefinite tenure.
27

28 The arbitrator shall have no authority to make any decision limiting or interfering in any way with the
29 powers, duties, and responsibilities of the University and the Board that have not been expressly limited by
30 this Agreement.
31

32 **Section 7. Arbitrator's Decision.** The arbitrator derives authority wholly and exclusively from the
33 express terms of this Agreement. The decision of the arbitrator shall be final and binding upon the parties
34 as to the issues submitted, provided that either party may appeal the decision on the basis of repugnance to
35 law, jurisdiction, or that the arbitrator exceeded authority granted by this Agreement.
36

37 The decision of the arbitrator shall be issued within thirty (30) calendar days of the close of the hearing
38 unless the parties have agreed to additional time.
39

40 The decision of the arbitrator shall be in writing and shall set forth findings of fact, reasoning, and
41 conclusions on the issue submitted.
42

43 **Section 8. Costs.** All fees and expenses of the arbitrator shall be divided equally between the parties.
44 Each party shall bear the cost of preparing and presenting its own case. Expenses of witnesses, if any, shall
45 be borne by the party calling the witness. The cost of any transcripts required by the arbitrator shall be
46 divided equally between the parties and each party shall be furnished a copy thereof. If either party wishes

1 a transcript of the hearing, it may have one made at its own expense, but shall provide the arbitrator and
2 the other party a copy at no charge.

3
4 **Section 9. Miscellaneous Provisions.** Except as modified by the provisions of this Agreement,
5 arbitration proceedings shall be conducted in accordance with the then prevailing Voluntary Labor
6 Arbitration Rules of the American Arbitration Association or, if the parties agree, in accordance with the
7 Association's Expedited Arbitration Rules.

8
9 Unless decided otherwise by the arbitrator for good cause, the burden of proof in all matters shall be upon
10 the party initiating the arbitration.

11 12 13 **Article 29. PROCEDURE FOR TRANSFER OF TENURE HOME**

14
15 *Before initiating this procedure to request the transfer of tenure home, the faculty member is encouraged to pursue a dialogue*
16 *with the current and potential home department(s)/unit(s) to explore the feasibility and possible impacts of transferring their*
17 *tenure line.*

- 18
19 (a) Faculty members who wish to transfer their tenure home to another department should make a written
20 request to the department to which they want to transfer, and to their home department, with a copy
21 of the request to the Dean(s) or Dean Equivalent(s). In that request they should state the curricular
22 and research reasons they feel warrant the move as well as any other issues they wish to have
23 considered.
- 24
25 (b) After discussion with the respective Deans, the department chair or designee and/or other department
26 members are encouraged to have a conversation with the dean responsible for the proposed new
27 academic home prior to department deliberations to understand the potential resource implications of
28 a move.
- 29
30 (c) The chair and faculty of the department to which the faculty member wishes to transfer should review
31 and discuss the request at a department meeting and take formal action on their recommendation.
32 They may ask the faculty member to make a presentation or respond to questions during the meeting,
33 however, the faculty member should not be present during the deliberations and vote. In making their
34 recommendation the department should consider their programmatic needs, impact on students,
35 resource implications, (one of which is the possibility that the department will need to create a new
36 faculty line).and other factors relevant to the issue including, but not limited to clearly articulating
37 timelines related to application for promotion and tenure.
- 38
39 (d) The Chair of the department the faculty member wishes to transfer should transmit the department
40 recommendation in writing to the Dean.
- 41
42 (e) The chair and faculty of the home department should review and discuss the request at a department
43 meeting and take formal action on their recommendation. They may ask the faculty member to make a
44 presentation or respond to questions during the meeting, however, the faculty member should not be
45 present during the deliberations and vote. In making their recommendation, the department should

1 consider their programmatic needs, impact on students, resource implications, and other factors
2 relevant to the issue.

- 3
- 4 (f) The Chair of the faculty member's home department should transmit the home department
5 recommendation in writing to the Dean(s).
6
- 7 (g) The Dean(s) shall consider the recommendations and discuss with the respective departments. The
8 Dean(s) should then forward their respective recommendations to the Provost. The Dean(s) decision is
9 final unless the Deans are not in agreement. In the case of a denial, the Dean(s) shall specify the
10 reason for her/his recommendation. In the event the Deans are not in agreement the
11 recommendations from both Deans will be forwarded to the Provost.
12
- 13 (h) The Provost will act on the request once receiving the Dean(s) and the departments'
14 recommendations, and shall advise the faculty member, the Deans, and the departments of his/her
15 decision in writing. In the case of a denial, the Provost shall specify the reason for her/his decision.
16
- 17 (i) Should the request for transfer of tenure home be denied by the Provost, the faculty member may
18 request reconsideration of the decision by the Provost within 20 business days of receipt of the denial.
19 The faculty member may submit new materials for consideration. In addition to the submission of the
20 request for reconsideration, the faculty member may seek a meeting with the Provost.
21
- 22 (j) If the faculty member requests reconsideration, the Provost shall reconsider her/his decision and
23 advise her/his decision within 10 days of the submission of the request for reconsideration, or the
24 reconsideration meeting, whichever is later.
25

26 General Provisions

- 27
- 28 (a) There shall be no retaliation against a faculty member who submits a request for transfer of tenure
29 home. Any retaliation experienced by the faculty member should be reported to the Provost's office as
30 soon as possible. The Provost's office, in collaboration with Human Resources, shall investigate any
31 claims of retaliation as a result of requesting a transfer of tenure home procedure and react accordingly
32 if retaliation is found.
33
34

35 *V. COMPENSATION, LEAVES, HUMAN RESOURCE ISSUES—Articles 30 - 38*

36 37 38 **Article 30. SALARY AND RETIREMENT**

39
40 **Preamble.** Portland State University shall provide faculty with timely compensation for work performed.
41 Compensation rates are established by this Agreement. Work performed that is in addition to the faculty
42 member's contractual duties shall be compensated at a rate that is mutually agreed upon by Portland State
43 University and the faculty member. Such agreement shall be made in writing before beginning the
44 assignment.
45

1 It is the mutual goal of the University and the Association that faculty compensation rates for Portland
2 State University bargaining unit members move closer to the median of their established comparators' total
3 compensation amounts using the most recent College and University Personnel Association's (CUPA)
4 National Faculty Salary Survey (NFSS) doctoral subset averages by discipline/department and rank in
5 Public Four-Year Colleges and Universities.

6
7 For purposes of this Article, in the event a fixed salary increase (e.g., a specific dollar amount) and a
8 proportional salary increase (e.g., a percentage amount) have the same effective date, the order of
9 application of the increases will be fixed salary increases followed by proportional salary increases.

10
11 **Section 1. Retirement.** PSU shall continue to pay the six percent (6%) employee contribution on behalf
12 of members then participating in the Public Employees Retirement System (PERS) to the Public
13 Employees Retirement Fund for PERS-eligible employees through December 31, 2003; effective January
14 1, 2004, in lieu of paying the six percent (6%) employee contribution to the Public Employees Retirement
15 Fund, Portland State University will pay the six percent (6%) employee contribution to the employee's
16 Individual Account Program (IAP) established under ORS 238A.300 and ORS 238A.305, including the
17 amount required under ORS 238.215 if a supplemental retirement option has been selected, for the period
18 of this Agreement.

19
20 Pursuant to ORS 238A.335, Portland State University shall pay on behalf of members participating in the
21 Oregon Public Service Retirement Plan (OPSRP) the statutorily required employee contribution of six
22 percent (6%) under ORS 238A.330. Such payments on behalf of members shall continue for the life of this
23 Agreement or until such earlier time as a member shall cease to be a participating member of OPSRP.

24
25 The full amount of members' required contributions paid by Portland State University to
26 PERS/ORP/OPSRP on behalf of members shall be considered as "salary" within the meaning of ORS
27 238.005 (20) and 238A.005 (16) for the purpose of computing "final average salary" within the meaning of
28 ORS 238.005 (8). Salary under this definition shall not be considered "salary" for the purposes of
29 determining the amount of employee contributions required to be contributed. The contributions paid by
30 the University on behalf of members shall be credited to employee accounts and shall be considered to be
31 employee contributions for the purposes of ORS 238, ORS 238A, and ORS 243.800(8).

32
33 If for any reason the six percent (6%) Employer payment of the employee contribution is declared invalid
34 or is otherwise eliminated and a replacement is not available, then effective on the date of its invalidation
35 or elimination, a corresponding general salary increase of six percent (6%) shall be paid to eligible
36 employees. In such case, employees' six percent (6%) contributions shall be deducted for payment to the
37 applicable employee accounts and shall be treated as "pre-tax" contributions pursuant to Internal Revenue
38 Code Section 414(h)(2), for the period of this Agreement.

39
40 **Section 2. Salary Base.** The salary base for determining the salary increase for unit members currently
41 employed shall be the members' preceding appointment salary less any stipends.

42
43 **Section 3. Cost of Living Adjustments (Years 1 and 2: 2020-2021 and 2021-2022)**

44
45 For purposes of this Article, "CPI" means the Consumer Price Index, West Region for All Urban
46 Consumers (CPI-U West Region) for the previous 12-month period as published in October for the

1 preceding year by the U.S. Department of Labor's Bureau of Labor Statistics.

21 **(OFLA)**

22

23 PSU recognizes that the concept of "family" means different things to different people and plays out in a
24 myriad of ways in the normal course of a person's life. Family and medical leave is available to all
25 members of the association who qualify under state and federal laws.

26

- 27 (a) The University will abide by State and Federal statutes concerning family/medical leave. Unless
28 specified by this Collective Bargaining Agreement (CBA), employee eligibility and scope of leave will
29 be determined by the criteria set forth in the state and federal laws.
- 30
- 31 (b) To be eligible for FMLA, an employee must have worked for at least 12 months and have worked at
32 least 1250 hours during the 12 months prior to the start of the FMLA leave. To be eligible for leave
33 designated as OFLA, an employee must have worked for at least 180 days for a minimum of 25 hours
34 a week prior to the beginning of the leave. For OFLA parental leave, the minimum hours are not
35 required.
- 36
- 37 (c) Eligible employees will be eligible for 12 weeks of protected leave for FMLA/OFLA qualifying
38 circumstances. In some instances, an eligible employee may be entitled to more than 12 weeks if their
39 FMLA/OFLA do not run concurrently or if leave is designated only as OFLA leave.
- 40
- 41 (d) Employees are required to use sick leave and may use other forms of paid leave to which they are
42 entitled under law or under the collective bargaining agreement, and/or the Donated Sick Leave Bank
43 (DSLKB). However, an employee who is on approved FMLA/OFLA leave and is receiving short- or
44 long-term disability benefits may but will not be required to use or exhaust sick leave.
- 45

- 1 (e) During the period of FMLA and/or OFLA leave, the Employer's and the Employee's insurance
2 contribution and retirement plan elections remain intact.
3
- 4 (f) Leave reasons that qualify under the FMLA/OFLA programs include:

6 1. Parental leave upon the birth, adoption, or foster placement of a child
7
8 2. Leave to care for a bargaining unit member's own serious health condition.
9
10 3. Leave to care for a family member, as defined under FMLA and OFLA, with a serious health
11 condition.
12
13 4. Pregnancy disability leave— Leave taken by an employee for an incapacity due to pregnancy or
14 childbirth, occurring before or after the birth of the child, or for prenatal care.

- 27 (h) Further, the bargaining unit member shall give written notice to Human Resources as soon as possible
28 and/or at least thirty (30) days prior to leave; exceptions are recognized as per statute. The notice shall
29 include the date the leave begins and expected ending date, and the current and future bargaining unit
30 member responsibilities affected. Human Resources will notify the member's direct supervisor
31 regarding the leave. Human Resources will notify the bargaining unit member and supervisor within
32 five (5) business days after the request or designation is made.
33
- 34 (i) From time to time, a faculty member who holds a tenure-track appointment may qualify to take
35 advantage of the provisions of the FMLA and/or OFLA. Time granted for family or medical leave
36 shall not be considered continual service to the University for purpose of promotion and tenure.

46 condition, and who otherwise would not be eligible for FMLA or OFLA leave due to the limited

2 contract. A person taking leave under this article will continue to have all benefits to the extent
3 possible under PEBB and relevant OARs and all job protections, the same as which is provided under

13 2. When bereavement leave is approved but is not designated as protected OFLA leave, the employee
14 retains the same job protections and benefits as provided under OFLA. If necessary, an employee
15 may request to use additional leave and/or use their PSU Bereavement leave outside the 60-day
16 window up to 1 year from the date of the death. These requests are subject to departmental
17 approval.
18
19 3. For the purposes of PSU Bereavement leave, immediate family is defined by the PSU Sick Leave
20 Policy. Employees will be eligible for bereavement leave for the death of anyone outside of the
21 "family member" definition in the PSU Sick Leave Policy, referenced in Section 7 of this Article,

16 **Section 7. SABBATICAL LEAVE**

17 **Part 1: *Purpose of Sabbatical Leave***

18
19
20 Sabbatical leave is granted for purposes of research, writing, advanced study, travel undertaken for
21 observation and study of conditions in our own or in other countries affecting the applicant's field
22 or related scholarly or professional activities. Sabbatical leave is a privilege and not a right. It is
23 granted only when it can be shown that the applicant is capable of using this period in a manner
24 that will thereafter increase the applicant's effectiveness to the University and to the state.
25 Sabbatical Leaves should be granted when it can be shown that the faculty member will use the
26 time in a manner which will provide increased service to the University either through study and
27 research, writing, advanced study, or travel related to the applicant's field or professional activities.
28

29 **Part 2: *Eligibility for Sabbatical Leave***

- 30
31 (a) A member appointed at .5 FTE or more, with the rank of Senior Instructor I, Senior Instructor
32 II, Assistant Professor, Associate Professor, Professor, Assistant Professor of Practice, Associate
33 Professor of Practice, Professor of Practice, Assistant Teaching Professor, Associate Teaching
34 Professor, Teaching Professor, Research Associate, Senior Research Associate I or Senior Research
35 Associate II may be considered for sabbatical leave if conditions (a)1 *and either* (a)2 or (a)3 are met:
36
37 1. Beginning in the first academic year of tenure, continuous appointment, or the 7th year of a
38 research appointment
39
40 2. The member has been continuously appointed at PSU without interruption by a sabbatical
41 leave for 18 academic quarters (excluding Summer Session) or, in the case of 12-month
42 faculty, 72 months.
43
44 3. The member has accumulated the equivalent of 6.0 FTE years at PSU over an indefinite
45 period of 9-month or 12-month appointments uninterrupted by a sabbatical leave.

- 1
2 (b) Non-tenure track instructional faculty employed on annual contracts pursuant to Article 18 Section 2,
3 and non-tenure track instructional fixed term faculty members employed pursuant to Article 18 Section
4 3 are not eligible for sabbatical.
5
6 (c) For purposes of determining eligibility under this section, authorized leave of absences (except
7 sabbatical leave) do not constitute a break of service. An authorized leave of absence does not
8 prejudice the member's eligibility for sabbatical leave. A one-year period of appointment at less
9 than .5 FTE will count as a period of accumulated service for purposes of the time requirement
10 for sabbatical eligibility.
11
12 (d) Members may be considered for subsequent sabbatical leaves after again satisfying the conditions
13 specified in paragraphs (l)(a) and either (b) or (c) above. Cases involving mixed terms of service
14 may be adjusted by the President or the President's designee, in accordance with the principles set
15 forth in Parts 1 and 2 of the Sabbatical Leave section.
16
17 (e) A member who has more than ten (10) years continuous full-time service since the last sabbatical
18 leave may be given highest priority for the award of sabbatical leave.

21 were taken consecutively starting with the first term of the sabbatical.
22
23 (g) For the University's convenience, and at the initiative and sole discretion of the University, a
24 sabbatical leave may be delayed by up to two years. In such instances, the member will become
25 eligible for a succeeding sabbatical leave after an equivalently reduced period of years. This section
26 applies to a maximum of 14 consecutive years, covering two possible sabbatical leaves. The same
27 agreement may be negotiated for University convenience in subsequent 14-year periods.
28
29 (h) Sabbatical leave privileges may be granted to employees in special positions of responsibility and
30 trust, even though they do not hold academic rank. Eligibility for this class of employees will be
31 determined in the manner described in subsection (1) above. Recommendations for sabbatical
32 leave for such members not otherwise qualified may be made in exceptional cases only at the
33 discretion of the President or the President's designee.
34
35 (i) For purposes of determining eligibility for sabbatical leave, time spent on an authorized military
36 leave from the University shall be considered as institutional service.
37

38 **Part 3: *Salary during Sabbatical Leave***

- 39
40 (a) Salary under Part 2(a)(2) of this Leave Section shall be the percentage provided in Section 8 of Article
41 30 (SALARY AND RETIREMENT) of the member's annual rate multiplied by the average FTE at
42 which the member was appointed during the 6.0 FTE years immediately prior to the sabbatical leave.
43 The President or President's designee shall have the authority and discretion to interpret special
44 circumstances in this regard. For purposes of this subsection, eligibility years are the 18 academic

1 quarters (excluding Summer Session) or in the case of 12-month faculty, 72 months of continuous
2 employment at half-time or more that result in the member's eligibility for sabbatical leave.

3
4 (b) Salary under Part 2(a)(3) of this Leave Section shall be the percentage provided in Section 8 of
5 Article 30 (SALARY AND RETIREMENT) of the member's annual rate in effect at the time the
6 sabbatical leave begins.

7
8 (c) If during the period of sabbatical leave the University allocates salary increases to members, the
9 annual rate of the member on sabbatical leave will be increased by the appropriate amount effective
10 on the date that the salary increase was granted.

11
12 (d) Members on sabbatical leave may supplement their sabbatical salaries to a reasonable degree,
13 provided that such supplementation strictly conforms to the stated and approved purposes of the
14 sabbatical leave.

15
16 **Part 4: *Procedures Related to Sabbatical Leave***

17
18 (a) Sabbaticals are a privilege, not a right. The University shall fairly consider all sabbatical requests,
19 including any request to split a sabbatical over more than one academic year. In cases where it is
20 necessary to choose between several applications for sabbatical leave from the same department
21 or unit, preference will not be given based on salary.

22
23 (b) An application for sabbatical is to be submitted to the relevant Dean's office pursuant to the
24 deadlines established and posted by the Dean's office. The Dean is to provide notice of the
25 Dean's decision to the faculty member, department chair and the Office of Academic Affairs
26 (OAA) and submit any approved sabbatical applications to Human Resources (HR) no later than
27 one term prior to the start of the sabbatical.

28
29 (c) Deans may consider how sabbatical leaves for associate professors contribute to their advancement
30 to the rank of full professor.

31
32 (d) If a request for a sabbatical is denied by the Dean, the member may appeal that decision to the
33 Provost. The member should include in the appeal a rationale for the appeal and a description of
34 the negative impact of the denial.

35
36 (e) Faculty members must submit Sabbatical Leave Reports of Accomplishments, due midway
37 through the term of return to the relevant Department Chair with a copy to the Dean.

38
39 **Part 5: *Obligation to Return Following Sabbatical***

40
41 Each member, in applying for sabbatical leave, shall sign an agreement to return to the University for
42 a period of at least three academic terms of service on completion of the leave. Summer term may, at
43 the University's discretion, be counted as an academic term for this purpose. If a member fails to
44 fulfill this obligation, the member shall repay the full salary paid during the leave plus the health and
45 retirement contributions paid by the University on behalf of the member during the leave. This

1 amount is due and payable three months following the date designated in the sabbatical agreement for
2 the member to return to the University.

3

8
9 **Section 9. WORKERS COMPENSATION**

10

12 If an employee experiences an accidental injury, or occupational disease that qualifies for workers'
13 compensation protections, medical and/or time loss benefits may be available through SAIF Corporation.
14 Injuries must be reported, even if the employee does not seek medical treatment. Procedures for reporting
15 an on-the-job injury or illness is outlined on the HR website.

16
17 **Section 10. SICK LEAVE**

18
19 (a) Portland State University (PSU) provides eligible employees with paid sick leave in accordance with
20 State and Federal laws, University policy and Collective Bargaining Agreements (CBA). In the event of

22 Collective Bargaining Agreement, the policy or law that is most generous to the employee will take
23 precedence.

24
25 (b) The purpose of sick leave is to make paid sick leave available to employees as needed to guard against
26 loss of earnings due to illness. This policy is also intended to ensure compliance with relevant laws,
27 including SB 454 (Oregon Paid Sick Time law), the Oregon Family Leave Act (OFLA), the Family
28 Medical Leave Act (FMLA), and the Americans with Disabilities Act (ADA), University policies and
29 CBAs governing the use of protected unpaid sick time and the accrual and use of paid sick leave.
30 Further, this policy establishes paid sick leave accrual, use, and reporting standards and processes.

31
32 For details on the eligibility, use, and restrictions of sick leave, please refer to the PSU Sick Leave
33 Policy, found on the University Policy Library website.

34

40 Benefits eligible unclassified employees may utilize unearned paid sick leave in accordance with the
41 terms on the HR website:

42
43 (d) Prohibition on Discrimination

2 based on their appropriate and lawful use of sick leave.

4 **Section 11. VACATION LEAVE**

5
6 Vacation leave applies only to employees on 12-month appointments.

- 7

9 less than 1.0 FTE employees based on actual hours worked. Vacation accruals and personal leave days
10 are available for use after the employee has met a six-month wait period. During the wait period
11 vacation hours accrue as outlined above but are not available for use until the seventh month of
12 employment.
13
14 (b) Unclassified employees may accrue no more than 260 hours. Any accrued vacation leave in excess of
15 this cap will be lost.
16
17 (c) An employee who separates from PSU employment before completing the six month wait period
18 receives no vacation and is not eligible to receive a vacation payout of the accrual. Unclassified
19 employees who have satisfied the wait period and later separate employment are subject to a maximum
20 payout of their balance at separation of up to 180 hours.
21
22 (d) Vacation time off is generally scheduled in advance cooperatively with the approval of the employee's
23 supervisor. Members should consult with their supervisor for procedures related to scheduling and

6 the Governor's Day. The day is usually designated to be in conjunction with Thanksgiving, Christmas,
7 or New Year's Day. Employees must be employed as of the day prior to the applicable holiday to

15 order to meet customer service and operational needs of the department.
16
17 (g) Whenever a holiday falls on a Sunday, the following Monday will be observed as the holiday. If a
18 holiday falls on a Saturday, the preceding Friday will be observed as the holiday.

35

- 36 (a) The University and PSU-AAUP will partner to maintain a DSLBB for bargaining unit members.
37 Bargaining unit members who participate in the DSLBB may withdraw sick leave from the DSLBB as
38 provided in this Section.
39
40 (b) All current bargaining unit members will be automatically enrolled in the DSLBB on November 1, 2021,
41 and then November 1 of each subsequent year.
42
43 (c) New bargaining unit members will be provided information regarding the DSLBB at the time that they
44 are provided other information regarding employee benefits.
45

- 1 (d) New hires will be able to draw from the bank from the time of hire. No contribution will be necessary
2 until the earlier of the time they access the bank or at the next opt out period.
3
- 4 (e) Bargaining unit members who do not wish to remain enrolled in the DSLB may opt out between
5 October 1 and October 31, 2017, and then during each subsequent year between October 1 and
6 October 31 (the annual open enrollment period). A participating member who does not affirmatively
7 opt out of the DSLB during the annual open enrollment period will be automatically renewed as a
8 participant in the DSLB and will be subject to assessments and special calls as provided below.
9
- 10 (f) Upon enrolling in the DSLB, a bargaining unit member irrevocably pledges up to seven (7) sick leave
11 hours of the member's accrued sick leave for contribution to the DSLB, regardless of the member's
12 FTE, plus any annual assessments described below, if required. The annual irrevocable pledge is
13 subject to annual review and may be revised as per (i) below. If the bargaining unit member does not
14 have the requisite hours at the time of enrollment, the enrollment will be held open and will be
15 implemented as soon as the bargaining unit member has sufficient sick leave to enroll.
16
- 17 (g) Bargaining unit members shall receive acknowledgement of each donation made to the DSLB, and
18 each allocation received from the DSLB within 20 working days of the donation or allocation.
19
- 20 (h) A bargaining unit member who participates in the DSLB may withdraw and use sick leave from
21 the DSLB as follows:
22
- 23 1. The member must have exhausted all of his/her own accrued sick leave.
24
 - 25 2. The DSLB may be used to provide the member with paid time off during any leave that qualifies
26 under FMLA, OFLA, the Americans with Disabilities Act (ADA), or the University standards
27 governing use of sick time (former OAR 580-021-0040), including maternity leave or paternity
28 leave upon the addition of a child to the member's family (whether by birth, adoption or
29 otherwise).
30
 - 31 3. A member must request use of leave from the DSLB on a form to be prepared and provided by
32 the Office of Human Resources and PSU-AAUP. The use of leave from the DSLB may be for a
33 period of up to 40 working days at the member's regular FTE. The maximum amount of leave
34 from the DSLB that may be used for a single event is 40 working days at the member's regular
35 FTE. Should a member require more than the maximum amount, the request may be considered
36 by the DSLB committee referenced in this Section.
37
 - 38 4. Leave from the DSLB may be used intermittently.
39
 - 40 5. Leave from the DSLB is to be used prior to, and not concurrently with, any short-term or long-
41 term disability insurance that may be available to the member. Leave from the DSLB may be used
42 concurrently with compensation from the University's workers compensation insurance as long as
43 compensation does not exceed the employee's regular salary.
44
 - 45 6. Leave from the DSLB may be used prior to or after, but not concurrently with, any unearned sick
46 leave advance that may be available to the member under University policy.

1
2 7. DSLB sick leave bank hours will only be applied retroactively to each qualifying event for which
3 leave was taken.
4

5 8. Any denial of a request for sick leave from the DSLB must be in writing and include the reason for
6 the denial. Denials may be appealed through the grievance process as outlined in Article 28
7 Division B.
8

9 (i) Sick time will be withdrawn from participating bargaining unit members accrued sick leave and
10 charged to a donating member's department as follows:
11

12 1. Sick leave will be withdrawn from participating member's accrued sick leave and charged to the
13 donating member's department at the donating member's hourly rate of pay, plus OPE on the
14 dates or within the windows noted herein. These funds will accrue to the DSLB to be used when
15 needed as per Section 2 (e).
16

17 2. DSLB funds must not be used for any other purpose than those allowed in Article 32 Section 2.
18

19 3. Any balance of unused DSLB funds at the end of each fiscal year will roll over to the subsequent
20 year's DSLB.
21

22 (j) Should the DSLB require additional donations beyond those provided above, the following will
23 apply:
24

25 1. The DSLB can impose an assessment of up to six (6) additional hours per year
26 to participating members. The decision to impose an assessment shall be made by
27 the DSLB Committee (defined below). The minimum assessment shall be two (2) hours.
28

29 2. Should additional donations be required after the maximum assessments have been received, the
30 DSLB Committee will issue a special call for additional donated sick leave on a voluntary
31 basis. The special call window will be open for a period of thirty (30) days unless the University
32 and the Association agree to a different amount of time. The special call will be
33 for seven (7) hours of additional donated sick leave unless the University and the Association
34 agree to make a call for a different number of hours.
35

36 3. If the special call does not replenish the bank sufficiently to meet the need,
37 the DSLB Committee will advise the University and the Association Labor Management
38 Committee of the shortfall. The University and the Association agree they will convene a meeting
39 within ten (10) working days of such notice to determine what additional options may be available
40 to meet the needs of AAUP bargaining unit members. During this time, AAUP bargaining unit
41 members will be advised of any and all programs they qualify for in order to get a complete
42 paycheck on payday. It should be noted that even after all efforts are exhausted, AAUP bargaining
43 unit members may not receive a full paycheck.
44

45 (k) The Office of Human Resources and the Association shall convene the bilateral DSLB committee, to
46 review the operation of the DSLB. PSU-AAUP and the University shall appoint 2-3 members to the

1 committee. The committee will meet quarterly. At the quarterly meeting prior to the annual open
2 enrollment period, the committee will review prior year's bank performance and determine if the
3 open enrollment period donation amount in (e) above shall change to a higher or lower amount. H
4

5 (l) Human Resources will provide to the committee on a quarterly basis; at least one week prior to
6 the DSLB committee meeting, the information in the list below. The information will be provided at
7 once in the same document:

16
17 **Article 35. PERSONNEL FILES**

18
19 The purpose of this article shall be to specify the means of implementation of University Standards 577-
20 040-0005 through 0025.
21

22 **Section 1.** The University shall maintain no more than three legally permissible personnel files on
23 employees that might be used relative to the employee's qualifications for employment or re-employment,
24 performance evaluation, and/or disciplinary action. The personnel files shall be kept in locations central to
25 the University, school or college, and department where the faculty resides in designated, available
26 locations. Each file shall refer to the existence and location of other files. All records containing personal
27 information about faculty members shall be kept in secured files. The University is responsible for
28 informing the faculty member of the existence and location of such files, herein referred to as personnel
29 files.
30

31 **Section 2.** The individual shall have access to examine the entire contents of their file during normal
32 business hours under conditions which protect the integrity of the files, except for excised portions as per
33 University Standard 580-022-0100(2) and (3). The faculty member shall have the right to copies of their
34 file. The faculty member may be accompanied by a representative of his or her own choice at the time the
35 file is examined.
36

37 **Section 3.** The source of all materials in the personnel file shall be identified. No unauthorized or
38 anonymous materials shall be contained in the personnel file (University Standard 580-022-0075). Survey
39 evaluations by students of a faculty member's classroom or laboratory performance shall be anonymous.
40 The record of tabulated reports of evaluations shall be placed in at least one of the files designated in
41 section 577-040-0005(4)
42

43 **Section 4.** A faculty member may at any time enter into the member's personal records files such
44 comments, explanations, or rebuttals as the member may wish, to include, but not limited to: transcripts
45 supporting claim to academic work; documents supporting claim to professional training; letters and
46 records describing work experience; copies of all statements of employment; all documents relating to

1 professional growth or performance; documents indicating special competencies, achievements, scholarly
2 research, academic, professional, or other contributions; any statement that the faculty member wishes to
3 have entered in response to, or in elaboration of any other item in his or her file.
4

5 A copy of all evaluations signed, by the member signifying receipt, shall be placed in the member's
6 evaluation file. The faculty member may enter into the evaluation file such comments, explanations, or
7 rebuttals as desired. There shall be attached to each copy of the evaluation retained by the University,
8 school, college, or department a copy of such comments, explanations, or rebuttals.
9

10 **Section 5.** If a faculty member should become aware that his or her personnel file contains errors of fact
11 or omission, the faculty member may petition, in writing, the Provost or his/her authorized designee, to
12 remove or correct said information.
13

14 **Section 6.** If a department head or other administrative officer receives a written statement concerning a
15 faculty member, and it is determined that the statement is significant, there must be an immediate
16 notification to the faculty member that such statement has been received, and if it is decided that such
17 material should be retained, it must be retained only in the faculty member's personal records files.
18

19 **Section 7.** Faculty members at the University who feel adversely affected by the University, school,
20 college, or departmental personnel action or lack thereof may request from the President of the University
21 or his delegate objective or quantitative information contained in files, which are limited as to access,
22 concerning the personnel actions affecting categories of faculty members, where such actions appear to
23 have relevance to the case of the faculty member making the request for information. The President or his
24 delegate will make such information available. Such information may include: assignment, load, list of
25 publications, and such other information as determined by the President or his delegate to be relevant, but
26 will, in no event, include any evaluative statements concerning faculty members. Such information shall
27 also be available to any other faculty member at the University upon request.
28
29

30 **Article 36. OUTSIDE EMPLOYMENT**

31
32 Teaching and research are the primary functions of the University and are nourished by efficient and
33 imaginative administration. Service to the community and nation is an inherent obligation. These four—
34 teaching, research, administration, and public service—are essential features of academic life and make
35 comparable demands on ability and devotion.
36

37 The contributions of a faculty member are not, however, measured solely by activities directly related to
38 University programs. The objectives of the University are served, and its programs enriched, by the active
39 participation of its faculty members in outside activities which contribute to the advancement of the
40 faculty member's profession or provide an opportunity for professional growth through interaction with
41 industry, business, government, and other institutions of our society.
42

43 The University recognizes contributions and achievements, not only by appropriate salary advancement
44 and promotion, but also by permitting faculty members substantial freedom in arranging their academic
45 lives. This freedom is, however, subject to an overriding principle:
46

1 The potential magnitude of outside professional activity is such that orderly procedures must be
2 followed to avoid ethical and legal conflicts of interest and to ensure that such activities do not
3 conflict with the proper discharge of University responsibilities.
4

5 Outside employment is subject to the University's Policy on Outside Employment, which can be found on
6 the Office of General Counsel's webpage.
7

8 9 **Article 37. HUMAN RESOURCES INFORMATION SYSTEM IMPLEMENTATION**

10
11 The University and the Association acknowledge the responsibility and the value of managing employee
12 information through the University's Human Resources Information System (HRIS). The Association
13 agrees to attempt in good faith to resolve issues related to payroll processes, personnel procedures,
14 identification of bargaining unit members, and dues deductions through informal discussions with the
15 Associate Vice President for Human Resources or designee. Any issues not resolved through informal
16 discussions or through formal HR procedures shall be referred to the Vice President for Finance and
17 Administration or designee. The procedures outlined above do not waive the Association's right to access
18 the dispute resolution procedures in this agreement.
19

20 In the event of a system failure, the University will provide alternative methods for issuing paychecks in a
21 timely manner to bargaining unit members.
22

23 24 **Article 38. MEMBER NOTIFICATION**

25
26 The University agrees that in the interest of informing members of the University community about
27 current services and policies, it will:
28

- 29 1. distribute employee assistance program brochures annually to all members of the bargaining unit
30 (including a copy sent each year to the Association); and
- 31 2. include, in information available to members on the University's webpage, entries for "day care" and
32 "elder care" and other related services offered (for example, "drugs and alcohol") with cross references
33 to "benefits" and "employee assistance program."
34
35
36

37 **Article 39. POST DOCTORAL SCHOLAR PROGRAM**

38
39
40 (a) Research and Graduate Studies (RGS) will develop and implement a Postdoctoral Scholar Mentorship
41 Program and will clearly communicate the expectations for all participants on a regular basis.
42

43 (b) Impacts of Postdoc Classification Implementation on Non-Tenure-Track Research Faculty Members.
44

- 45 1. PSU will create and implement the postdoctoral scholar classification.
46

- 1 2. When it is implemented, AAUP and PSU agree no employee in the Research Assistant or Research
2 Associate classification and rank who is employed on the date this Agreement is signed will be
3 required to change their classification and rank as a result of the implementation of PSU's
4 Postdoctoral Scholar Mentorship Program.
5
- 6 3. AAUP and PSU agree when a current employee in the Research Assistant or Research Associate
7 classification and rank applies for and accepts a new/different position at PSU that is classified and
8 titled as a postdoctoral scholar position, they may only apply for and accept the new position as a
9 postdoctoral scholar. A "new position" is one that is supported by a different source of funding
10 (new or different grant funding source) or a different Principle Investigator (PI, faculty member),
11 and the position was advertised as a postdoctoral scholar position.
12

13 (c) Impacts of Postdoc Classification Implementation on Tenure-Track Faculty Members.
14

- 15 1. PSU and AAUP agree that the duties and expectations outlined below are part of tenure-track
16 faculty members' current duties and responsibilities as outlined in Article 4 Responsibilities of the
17 Members and each faculty member's Notice of Appointment and Supplemental Letter.
18
- 19 2. RGS, in cooperation with other units across campus and with our partner institution OHSU, will
20 create and implement postdoctoral scholar training and education activities that will augment the
21 discipline-specific training provided by their faculty mentors.
22
- 23 3. Responsibilities of Faculty Members who Supervise Postdoctoral Scholars
24 a. Faculty members who hire postdoctoral scholars agree to participate in the Postdoctoral
25 Scholar Mentorship program.
26
27 b. Faculty members are expected to obtain and provide the funding for each postdoctoral
28 scholar position and participate in good faith in and comply with the requirements of the
29 Post-Doctoral Scholar Mentoring Program.
30
31 c. Faculty members are expected to engage in hiring, training, and mentoring activities with
32 each postdoctoral scholar they hire. Such activities include, but are not limited to:
33
34 1. Faculty members, in collaboration with each postdoctoral scholar, must complete an
35 annual Individual Development Plan (IDP) for the postdoctoral scholar, and submit a
36 year-end report on the progress of the IDP to RGS.
37
38 2. Faculty members must make a good faith effort to support and implement each
39 postdoctoral scholar's IDP.
40
41 3. Faculty members must participate in an initial mentor training for PIs, and then on a
42 recurrent basis as requested by RGS.
43

27

28 The Association shall indemnify and hold harmless the University, its agents, representatives, and
29 employees against all claims, demands, or judgments, including reasonable costs of defense, which occur as
30 a result of the University's compliance with Articles 6 (EXCHANGE OF INFORMATION), 9 (DUES
31 DEDUCTION), and 10 (FAIR SHARE) of this Agreement. Claims which have not been adjudicated will
32 not be settled without the concurrence of the Association.
33

34 **Article 42. SEPARABILITY**
35

1 Notwithstanding the provisions of ORS 243.702(1), it is the expressed intent of the parties that in the
2 event any provisions of this Agreement shall at any time be declared invalid by any court of competent
3 jurisdiction or rendered invalid through federal or state regulation or decree, such action shall not
4 invalidate any remaining provision of this Agreement. All provisions not declared invalid shall remain in
5 full force and effect. Upon the request of either party, both parties shall enter into negotiations for the
6 purpose of attempting to arrive at a mutually satisfactory replacement for such invalidated provision.
7
8

9 **Article 43. TOTALITY OF AGREEMENT**

10
11 The parties acknowledge that during the negotiations which resulted in this Agreement, the Association
12 and the University had the unlimited right and opportunity, consistent with previously adopted ground
13 rules, to present demands and proposals with respect to any and all matters lawfully subject to collective
14 bargaining; that all understandings and agreements negotiated are set forth in this Agreement; and that this
15 Agreement constitutes the entire and sole agreement between the parties for its duration.
16

17 Each party, for the lifetime of this Agreement, agrees that the other shall not be obligated to bargain
18 collectively with respect to any subject or matter, whether or not referred to or covered by this Agreement,
19 even though such subject or matter may not have been within the knowledge or contemplation of the
20 parties at the time they negotiated or signed this Agreement.
21

22 Nothing in this Article precludes mutual agreement of the parties to alter, amend, supplement, or
23 otherwise modify in writing any of the provisions of this Agreement. In the event the parties meet to
24 modify this Agreement as provided in this paragraph, student representatives shall be sent timely notice of
25 the meeting and shall be entitled to participate in the manner provided by ORS 243.778.
26

27 **Article 44. NEGOTIATION OF LIMITED REOPENERS**

28
29 The parties agree to reopen the contract as provided in Article 30 Section 10. Unless the parties agree
30 otherwise, the Association will send written notice to the University no later than November 15, 2021
31 specifying up to three articles of this Agreement, or new subjects that it proposes to negotiate. The
32 University shall send written notice to the Association no later than November 15, 2021 specifying up to
33 three articles of this Agreement, or new subjects that it proposed to negotiate. Those sections of this
34 Agreement not noticed shall be closed until the expiration date specified in Article 45, Term of Agreement.
35 Negotiation of the articles or subjects noticed for reopener negotiations shall commence no later than
36 December 1, 2021 or such date thereafter as may be mutually agreed upon by the parties.
37

38 The parties agree that they will meet and negotiate to replace Article 30 Section 6 paragraph (b) pursuant
39 to Article 30 Section 6 paragraph (d), and Section 4 paragraph d.
40

41 The parties agree that they will meet and negotiate over the implementation of HB 2005, the 2019 Oregon
42 Paid Family and Medical Leave Act, when the Bureau of Labor and Industries (BOLI) promulgate rules
43 about the statute that apply to the University. The University will provide the Association with notice of
44 promulgation of the rules when received.
45
46

1 **Article 45. NEGOTIATION OF SUCCESSOR AGREEMENT**

2
3 The parties will confer prior to February 28, 2024 regarding the format for successor bargaining (i.e.,
4 whether to use an interest-based, traditional, or other bargaining approach). The parties will also confer
5 regarding the timing and scheduling of successor bargaining.

6
7 Unless the parties agree otherwise, for the purpose of negotiating a successor Agreement, the Association
8 will send written notice to the University no later than May 1, 2024 specifying those new subjects or

1 *LETTERS OF AGREEMENT #1 - #5*

2

3 **LETTER OF AGREEMENT—LOA #1: ACADEMIC FREEDOM TASK FORCE**

4

5 The University and Association endorse the creation of a Task Force on the State of Academic Freedom at
6 Portland State University, to include representatives from the Association, Faculty Senate, and the Office
7 of Academic Affairs. The specific charge and composition of the Task Force would be determined in
8 consultation with the Faculty Senate Steering Committee. The University and Association jointly recognize
9 that the protection of academic freedom in a changing political and technological environment raise issues
10 that are deserving of sustained study by such a Task Force.

11

12

13

14

1 **LETTER OF AGREEMENT—LOA #2: RESEARCH BRIDGE FUNDING PILOT PROJECT**

2
3 The University and the Association share interests in stability for employees, retaining high quality research
4 faculty and staff, and maintaining productive research programs. Tenure-related and non-tenure track
5 research faculty occasionally experience breaks in external funding, which can result in loss of employment
6 to personnel critical to the continuation of their research programs and the University. Access to short-
7 term bridge funding assists such faculty members in maintaining adequate levels of staffing so they can
8 work to secure new funding and thus maintain their research program.
9

10 The University will establish a Research Bridge Fund of \$70,000 each year for fiscal years 2021 and 2022.
11 Monies remaining from the balance of the Faculty Travel Awards Account will be used to cover the costs
12 of the bridge funding. These funds are to be used, at the discretion of the Vice President of Research and
13 Graduate Studies, to support continued employment of non-tenure track research faculty and staff who
14 would be terminated or experience a significant loss of FTE without such funding. If all of the monies in
15 the Research Bridge Fund are not spent at the end of fiscal year 2021, these monies may carry over to fund
16 the allocation for fiscal year 2022.
17

18 The Vice President for Research and Graduate Studies will provide faculty the opportunity to apply to the
19 program each quarter using the criteria previously established in collaboration with the Research Bridge
20 Fund Advisory Committee as part of the extension of the pilot program. The Vice President for Research
21 and Graduate Studies retains the right to alter the administration of the program as long as the focus and
22 intent of the program does not change. Prior to any changes to the program that change eligibility or
23 accessibility criteria, the VP-RGS will meet and discuss those proposed changes with PSU-AAUP and will
24 allow PSU-AAUP to provide feedback about the proposed changes. PSU-AAUP will be informed of any
25 alteration of the program.
26

27 At the end of fiscal year 2022, the Office of Research and Graduate Studies will prepare a report regarding
28 use and operation of the Research Bridge Fund and shall provide the report to the Association.

1 **LETTER OF AGREEMENT—LOA #3: STUDENT EVALUATION TASK FORCE**
2

3 The Association and the University agree to jointly recommend that the Ad-Hoc Committee to Craft
4 Language on Diversity, Equity, and Inclusion for the University Promotion and Tenure Guidelines
5 examine how student evaluations and course surveys should be used in faculty reviews and promotions.
6 The parties recommend that the Ad-Hoc Committee survey the literature on student evaluations to
7 understand the potential bias in these instruments, explore the best practices for evaluating teaching in
8 higher education, and make recommendations for changes to the use of student evaluations in the
9 University Promotion and Tenure Guidelines.

10
11
12

1 **LETTER OF AGREEMENT—LOA #4: PSU and AAUP STANDING COMMITTEE ON**
2 **WORK/LIFE BALANCE**

3
4 The Association and the University shall establish a standing committee to continue policy and practice
5 development that will provide support and career options for employees who balance family and career.

6 The idea of this standing committee grew out of LOA #5 in the CBA for 2013 to 2015 that established the
7 Family Friendly Task Force. The members of this Task Force requested that a standing committee be
8 established to continue their work so that additional consideration and assistance to members around
9 work/life balance could be on-going.

10 The Standing Committee on Work/Life Balance will have 9 members: 3 each appointed by PSU-AAUP,
11 Faculty Senate, and Administration. The Committee will begin its work in the fall of the 2015-16 academic
12 year. The committee members will decide how often to meet and when to meet. The University will
13 provide support personnel to assist with notification of meetings, scheduling rooms, and taking notes and
14 providing them to members.

15 This Committee will be guided by the work of the former Family Friendly Task Force as well as by the
16 recommendations brought forth at bargaining on July 10, 2015 by both PSU-AAUP and Administration.
17 The Committee will be charged with:

- 18 1. Proposing revisions to the "Work/Life Policy" dated August 10, 2001 that is currently on PSU
19 Human Resource's website, as provided in the University Policy on Policies;
- 20 2. Creating a family friendly tool kit that could be utilized on campus;
- 21 3. Researching best practices for spouse hiring and developing proposals for consideration; and
- 22 4. Considering recreational opportunities that would provide a healthier and more family-friendly
23 workplace

24 A report from this committee will be due on April 1, 2016. This report will be in writing and will be
25 submitted to the Faculty Senate Presiding Officer, the President of PSU-AAUP, and the Provost.
26 Thereafter, the Committee is to issue status reports every six months.

8
9 The parties revised the post continuous appointment review process from every 3 years to after the 5th year

11 negotiated new PCAR review processes with salary increases per signed MOU dated. The parties now seek

26 2022 without the need to undergo another evaluation.
27

29 new PCAR Effective date will be the September 16th following the completion of their original PCAR
30 (prior to commencement of newly negotiated salary increase).

1 *MEMORANDA OF UNDERSTANDING/AGREEMENT – MOU/MOA #1-#11*

2
3 **Memorandum of Understanding #1 CREATION SCHOOL OF PUBLIC HEALTH**
4 **October 9, 2015**

5
6 **Subject: Creation of the OHSU-PSU School of Public Health (OHSU-PSU SPH)**

7
8 *Recitals*

9 Portland State University (PSU) seeks to establish a new OHSU-PSU School of Public Health (OHSU-
10 PSU SPH) in collaboration with the Oregon Health and Science University (OHSU). It is anticipated that
11 PSU School of Community Health (SCH), and other PSU faculty members from the Mark O. Hatfield
12 School of Government, Division of Public Administration, will subsequently seek to administratively
13 and/or physically move to OHSU-PSU SPH. Other units or faculty members may move as appropriate.
14

15 *Agreement*

- 16 1. All employees of the OHSU-PSU SPH remain employees of their home institution. Employees of
17 PSU shall be governed by rules, policies, statutes, and applicable collective bargaining agreement at
18 PSU, and shall enjoy all rights and privileges of PSU employment. They shall retain their PSU rank,
19 and all rights and privileges associated with that rank. Any joint appointments will have delineated a
20 primary employer, whose rules, policies, statutes, rights and privileges of rank and other associated
21 rights and privileges, and collective bargaining agreement, if applicable, will govern their employment.
22
- 23 2. Departments/units that move to OHSU-PSU SPH will follow the procedures outlined in Appendix 1.
24 Individual tenured and tenure-track faculty members who move to OHSU-PSU SPH may
25 subsequently request to move their tenure home consistent with the guidelines for transfer of tenure
26 home. The parties agree to consider adopting procedures for the transfer of non-tenure track faculty
27 position, and the transfer of academic professional positions in negotiations underway for a successor
28 agreement to the 2013-15 Collective Bargaining Agreement.
29
- 30 3. This MOU, along with a memo that states the action taken by the department and/or individual
31 faculty member to move, shall serve as an addendum to all letters of appointment in departments that
32 vote to move to OHSU-PSU. PSU shall not otherwise modify the letters of appointment of faculty
33 members who move to OHSU-PSU SPH without agreement of the faculty member.
34
- 35 4. A tenured faculty member in a department/unit that votes to move to OHSU-PSU SPH shall be given
36 the right to opt out of the move, and request to move their tenure home (including their tenure line
37 and associated support) to another department/unit at PSU with no change in rank, salary, or tenure
38 status. A department/unit's decision to accept the transfer shall constitute agreement to support the
39 faculty member with appropriate office space and additional space (e.g. lab space) to do their research,
40 if applicable. The faculty member's tenure line will be released by the department moving to OHSU-
41 PSU SPH to enable the faculty member and the line to move to the new department.
42
- 43 5. Should the "Inter-Institutional Agreement related to Joint Graduate Degrees or Certificate in Public
44 Health Between Oregon Health and Science University and Portland State University," *OHSU*
45 *Contract # AFF-2014-0354* be terminated prior to June 30, 2020 pursuant to Article I, Section D of
46 the agreement, PSU faculty in the OHSU-PSU SPH shall have reversion rights to be placed in

1 another PSU college or school with the same terms and conditions of employment in place prior to
2 the move to OHSU-PSU SPH.
3

- 4 6. Promotion, Tenure, Merit Pay, and Post Tenure review committees as required by PSU P&T
5 Guidelines shall be populated with faculty members employed by PSU. OHSU faculty members may
6 be invited to participate on these committees in the same way an outside reviewer would be invited to
7 participate on these committees. The duties of the department chair/chair equivalent and Dean in PSU
8 Guidelines shall be performed as determined by the departmental guidelines and those administrators
9 are ultimately responsible to PSU Provost.
10
- 11 7. Teaching, research and service expectations for PSU faculty members who move to the OHSU-PSU
12 SPH will be consistent with other PSU faculty. The assignment of additional duties shall be addressed
13 through the AAUP-PSU CBA Article 30 preamble.
14
- 15 8. Supervision of PSU employees in the OHSU-PSU SPH shall be the responsibility of department
16 chair/chair equivalent who is responsible directly to the Dean who is ultimately responsible to PSU
17 Provost.
18
- 19 9. All PSU employees in the OHSU-PSU SPH will be granted office space, tools and/or lab space as
20 appropriate to perform their assigned duties. Employees shall be stationed proximate to the
21 institutional resources that are necessary to perform the duties of their position.
22
- 23 10. PSU employees shall not have their offices or work assignments physically relocated to the OHSU
24 campus without consulting with the affected employee.
25
- 26 11. Positions established with PSU as their home institution, pursuant to #1 above, shall not be eliminated
27 or reduced for the purposes of creating substantially the same position at OHSU.
28
- 29 12. PSU employees who work on the OHSU campus shall be provided access and allowed to participate in
30 OHSU phone, text, and email emergency alert systems.
31
- 32 13. PSU employees who work on the OHSU campus shall be provided remote access capability to PSU
33 student and financial systems, and any other PSU system to which they require access to perform the
34 duties of their position. If remote access is not possible, then PSU employees assigned to work at
35 OHSU who are required to perform specific duties at PSU to utilize PSU systems or resources that are
36 not available remotely shall be provided office space and the tools sufficient to perform their duties at
37 PSU. PSU will provide training on access of these remote systems.
38
- 39 14. PSU employees in the OHSU-PSU SPH will be provided access to information resources at OHSU as
40 allowed by the OHSU-PSU collaboration agreement. Faculty members with affiliate appointments and
41 a letter from the Dean will be provided with full access to the OHSU Library.
42
- 43 15. All undergraduate students enrolled in the OHSU-PSU SPH will be matriculated at both OSHU and
44 PSU. OHSU-PSU SPH faculty and academic professionals who serve undergraduate students who are
45 PSU employees shall be located proximate to the students they primarily serve. Faculty who have a
46 concern about their work location can request a schedule accommodation and/or a change in work

1 location from the Dean of OHSU-PSU SPH.

2
3 16. PSU shall provide dedicated meeting space on PSU campus for OHSU located faculty to have office
4 hours and/or have private one on one conversations with students. This shall include access to
5 computers and PSU systems as necessary to provide guidance to students.

6
7 17. PSU shall provide OHSU-PSU SPH employees who have been approved by the Dean as having a need
8 to travel to the OHSU campus the following:

- 9
10 a. OHSU tram passes and
11 b. Tri-met passes subsidized at the same rate as offered to OHSU employees.

12
13 18. The parties acknowledge that PSU faculty members and academic professionals who work in the
14 OHSU-PSU SPH are professional employees and shall retain the flexibility they currently enjoy at PSU
15 and consistent with the needs of the school/department/unit. The OHSU-PSU SPH will establish a
16 shared governance procedure that will include the creation of a comprehensive and faculty-approved
17 set of the OHSU-PSU SPH bylaws and will be consistent with PSU Faculty constitution.

18
19 18. PSU employees in the OHSU-PSU SPH who need to travel between the OHSU campus, PSU campus,
20 and/or Collaborative Life Sciences Building on the South Waterfront shall be granted adequate travel
21 time to and from those sites to attend required meetings, and/or other teaching assignments, and/or
22 other assigned tasks or meetings.

23
24 19. PSU agrees to provide prior notice to AAUP of any decisions that are being contemplated that could
25 alter the wages, hours, and working conditions and other benefits of AAUP bargaining unit members
26 employed in the OHSU-PSU SPH.

27
28 20. This MOU shall be attached to and become a part of the parties' collective bargaining agreement.
29 Alleged violations of this MOU shall be addressed through the contractual grievance procedure.

33 ***Appendix 1***

34 **Guidelines used for Transfer of Academic Units to the**
35 **OHSU/PSU Joint School of Public Health (SPH)**

36
37 Preamble

38
39 This procedure applies only to the transfer of the unit indicated and shall not be precedential on future
40 transfer of units across Schools and Colleges at PSU.

41
42 **I. Background and Purpose**

1 Academic units³ (e.g., departments, divisions, programs) within a university may at some juncture wish
2 to explore a different organizational affiliation. For example, an academic department may wish to
3 consider moving its academic home from one school or college to another. A variety of factors may
4 justify such a transfer of academic home in order to better facilitate achievement of the University's
5 academic mission.

6
7 The purpose of these guidelines is to provide transparent, inclusive procedures that:

- 8 • Foster collaboration between and among departments and colleges considering such
9 moves.
- 10 • Promote discussion on the merits of proposals.
- 11 • Solicit a variety of viewpoints on the educational merits of proposals.

12
13 These guidelines apply to the shifting of academic units from one college to another, from one school
14 to another, from a school to a college or from a college to a school. Discussions may be initiated by a
15 majority of faculty in the academic unit or by the Department Chair, Director, Dean, Provost or
16 President however, the transfer must be faculty led and follow established Faculty Senate processes.
17 The unit head will be responsible for shepherding the proposal through all decisions and review
18 processes. Proposals may be withdrawn at any point in the process by the unit initiating the transfer
19 request.

21 II. Principles Guiding the Transfer of an Academic Unit

22
23 The process of proposing moves and evaluating proposals adheres to three fundamental principles:

- 24 1. Shared governance
- 25 2. Academic quality and student learning
- 26 3. Inclusive and collaborative decision making process

27
28
29 The relocation of the initiating unit to a new academic home must support the academic mission of
30 that unit, the proposed new academic home as well as the university, college and the other departments
31 involved. A strategic argument – including the department's current status as well as its desired
32 trajectory – for the relocation should be created and shared in a transparent, productive and collegial
33 manner that is evidenced by active and open solicitation and consideration of the viewpoints of all
34 constituencies.

35
36 Alignment, synergies and innovations may be demonstrated by congruence and/or complementarity of
37 the academic curricula offered by the initiating unit and the new academic home; congruence and/or
38 complementarity of the initiating unit's discipline(s) with the disciplines in the new academic home;
39 and potential for new or expanded collaborations with regard to curriculum development, existing
40 degree programs, faculty and student scholarship, community engagement and strategic enrollment

³ For the purposes of this template, the following definitions shall be used: (1) The *initiating unit* is the academic unit that is assessing the benefits and costs broadly conceived of relocation to another academic home within the university; (2) The *current academic home* is the school or college within which the initiating unit is presently located; (3) The *new academic home* is the school or college that is proposed to be the new organizational location for the initiating unit. (Some proposals might include options that identify multiple possible new academic homes).

1 management. The impact on stakeholders (including and especially students) should be assessed, and
2 they should be given adequate notice as to changes in the academic unit's reorganization within the
3 university. (See item A-4 in Section IV)
4

5 **III. Steps in Proposal Development**

6
7 The chair or designated representative of the initiating unit will:
8

- 9 A. Discuss the proposed move with faculty ⁴ within the initiating unit to gauge interest. At this
10 point in the process, the discussions are to determine whether there is sufficient interest in
11 exploring moving a unit to a new academic home. A vote will be taken, in accordance with
12 existing departmental guidelines, to determine if the chair or designated representatives may be
13 empowered to launch a full exploration of the possible transfer of the academic unit. Units are
14 highly encouraged to consider the needs of all members of the unit including non-tenure track
15 faculty and academic professionals.
16
- 17 B. If the vote is positive, the designated department chair or representatives will meet with the
18 deans of current and potential new academic home(s) to discuss ideas and rationale for an
19 academic home.
20
- 21 C. Draft a proposal that outlines the rationale and expectations associated with changing from the
22 current and new academic homes (see Section IV below and OAA policies).
23
- 24 D. It is recommended that the unit inform the Educational Policy Committee at this stage of
25 conversation; prior to the development of a formal proposal.
26
- 27 E. Meet with the deans of the current and new academic home, the Vice Provost for Academic and
28 Fiscal Planning, the Dean of the Graduate Studies and Provost to discuss draft proposal and
29 obtain feedback from the deans and Provost about the proposed move. The proposal may be
30 modified to clarify mutual expectations about resources, governance and other issues related to
31 the move.
32
- 33 F. A vote will be taken in accordance with existing departmental guidelines. Two-thirds of the
34 voting eligible faculty, as defined by the academic unit, must be in support of the move to a new
35 department.
36
- 37 G. If proposal receives two-thirds affirmative vote, complete the proposal and submit to the deans
38 as the first step in the existing process for creation, elimination and alteration of academic units
39 (see review process at <http://www.pdx.edu/oaa/academic-units>).

40 **IV. Proposal**

41
42 A. All requests for change of academic home should include answers to the following questions:
43

- 44 1) *Objectives*: What are the goals and objectives of the proposed move?

2 Faculty as defined by the academic unit

1
2 2) *Current Status*: What is the current status of the unit with regard to:
3

- 4 a. Academic degree programs offered (graduate and undergraduate degrees,
5 minors and certificates) and current numbers of students enrolled in each
6 program
- 7 b. Scholarly activity (including grants and contracts and amount of extramural
8 dollars generated in the past three years)
- 9
- 10 c. Existing collaborations of significance at the local, state, national and/or
11 international levels
- 12
- 13 d. Vision and mission of the department
- 14
- 15 e. Size of staff, including number of faculty, staff and student workers
- 16
- 17 f. Number of untenured (tenure-track), tenured, non-tenure track Faculty (NTTF)
18 (with lengths of contracts), academic professionals, adjunct faculty, and graduate
19 assistants with median salary and salary ranges for each
- 20
- 21 g. Number and responsibilities of graduate students (if relevant), current stipends
22 and graduate tuition remission
- 23
- 24 h. Budget allocated to the unit
- 25
- 26 i. A completed RCAT planner
- 27
- 28 j. Space allocation, including number of offices for faculty, staff, students,
29 administrators, and any other spaces (e.g., labs, conference rooms, supply rooms)
30 used by the unit
- 31
- 32 k. Specialized accreditation (if relevant)
- 33
- 34 l. Existing connections and collaborations with the current and new academic home
35 including past/current collaboration of faculty, staff and students, joint programs
36 or appointments and affiliations with relevant centers and institutes
- 37

38 3) *Rationale for Reorganization*: What are the expected benefits to the initiating unit associated
39 with relocation to a new academic home? Include a costs/benefits analysis, as possible.
40 Responses should address the alignment, synergy and innovation elements outlined in
41 the first point of the Principles section.

42

43 Also, under consideration will be the initiating unit's history (how long initiating unit has
44 been in current academic home, rationale for the shift, any conversations that have
45 already taken place). Where appropriate, the initiating unit may provide a description of

1 the criteria used to select the new academic home and a summary of where similar units
2 are housed at comparator institutions.

3
4 4) *Impacts*: What are the anticipated positive and negative impacts of the proposed transfer
5 on the current academic home and the new academic home? On other departments,
6 units? On the university? On students? How will this move affect the current and new
7 academic homes' organization?

- 8
9 a. Impact on current students (both graduate and undergraduate). Include an
10 evaluation of the following:
11 i. College- or school-specific requirements in the new and current academic
12 homes
13 ii. types of degrees conferred, including major and minor requirements
14 iii. number and types of required courses
15 iv. student services (including academic mentors and advisors)
16 v. other
17
18 b. Impact on current faculty and staff, especially as it relates to tenure and
19 promotion decisions
20
21 c. Impact on resources (number of positions, space, equipment, time)
22
23 d. Impact on quality of program, including the impact on the following aspects:
24 i. student recruitment
25 ii. time to graduation and graduation rates
26 iii. specialized accreditation
27 iv. interdisciplinary efforts
28 v. scholarly productivity
29 vi. other
30
31 e. Impact on external constituents (alumni, donors, community and industry
32 partners), including any existing agreements and expected changes to existing
33 agreements
34
35 f. Impact on other departments and offices in both current and new academic
36 homes.
37
38 g. A current and new organizational chart for all units affected

39
40 5) *Expectations*: What are the fundamental elements of an agreement that the initiating unit
41 sees as critical in order for the transfer review process to move forward?

42
43 The initiating unit and the new academic home need to develop a clear understanding of
44 how the initiating unit will administratively operate within its new academic home. This
45 understanding shall include expectations about work assignment, governance bylaws and

1 P&T guidelines and resources. Most of this should be contained in Section 4 above, but
2 other, unexamined assumptions should be described and discussed.

3
4 6) *Agreement*: The current and new academic homes will develop a mutual agreement
5 (MOU) which designates what personnel, budgets and related resources will move from
6 the current home to the new academic home. The impacts (as described in Section 4
7 above) should inform the mutually agreed-upon MOU.

8
9 7) *Timing*: Achieve consensus on the initiating unit's current and new academic homes'
10 preferred timing for the transfer of academic home and determine the rationale for this
11 timing.

12
13 8) *Budget*. Reset expectations (revenue requirements and expenditure budget) for current
14 and new academic homes.

15 16 **V. Approval process**

17
18 The following steps must take place once the proposal is developed and approved by the unit wishing
19 to transfer:

- 20
21 1. A recommendation from the deans of the current unit college and the college of desired transfer.
- 22
23 2. The proposal, with the recommendations from the deans is forwarded to the Educational Policy
24 Committee (EPC).
- 25
26 3. The EPC (in consultation with the Faculty Senate Budget Committee (FASBC) provides a
27 recommendation to the Faculty Senate.
- 28
29 4. The Faculty Senate provides a recommendation to the Provost.
- 30
31 5. The Provost makes the final decision.
- 32
33 1. Budget and personnel transfers will take place in the timeline deemed appropriate

9 The JPH was established in AY 2015-16. The PSU School of Community Health (SCH) moved from
10 CUPA to JPH on or about July 1, 2016. The JPH does not yet have approved promotion and tenure
11 guidelines. Several faculty members in JPH are eligible for promotion in academic year 2016-17. The SCH
12 P&T guidelines were recently revised to fully comport with the rank changes made in 2014.
13

14 *Agreement*

15 The parties agree that the JPH shall use the SCH P&T guidelines for promotions and post tenure review of
16 PSU faculty in 2016-17 and until such a time that they are replaced by approved JPH P&T Guidelines.
17

18 Members in JPH who were formerly members of the Health Management and Policy and the Health
19 System and Policy degree programs from the Division of Public Administration, Mark O. Hatfield School
20 of Government (HSMP), shall use the Division of Public Administration P&T Guidelines until they are
21 replaced by approved JPH guidelines, and as necessary, the process may include JPH faculty, PA Division
22 faculty, or other appropriate PSU faculty whose faculty appointment and scholarly interests are aligned
23 with those of the faculty under review.

2 **March 14, 2018**

3
4 **Subject: Impact of the Implementation of the Academic and Career Advising Redesign**

5
6 *Recitals*

7
8 The University will implement the Academic and Career Advising Redesign recommendations through a
9 multiphase plan. The parties wish to reach agreement on those aspects of the plan that fall within the
10 University's and Association's scope of bargaining.

11
12 *Agreement*

13
14 All sections of this agreement apply to "professional advisors" who are supervised within the coordinated
15 advising structure and identified in Appendix 1. This group may change over time.

16
17 In addition to "professional advisors," there are "other advisors" who have FTE allocated to advising
18 activities and assigned advising caseload, who are also engaged in the common advising practices.

19
20 For the purposes of this agreement, the word "advisor" refers to both "professional Advisors" and "other
21 advisors" unless otherwise specified, and/or as specified in the paragraph below.

22
23 Only the sections of this agreement titled *Advisor Assignments* and *Advisor Professional Development, Training*
24 *and Support* apply to "other advisors". As of the date of this agreement, the current "other advisors" are
25 identified in Appendix 2 (NOT INCLUDED IN THIS CBA). This group may change over time.

26
27 **Advisor Caseload and Workload**

- 28
29 1. Pathway Advising Directors, in agreement with the Associate Vice Provost for Advising and Career
30 Services, will assign advisor caseloads in a fair manner which considers all required advisor duties and
31 responsibilities. Workload may vary among advisors.
32
33 2. The Associate Vice-Provost for Advising Career Services, in consultation with Pathway Advising
34 Directors and individual advisors, will re-assess advisor caseloads and workload at least once a year
35 beginning Summer Term 2019.
36
37 3. Advisors will exercise professional judgment to manage their job duties and responsibilities in
38 consultation with their supervisors.
39
40 4. Advisors may raise concerns about their position, workload or other work-related issues with their
41 supervisor. If no resolution occurs within a reasonable amount of time, advisors may meet directly
42 with the Associate Vice Provost to discuss the issue. If there is no resolution that occurs within a
43 reasonable time, workload issues can be elevated to the ad hoc committee as referenced in Article 17,
44 Section 10 in the Collective Bargaining Agreement.

45
46 **Appointment Scheduling**

- 1
- 2 1. Professional Advisor support needs, and resources allocated for scheduling may vary by Pathway.
- 3
- 4 2. The work that professional advisors do involves projects, committees and paperwork associated with
- 5 advising students, and time will be allocated for that work.
- 6
- 7 3. Professional Advisors will exercise their professional judgment when scheduling their availability and
- 8 appointments with students in consultation with their Pathway Advising Directors.
- 9
- 10 4. Each Pathway, in agreement with the Associate Vice Provost for Advising and Career Services, will
- 11 determine the process for providing drop-in advising.
- 12

13 **Advisor Professional Development, Training & Support**

- 14
- 15 1. Advisors will receive any training relevant to Student Advising Milestones, exploratory advising,
- 16 interdisciplinary major advising and cross training within and across pathways, and generally any
- 17 training necessary to perform the duties of the position. Advisor training will be ongoing, iterative and
- 18 inclusive, and will be provided on an as-needed basis.
- 19
- 20 2. Pathway Advising Directors and the Associate Vice Provost for Advising and Career Services will seek
- 21 input and receive requests for training from advisors, and will be responsive to advisor training needs.
- 22
- 23 3. Advisor training is not professional development pursuant to CBA Article 19. Advisor training related
- 24 to Academic and Career Advising Redesign will be provided by PSU. Professional Development and
- 25 training activities will be conducted during work time.
- 26
- 27 4. Advisors will engage students in the Student Advising Milestone topics; that engagement will not be a
- 28 replacement for the services and expertise provided by Career Services, Financial Aid and Student
- 29 Financial Services. Advisors will be provided a direct point of contact to support the delivery of
- 30 Student Advising Milestone content, as necessary (e.g., direct phone line access to Financial Coaches in
- 31 Student Financial Services).
- 32

34 **Advisor Location and Work Environment**

- 35
- 36 1. Professional advisors, as listed in Appendix 1, will have workspace comparable to what they had prior
- 37 to the implementation of the Academic and Career Advising Redesign recommendations.
- 38 Comparability shall be based on functionality, such as: capacity to have private conversations with
- 39 students; sufficient space and chairs to have meetings with students; and computer, phone and other
- 40 resources typically required in the position.
- 41

42 **Advisor Roles and Responsibilities**

- 43
- 44 1. No professional advisor whose position resides in the Advisor/Counselor 2 job family will have their

- 46 Advising Redesign.

- 1
2 2. Professional advisors will have one assigned supervisor (supervisor of record) to whom they report.
3 Pathway Advising Directors and the Associate Vice Provost of Academic and Career Advising Services

5 academic leadership that work will be assigned to advisors in a way that respects and acknowledges the
6 advisors' primary responsibility is to advising.
7

8 **Personnel Evaluation and Supervision**
9

- 10 1. The parties recognize the coordinated Advising structure as the "unit" in Article 17 Section 8 (b). A
11 common set of performance criteria will guide the evaluation process. To the greatest extent possible,
12 evaluation processes across Pathways will be consistent in design and application.
13

14 **Implementation**
15

- 16 1. Issues that are not resolved about the impacts of the Academic and Career Advising Redesign should
17 be brought to the Labor Management Committee.
18
19 2. This agreement shall become effective upon ratification.
20
21 3. This MOA shall become an addendum to the 2015-19 Collective Bargaining Agreement between the
22 parties. The parties shall determine what elements of this agreement shall be retained, and how it will
23 be incorporated in the successor agreement at the time it is negotiated.

7
8 The Faculty in COE have determined that the [2015 11Nov17 MOU GSE Release Time Policy](#) is no longer
9 suitable to the needs of faculty members to receive compensation at the time the work is performed. The
10 parties wish to empower a new agreement that resolves that issue.
11 .

12
13 *Agreement:*

- 14 1. The parties agree to adopt the Doctoral Faculty Workload Release Policy dated September 16,
15 2020 for implementation commencing in Fall term 2020. It is attached as Appendix A.
16 2. Should COE seek modifications to the policy, the University shall provide notice to the
17 Association of those modifications prior to implementation.
18 3. This MOA and the policy will be incorporated in the successor Collective Bargaining Agreement as
19 an Appendix during housekeeping.
20

21
22 **MOA COE Doctoral Faculty Workload Release Policy**
23 **Appendix A**
24 **COE Doctoral Faculty Workload Release Policy**
25

26 The Doctoral Faculty Workload Release Policy in the College of Education (COE) details how faculty are
27 released from teaching when they serve as core advisors of doctoral students and dissertation chairs or
28 dissertation committee members. This policy defines the responsibilities of doctoral faculty roles and how
29 workload release is provided for COE faculty who serve as core advisors, dissertation chairs and
30 dissertation committee members for COE doctoral students. (Note: Service on doctoral committees
31 outside the COE or PSU is professional service and is not part of this workload release policy.) This policy
32 replaces the AAUP MOU #4 11/5/2015, GSE Doctoral Faculty Workload Release Policy.
33

34 **Equity in Faculty Advisor Selection**

35 To prioritize student excellence and success in doctoral education, the COE leadership and doctoral
36 faculty commit to advancing equity in the selection of faculty advisors for doctoral students. To this end,
37 doctoral faculty consult with their department chairs about their service and role as core advisors including
38 dissertation chair and dissertation committee members.
39

40 **Faculty Work Assignment**

41 Given that faculty work assignment is a department responsibility, the department chair and departmental
42 administrators manage (i.e., assign) faculty workload release for service as Core Advisors, Dissertation
43 Chairs and Dissertation Committee members in the doctoral program. Teaching work assignment is
44 defined per credit and the chair approves all assignments. All credits for Core Advising and serving as
45 Dissertation Chair are assigned on an annual basis for the year the advising is provided. Guidelines for
46 Dissertation Committee members are different due to the smaller amount of work required by faculty as

1 committee members, the varying timeframes for completion of the dissertation, and the challenges of
2 incorporating fractions of a single credit unit (i.e. committee members earn 0.2 credits for each completed
3 dissertation defense) easily in to faculty workload. For these reasons, faculty service as Dissertation
4 Committee members will be awarded through faculty release retroactively following service, when accrued
5 credits (e.g. 1.0 credit for completion of five dissertations) allow for conveniently incorporating the credits
6 into workload. The policy for Dissertation Committee members will be described separately following
7 descriptions for Core Advising and Dissertation Chairs below.

9 **Administrative Process**

- 10 1. The Doctoral Program Coordinator tracks earned credits as students are admitted to the program,
11 make progress through the program and complete milestones (i.e., core paper completion,
12 dissertation proposal, dissertation defense).
- 13 2. The Doctoral Program Coordinator provides a report of faculty teaching credit for the following
14 academic year to department chairs at the beginning of Winter term.
- 15 3. Credit allocation for core advising and serving as a dissertation chair occurs prior to each academic
16 year during faculty workload planning with the department chair. Credit allocation for serving as a
17 dissertation committee member are tracked each quarter. All credits for serving as a core advisor or
18 dissertation chair (or dissertation committee member, as credits are earned) will be allocated in
19 faculty workload at the beginning of the academic year.
- 20 4. If changes are required mid-year due to doctoral students who drop out from the program or
21 request to change advisors or dissertation chairs, the department chair will meet with the faculty to
22 re-allocate those future credits.

24 **Workload Release Policy**

25 Release is provided for the following doctoral faculty roles: core advising, dissertation chair, and
26 dissertation committee member. In Year 3 and Year 4, Dissertation Chairs guide the development of the
27 dissertation proposal and dissertation. Year 5 is provided on an as needed basis. A description of the
28 policy for Core Advising and Dissertation Chairs is described below according to the doctoral student's
29 year in the program.

30 **First Year Doctoral Students (Core Advising)**

31 Department Specialization faculty complete interviews and make admission and advising decisions for
32 incoming doctoral students in their identified specialization area by March 1st of the preceding academic
33 year. Department Specialization faculty meet to make advisor assignments for incoming doctoral students
34 by March 15th of the preceding academic year; however final admissions decisions can be completed as
35 late as September 15th.

36
37 Department chair coordinates with each faculty member to allocate teaching workload release for each
38 assigned advisee; teaching workload release is completed by spring term and finalized by September 15th
39 prior to beginning Year 1.

41 Core Advising

42 Workload Release: Faculty receive 1 credit per student for Core Advising in their teaching work release
43 during Year 1 of the doctoral student's program.

44
45 Core Advising Responsibilities:

- support development and completion of the core paper
- serve as a reader on a minimum of one additional core paper.

Second Year Doctoral Students (Core Advising)

Faculty advisors will retain most of their advisees. However, advisees have the option to change advisors through communication and support from their current advisor and Department Specialization faculty. Department Specialization faculty meet to finalize advisor assignments for doctoral students by March 15th of Year 1.

Department chair coordinates with each faculty member to allocate workload release for each assigned advisee; workload release is completed by spring term and finalized by September 15th prior to beginning Year 2.

Core Advising

Workload Release: Faculty receive 1 credit per student for advising in their work assignment during Year 2 of the doctoral student's program.

Core Advising Responsibilities:

- support preliminary development of the dissertation proposal
- support identifying and finalizing a Dissertation Chair, which includes supporting the doctoral student to communicate with potential Dissertation Chair candidates
- Dissertation Chairs should be identified for each advisee and submitted via e-mail to the Doctoral Program Coordinator by April 1st

Third Year Doctoral Students (Dissertation Chair)

Dissertation Chairs for each student will be identified prior to beginning Year 3. During fall and winter term of Year 2, doctoral students will be communicating and planning with doctoral faculty to finalize a Dissertation Chair. Specialization faculty meet and finalize Dissertation Chair assignments for doctoral students by April 1st of Year 2.

Department chair coordinates with each faculty member to allocate workload release for each assigned advisee. Teaching workload release is completed by spring term and finalized by September 15th prior to beginning Year 3.

Dissertation Chair

Workload Release: Dissertation Chair receives 2 credits per student for advising in their work assignment during Year 3 of the doctoral student's program.

Dissertation Chair Responsibilities:

- support the doctoral student in finalizing a dissertation committee*
- support the development of the dissertation proposal
- support completion of the proposed dissertation
- provide evaluative feedback on dissertation
- conduct the dissertation defense meeting

1 *The doctoral student works with their Dissertation chair to identify dissertation committee members by
2 the end of Year 3. The doctoral student will communicate with each potential dissertation committee
3 member to confirm their participation in the dissertation committee. The doctoral student sends the
4 potential committee membership to the Doctoral Program Coordinator. The Doctoral Program
5 Coordinator will prepare and submit the Graduate School's [GO-16D Appointment of Doctoral
6 Dissertation Committee form](#) to the Graduate School. Committee membership is finalized once approval
7 is received from the Graduate School.

9 **Fourth Year Doctoral Students (Dissertation Chair)**

10 The COE will provide workload release to Dissertation Chairs who have doctoral students in Year 4 using
11 the same guidelines and credits outlined in Year 3.

13 **Fifth Year Doctoral Students (Dissertation Chair)**

14 The COE strives to support students in completing their dissertation within four years; however, students
15 may face circumstances that require them to extend beyond four years. The COE will provide dissertation
16 chairs who have doctoral students in Year 5 with 1 credit of workload release.

18 Dissertation Chair

19 Workload Release: Dissertation Chair receives 1 credit per student for advising in their work
20 assignment during Year 5 of the doctoral student's program.

22 Dissertation Chair Responsibilities as required to support the doctoral student:

- 23 ● support the development of the dissertation proposal
- 24 ● support completion of the proposed dissertation
- 25 ● provide evaluative feedback on dissertation
- 26 ● conduct the dissertation defense meeting

28 **Dissertation Committee members**

29
30 Dissertation Committee members only earn credits after student completion of the dissertation. To align
31 with the comparably small work responsibilities of dissertation committee members, credit allocation for
32 dissertation committee members is 0.2 credits for each student dissertation. Since workload allocation
33 most often coincides with the allocation of full credits (1.0) rather than partial credits (e.g. 0.2 or 0.4
34 credits), credit for dissertation committee members will be awarded retroactively and banked, most often
35 until the faculty member accrues a full credit. The Doctoral Program Coordinator will track the amount of
36 credits earned for each faculty member and submit a report to Department Chairs at the beginning of
37 winter term. Once faculty have accrued a number of credits that will fit with workload considerations (e.g.
38 1 full credit following completion of five dissertations), Department Chairs will work with the faculty to
39 actively integrate those credits into faculty release, so the faculty does not continue to accrue unused
40 credits. In no case should a faculty member accrue more than 3 credits of release from serving as a
41 Dissertation Committee member before those credits are implemented in the faculty workload.

43 Dissertation Committee Member

44 Workload Release: Dissertation committee member: 0.2 credit per student completion of the
45 dissertation (When faculty accrue 1.0 credit, the faculty work with their department chair to
46 incorporate the credit into their work assignment.)

Dispute Resolution

Should concerns arise during this process, the faculty or the Department Chair involved will first consult with the Doctoral Program Director. The Doctoral Program Director will consult with the faculty member, Department Chair, and Doctoral Program Coordinator in efforts to understand and resolve the concerns. If concerns cannot be resolved the Doctoral Program Director will consult with the Associate Dean and Dean who will determine if concerns are related to academic affairs or workload. The next steps might include a conference with those involved and/or consultation with OAA. Should efforts to resolve the issue informally not be successful, the faculty member may resort to the grievance procedure in the collective bargaining agreement.

5 **Subject: Effects of the Implementation of the Principal Investigator/Project Director**
6 **Eligibility and Responsibility Policy**
7

8 The parties have agreed to the modifications of the above noted Policy, and to the effects of the
9 implementation of the policy:

10 **Transition Process for Current PI/PD/Co-I**

- 11 1. The University will provide AAUP with the names of all AAUP-represented employees who are
12 currently serving as a Principal Investigator (PI), Project Director (PD), or Co-Investigator (Co-I)
13 but would not be automatically eligible as outlined in sections 4.1 and 4.2 of the Policy (“impacted
14 employees”).
- 15 2. The impacted employees will, at a minimum, be grandfathered into the role of approved PI for the
16 project on which they are currently serving as a PI.
- 17 3. Impacted employees may be assigned indefinite approval of PI eligibility by the Associate Vice
18 President in Research and Graduate Studies, in consultation with the Chair/supervisor.
- 19 4. Upon agreement of the employee and their supervisor, a member’s Letter of Appointment may be
20 modified, if necessary and to the extent necessary, to clarify that their employment includes
21 principal investigator duties and responsibilities.

22 **Communication Plan**

- 23 1. The new policy will be communicated to current PI/PDs and Co-Is, Department Chairs, and
24 Deans via the normal email channels, within 10 days of the implementation of the policy. The
25 communication to PI/PDs and Co-Is shall include information about actions that may be taken to
26 clarify their Letters of Appointment for the purposes of this policy.
- 27 2. The Policy will also be presented to the OAA Academic Leadership Team, Human Resources and
28 the Assistant & Associate Deans group to disseminate information as quickly as possible
29

30 **Post-Transition Procedures for Requesting Exceptions to the PI Policy**

- 31
- 32 1. A process has been created in section 4.3 of the Policy whereby Deans, Directors or Division
33 Heads can apply on an employees’ behalf to be assigned status of PI-eligible for an employee who
34 is not automatically eligible for assignment as PI/PD/CoI, and who is not in the group of
35 grandfathered employees.
- 36 2. Deans/Supervisors may request a one-time exception or an indefinite exception, upon execution
37 of this MOA.

3. All requests for assignment of PI-eligible status will be reviewed on a case-by-case basis and a decision will be rendered by the Associate Vice President (AVP) in Research and Graduate Studies.
4. The AVP decision should be rendered within 15 working days of receipt of the application. In the event this timeline is not feasible, the AVP will notify the employee and AAUP with the reasons needed for a timeline extension.
5. Employees may appeal a negative decision by the AVP to the Vice President for Research and Graduate Studies (VPRGS). This appeal is not considered a replacement for a grievance on procedural defects, as appropriate.
6. The decision of the VPRGS is final, and reconsiderations will not be accepted.

4.0 Policy

4.1 Principal Investigator/Project Director (PI/PD) Eligibility Requirements

4.2 Co-Investigator (Co-I) Eligibility Requirements

4.3 Exceptions to PI/PD Eligibility Requirements

4.4 Principal Investigators for External Awards for Students or Other Trainees

4.5 Responsibilities of the Principal Investigator

1.0 Policy Summary Statement

The Principal Investigator (PI) or Project Director (PD) is the individual designated by Portland State University (PSU) and approved by an external funding agency (sponsor) to direct a sponsored project awarded to the University. Proposals submitted for extramural funding of research, training and public service projects, as well as awards received for such projects (sponsored projects) must name an eligible employee of the institution to serve as PI/PD. Eligibility to act as a PI/PD or Co-Investigator (Co-I) on sponsored projects is a privilege limited to employees of Portland State University. The PI/PD on a PSU sponsored project is accountable for all aspects of the project and is responsible for the management of funds awarded to PSU. Therefore, individuals serving as PIs must have sufficient authority as an employee of PSU to hold this role. This policy outlines the assignment-related criteria for serving as a PI on a PSU sponsored award.

2.0 Purpose

The purpose of this policy is to outline the assignment-related criteria for PSU employees to be assigned to the role of Principal investigator/Project Director (PI/PD) and Co-Investigator on an externally-funded sponsored project. Additionally, this policy is to ensure that sponsored projects are conducted by those who have the requisite training, skill, commitment, resources, and the appropriate relationship to the University.

3.0 Definitions

1 **Principal Investigator (PI):** The individual assigned by PSU who meets assignment-related criteria
2 established by PSU and approved by the sponsor to direct the project or activity being supported by the
3 award; responsible and accountable to both PSU and the sponsor for the appropriate fiscal management,
4 conduct, and reporting of the sponsored project. This role is typically associated with research projects.

5 **Project Director (PD):** This term is synonymous with Principal Investigator (PI) for purposes of this
6 policy and by many sponsoring agencies. It is often used to describe the individual assigned to direct
7 sponsored projects for training or non-research activities.

8 **Co-Investigator (Co-I):** An individual who is assigned by PSU and shares with the PI/PD the
9 responsibility for the conduct of a sponsored project and makes a significant contribution to the project.

10 **Sponsored Project:** Externally-funded activities in which a formal written agreement, such as a grant,
11 contract, or cooperative agreement, is entered into by the University and the sponsor, typically in response
12 to a proposal submission.

14 4.0 Policy

15 PSU is legally and financially responsible and accountable to sponsors for awards issued to and accepted by
16 PSU. The Principal Investigator (PI) is the individual assigned by Portland State University (PSU) and
17 approved by the sponsor to direct a sponsored award. The PI is the primary individual in charge of the
18 sponsored award. The PI has primary responsibility for achieving the technical success of the project. The
19 PI has primary responsibility for the proper stewardship of award funds. The PI has primary responsibility
20 and is accountable to the University and sponsor for the proper programmatic, scientific or technical
21 conduct of the project and its financial and day-to-day management.

22
23 An individual may be assigned a PI/PD role if they have the requisite education, training, skill, and
24 commitment as determined by the head of the PSU division in which they are employed, as well as the
25 appropriate relationship to the University as outlined in this policy.

27 4.1 Principal Investigator/Project Director (PI/PD) Eligibility Requirements

28 To be automatically eligible for assignment as a PI/PD on a PSU sponsored project, the individual must
29 be a faculty member paid by PSU with an active PSU employment agreement in the following employee
30 groups (rank and tenure status):

- 31 • Tenure-related faculty with the ranks of Assistant Professor, Associate Professor, or Professor.
- 32 • Tenure-related faculty in University or Administrative service.
- 33 • Non-Tenure Track Faculty with the rank of Research Assistant Professor, Research Associate
34 Professor or Research Professor and an appointment of 0.5 FTE or greater as defined in the
35 AAUP collective bargaining agreement.
- 36 • Emeritus faculty who were approved PIs prior to retirement (with the approval of their department
37 chair and dean).

38
39 Persons in roles other than those described above may apply to be assigned as a PI/PD as outlined in
40 section 4.3. Individuals affiliated with PSU only through a courtesy appointment are not eligible to be
41 assigned as PI/PD. In rare circumstances, individuals with courtesy appointments may be authorized to
42 serve as a Co-Investigator if an exception is granted in accordance with section 4.3 of this policy.

1 In instances where sponsor-specific PI requirements are more restrictive than this policy, PSU will follow
2 the more restrictive requirements as necessary. If the sponsor's requirements are less restrictive than
3 PSU's policy, PSU's policy shall take precedence.

4.2 Co-Investigator (Co-I) Eligibility Requirements

6 To be eligible for assignment as a Co-Investigator on a PSU sponsored project, the individual must have
7 qualifications consistent with a Research Associate or higher rank and have written endorsement from the
8 department chair and dean, or meet the eligibility requirements to serve as a PI as outlined in section 4.1.

4.3 Exceptions to PI/PD Eligibility Requirements

11 Individuals in employment categories not listed in Sections 4.1 and 4.2 may be assigned to the role of
12 PI/PD or Co-Investigator through an exception process managed by the office of Research and Graduate
13 Studies. Requests for PI eligibility may be submitted on a case-by-case basis or for an indefinite time
14 period.

16 For projects in academic units, application for PI/PD or Co-Investigator status must be prepared in
17 cooperation with the department chair or supervisor and submitted by a Dean or University Center
18 Director (Division Head) on behalf of an individual applicant to the Associate Vice President in Research
19 and Graduate Studies following RGS procedures.

21 For projects in non-academic units, application for PI/PD or Co-investigator status must be prepared in
22 cooperation with the unit supervisor and submitted by the appropriate senior administrative official in the
23 division (Division Head) to the Research and Graduate Studies following RGS procedures.

25 In all cases, the Division Head will affirm they understand that their unit is responsible for: (1) ensuring
26 the individual follows all pertinent compliance and award administration requirements, (2) completion of
27 all required reports and deliverables, (3) any financial liabilities such as over-expenditures, and (4) providing
28 space and access to other facilities and/or resources needed to effectively carry out the project through the
29 term of the award.

4.4 Principal Investigators for External Awards for Students or Other Trainees

32 Faculty advisors or mentors will be designated as the PSU Principal Investigator of record for external
33 fellowships or other student awards. Trainees, whether or not they are employees (such as postdoctoral
34 scholars or students), may apply for external fellowships and mentored career development awards only
35 with the approval of a PSU faculty advisor or mentor as indicated either on the application and/or the
36 PSU proposal internal approval form. Graduate students, postdoctoral scholars and other trainees may not
37 normally serve as a PI or Co-PI on investigator-initiated sponsored awards.

4.5 Responsibilities of the Principal Investigator

40 PIs/PDs/Co-PIs must faithfully execute their responsibilities including: conducting research and
41 production of deliverables as required in the grant or contract, following applicable federal, state and local
42 guidelines and regulations, following PSU policy and rules, submitting required reports in a timely manner,
43 and any other specific guidelines required by the research sponsor or PSU. Failure to fulfill PI duties and
44 responsibilities may result in the loss of PI role assignment, and/or result in discipline for just cause.

3
4 **Subject: Loss of staff RGS**

5
6 Preamble: Research is a critical component of PSU's educational mission. PSU recognizes that a reduction
7 in RGS capacity may have an adverse impact on RGS staff, PIs, and faculty. Concerns about the transition
8 in RGS were reflected in the Demand to Bargain in December 2018, and subsequent comments received
9 from several stakeholders including the Faculty Senate, faculty in engineering, and individual faculty from
10 across campus.

- 11
12 1) No academic professional will be assigned mandatory overtime.
13 2) Distribution of overtime will be by seniority of the research academic professionals, then rotation
14 thereafter to provide an equitable distribution of overtime.

20 available on the HR website. The AP and their Supervisor will agree on which of these two forms will
21 be used for the evaluation.
22 6) APs who are assigned to RGS and/or are assigned new duties or whose job duties significantly change
23 will receive ongoing training as necessary or requested.
24 7) PIs will be offered ongoing training on their responsibilities related to the management and
25 application for sponsored projects as necessary for them to meet the needs of their role as PI.
26 8) Management will notify the Academic Leadership Team (ALT) of this MOA and provide a letter
27 informing them to consider evidence of impact of the reduction in RGS staff, from December 2018
28 through the effective date of this MOA, on the Faculty's next round of evaluation for promotion
29 and/or tenure.
30 9) AAUP will send a joint notification crafted with Administration to members reminding them of the
31 option to include evidence of impact of the RGS staff reductions on research productivity, if
32 appropriate.
33 10) Updates about RGS will be shared no less than annually at the labor management meetings. In the case
34 of additional changes in staffing levels, AAUP shall be notified within 30 days.

31 **I. Policy Statement**

32
33 Portland State University (University) is committed to academic freedom and strives to place copyright
34 ownership with the Faculty authors and creators of scholarly, academic, and artistic works, except in
35 certain circumstances.
36

37 **II. Reason for Policy/Purpose**

38
39 This policy promotes the University's scholarly, academic, and service missions by establishing a
40 framework for the ownership and disposition of copyright for materials created by University employees
41 and students. Establishing a framework for ownership and disposition of copyright materials provides
42 clear guidance to University Faculty, Staff, and students regarding their rights in created material. By
43 establishing Faculty and student ownership in their scholarly, academic and artistic works, the University
44 fosters an environment of creativity and scholarship and encourages professional advancement. This
45 policy's purpose is to protect the academic freedom enjoyed by Faculty, to establish Faculty ownership

1 except in limited circumstances, and to establish permissions between Faculty and the University for use of
2 copyright materials owned by each. This policy also sets forth the University's expectations for copyright
3 ownership of works created by students and non-Faculty Staff and for the disposition of copyright to
4 external sponsors of Faculty projects. By clarifying copyright ownership and permissions, the University
5 protects public resources and establishes expectations for employees who contribute to the University in
6 the course of their employment.
7

8 **III. Applicability**

9

10 This policy applies to all students, employees, contractors, schools, colleges, and administrative units of the
11 University.
12

14 **IV. Definitions**

15

16 **Commercial Use:** A grant of copyright right, transfer of copyright ownership, or sale of Copyright
17 Materials to a third party which is either contingent on monetary consideration or which allows that third
18 party to further grant rights or sell Copyright Materials for monetary consideration.
19

20 **Copyright Materials:** Original works of authorship or creation to which copyright accrues and that are
21 authored or created by Faculty or Staff.
22

23 **Course Materials:** Copyright Materials whose copyright is owned by a Faculty or Staff member and which
24 are used by that Faculty or Staff member for teaching a registered course at the University.
25

26 **Faculty:** All academically-ranked Faculty of the University. With respect to Course Materials under this
27 policy, Faculty also includes any employee teaching a registered course at the University.
28

29 **PSU Copyright Material(s):** Copyright Materials for which the copyrights are either owned by the
30 University under Work for Hire, assigned to PSU voluntarily, or required to be assigned to the University
31 under the exceptions to the University's waiver of Work for Hire for Faculty.
32

33 **Scholarly Work:** Includes, but is not limited to, Faculty or Staff authored or created textbooks,
34 pedagogical materials, journal articles, conference presentations, white papers, monographs, plays, poems,
35 musical compositions, visual arts and other works of artistic imagination. As guidance, Scholarly Work are
36 often objects that fulfill the requirement of 'scholarship' under a field- and department-relevant promotion
37 and tenure review process, that fulfill the requirement of a degree program, or that are the results of a
38 Sponsored Project or research study.
39

40 **Separate Agreement:** A written agreement between the University and Faculty regarding the ownership
41 of Copyright Materials to be created using University resources, such as the creation of Copyright
42 Materials for a University-funded or -directed project, or the creation of Copyright Materials subject to a
43 course release.
44

1 **Sponsored Project(s):** Research or service undertaken by Faculty or Staff utilizing any external funding
2 source, such as grants, gifts, contracts, or awards.

3
4 **Staff:** University employees who are not academically ranked, including academic professionals.

5
6 **Unit:** The administrative area within the University that has provided resources specifically for the creation
7 of Copyright Material under a Separate Agreement.

8
9 **Work for Hire.** As used in this policy, the term has the same meaning as in section 101 of the Copyright
10 Act of 1976, as amended. Generally, a “work for hire” is a work prepared by an employee within the scope
11 of his or her employment or by a third party hired by the University to perform services or undertake
12 other work through which Copyright Materials are created.

14
15 **V. Policy**

16
17 **1. Copyright Ownership**

18
19 1.1 **University Waiver of Work for Hire.** Subject to the limitation set forth below, the
20 University by this policy waives its rights under the Work for Hire rule for Faculty and
21 acknowledges that Faculty author(s) or creator(s) of Copyright Materials hold the
22 original copyright to Copyright Materials created while employed by the University. Also
23 subject to the limitation set forth below, the University by this policy waives its rights
24 under the Work for Hire rule for Staff for Copyright Materials that are Scholarly Work
25 or that are created for the purposes of becoming Course Materials. These waivers are
26 subject to the following exceptions, under which the Work for Hire rule still applies:

27
28 1.1.1 Copyright Materials developed under a Sponsored Project;

29 1.1.2 Copyright Materials developed under a Separate Agreement where ownership to
30 Copyright Materials is retained by the University.

31
32 1.2 **Copyright ownership under Separate Agreements.** When entering into Separate
33 Agreements, the University and Faculty/Staff member(s) may agree that either the
34 Faculty/Staff member(s) or the University will own the copyright in Copyright Materials
35 created under the Separate Agreement. This Separate Agreement will be made between
36 the Faculty/Staff member(s) and the Unit. In proposing University ownership of
37 Copyright Materials in Separate Agreements, the Unit should consider both the level of
38 University resources to be used in the Separate Agreement and any anticipated
39 incorporation of pre-existing Faculty or Staff-owned Copyright Materials. No Separate
40 Agreement shall change any part of this policy.

41
42 1.3 **Scholarly Work Exemption.** If dissemination of a Scholarly Work requires a copyright
43 assignment to a third party of PSU Copyright Materials which are PSU Copyright
44 Materials under the Work for Hire rule or which would otherwise be required to be
45 assigned to the University under the exceptions to the University’s waiver of the Work
46 for Hire rule, and to the extent that such PSU Copyright Materials are not encumbered

1 by the terms of a Sponsored Project, Separate Agreement, or existing license to a third
2 party, PSU will not assert its ownership in the copyright to such materials. The
3 University will preserve the publishing rights of Faculty, Staff, and students when
4 entering Sponsored Project agreements unless the Faculty or Staff principal investigator
5 is willing to accept publication restrictions for the needs of individual projects. The
6 University recommends that when entering into agreements for the publication and
7 distribution of Copyright Materials, authors make arrangements allowing them to archive
8 their materials in PDXScholar, the University's open access institutional repository.
9

10 1.4 Students' Ownership of Student-Created Works. Each student holds the copyright to
11 Copyright Materials that the student authors or creates, unless the creation/authorship
12 of such Copyright Materials was performed by the student under a Sponsored Project,
13 under a Separate Agreement, or in a student's capacity as Staff. A student may
14 voluntarily grant permissions to or transfer copyright to the University or to another
15 entity. Such permission or transfer should be in a writing agreed to by the student.
16 Faculty and Staff shall not infringe a student's Copyright Material, in their capacity as a
17 University employee or otherwise. The University shall not require a student's
18 assignment of Copyright Materials to the University or to a third party to fulfill any
19 academic requirement, nor shall the University deny any academic requirement activity
20 in response to a student agreeing to assign their copyright to a third party. The
21 University will seek to advise and help students understand their rights under copyright
22 law.
23

24 1.5 Digital Transfer. The uploading of Copyright Material to an online teaching platform or
25 other transfer to digital medium operated by the University shall not change the
26 ownership of the original Copyright Material unless explicitly agreed by the copyright
27 owner of such Copyright Materials.
28

29 2.0 Copyright Permissions

30
31 2.1 **Blanket University-to-Faculty Permissions for PSU Copyright Materials.** The
32 University by this policy grants a non-exclusive, non-commercial copyright license in
33 PSU Copyright Material to the Faculty author(s) or creator(s) of that PSU Copyright
34 Material, provided that the PSU Copyright Materials are not encumbered by the terms
35 of a Sponsored Project or are not licensed or expected to be licensed to a third party.
36 Faculty are encouraged to further distribute such PSU Copyright Materials, when
37 applicable, for public benefit under appropriate non-commercial open source
38 (<http://www.opensource.org/>) or creative commons (<http://creativecommons.org/>)
39 licenses. This grant to Faculty may terminate if the University licenses PSU Copyright
40 Materials to a third party for Commercial Use. Such Commercial Use licenses may be
41 first executed only with the acknowledgment of the Faculty author or creator.
42

43 2.2 **Limited University-to-Staff Permissions for open source release of PSU**
44 **Copyright Materials.** Staff authors of PSU Copyright Material may release such
45 materials under appropriate non-commercial open source or creative commons licenses
46 for purposes of participation in an open source project or in connection with

1 membership in or presentation to a professional organization , provided that: (a) the
2 Staff author(s) obtain permission from their supervisor or department chair; (b) release
3 of the PSU Copyright Materials is not limited by the terms of a Sponsored Project or
4 other agreement; and (c) the PSU Copyright Materials are not licensed or expected to be
5 licensed to a third party.

6
7 **2.3 Limited, Revocable Permissions to University for Course Materials Due to**
8 **Unforeseen Circumstances.** All Faculty and Staff grant to the University, to the
9 extent they have ownership in or permissions for Course Materials, a non-exclusive,
10 non-commercial copyright license in those Course Materials for the purpose of teaching
11 such course in the event that circumstances require that another person teach the course
12 on short notice. Such license is effective only for the academic term immediately
13 impacted by the unforeseen circumstance.

14
15 **2.4 University Permissions for Course Materials for Archiving, Accreditation and**
16 **Accommodations.** Upon first using Course Materials in a registered course, all Faculty
17 and Staff grant to the University permission to archive the materials for the purpose of
18 accreditation, and subject to the time limitations of Section 2.3, permission to make
19 derivatives for the purpose of accommodation and accessibility (such as may be required
20 under the Americans with Disabilities Act).

21
22 **2.5 Sharing of Course Materials.** The University encourages the free flow and sharing of
23 materials and pedagogy among Faculty and Staff. A person seeking to use Course
24 Materials owned by another Faculty or Staff member to teach a registered course at the
25 University must request and obtain written permission directly from the owner of the
26 Course Materials. Permission to use the Course Materials may be revoked at any time by
27 the Faculty or Staff author(s) or creator(s) who own the copyright, although such
28 revocation shall not be effective until the end of the academic term if the course has
29 started or will start within thirty (30) days.

30
31 **2.6 Digital Transfer.** Faculty who upload their Copyright Material to an online teaching
32 platform, or other transfer to a digital medium, operated or contracted by the University
33 retain ownership of their Copyright Material. Faculty shall have the right to require such
34 Course Materials be removed from the digital medium.

35
36 **3.0 Faculty disclosure.** Faculty and Staff using or distributing PSU Copyright Materials under the
37 license granted in Paragraph 2.1 or pursuant to Paragraph 2.2 above have an obligation to mark
38 PSU Copyright Materials as “© Portland State University.” Faculty and Staff who wish to use
39 or distribute PSU Copyright Materials for Commercial Use shall seek an appropriate license by
40 disclosing the PSU Copyright Materials to the University’s Office of Innovation & Intellectual
41 Property.

42
43 **4.0 Independent Contractors of Works Created Under Contract.** Where the University hires
44 third-parties to perform services or undertake other work where Copyright Materials are
45 created, it is the general practice of the University to retain the copyright ownership in those
46 works under the Work for Hire rule. Such materials will be PSU Copyright Materials.

1
2 a. **Collaborative and Joint Works.** When individuals collaborate to author Copyright
3 Materials, a "joint work" often results, in which all the rights holders jointly hold
4 nonexclusive rights to use the work. For example, Copyright Materials may be authored or
5 created by combinations of Faculty, students, and Staff working on a project and this
6 collaboration may result in a joint work(s) where the copyright is owned jointly and the
7 work created may be a combination PSU Copyright Materials and Faculty-owned or
8 student- owned Copyright Materials. Prior to authoring or creating such works, Faculty,
9 Staff, and students who collaborate with each other or with non-University third-parties
10 (e.g., volunteers, visitors, other collaborators) are encouraged to describe or determine the
11 disposition of the resulting copyright. A sample form is provided in Links to Related
12 Forms.

13
14 6.0 **Licenses to Third Parties.** The license of PSU Copyright Material from the University to
15 third parties for Commercial Use, or for any use in exchange for license fees, including all
16 terms and execution of such license agreements, is the sole responsibility of the Office of
17 Innovation & Intellectual Property under the Vice President for Research.

18
19 **1.0 Sponsored Projects.**

20
21 1.1 When negotiating agreements with external parties for Sponsored Projects, the
22 University shall endeavor to retain PSU ownership of copyright for any Copyright
23 Materials created by Faculty and/or Staff under the Sponsored Project. The University
24 may grant rights in PSU Copyright Materials created under a Sponsored Project to an
25 external sponsor commensurate with the purpose of the agreement and the nature of
26 the Sponsored Project, but will not grant a license for Commercial Use in a Sponsored
27 Project agreement unless a separate license to such rights is executed through the Office
28 of Innovation & Intellectual Property.

29
30 1.2 For Sponsored Projects or other contracts (e.g., procurement contracts) under which the
31 University is primarily performing a service or allowing use of University equipment
32 without significant intellectual input from Faculty or Staff (e.g., centers with published
33 external user rates in the University Fees and Fines book), the University may assign
34 ownership of Copyright Materials created under the Sponsored Project to the external
35 sponsor provided that Faculty and Staff performing the project acknowledge in writing
36 that for that Sponsored Project:

37
38 1.2.1 No students will create Copyright Materials for the Sponsored Project,

39 1.2.2 Only Copyright Materials created under the Sponsored Project will be assigned, and no
40 previously created Copyright Materials shall be included,

41 1.2.3 University Faculty and Staff will have no right to use the assigned Copyright Materials
42 unless otherwise permitted, and

43 1.2.4 University Faculty and Staff will have no right to publish the assigned Copyright
44 Materials unless otherwise permitted.

45
46 In addition, the external sponsor must acknowledge in writing that:

- 1
2 1.2.5 No export-controlled information in the Copyright Materials will be assigned, and
3 1.2.6 The University is under no obligation to seek export control licenses for such
4 information.
5

6 **VI. Procedure**
7

8 1. Policy Interpretation and Dispute Resolution
9

- 10 1.1 This policy and its implementation may require interpretation and review. University
11 stakeholders should make every attempt to resolve disputes informally with the
12 assistance of one or more of the following: the Office of Innovation & Intellectual
13 Property (for overall policy clarification and matters regarding Commercial Use of PSU
14 Copyright Materials), the Office of Academic Affairs (for issues involving Course
15 Materials and Separate Agreements), and the Sponsored Projects Administration (for
16 obligations or issues related to Sponsored Projects).
17
- 18 1.2 If informal procedures and consultation do not provide resolution of a dispute or policy
19 issue, University stakeholders may request that the President convene a Copyright
20 Advisory Committee to recommend a resolution to the President. The Copyright
21 Advisory Committee will be composed of five (5) members. The committee shall be
22 chaired by the President or President's designee, and shall have two administrative
23 members appointed by the President or designee and two faculty members appointed by
24 the presiding officer of the Faculty Senate. The committee members appointed will not
25 have participated in the informal dispute resolution process in Paragraph 1.1 above. The
26 committee shall be convened and meet to hear the dispute within fifteen (15) working
27 days of the declaration of any stakeholder in Paragraph 1.1 that an informal resolution is
28 not possible. The committee will generate a written report with their recommendation,
29 including findings and rationale for their decision. The President or designee will make a
30 decision regarding the dispute or policy issue within twenty (20) working days after
31 receipt and review of the Copyright Advisory Committee's recommendations. If the
32 stakeholder is not represented by a union, the President's decision will be final and
33 binding.
34
- 35 1.3 If the stakeholder is a member of a bargaining unit and is not satisfied with the
36 President's decision in Paragraph 1.2, a grievance may be initiated at the President's Step
37 of the relevant contractual grievance procedure. The President's review of the decision
38 will be a request for reconsideration of their initial decision. If, upon reconsideration, the
39 member is still not satisfied with the decision, the bargaining unit representative can
40 proceed to arbitration in accordance with their collective bargaining agreement.
41
- 42 1.4 Paragraphs 1.2 and 1.3 of this Section (Policy Interpretation and Dispute Resolution) do
43 not apply to disputes arising under Paragraph 2.5 (Sharing of Course Materials), except
44 in cases in which it is alleged that a University administrator has violated this Policy.

1 Disputes among Faculty members regarding use of Copyright Materials are best resolved
2 using informal mechanisms.

3
4 1.5 This Policy Interpretation and Dispute Resolution section does not limit any other
5 remedies provided by law.
6

7 2. Revenue. On a quarterly basis, and after the recovery of reasonable direct expenses, the Office of
8 Innovation & Intellectual Property shall distribute any licensing revenue received by the University
9 for the granting of licenses to PSU Copyright Materials, including fees, milestone payments,
10 running royalties, liquidated equity, and any other cash received, in the manner described below. It
11 is the intent of the University that licensing revenue distributed internally be used as long as
12 available to support ongoing innovation activities of the unit that generated the licensed PSU
13 Copyright Material, and that such funds should not be removed from the assigned department,
14 school, college, or project, or charged administrative overhead fees for their use.
15

16 2.1 For PSU Copyright Materials that are under continual development within the
17 University or licensed non-exclusively primarily to end users or consumers of the
18 materials:

19 2.1.1 10% to the Office of Innovation & Intellectual Property, and

20 2.1.2 90% to an internal account controlled by the lead Faculty or Staff on the project
21 that created the PSU Copyright Materials.
22

23 2.2 For PSU Copyright Materials in substantially complete form that are licensed for
24 Commercial Use to third parties who have responsibility for selling the PSU Copyright
25 Materials to end users or consumers:

26 2.2.1 12.5% to the department or center in which the author(s) or creator(s) of the PSU
27 Copyright Materials primarily developed the PSU Copyright Materials,

28 2.2.2 12.5% to the college in which the department or center is housed

29 2.2.3 25% to the Office of Innovation & Intellectual Property, and

30 2.2.4 50% directly as royalties to the author(s) or creator(s) of the PSU Copyright
31 Materials.

32 2.2.4.1 If there are multiple authors/creators, or contributors who are not legal
33 authors/creators but whose contribution the authors/creators would
34 like to recognize, PSU requires the authors/creators to reach written
35 agreement, recorded with the Office of Innovation & Intellectual
36 Property, on how to further divide this 50%. If no agreement can be
37 reached, the Vice President for Research will decide on the revenue
38 split for the authors/creators. If the faculty member is not satisfied
39 with the Vice President for Research's decision, the faculty member or
40 any dissatisfied stakeholder can pursue dispute resolution as provided
41 in Section 1 (Policy Interpretation and Dispute Resolution).

1 **Disposition of Copyrights in Joint Works**
2 **(Sample Form 1 to Copyright Ownership Policy)**
3

4 When individuals collaborate to author Copyright Materials, a "joint work" often results, in which
5 all the rights holders jointly hold nonexclusive rights to use the work. For example, Copyright
6 Materials may be authored or created by both Faculty and Staff working on a project and this
7 collaboration may result in a joint work(s) where the copyright is owned jointly by both the
8 University and the Faculty member(s) and the work created is both PSU Copyright Materials and
9 Faculty-owned Copyright Materials. Prior to authoring or creating such works, Faculty, other
10 University employees, and students who collaborate with each other or with non- University third-
11 parties (e.g., volunteers, visitors, other collaborators) are encouraged to describe or determine the
12 disposition of the resulting copyright.

13
14 This form is intended to provide a mechanism for such determination or disposition. Is it not
15 required, but encouraged that Faculty and Staff think through and record such dispositions using
16 this form or another mechanism.

33 **MOA #8: APPENDIX 2**

34 Article 20. INTELLECTUAL PROPERTY/DISTANCE EDUCATION AND COPYRIGHT
35 OWNERSHIP
36

37 Faculty are becoming increasingly involved in distance learning, web-based courses, and other education
38 and training programs that have implications concerning the use and ownership rights of intellectual
39 property.
40

41 The University and the Association agree to follow applicable University policies that govern intellectual
42 property, Federal Law, and State Law that govern intellectual property rights and copyright ownership of
43 faculty. Both parties agree that governance and ownership of intellectual property rights and
44 responsibilities do not change as a result of the medium of delivery or storage (*e.g.* on-line, electronic
45 media).
46

1 The University agrees to provide as a resource the ~~Director~~ Office of Innovation and Intellectual
2 Property to faculty members who have questions and/or concerns about the use or misuse of intellectual
3 property rights and copyright ownership. Faculty may also contact the Association about these matters.
4

5 The University and the Association agree to facilitate and conduct intellectual property awareness and
6 education sessions that will reinforce the rights and responsibilities of Portland State employees including
7 faculty and administration.
8

9 COPYRIGHT OWNERSHIP

10

11 The University and the Association negotiated and reached agreement on the University Copyright
12 Ownership Policy, which is included in the CBA as an Appendix,
13

14 The parties agree that no faculty member will be compelled to enter into a separate agreement, as defined
15 in the policy, as a condition for continuing employment, promotion, tenure, or rehire. A faculty
16 member's decision to not enter into a separate agreement shall not be just cause for discipline.

1 **Memorandum of Agreement #9 AP INITIAL PLACEMENT NEW SYSTEM**

2 August 8, 2020

3
4 **Subject: Process for the initial placement of Academic Professionals (APs) into new Job**
5 **Family, Career Tracks and Career Levels**

6
7 *Recitals*

8
9 PSU has created a new system of classification for Academic Professionals. This includes the
10 creation of new Job Families, Career Tracks, and Career Levels). See attached Appendix V. The
11 following outlines the process that PSU Human Resources (HR) will use to initially place
12 AP's into their new Job Family, Career Track and Career Level. This process does not pertain to ongoing
13 job placement review requests after the initial placement process.

14
15 This Memorandum of Agreement has been negotiated by the University and the Association during
16 the Successor Bargaining period (2019-2020). Parties agree that this MOA, once ratified by
17 Association membership, will be implemented prior to the ratification of a full contract.

18
19 *Agreement*

20
21 The Position Description (PD) review and Job Family, Career Track and Career level placement
22 process will be completed within 60 days of the initial communication.

23
24 **Position Description Review Process**

- 25
26 1. Upon ratification of the MOA, no earlier than April 1, 2020, HR will send a joint email from PSU
27 HR and the Association to the employee and the supervisor. This notice will introduce the new
28 classification system and the placement of APs in this new classification system. (See Appendix I) All
29 departments will provide time during regular work hours for APs to review and revise their Position
30 Description (PD) so that it accurately describes the work and duties performed at the time of
31 placement.

32
33 Generally, within thirty (30) working days following this joint communication, the following
34 activities will take place:

- 35
36 a. HR will email all supervisors with information regarding the PD update process and timeline.
37 b. APs and their supervisor will be provided an opportunity to review the PD.
38 c. The supervisor and AP shall meet to review the PD, discuss the AP's job duties and role, and
39 discuss any changes that will be made. The review is not an evaluation of the AP's job
40 performance, but it is to accurately capture the AP's job duties.
41 d. After the meeting with the AP, the supervisor will update the PD via PeopleAdmin. If no
42 changes are made, the supervisor will make note of the lack of changes in PeopleAdmin. HR
43 will send a reminder to involved parties two weeks into this thirty (30) day PD update
44 process.
45

47 confirmation email to both Supervisor and AP. The HR confirmation email will include a link to

1 PeopleAdmin, instructions on how to access the updated PD and a Position Description Feedback
2 form for the AP.

3
4 The Position Description Feedback form (See Appendix II) is designed to collect information from
5 APs about the PD update process including:

- 6
- 7 ● when the AP reviewed their PD with their supervisor,
- 8 ● AP concerns with the Position Description, if any, and
- 9 ● whether they wish for HR to contact them.

10
11 Based on the responses from the Position Description Feedback form the following actions may
12 result:

- 15 b. **No review:** Should the AP indicate that they had no review or meeting with their supervisor,
16 HR will follow up with the supervisor to confirm the situation and, if necessary, the
17 supervisor will set up the PD meeting.

40 issued the placement decision, HR will review the request and any supplemental
41 information the AP has submitted. HR will forward a copy of the review request to the
42 Association upon receipt. HR representatives will utilize all information provided and the
43 Classification framework to re-assess the AP job duties. HR may reach out to the

39 **Appendix I - Joint AAUP/PSU Communication about Position Description Validation Process**

40
41 Dear AP,
42

43 In the 2015-2019 Collective Bargaining Agreement, the University and AAUP conducted a classification study of
44 the current Academic Professional (AP) job families and levels (Letter of Agreement #8). This study, conducted by
45 a jointly selected outside consultant, resulted in the adoption of a new job family structure for Academic
46 Professional and Unclassified/Unrepresented employees. In part, this new structure includes more specific job
47 families and six individual contributor levels for each position category.
48

1 PSU AAUP and the University have agreed on procedures that will ensure an accurate and efficient transition from
2 the old job family system to the new one. Supervisor and Academic Professional input are critical to this process.
3 Given the diversity and complexity of Academic Professional positions, the supervisor and the Academic
4 Professionals they directly supervise have the best understanding of what these positions entail.
5

6 The first step of the transition is a position description update/validation process. AP positions will be re-
7 categorized into the new job family/IC level system based upon their position description. Since we currently do
8 not have a process for regularly updating position descriptions, many AP position descriptions are out-of-date. To
9 support the classification process, the first step is a position description review, update if necessary, and validation,
10 all of which are critical to the timely and accurate placement of positions into the new structure.
11

12 Over the next 2-3 months, all of the AP position descriptions will be reviewed and updated along the following
13 general timeline.
14

15 Step 1: Supervisors meet with APs to review and discuss position descriptions.
16

17 Step 2: Supervisors update position descriptions in PeopleAdmin as discussed and where necessary.
18

19 Step 3: Once AP position descriptions have been updated, APs will be notified so that they have an opportunity to
20 review the revised position and provide feedback about the process.
21

22 The steps of the position description validation process are available online and focus on the importance of
23 feedback between APs and Supervisors.
24

25 You will receive additional information shortly regarding the specifics of your role in this process as an employee
26 or a supervisor. All emails from HR related to this subject will be prefaced with the [AP CLASS] tag (see this email
27 for an example) to help them to stand out and enable you to locate and prioritize them.
28

29 Thank you in advance for your participation in this process. We all share in the responsibility for ensuring that
30 position descriptions accurately reflect the work being performed by each PSU employee. If you have questions at
31 any point during the Position Description review or subsequent Classification, please do not hesitate to contact
32 PSU HR at askhrs@pdx.edu or AAUP at aaup@psuaaup.net . (truncated letter)

This document is designed to provide you with details and resources related to how positions are analyzed and placed within the classification framework.

PSU’s Classification Process helps to bring consistency to the placement of a position into a classification structure. Our goal is to properly place all positions into job groupings/families, career tracks, and career levels. The job placement is intended to align jobs across units. Throughout this process it is important to recognize that position analysis and classification is conducted based on the position, not the person currently filling the position. This is commonly referred to as an “incumbent neutral process.”

The overall Classification Process consists of the following steps -

1. [Updated Position Descriptions](#) (PDs)
2. **Job Analysis & Classification:** Our goal is to accurately place each Academic Professional position into a new classification system. Each position description will be placed into a new Job Grouping/Family, Career Track and Career Level. Details about this process are available below.
3. Reviews & Appeal - Collective Bargaining Agreement Article 17.4

1 JOB ANALYSIS & CLASSIFICATION

2
3 Position Descriptions are used to determine the correct placement of the position in the framework.

- 4
- 5 • [Job Family](#): A position is placed in a Job Grouping/Family based on common roles,
6 responsibilities, skills. Job Groupings/Families are described online [here](#).
 - 7 • [Career Track](#): Career tracks represent the overall career progression of a position (not an
8 employee). Career tracks are described in more detail [here](#).
 - 9 • [Career Level](#): Career levels are described in more detail [here](#).
 - 10 ○ [Job Role](#) – job duties and responsibilities
 - 11 ○ [Job Impact and Complexity](#) – supervision received, decision making authority, contacts
12 and communications, lead work and delegation of work to other employees, and budget
13 authority.
 - 14 ○ [Minimum and Preferred Requirements](#) – education and work-related experience
- 15

16 Career levels are determined by reviewing the position description. The PD is used to assign a level to
17 each of the above subcategories. Details about the characteristics of each level can be found in the Job
18 Level Guide linked above under ‘Career Level’. Overall Career Level is set based on the majority (>50%)
19 of subcategory levels.

**Memorandum of Agreement #10 ACADEMIC FREEDOM RESOURCE GUIDE
December 15, 2020**

Subject: The State of Academic Freedom at Portland State University

The University and Association agree to jointly develop a guide detailing resources and support available to members of the university community who are experiencing harassment or other undue pressure from individuals or groups off campus. The guide will be complete on or before 31 March 2021, will be referenced in Article 24 of the collective bargaining agreement, and will be posted in one or more places on the Portland State University website.

1 **Memorandum Of Agreement #11 ACCOMMODATION TESTING PLAN**
2 **April 14, 2021**

3
4 Subject: Effects Implementation Accommodations Testing Plan
5

6 ***Recitals***
7

8 The University has refocused the plan for student accommodation testing procedures to commence
9 when the University returns to campus. The implementation of this refocused plan will begin in Fall
10 2021. The parties acknowledge that the Provosts message on Accommodation Testing was a
11 revision to the approach of student testing accommodations and not a change in requirements.
12

13 Previously, Student Health and Counseling voluntarily provided space and staff to proctor exams.
14 The need for testing accommodations has outgrown the space and staffing for SHAC to assist in
15 this endeavor. In 2018 a decision was made to transfer oversight of the Testing Center to another
16 Department. A work group was created to determine the best way to implement this decision and
17 the resulting undertakings. Some students would be directed to the testing center based on more
18 extensive accommodations, while students with less extensive accommodations would be directed to
19 their faculty for testing accommodation's.
20

21 ***Agreement***
22

- 23 1. The parties acknowledge that if faculty members are able to design exams accessibly,
24 accommodations may not be needed.
- 25 2. The parties acknowledge that faculty members are responsible for ensuring that testing
26 accommodations are provided to comply with the accommodations determined by the
27 Disability Resource Center (DRC).
- 28 3. The Learning Center is the unit on campus that is tasked with coordinating much of the
29 third-party proctoring support available to faculty.
- 30 4. The parties acknowledge that there is currently no comparative data (identified in the list
31 below) nor has data as noted below been collected.
- 32 5. The parties agree to monitor the process, through the Labor Management Committee, to
33 determine the impact, if any, on the accommodation testing process, the participants and
34 faculty.
35

36 **Reporting**

37 Once the testing accommodations have been implemented, the University will provide AAUP
38 with a report that includes the following:
39

- 40 1) Number of requests by faculty for a secure proctor
- 41 2) Number of times a secure proctor was not available and why
- 42 3) Number of students assigned to or using Pathway A and Pathway B
- 43 4) Number of Faculty who attended training on the current PSU platform to proctor exams or
44 received training and/or assistance to implement Universal Design assessment methods.
- 45 5) Summaries of each complaint received by the DRC or the Office of Equity and Compliance
46 from a student where the student complains that there was a failure to provide approved

1 testing accommodations (summaries shall be de-identified so as not to provide FERPA-
2 protected or other non-public information about a student).

- 3 6) Further, the summaries will identify which academic department offered the course where
4 the student contends, they did not receive an approved testing accommodation if this can be
5 provided without disclosing FERPA-protected or other private information about a student.
6 7) The University will provide the report to AAUP within four weeks after the end of each
7 academic term and it will be sent to the parties in accordance with the CBA at Article 39.
8 8) The University will provide AAUP with six (6) reports, however, the AAUP may notify the
9 University at any time that it does not require to receive further reports and may mutually
10 agree to end this agreement early.

11 **Training**

- 12
13
14 1. The University will offer yearly training to assist faculty members on accommodation testing.
15 Participation in the training will be voluntary.
16 2. Training may include at least 2 options in which members can sign up to take the training.
17 3. This training shall include the principles of Universal Design assessment methods (Option 1)
18 and how to use the current PSU Platform to proctor exams (Option 2). The University will
19 send notice of each training opportunity to all instructional faculty members in the AAUP
20 Bargaining Unit via their PSU email address.
21 4. New mid-year hires shall be afforded the opportunity to receive the training before the end
22 of their first academic year.

23
24 The parties agree that either party may request to meet and collaborate on the mitigation of potential
25 impacts of the accommodation testing plan. This collaboration will be on based on information
26 provided in the reports from #1.
27

28 This MOA will become effective upon signature and ratification and will be placed as an Appendix
29 in the CBA and will expire with the Collective Bargaining Agreement.
30

31 **Provost's Message: Revised Approach to Accommodations for Testing**

32
33 Colleagues,

34 The Americans with Disabilities Act Amendments Act (ADAAA) and Section 504 of the
35 Rehabilitation Act of 1973 require the University to provide testing accommodations to all students
36 with disabilities. Since 2013, the Disability Resource Center (DRC) has experienced a 120% increase
37 in the number of students served. Currently, more than 2,100 current students have received
38 accommodations through the DRC and 72% of those (nearly 1600 students) had access to testing
39 accommodations.
40

41 The current Testing Center space (managed by Student Health and Counseling - SHAC), staffing,
42 and structure provided for proctoring exams of students with disabilities have grown inadequate to
43 meet our increasing needs, and it is becoming more difficult to ensure that students' testing
44 accommodations are provided. At the end of fall term 2019, a decision was made to transition
45 oversight of the Testing Center to another department, and a workgroup was formed thereafter to
46 draft a plan for implementation.
47

1 **The Implementation Plan**

2 The workgroup identified a stratified proctoring model that divides students into two groups based
3 on the testing accommodations for which they are found to be eligible in their initial appointment
4 with the DRC. A limited number of students who have more extensive accommodations are then
5 directed to the Testing Center for the majority of their proctoring needs. All other students receiving
6 testing accommodations are directed to their faculty to identify appropriate options that would work
7 best for the students. The complete plan for providing accommodated testing is outlined on the
8 [Learning Center's Testing Center webpage](#). This model will provide faculty with more options for
9 test proctoring and will help to ensure that all students who wish to receive their testing
10 accommodations have the ability to do so.

11 **The Learning Center's Key Role**

12 Following the presentation of the implementation plan, the Learning Center was identified as the
13 unit best positioned to take on the oversight of the Testing Center's physical space and other
14 options for providing testing accommodations. Under the direction of Interim Director Dr.
15 Shoshana Zeisman-Pereyo, the Learning Center will oversee accommodated test proctoring starting
16 in summer term 2020. I am grateful to Dr. Zeisman-Pereyo for agreeing to provide continued
17 leadership for the Learning Center and these expanded activities.

18 **COVID-19, Universal Design for Learning, and Assessment Methods**

19
20 The dramatic shift to remote education due to the effort to curtail the spread of COVID-19 has
21 compelled our university faculty to design assessment more inclusively, to move exams into D2L,
22 and to provide students with alternative assessment methods (like presentations, papers, and more)
23 as appropriate. This type of curriculum design is called Universal Design for Learning (UDL), and it
24 provides the opportunity to meet the needs of more of our students (with and without disabilities
25 alike). I hope that faculty will continue to consider ways in which UDL can be implemented in all
26 courses to address Persistence, Academic Success, and Student Experience—three of the four pillars
27 or focus areas within the PSU Student's First effort. For more information on Universal Design for
28 Learning here at Portland State, please visit the [Office of Academic Innovation \(OAI\) website](#).

29 **A Note About Make-Up Exams**

30
31 The Learning Center has also been asked to work on a plan to support faculty and students who
32 need options for taking proctored make-up exams. We will provide more information on make-up
33 exams once that has been developed.

34
35
36 Again, to learn more about the plan for providing accommodated testing options to students with
37 disabilities, visit the Learning Center's Testing Center webpage.

38
39 If you have questions or need more information, please contact Shoshana Zeisman-Pereyo, Interim
40 Director of the Learning Center, at zeisman@pdx.edu.

41
42 Sincerely,
43 Susan Jeffords, Ph.D.
44 Provost and Vice President for Student Affairs

11 The funds deposited in IPDA's on July 1, 2016, that have not been used by members are due to
12 expire and revert to the Deans on June 30, 2020. Closures across the country and the world due to
13 the pandemic have resulted in difficulty using those funds within this time period. The parties wish
14 to defer the expiration of those funds so that members have sufficient time to use them for their
15 intended purpose when normal operations resume.

16 *Agreement:*

17 The funds deposited in IPDAs on July 1, 2016, that have not been used will automatically roll over
18 in their respective IPDAs for an additional year and expire on June 30, 2021. Members will not need
19 to request the roll over pursuant to Article 19 Section 2(e) for 2016-17 funds.

20 Should normal operations not resume by January 1, 2021, then the funds deposited in IPDAs on
21 July 1, 2017, and any funds remaining from the 2016-17 allotment, will roll over until June 30, 2022.

6
7 *Recitals:*

8 PSU and AAUP recognize that the COVID-19 has created a situation that may interrupt faculty
9 progress toward promotion and tenure. The parties wish to ensure that tenure-track faculty whose
10 scholarly agendas were adversely impacted by the events of Spring 2020 are given the opportunity to
11 recover.

12
13 *Agreement:*

14 A one-year extension of the tenure clock will be offered to all tenure-track faculty members who
15 were employed on the tenure track as of Spring term, 2020.

16
17 Faculty scheduled for tenure review in Academic Year 2020-2021:

18 The University will communicate this offer to faculty members no later than one week after the
19 ratification of this agreement. Faculty in this group must let their Department Chair or Chair
20 equivalent and Dean's office know their decision in writing no later than June 1, 2020 using the
21 ACKNOWLEDGEMENT OF EXTENSION OF TENURE CLOCK form (Appendix A).

22
23 Faculty scheduled for tenure review in Academic Years 2021-22 through 2024-25:

24 For tracking purposes, all faculty in this group will remain on their current promotion and tenure
25 review schedules and retain the right to an early review. In April when notifications are sent to those
26 eligible for promotion and tenure review for the following academic year, the Department Chair,
27 Chair equivalent, or Chair of the P&T Committee will include this MOU along with the eligibility
28 notification. Any Faculty member electing the one-year extension must inform the Department
29 Chair, Chair equivalent, or Chair of the P&T Committee, and the Dean's Office of their decision no
30 later than April 30 of that academic year, in writing using the ACKNOWLEDGEMENT OF
31 EXTENSION OF TENURE CLOCK form (Appendix A).

32

2 **MAY 1, 2020**

4 **Subject: COVID-19 impact on Academic Professional Evaluations**

5
6 *Recitals:*

7
8 The workload of Academic Professionals, and their departments associated with moving all classes
9 and serving all students remotely to reduce the spread of the COVID-19 virus, is substantial. In light
10 of the changes made during the COVID pandemic period as well as the option offered to extend the
11 promotion and tenure review process, the University and the Association (collectively the “Parties”)
12 wish to provide similar consideration to all Association members.

13
14 *Agreement:*

15
16 The deadline for completing the 2019-2020 Academic Professional evaluations, which ended on
17 April 1, 2020, will be extended until June 30, 2020. The required meeting to discuss the evaluations
18 shall be completed virtually, using available technology such as Zoom or Google Hangouts.

19
20 For the evaluation period ending April 1, 2021, Supervisors will give meaningful consideration and
21 take into account the stressors and disruptions of the COVID crisis (such as a global pandemic, stay
22 at home orders, the deployment to work at home), and the input from Academic Professionals.
23 Although we recognize that each case may be different, as appropriate, Academic Professionals are
24 strongly encouraged to submit a self-evaluation that articulates struggles they may have encountered
25 and any impact on their performance or outcomes. Should an Academic Professional receive a
26 negative evaluation for performance during the COVID crisis period, the Supervisor will articulate
27 consideration given to the stressors noted in the self-evaluation.

28
29 OAA will send an email to supervisors on or about March 15, 2021 with this MOA in preparation
30 for the next evaluation period.

31
32 This agreement will become effective upon signature and ratification of the parties. This MOA will
33 be inserted in the MOA section of the Successor Agreement to the 2015-19 Collective Bargaining
34 Agreement.

4 **Subject: COVID-19 impact on NTTF and TT Faculty Reviews**

5
6 ***Recitals:***

7
8 We recognize that the COVID-19 pandemic and the University' deployment of employees to
9 remote work operations had an impact on how and where faculty members conduct their work. The
10 parties wish to provide guidance to Non-Tenure Track Instructional, Tenure Track, and Tenured
11 Faculty members about framing the impact of remote work and the pandemic in their probationary
12 annual reviews and in post-continuous and post-tenure review.

13
14 We recognize that student evaluations are commonly used in P&T and other review files. Although
15 the value of student evaluations may be disputed, they can be a key in assessing the effectiveness of
16 teaching.

17
18 ***The Parties agree as follows:***

- 19
20 1. Tenure Track and Tenured Faculty members who perceive that their scholarship, teaching and
21 service were impacted by the COVID-19 pandemic and the University's deployment of
22 employees to remote work operations have the option to include evidence in their review
23 material of the impact of the pandemic and the work at home deployment on their work in their
24 next review period for the following:
25 a. Pre-Tenure Annual Reviews
26 b. Third-Year Review
27 c. Post-Tenure Review (PTR)
28
29 2. Non-Tenure Track Instructional Faculty members who perceive that their scholarship, teaching
30 and service were impacted by the COVID-19 pandemic and the University's deployment of
31 employees to remote work operations have the option to include evidence in their review
32 material of the impact in their next review period for the following:
33 a. Pre-Continuous Appointment Annual Review
34 b. Post-Continuous Appointment Review
35
36 3. It will be at the discretion of the faculty member to include or not include any student
37 evaluations collected from courses taught during the period of remote teaching beginning
38 Winter 2020 through summer 2020 in all future evaluation, promotion, continuous appointment,
39 or tenure decisions. The absence of these student evaluations will not prejudice future
40 evaluation, promotion, continuous appointment, or tenure decisions.
41
42 4. In the Fall 2020 term, members may include and specifically note additional measures of
43 teaching effectiveness beyond student evaluations. This can include, but is not limited to, sample
44 teaching material, peer observations, or recorded lectures. A member who would like guidance
45 on suitable additional measures may, at the discretion of the member, consult their Department
46 Chair and/or their P&T committee.
47

1 5. If remote work continues into Winter 2021, members shall have the opportunity to articulate the
2 impact in their next two Pre-Tenure Annual Reviews or Pre-Continuous Appointment Annual
3 Review.
4

5 6. The University shall give meaningful consideration to the arguments and evidence presented
6 regarding the impacts of COVID-19. Should the faculty member receive a negative evaluation
7 covered by this MOA, the Review Committee will articulate the consideration given to the
8 member's arguments and evidence of the impacts of the COVID-19 pandemic and remote
9 work.
10

11 This agreement will become an addendum to the current collective bargaining agreement and will be
12 incorporated in the successor agreement as the parties deem appropriate during successor bargaining

3
4 **Subject: COVID-19 and Workshare impact on Vacation accrual and forfeiture**

5
6 *Recitals:*

7
8 PSU and AAUP recognize that the COVID-19 pandemic led to changes in most vacation plans.
9 Further, members risk being removed from the Workshare program for any week they use their
10 vacation time while participating in Workshare. Vacation days, however, continue to accrue up to
11 260 days after which vacation hours are forfeited.

12
13 *The Parties agree as follows:*

- 14
15 1. The vacation accrual cap for all AAUP vacation-eligible employees will be temporarily
16 increased to 305 hours from 6/1/2020 - 12/31/2020. This represents an increase of 3
17 months of accruals from the current unclassified maximum bank of 260 hours to 305 hours.
18
19 2. Additional vacation earned during the period noted in no. 1 above must be used by
20 05/31/21 or will be forfeited.
21
22 3. Supervisor's will be encouraged to be flexible to allow AAUP vacation-eligible employees to
23 schedule vacation time between 1/1/21 and 05/31/2021 to bring their accrual balance
24 comfortably below the 260-hour accrual limit that will be imposed on 05/21/21.
25

26 This agreement will become effective upon signature and ratification of the parties and will expire
27 on 5/31/21.

28
29 The parties may re-evaluate this agreement no earlier than December 1, 2020.

 - 17
 - 18 2. The regular 260 vacation hour cap will be restored on or about September 1. Any vacation

2 **July 1, 2020**

3
4 **Subject: Impact of COVID-19 pandemic on Sabbatical Leave**

5
6 *Recitals*

7
8 Due to the COVID 19, the University has cancelled all travel for the foreseeable future; has placed
9 all courses in remote status; and the State of Oregon has declared a “shelter in place order.” These
10 restrictions may limit ability to engage in work or research that is travel-based at this time.

11
12 *Agreement:*

- 13
14 1. Those faculty whose sabbaticals took place in AY 19/20 and whose sabbatical-related plans
15 to travel were cancelled due to COVID 19 Pandemic should consult with their supervisor,
16 Viking Travel and Human Resources to ensure that all appropriate steps were taken,
17 including:
- 18
19 i. Email notification of changes to travel or other sabbatical plans to their
20 supervisor, Viking Travel and Human Resources Partner.

26 Review as appropriate.
- 27
28 2. Those faculty who were awarded sabbaticals in AY 19-20 to be taken in AY 20-21 and
29 whose plans included travel may defer their sabbatical for up to one year. The process for
30 deferral of their sabbatical is as follows:
- 31
32 i. They must notify their supervisor at least 1 month in advance of the
33 Sabbatical start date that they want to defer.
 - 34 ii. They will not need to re-apply unless their sabbatical plan is different in
35 substance than the one that was approved.
 - 36 iii. They will be reassigned their previous faculty duties for AY 20/21.
 - 37 iv. Their supervisor will notify HR that their sabbatical has been postponed

39 sabbatical leave.
- 40

42 COVID 19 related sabbatical deferrals originally scheduled for 20-21 but deferred to 21-22.
43 Supervisors will use due diligence when approving sabbaticals, and consideration will be
44 given to programmatic as well as faculty needs.

4 **Subject: Temporary change in permitted expenditures for IPDA funds in the CBA Article 19**
5 **Section 3 (d) due to COVID-19 pandemic**
6

7 *Recitals:*

8
9 Article 19 Section 3 (d) establishes the criteria around which IPDA expenditures will be approved
10 for professional development purposes. The pandemic creates a desire for this criterion to be
11 expanded temporarily to address the needs members have working remotely. The parties to this
12 MOU agree these expenses are not consistent with our interpretation of professional development.

13 *Agreement:*

14 The University will reimburse members from their IPDAs for computers, computer peripherals and
15 accessories, network components, office furniture, and other items that they believe will be helpful
16 to support their work during the pandemic. The items purchased shall remain the property of the
17 University, and members will bring those items to campus when on-campus operations resume, and
18 they are no longer working remotely.

2 **April 14, 2021**

3
4 **Subject: Application during 10-day internal posting**

5
6 *Recitals:*

12 may come open from time-to-time by permitting them to apply as an internal candidate during the
13 period of time they are on a recall list.

14
15 *Agreement:*

- 16 1. Academic Professionals who are on lay off status, and who have requested to be placed on the

- 24
25 4. This agreement is not intended to be precedential nor is it intended to guarantee any right to the
26 AP or obligation of the employer, except as defined above.
- 27
28 5. The parties further agree that those NTTF who are given lay-off notice, as long as they are on
29 the established recall list, may also apply for any open AP positions during the 10 day internal
30 posting.
- 31
32 6. NTTF who are offered and accept an AP Position will remain on the NTTF recall list, however
33 any time spent in an AP position will not be counted towards promotion in their NTTF
34 position, or credited toward their PCAR review, should they return to that or another NTTF
35 position.
- 36
37 7. In the event the NTTF is recalled to their NTTF position they will be reinstated at the same
38 rank and appointment they held at the time of layoff.

32

33 The Parties agree that these provisions are temporary, and this agreement is made solely to meet the

1 **MOA COVID impact #17- WORKSHARE FURLOUGH**

2 May 23, 2020

3
4 **Subject:**

5 The University and the Association (collectively the “Parties”) agree to engage in the
6 Workshare Program offered by the Oregon State Department of Employment.
7

8 **Agreement:**

9
10 The University and Association have engaged in a variety of meetings (Labor Management,
11 Negotiations and the Vice Provosts Union Leadership meeting) to discuss budget shortfalls
12 and consider ways to protect bargaining unit members’ positions and respond to the
13 financial situation during the COVID 19 crisis.
14

15 As a result of these discussions, the Parties hereby agree to establish the “Work Share
16 Program.”
17

18 **Work Share Program details:**

19
20 Effective June 1, 2020, the University will place impacted employees in the Work Share
21 Program, which will conclude on December 31, 2020, unless terminated earlier.
22

23 The program will be extended to all eligible 12-month non-instructional employees for a
24 minimum of four full weeks beginning June 1, 2020, after which, PSU will determine who
25 remains on the program based on employer needs.
26

27 Eligible employees will be required to complete initial paperwork at the beginning of the
28 program.
29

30 If either party wishes to negotiate an extension of the Work Share Program, it will send
31 written notice to the other party by no later than November 2, 2020. Or, if the federal or
32 state government authorizes additional funding at any time between June 1st-December 31st,
33 Parties agree to re-negotiate the agreement.
34

35 **1) Work Share Program:**

36 a) The Work Share Program, administered by the State of Oregon Employment
37 Department (OED), allows employers and employees to address economic
38 challenges by allowing a reduction in the amount of time employees work each
39 week, with employees receiving unemployment compensation for the period of
40 time that their work is reduced.
41

42 b) Under this OED Work Share program, the University will only reduce
43 employees work hours, with the corresponding reduction in wages, by 20%.
44 Employee eligibility for the Work Share Oregon Program is determined by
45 OED. The main eligibility criteria for an employee to participate in the program
46 is that the employer must have applied and been accepted into the program, and

1 the employee must have been employed by the employer full time for at least six
2 months or part time for at least twelve months.

- 3
4 c) In order for an employer to participate in the Work Share Oregon Program they
5 must have approval of the Union that represents the impacted employees,
6 including the signature of an authorized agent of the Union on the application.
7
- 8 d) The University will promptly apply to participate in the Work Share Oregon
9 program. The Association will cooperate with the University in completing the
10 application.
11
- 12 e) As part of the application process, depending on the availability of work related
13 to their positions and eligibility for the Work Share Oregon program, the
14 University will notify bargaining unit members of their participation in the
15 program (making them “Work Share Employees”) and their initial work
16 schedule. The University will provide the list of impacted Association members
17 to the Association monthly.
18
- 19 f) Work Share Employees must timely complete required forms for the program as
20 communicated by PSU’s Human Resources Department.
21
- 22 g) Bargaining unit members who become eligible and available after the start of the
23 program may enter the program later.
24
- 25 h) Work Share Employees shall continue their retirement eligibility based on their
26 FTE prior to the reduction in hours.
27
- 28 i) The University shall continue health and retirement benefits under the same
29 terms and conditions for Work Share Employees as if the workweek had not
30 been reduced.
31
- 32 j) Work Share Employees will not be requested or required to make up work
33 impacted by furlough during the 80% of their work time.
34
- 35 k) The University shall exclude bargaining unit members from participation in the
36 Work Share program or any furlough where the Parties anticipate that the
37 member will be ineligible for state and federal resources based on the following
38 factors:
- 39 1. The member has not been employed by PSU for 6 months full time or
40 12 months part time;
 - 41 2. The member takes time off due to any qualifying reason under the PSU
42 sick leave policy that excludes them from eligibility, so long as it is
43 reported to the University in advance of the University’s weekly
44 submission to the OED;

- 1 3. The Federal Pandemic Unemployment Compensation program (FPUC
2 program) becomes unavailable prior to July 25, 2020.
3 4. If OED determines that the member who is ineligible for
4 Unemployment Insurance or for the Work Share program, the University
5 will allow the employee to apply available leave balances to make up the
6 lost hours. Ineligible employees will be returned to their schedules prior
7 to the furlough.
8

9 l) In conjunction with the MOA “Covid-19 Impact on AP Evaluations,”
10 Supervisors conducting evaluations for Work Share Employees cannot take the
11 reduction in work and productivity during the furlough period as a negative
12 factor.
13

14 m) Employees participating in the Work Share program will continue to have access
15 to all leaves in place prior to the Work Share Program. Employees will accrue
16 the same rate of leave (sick and vacation) based on their original FTE as if their
17 work week had not been reduced.
18

19 **Additional Provisions**
20

- 21 1. **Unemployment Insurance:** It is the Parties’ understanding that Work Share Employees
22 are likely eligible for unemployment compensation. Work Share Employees who are eligible

12
13 Effective February 16, 2021, the University will maintain impacted employees as, shown on
14 Appendix A, in the current Work Share Program, which will conclude on May 28, 2021, unless
15 terminated earlier.

16
17 Workshare participants can be transitioned from 40% Workshare to 20% Work share or off of the
18 Work share program altogether, and participants on 20% Workshare can be transitioned off the
19 Work share program prior to May 28, 2021.

20
21 Should the University seek to bring additional members on the Work share program, the University

41 the Federal Pandemic Unemployment Compensation program (FPUC program) through
42 May 28, 2021. Should the FPUC program provide for an increased benefit, or expanded
43 beyond its current expiration, it is understood that that benefit will be provided to
44 Workshare participants.

45 This agreement will be effective upon signature of the parties and will remain in effect until May 28, 2021,
46 unless terminated earlier.

1 **MOA COVID impact #19- RETIREMENT TRANSITION PROGRAM**
2 **June 9, 2021 CORRECTED 2**

3
4 **Subject: COVID-19 Retirement Transition Program**

5
6 **Recitals:**

7
8 Due to the disruptions COVID-19 has caused both on and off campus, faculty members nearing retirement
9 may feel that now is an opportune time to begin the transition to retirement. The parties are interested in
10 creating a retirement transition program for tenured faculty members that would afford these members
11 greater flexibility to structure their work and their retirement transition in a way that best suits their individual
12 needs, schedules, and course loads, as well as the individualized needs of the academic unit.

13
14 Further, the parties acknowledge that the University is experiencing significant budget challenges because of
15 decreases in enrollments, now exacerbated by the COVID-19 pandemic. Retirements that occur from this
16 program may allow units to utilize the salaries of those faculty and minimize future budget reductions.

17
18 **Agreement:**

- 19
20 1. To participate, faculty must sign a COVID-19 Retirement Transition Agreement, which provides a
21 transition plan through the time the faculty member retires and relinquishes tenure rights.
22
23 2. To receive the benefits of the Retirement Transition Program, the member must sign the Retirement
24 Transition Agreement no later than June 15, 2021.
25
26 3. The COVID-19 Retirement Transition Agreement is designed to support the specific transitional
27 needs and interests of the individual faculty member who has decided to separate within the
28 designated time period of July 1, 2021 – June 30, 2022.
29
30 4. Faculty members participating in this program may request to be relieved of up to 50% of their
31 teaching assignments and service obligations in their final terms at PSU, and continue to receive their
32 full salaries and benefits.
33
34 5. The applicable chair or associate dean and the faculty member will create a written agreement
35 specifying the nature and amount of changes to teaching and service assignments and describing how
36 they will address any impact these changes will have on other faculty and staff. This agreement must
37 be reviewed and approved by the Vice Provost of Academic Personnel before it is finalized to ensure
38 equity. A copy of the agreement will be forwarded to the Association upon execution.
39
40 6. Participating faculty are encouraged to use this time to transition research projects and/or graduate
41 supervision responsibilities.
42
43 7. Post-retirement provisions are not part of the COVID-19 Retirement Transition Program. Post-
44 retirement provisions may be discussed separately with the department chair or dean. The

1 participating faculty member should discuss all post-retirement options with HR and with their ORP
2 Retirement or PERS representative, as applicable.

- 3
- 4 8. Faculty members may seek emeritus status through University procedures:
5 <https://www.pdx.edu/human-resources/emeritus-emerita-information> while participating in the
6 Retirement Transition Program.
- 7
- 8 9. Participants will have access to their full IPDA account and distributions through the effective date
9 of their retirement.
- 10
- 11 10. If a faculty member is on sabbatical or has an upcoming sabbatical planned and chooses to
12 participate in the Program, they will be relieved of their obligation to return to PSU after their
13 sabbatical ends. All other duties and responsibilities under PSU's Sabbatical Leave Policy will remain
14 the same.
- 15
- 16 11. Those members not included in this MOU and who may be considering retirement are encouraged to
17 talk with their deans to discuss other options.
- 18
- 19 12. This program will be monitored by OAA to ensure compliance. Questions about program
20 implementation and compliance may be brought to the OAA.

21

22 This agreement shall be effective upon signature and ratification of the PSU-AAUP membership and shall
23 remain in effect until June 30, 2022.

1 **MOA COVID impact #20- EFFECTS OF REOPENING**
2 **September 18, 2020**

3
4 **Subject: Effects of Reopening from COVID-19 Campus Closure**
5

6 Preamble:

7
8 The following return to campus plan is guided by our ongoing and unwavering commitment to the
9 health, safety and well-being of all faculty, instructors, academic professionals, staff, students and
10 visitors, and reflects our understanding of and contributions to advancing overall public health efforts.
11 As such, this plan considers and attempts to balance the needs of PSU's employees, the duties associated
12 with their positions and the goals/responsibilities of the university.

- 13
- 14 1. If work can be performed remotely in a manner that the supervisor determines is sufficient to meet
15 the needs of the university, it will continue to be done remotely until the university determines it is
16 feasible based on federal, state, and local COVID-19 workplace guidelines for employees and
17 students to return to campus. Supervisors should be mindful of PSU's stated need to do all we can to
18 protect the health of students, faculty, staff and visitors. In an effort to support their employees,
19 supervisors are encouraged to focus on members whose work cannot be done remotely in any
20 consideration of who returns to campus.
 - 21 2. Members may request to work on campus. Supervisors shall endeavor to fulfill that request if
22 feasible, but a supervisor may need to balance the competing needs of the university with the health
23 and safety of all. Thus, a supervisor may prioritize some members returning to campus over others.
 - 24 3. Should the university decide that a unit will return to onsite/in-person work, employees and
25 supervisors will work collaboratively in assessing workplace options. Supervisors will provide five
26 days advance notice to the affected employees and will provide flexibility in making remote work
27 and other alternative work arrangements available to employees.
 - 28 4. If work duties cannot be performed remotely in a manner that the supervisor determines is
29 sufficient to meet the needs of the university, employees with COVID-related health concerns for
30 themselves or members of their household may ask their supervisors to explore options such as
31 flex schedules, split schedules, allowing certain aspects of the job to be done remotely, or to
32 identify low traffic times for campus work as appropriate.
 - 33 5. In those cases when collaboration does not result in a satisfactory plan to the employee, the
34 employee may engage HR. HR will provide guidance and resources in support of a collaborative
35 solution.
 - 36 6. If the employee is unsatisfied after consultation with HR, they may request a review of the
37 decision by a department manager or department chair and, if necessary, to the labor
38 management committee.

- 1 7. Members are encouraged to have ongoing conversations with their supervisors about concerns
2 they may have with the on-campus work environment. Supervisors and members shall work
3 collaboratively to address any concerns raised.
- 4 8. If a member returns to on-campus work, they have the right to raise concerns under Article 24,
5 Section 4 related to COVID-19.
- 6 9. Employees can opt to use available leave and accommodation programs when flexible scheduling
7 or remote work are not possible.
- 8 10. No retaliation, including discipline or a reduction in FTE, will be implemented based upon the fact
9 that a bargaining unit member expressed a desire to remain in or transition to remote work.
- 10 11. Decisions under this process to permit an employee to work remotely or to work an alternate or
11 modified work schedule or to perform particular duties are not precedent setting and the parties
12 agree that any such agreements by supervisors to permit alternate work arrangements are not an
13 acknowledgment or agreement by PSU that accommodations for remote or alternate work
14 schedules are appropriate after a return to campus and outside of the university's approach to
15 addressing the health concerns presented by the global pandemic created by the SARS COV-19
16 virus.
- 17 12. Upon signatures indicating a tentative agreement, PSU may begin to bring members back to
18 campus pursuant to the agreements in this MOA. If PSU-AAUP membership does not ratify this
19 agreement, any members work modality changed after September 18, will be given the opportunity
20 to return to the work modality prior to September 18 until a new agreement is reached between
21 PSU-AAUP and PSU Administration.

22 This agreement will be effective upon signature and ratification of the parties.

3
4 **Subject: Supplement to COVID impact MOA Effects of Reopening from Campus Closure- revised**
5 **provision for return to campus from remote work**
6

7 **Recitals**

8 The parties recognize that employees have a need to resolve issues, such as care of children or parents,
9 transportation, health concerns or other potential impacts prior to returning to campus. This MOA
10 supplements the attached MOA dated September 18, 2020.
11

12 **Agreement**

- 13
- 14 1) To facilitate a smooth transition when employees return from remote to on campus work
15 supervisors will be encouraged to be as flexible as possible in their return-to-work notice.
16
 - 17 2) Supervisors will provide a three-week notice to employees; however, the return time may be
18 less upon agreement of the parties.
19
 - 20 3) If the Supervisor and the employee cannot agree about the need to return to campus, they
21 should seek assistance from Human Resources.
22
 - 23 4) This Agreement is Temporary and will expire December 2021. The parties agree to engage in
24 discussions and negotiations to discuss the feasibility of maintaining the language for an
25 additional period of time.
26
 - 27 5) Supervisors will be notified of this MOA upon signature.
28

29 This agreement will become effective upon signature and ratification of the PSU membership and shall
30 remain in effect until December 31, 2021. In the event a further extension is needed, the parties will meet to

**Memorandum of Understanding between
Portland State University (University)
and the Portland State University Chapter
of the American Association of University Professors (Association)
June 14, 2021**

7 Subject: Clarification for Article 22 Section 5 regarding Departmental Reduction in the
8 Intensive English Language Program (IELP) stemming from Article 22
9 Retrenchment

11 *Recitals*

13 On March 15, 2021, President Percy invoked Article 22 relating to IELP retrenchment and as
14 provided for in section 4 of Article 22, a Provisional Plan for IELP Retrenchment was published
15 on May 11, 2021

17 The President’s Provisional Plan calls for staffing reductions in IELP, proposing to lay off nine-
18 non-tenure track IELP faculty to bring IELP instructional staffing into proportion with IELP
19 enrollments.

21 Following the completion of comment and consultation procedures concerning the Provisional
22 Plan as outlined more specifically in section 4 of Article 22, the President will announce a final
23 plan of retrenchment to notify the affected department of the amounts and nature of reductions to
24 be applied.

26 Through this Memorandum of Understanding the parties wish to clarify their understanding of
27 how to effectuate layoffs, should layoffs remain a part of the President’s final plan of
28 retrenchment, with respect to how to determine “length of continuous service” of impacted
29 members and how to address cases of a tie where two or more bargaining unit members have the
30 same length of service.

32 *Agreement*

- 34 1. Article 22, section 5(c) states that with respect to layoffs, they shall be made in inverse
35 order to the “length of continuous service at the University” (with respect to each
36 subsection identified for type of position in the bargaining unit). The parties agree that for
37 purposes of staffing reductions that are included in the final plan for retrenchment in
38 IELP, if any, this phrase means any benefited (greater than .5 FTE) position, and shall
39 include time spent on any approved leaves, and any lapse of employment of 12 months or
40 less.
- 41 2. Should members subject to layoff and recalled pursuant to Article 22 Section 5(c) have
42 the same seniority date, then the order of seniority for that seniority date shall be
43 determined by the sequence of numbers in their PSU ID number. Members will be laid
44 off from the highest numbered PSU ID number to lowest numbered PSU ID number, and
45 shall be recalled in reverse order from the lowest numbered PSU ID number to highest
46 numbered PSU ID number.

and the Portland State University Chapter
of the American Association of University Professors (Association)
June 17, 2021**

Subject: Administration of Article 23 Hearing Processes stemming from Article 22 Retrenchment in the Intensive English Language Program (IELP)

Recitals

The President's final plan for Article 22 Retrenchment in the Intensive English Language Program (IELP) calls for the layoff of nine members.

Through this Memorandum of Understanding, the parties wish establish understanding about how they will proceed with the retrenchment hearings in Article 23.

Agreement

1. The University and Association each agree to provide the other party with the name of their respective appointee to the committee holding hearings requested by members concerning layoffs taken as a result of Article 22 ("retrenchment hearings") by June 29, 2021.
2. The parties recognize that the collective bargaining agreement does not set a time by which retrenchment hearings should be set where a member exercises their right to a hearing. The University will schedule retrenchment hearings as soon as practicable, based upon information available to it, including the availability of the persons involved.
3. Employees who have requested a retrenchment hearing, and who are not on contract during the Summer Term will be paid a per diem rate at their last rate of pay to attend the retrenchment hearing should the hearing take place before September 16, 2021.
4. The agreements reflected in this Memorandum of Understanding are not intended to be precedential and are specific only to any layoff and/or salary reductions made as a consequence of the Article 22 retrenchment process for IELP referenced above.
5. The parties will determine the timeline for the Board of Trustee review of appeals pursuant to Article 23 Section 7 as soon as possible.

This agreement shall become effective upon signature of the parties and will expire on September 15, 2021, or after the completion of retrenchment hearings, whichever comes later.

**Memorandum of Agreement
between Portland State University (University)
and the Portland State University Chapter
of the American Association of University Professors (Association)
August 12, 2021**

7 **Subject:** “Attend Anywhere” and Asynchronous Instructional Modality
8

9 ***Recitals***

10 The University implemented a trial period for the “Attend Anywhere” instructional modality for
11 selected classes beginning in Fall 2021 and extending through Spring 2022. The Attend
12 Anywhere modality trial period provides an opportunity for the University, faculty and students to
13 monitor the effectiveness of this instructional modality and inform future pedagogical needs.
14

15 The Attend Anywhere code will be used to identify courses in which a faculty member will be
16 teaching an in-person, campus-based course that simultaneously provides students the option
17 to attend in-person or access the meeting content via synchronous streaming or recorded
18 lectures.
19

20 In addition, the University allowed the Psychology department to use 2 CRNs (Banner Course
21 Reference Numbers) to promote courses they are teaching using the Remote Synchronous
22 modality. They are using the second/linked CRN with a Remote Asynchronous code to
23 advertise and signal to students that the course does not require synchronous attendance, but
24 rather that the lecture materials can be accessed by the student at a time of their convenience.
25

26 The parties agreed that it would be useful to clarify the process for assigning courses using
27 these codes, the differences between them as well as any potential impact of their use.
28

29 ***Agreement during this trial period:***
30

- 31 1. Neither of these two course offering types (Attend Anywhere or the 2 CRN Remote
32 Synchronous/ Asynchronous) constitute two different courses for purposes of calculating
33 teaching load.
34
- 35 2. The use of these codes will be made with the approval of the department chair, and
36 should only be used after the faculty member and chair have evaluated the course and
37 determined that the teaching strategies used by the instructor are within the limits of the
38 technology and other support available from the University and can be used satisfactorily
39 to deliver the course effectively to those students who consume it remotely.
40
- 41 3. The college, department chair and faculty member will determine what the optimal
42 balance of course offerings are, in terms of modalities (i.e. in-person, hybrid, Online,
43 Attend Anywhere, Remote Synchronous) based on the enrollment needs/demands of
44 the students they serve, the faculty member’s preferences and capability/capacity, and
45 the nature of the pedagogical requirements of the courses.

- 5. Faculty will continue to determine the appropriate course design and methods for assessing student performance.
- 6. Student evaluations will be solicited in the usual manner. Faculty members may opt to provide a statement to include in their dossier during promotion, tenure, and PTR and/or PCAR review periods with regard to the new Attend Anywhere modality that will be considered during evaluation
- 7. If a faculty member decides to use/try one of these modalities in one term, it does not mean they will be required to utilize the delivery mode in the future.
- 8. The pilot timeline will be in effect for the AY 22. The parties agree to meet in January 22' and April 22' to review results of faculty and student surveys and other assessment data, to evaluate the effectiveness of these modalities and to consider reports of positive outcomes as well as any unintended consequences.

This MOA will be effective upon signature and ratification of the parties. It shall remain in effect for the duration of the trial period.

10
11 **Recitals**

12 Administration has determined that all PSU employees must comply with PSU’s Vaccination Policy

14 entitled “Return to Campus” dated September 18, 2020.

15
16 **Agreement**

- 17
18 1. Members who remain unvaccinated but are otherwise in compliance with the
19 Policy may be returned to campus, in the judgment of the University.
20
21 2. Members who have complied with the Policy will not be disciplined or
22 terminated, nor have their position eliminated, solely because they remain
23 unvaccinated for COVID-19.
24
25 3. Faculty on a 9-month contract will have until September 16, 2021 to submit

10 ***Recitals***

11 The University implemented a trial period for the "Attend Anywhere" instructional modality for
12 selected classes beginning in Fall 2021 and extending through Spring 2022. The parties have
13 agreed to extend the trial period through Summer 2023. This extension will provide the parties
14 adequate time to collect additional data and determine the effectiveness of the program. The
15 extended Attend Anywhere modality trial period provides an opportunity for the University,
16 faculty and students to continue to monitor the effectiveness of this instructional modality and
17 inform future pedagogical needs.
18

19 During this period, the Attend Anywhere code will continue to be used to identify courses in
20 which a faculty member will teach an in-person, campus-based course that simultaneously

 5 the nature of the pedagogical requirements of the courses.
 6
- 7 4. The faculty member will have the opportunity to discuss and resolve their preferences
 8 regarding the Attend Anywhere modality with their Chairs. Faculty members will not be
 9 required to teach using the Attend Anywhere or the 2 CRN Remote
 10 Synchronous/Asynchronous modality.
 11
- 12 5. Faculty will continue to determine the appropriate course design and methods for
 13 assessing student performance.
 14
- 15 6. Student evaluations will be solicited in the usual manner. Faculty members may opt to
 16 provide a statement to include in their dossier during promotion, tenure, and PTR and/or
 17 PCAR review periods regarding the new Attend Anywhere modality that will be
 18 considered during evaluation
 19
- 20 7. If a faculty member decides to use/try one of these modalities in one term, it does not
 21 mean they will be required to utilize the delivery mode in the future.
 22
- 23 8. The pilot timeline will be in effect through summer term 2023. The parties agree to meet
 24 at least twice between January 2022 and Summer 2023 to review results of faculty and
 25 student surveys and other assessment data, to evaluate the effectiveness of these
 26 modalities and to consider reports of positive outcomes as well as any unintended
 27 consequences.
 28

29 This MOA will be effective upon signature and ratification of the parties. It shall remain in effect

**Memorandum of Agreement
between Portland State University
(University)
and the Portland State University Chapter
of the American Association of University Professors
(Association) date pending**

Subject: Article 30 Section 6 Pay-Range Structure for Academic Professionals

Recitals:

PSU has created a new system of classification for Academic Professionals. This includes the creation of new Job Families, Career Tracks, and Career Levels. An MOA between PSU and PSU-AAUP dated August 08, 2020, established a process for the initial placement of Academic Professionals (APs) into new Job Family, Career Tracks and Career Levels. Article 30 Section 4(d) specifies that no less than 0.80% of the total ASR will be allocated to fund ASR salary increases for Academic Professionals to bring their salaries into alignment with the new salary minimums or ranges associated with the new classification system.

It has also been agreed that no AP will have their salary reduced because of placement into the new classification system.

Agreement

- 1) The parties agree to apply 0.8 % increase to current AP salaries on January 1, 2022.
- 2) The minimums and maximums shall replace those currently appearing in Article 30 Section 6(b).
- 3) If interim bargaining of Article 30 Section 6(b) does not commence before the beginning of interim bargaining for reopeners, the parties agree that negotiations specific to Article 30 Section 6, shall be completed outside of reopeners and separate from other economic items.

This agreement will be effective upon signature of both parties. The agreement is subject to ratification of the PSU-AAUP Membership. If the PSU-AAUP Membership does not ratify this agreement the parties must renegotiate it.

8 **Subject:** Letter of Agreement for transition into the AAUP 2021-2024 CBA, Article 18 Section 2
9 (f) Post Continuous Appointment Review (PCAR) process and PCAR Salary Increases
10 for Non-Tenure Track Instructional Faculty members on continuous appointment
11 (NTTF-CA members).

12 **Recitals**

13 The parties revised the timeline of the post continuous appointment review process from every 3
14 years to “in the 5th year of continuous appointment and then every 5 years following the last
15 evaluation or promotion” per signed MOU dated May 28, 2020. The parties later negotiated new
16 PCAR review processes with salary increases per Article 30, Section 6C of the 2021-24 Collective
17 Bargaining Agreement. The parties now seek a transition for Non-Tenure Track Instructional Faculty
18 members on continuous appointment (NTTF-CA members) into the new system that includes PCAR
19 salary increases.

20 This will replace the LOA #5 dated April 14, 2021 and corrects the MOU that changed the cycle from 3
21 to 5 years dated May 28, 2020 and was inserted into the new Article 18 of the 2021-24 CBA.

22 **Agreement**

23 **PCAR Cycle:**

24 NTTF-CA members who promoted in rank since their successful Milestone Review or last PCAR shall
25 become eligible for PCAR consistent with Article 18 Section 2 (f) based on the effective date of their
26 successful Milestone Review or successful promotional review increase.

27 **PCAR Increase and Effective Date:**

28 All PCAR Effective Dates are tracked using the original continuous appointment effective date as
29 stated on the employee’s signed NOA. Successful promotional reviews do not restart the PCAR count
30 unless they are effective on or after September 16, 2021. Prior to September 16, 2021 PCAR was
31 required in the 3rd year of post-continuous appointment regardless of eligibility for a promotional
32 review or if a successful promotional review occurred. PCAR increases can be found in Article 30,
33 Section 6.C.

34 **1. GROUP 1 - PCAR IN THE 3rd YEAR:**

- 35 a. NTTF-CA members who received a positive PCAR at the three-year mark **as specified in**
36 **the 2015-19 CBA** AND prior to the change to in the 5th year effective on May 28, 2020, will
37 be eligible for the newly negotiated PCAR salary increase effective September 16, 2022
38 without the need to undergo another evaluation. Their new PCAR effective date will be the
39 September 16th following the completion of their original/actual PCAR (prior to
40 commencement of newly negotiated salary increase).

- 1 3. To receive the benefits of this Retirement Transition Program, the NTTF-I must sign the
2 Retirement Transition Agreement no later than June 15 of the academic year prior to retiring.
3
 - 4 a. NTTF-I retiring during academic year 2022-23 – the Retirement Transition Agreement is
5 due no later than June 15, 2022.
 - 6 b. NTTF-I retiring during academic year 2023-24 – the Retirement Transition Agreement is
7 due no later than June 15, 2023.
8
- 9 4. NTTF-I may request participation in this Retirement Transition Program through their Chair (or
10 Chair equivalent) and Dean. The applicable Chair (or Chair equivalent) and Dean, along with
11 the faculty member, will create a written Retirement Transition Agreement specifying the
12 nature and amount of changes to teaching and service assignments and describing how they
13 will address any impact these changes will have on other faculty and staff. Redistribution of
14 work duties will be at the discretion of the Chair (or Chair equivalent) and Dean after
15 discussion with the faculty member. The University (or department chair for consistency) will
16 fairly consider all requests for participation in the retirement transition program. The Chair will
17 take into account the needs of the department and college as well as the number of such
18 requests in their decision. *Although* PSU reserves its right to determine the specific work
19 duties of the NTTF-I during the retirement transition period, the Chair (or Chair equivalent) will
20 provide retiring NTTF-I an opportunity to give feedback and engage in a dialog about the
21 rebalanced work duties. The Retirement Transition Agreement must also be reviewed and
22 approved by the Vice Provost of Academic Personnel before it is finalized. A copy of the
23 agreement will be forwarded to the Association no later than the last Friday in June of each
24 year of the program.
25
- 26 5. Changes in duties may include a redistribution of up to 50% of instructional work assignments
27 to other duties, which could include expanded departmental/school service opportunities,
28 community engagement, student mentoring, research, or other activities deemed appropriate
29 by the supervisor. While up to a 50% redistribution of instructional duties to other work is
30 allowable, it may not always be feasible.
31
- 32 6. As part of redistributing work duties, and recognizing that 90% of an NTTF's work is in
33 teaching, the Parties agree that new duties outside of a NTTF-I's regular work assignment
34 may be assigned by the supervisor as part of the Retirement Transition Agreement.
35
- 36 7. Redistribution of teaching and service obligations is not a reduction of FTE, but a rebalancing
37 of work expectations.
38
- 39 8. NTTF-I will be able to maintain their current office; however, it may be necessary for NTTF-I in
40 this Program to share office space with other faculty in their unit with the same rank during the
41 retirement transition period.
42
- 43 9. Post-retirement provisions are not part of this Retirement Transition Program. Post-retirement
44 provisions may be discussed separately with the department chair or dean. The participating
45 NTTF-I should discuss all post-retirement options with HR and with their ORP Retirement or
46 PERS representative, as applicable.

11. NTTF-I participating in this Program will have access to their full IPDA account and distributions through the effective date of their retirement.

12. If an NTTF-I is currently on sabbatical during any of the years listed above in 3a or 3b, or has an upcoming sabbatical planned during any of the years listed above in 3a or 3b, and chooses to participate in this Program, they will be relieved of their obligation to return to PSU after their sabbatical ends. All other duties and responsibilities under PSU's Sabbatical Leave Policy will remain the same.

13. This Program will be monitored by OAA to ensure compliance. Questions about program implementation and compliance may be brought to the OAA.

This agreement shall be effective upon signature and ratification of the PSU-AAUP membership, and shall remain in effect until June 15, 2024.

7 **Subject: Time-Period Extension for Retirement Transition Program for Tenured Faculty**
8

9 **Recitals:**
10

11 The parties created a COVID-related retirement transition program for academic year 2021-22
12 to permit those tenured faculty wanting to retire to ease into the process. The creation of the
13 program was prompted by budgetary challenges faced by the University that were exacerbated
14 by the pandemic as well by a desire to assist faculty who wanted to begin their transition to
15 retirement.
16

17 This original program afforded tenured faculty greater flexibility to structure their work and their
18 retirement transition in a way that best suited their individual needs, schedules, and course
19 loads, as well as the individualized needs of the academic unit. The retirement transition
20 program provided for a transition of teaching and University service work during the retirement
21 transition period; this was not a reduced FTE, but a rebalancing of work expectations during the
22 transition period.
23

24 Although the immediate crises of the pandemic may have abated, the Parties would like to
25 extend this program to allow additional faculty to take advantage of the program, which will now
26 simply be referred to as the Retirement Transition Program for Tenured Faculty (referenced
27 below as “Retirement Transition Program” or “Program”).
28

29 The extended Program will be implemented on the terms and conditions below which, although
30 substantially similar to, are intended to supersede the June 9, 2021 Memorandum of Agreement
31 regarding COVID-19 Retirement Transition Program.
32

33 **Agreement:**
34

- 35 1. To participate in the Program, a faculty member must sign a Retirement Transition
36 Agreement¹, which provides a one-year transition plan through the time the faculty
37 member retires and relinquishes tenure rights.
38
- 39 2. This extension of the [former] COVID-19 Retirement Transition Program will continue to
40 support the specific transitional needs and interests of the individual faculty member who
41 has decided to separate their employment with PSU and relinquish their tenure within the
42 designated time-periods of July 1, 2022 – June 30, 2023 or July 1, 2023 – June 30, 2024.

¹ Document can be found on the OAA Website

- 1
- 2
- 3 3. To receive the benefits of this Retirement Transition Program, the faculty member must
- 4 sign the Retirement Transition Agreement no later than June 15th of the academic year
- 5 prior to retiring. Specifically:
- 6
- 7 a. Faculty retiring during academic year 2022-23 – the Retirement Transition
- 8 Agreement is due no later than June 15, 2022.
- 9 b. Faculty retiring during academic year 2023-24 – the Retirement Transition
- 10 Agreement is due no later than June 15, 2023.
- 11
- 12 4. Faculty members participating in this Program may request redistribution of up to 50% of
- 13 their teaching and service obligations in their final three terms at PSU, and continue to
- 14 receive their full salaries and benefits.
- 15
- 16 5. Redistribution of teaching and service obligations is not a reduction of FTE, but a
- 17 rebalancing of work expectations.
- 18
- 19 6. The applicable Chair (or Chair equivalent) and Dean, along with the faculty member, will
- 20 create a written Retirement Transition Agreement specifying the nature and amount of
- 21 changes to teaching and service assignments and describing how they will address any
- 22 impact these changes will have on other faculty and staff. This agreement must be
- 23 reviewed and approved by the Vice Provost of Academic Personnel before it is finalized. A
- 24 copy of the agreement will be forwarded to the Association no later than the last Friday in
- 25 June of each year of the Program.
- 26
- 27 7. Participating faculty are encouraged to use this time to transition research projects and/or
- 28 graduate supervision responsibilities.
- 29
- 30 8. Post-retirement provisions are not part of this Retirement Transition Program.
- 31
- 32 9. Post-retirement provisions may be discussed separately with the department chair or
- 33 dean. The participating faculty member should discuss all post-retirement options with HR
- 34 and with their ORP Retirement or PERS representative, as applicable.
- 35
- 36 10. Faculty members may seek emeritus status through University procedures and in
- 37 accordance with the OAA Academic Deadlines Calendar: [https://www.pdx.edu/human-](https://www.pdx.edu/human-resources/emergitus-emerita-information)
- 38 [resources/emergitus-emerita-information](https://www.pdx.edu/human-resources/emergitus-emerita-information) while participating in this Program.
- 39
- 40 11. Tenured faculty participating in this Program will have access to their full IPDA account
- 41 and distributions through the effective date of their retirement.
- 42
- 43

1 12. If a faculty member is on sabbatical during any of the years listed above in 3a or b, or has
2 an upcoming sabbatical planned during any of the years listed above in 3a or b, and
3 chooses to participate in this Program, they will be relieved of their obligation to return to
4 PSU after their sabbatical ends. All other duties and responsibilities under PSU's
5 Sabbatical Leave Policy will remain the same.
6

7 13. This Program will be monitored by OAA to ensure compliance. Questions about Program
8 implementation and compliance may be brought to the OAA.

2 **Portland State University (University)**
3 **and the Portland State University Chapter**
4 **of the American Association of University Professors (Association)**
5 **March 18, 2022**

6 **Subject:** Phased Retirement Transition Program for Academic Professionals

7 **Recitals**

8 This agreement applies to all Academic Professionals employed at Portland State University
9 (PSU) and participating in the Public Employee Retirement System (PERS) Tiers One and Two,
10 in the Oregon Public Service Retirement Plan (OPSRP), or and in the Optional Retirement Plan
11 (ORP).

12 The parties recognize that Oregon Senate Bill 1049 changed the statutory limitations on work
13 after retirement effective January 1, 2020, but that these changes did not alter PSU's
14 institutional practices on post-retirement employment. Under PSU's post-retirement
15 appointments, there are various hour limits to post-retirement appointments based on an
16 employee's specific plan (PERS/OPSRP/ORP) and tier level (One, Two, Three, Four). While
17 this remains PSU's practice, the University wishes to provide a brief exception to offer Academic
18 Professionals a phased retirement process at the same time it is offering retirement transition
19 programs to its tenured faculty and non-tenured faculty on continuous appointments.
20

21 The parties share an interest in offering a phased retirement program (referenced below as
22 Phased Retirement Program or Program) to eligible PSU's Academic Professionals to ease
23 their transition into retirement. This Phased Retirement Program for Academic Professionals is
24 intended to support the retirement transition of the participating Academic Professional and
25 needs of the unit they are working in by providing for a period of post-retirement work for the
26 retired Academic Professional at .5 FTE for up to 12 months after the Academic Professional's
27 retirement from PSU.

28 **Agreement:**

- 29 1. Academic Professionals who want to participate in the Program are responsible for verifying
30 the terms and conditions of their Oregon retirement program prior to entering into an
31 agreement under this Phased Retirement Program.
32
- 33 2. Neither this agreement nor any Phased Retirement Agreement (referenced below)
34 developed under this Program will alter the terms and conditions of any Oregon retirement
35 plan or program (the PERS, OPSRP or ORP programs). In the event of any conflict, the
36 provisions of the Oregon retirement plan (the PERS, OPSRP or ORP programs) documents
37 will apply instead of any conflicting term of this MOA or of any Phased Retirement
38 Agreement entered into through this MOA.
39
- 40 3. In case of conflict between this document or any Phased Retirement Agreement developed
41 under this Program and Oregon law or regulations concerning or regulating
42 PERS/OPSRP/ORP and federal law and regulations, the state and federal law and
43 regulations will apply instead of any conflicting term of this MOA or of any Phased
44 Retirement Agreement entered into through this MOA.
45

- 1 4. Qualifying Academic Professionals who are PERS, OPSRP, or ORP participants may enter
2 into a Phased Retirement Agreement which will take effect on or after the Normal
3 Retirement Age of their specific Oregon retirement plan (the PERS, OPSRP or ORP
4 Programs). For ease of reference, Normal Retirement Age (NRA) differs for these various
5 Oregon retirement plans, described as follows for ease of reference:
6
7 a. Tier One PERS participants have an NRA of 58 years of age or older or 30 years
8 of service.
9 b. Tier Two PERS participants have an NRA of 60 years of age or older or 30 years
10 of service.
11 c. OPSRP participants have an NRA of 65 years of age or older or 58 years of age
12 or older and 30 years of service.
13 d. ORP participants have an NRA of 55 years of age.
14
- 15 5. Participation in the Program is voluntary, not a right, and is at the discretion of the
16 supervisor. To participate in this Phased Retirement Program, the Academic Professional
17 must notify the supervisor of their interest prior to their expected retirement date. It is
18 recommended that the employee initiate this process *at least* three months prior to their
19 expected date of retirement so that the employee and supervisor have time to discuss the
20 terms of a Phased Retirement Agreement and have that agreement memorialized prior to
21 the expected retirement date. The participating Academic Professional should discuss their
22 retirement plans and all post-retirement options with HR and with their ORP Retirement or
23 PERS representative, as applicable.
24
- 25 6. PSU reserves the right to determine whether the unit employing the retiring Academic
26 Professional can accommodate and benefit from their post-retirement employment of .5 FTE
27 and determine the specific work duties and employment period post-retirement. The
28 supervisor will make these determinations after discussion with and input from the retiring
29 employee. The supervisor must respond within 30 calendar days to the Academic
30 Professional's request to participate in the program indicating if PSU intends to grant the
31 member's request. If feasible, the supervisor will then create a proposed Phased Retirement
32 Agreement for the retiring employee's consideration. The retiring employee will be granted
33 an opportunity to give feedback and engage in the dialog in the creation of the Phased
34 Retirement Agreement.
35
- 36 7. Any Phased Retirement Agreement shall contain the following terms:
37
38 a. The Phased Retirement Agreement will stipulate the duration of post-retirement
39 employment with specific dates of employment, hours of work, worksite, and the
40 scope of work and duties of their .5 FTE post-retirement employment at PSU. The
41 term (or duration) of post retirement employment may be up to, but not exceed, 12
42 months. The hours of work may not exceed 1040 hours in a calendar year.
43
44 b. The Phased Retirement Agreement will identify the date of retirement of the
45 Academic Professional and the dates of the post-retirement employment period.
46 Regardless of the date of retirement and the first date of the post-retirement
47 employment period, the post-retirement employment period for the employee may
48 not continue after 12 months from their date of retirement and in all instances must
49 end no later than December 31, 2024 (for example for an employee with a retirement

- 1 date of August 31 2024, the Phased Retirement Agreement can provide for only 4
2 months of post-retirement employment).
- 3 c. The Phased Retirement Agreement will state that the post-retirement employment
4 will be on a .5 FTE basis and that at the end of the post-retirement employment
5 period, the employee will relinquish their position and their employment will end.
- 6 d. The Phased Retirement Agreement will identify the salary of the Academic
7 Professional during the post-retirement employment period. The Academic
8 Professional's salary during the post-retirement employment period will be based on
9 the employees' base salary for full-time employment paid in the month immediately
10 preceding their retirement.
- 11 e. The Phased Retirement Agreement will state that the Academic Professional will
12 receive benefits during their post-retirement employment period in accordance with
13 the benefit plan they are enrolled in.
- 14 f. The retirement date and the post-retirement employment period may not begin until
15 the Academic Professional has reached NRA, although the Phased Retirement
16 Agreement may be entered into before that date.
- 17
- 18 8. The Phased Retirement Agreement must be approved by the Academic Professional's
19 Supervisor and the Vice-President of Human Resources. The Phased Retirement
20 Agreement must also be reviewed and approved by the Vice Provost of Academic
21 Personnel before it is finalized. A copy of the agreement will be forwarded to the Association
22 no later than the last Friday in June of each year of the program.
- 23
- 24 9. After the post-retirement employment period identified in the Academic Professional's
25 Phased Retirement Agreement, the retired employee may work under additional
26 agreements as permissible for their specific plan and tier; however, continued employment
27 with PSU after the post-retirement employment period stated in any Phased Retirement
28 Agreement is not a provided for by this MOA and may not be agreed to under any Phased
29 Retirement Agreement.
- 30
- 31 10. Academic Professionals who participate in this Phased Retirement Program will be entitled
32 to a COLA as defined by Article 30, Section 3 of the PSU-AAUP collective bargaining
33 agreement during the post-retirement employment period identified in any Phased
34 Retirement Agreement. The COLA shall be commensurate with their FTE in the post-
35 retirement period of service.
- 36
- 37 11. Academic Professionals who participate in the Phased Retirement Program will receive
38 access to health insurance outlined in Article 31 of the 2021-2024 CBA during the post-
39 retirement employment period that is identified in the Phased Retirement Agreement.
- 40
- 41 12. Academic Professionals who participate in the Phased Retirement Program will have access
42 to their prorated IPDA account commensurate with their FTE and distributions through the
43 effective date of their retirement as defined in Article 19, Section 3 of the 2021-2024 CBA.
- 44
- 45 13. Academic Professionals who participate in the Phased Retirement Program will have access
46 to benefits outlined in Article 15 and Article 25 of the 2021-2024 CBA upon their .5 FTE
post-retirement employment at PSU.

- 1 14. Academic Professionals who participate in the Phased Retirement Program will continue to
 2 accrue prorated sick and vacation time commensurate with their FTE upon their .5 FTE
 3 post-retirement employment at PSU.
 4
- 5 15. Academic Professionals who participate in the Phased Retirement Program are not eligible
 6 for Academic Professional Advancement during the post-retirement employment period that
 7 is identified in the Phased Retirement Agreement.
 8
- 9 16. Nothing in this MOA or in any Phased Retirement Agreement shall be understood to limit
 10 PSU's right to engage in performance management and/or discipline of a participating
 11 employee, whether pre-retirement or during the post-retirement employment period.
 12
- 13 17. This Program will be monitored by OAA to ensure compliance. Questions about program
 14 implementation and compliance may be brought to the OAA.
 15
- 16 This agreement shall be effective upon signature and ratification of the PSU-AAUP
 17 membership, and shall remain in effect until June 15, 2024.

7 Subject: The University's Ongoing Support of Caregivers
8

9 *Recital*
10

11 The University is committed to supporting its employees who are also caregivers. PSU
12 provides supports that benefit employees who are caregivers in several ways already,
13 including access to leave and various leave programs, an employee assistance
14 program, and flexible work schedules and conditions.
15

16 The University also recognizes that the Covid-19 pandemic has increased awareness of
17 the limited societal supports for caregivers in our communities. People who take on
18 caregiving responsibilities--whether those responsibilities are caring for young children,
19 a family member suffering health challenges, or our elderly—make both personal and
20 professional sacrifices in order to balance their duties to their families (however defined)
21 and their employers. The pandemic also magnified the historic discrimination and
22 continuing structural social inequalities, in which the sacrifices of caregivers are
23 disproportionately born by women and the impacts are felt more deeply by members of
24 BIPOC communities.
25

26 As the University community emerges from the immediate crises of the Covid-19
27 pandemic and as the pandemic enters its endemic stages, the parties recognize their
28 mutual interest in acknowledging the needs of caregivers as they continue their work for
29 the University and the students they serve. The parties share an interest in building
30 momentum for continued and future support for those in our community who have
31 caregiving responsibilities.
32

33 *Agreement*
34

35 The following agreement is intended to increase the visibility of and support for the
36 caregiving needs of supervisors and their employees.
37

- 38 1. Whenever possible, units should be mindful that committee work and service
39 responsibilities may be impacted by caregiver responsibilities.
40
- 41 2. Supervisors will, when feasible, provide flexibility to members. Members may be
42 permitted to attend faculty meetings and other departmental meetings remotely
43 during periods of emergency caregiving needs, with supervisor approval.
44

- 1 3. Units will, as feasible, consider the caregiver's needs in scheduling times, days,
2 and modalities of classes and with respect to the needs and priorities of our
3 students, their department and the University.
- 4
- 5 4. Employees are strongly encouraged to seek information and support from PSU
6 Human Resources Leaves and Accommodations Team as FMLA/OFLA benefits
7 may be available to support some caregiving needs of employees.
- 8
- 9 5. The University will increase training and resources for managers, including chairs
10 and associate and assistant deans and directors, related to support for the
11 caregiving needs of employees within their units.
- 12
- 13 6. The PSU President will establish an advisory committee and determine the
14 number and composition of the committee. At least one of those persons to be
15 chosen by the President will be from a list of AAUP members provided to him by
16 AAUP.
- 17
- 18 7. The purpose of the committee will be to elevate the issues and challenges
19 related to caregiving responsibilities of faculty and staff and to identify areas
20 where the University can enhance their ability to fulfill their caregiving
21 responsibilities to their families (however they are defined) and to meet their
22 employment responsibilities to the University, their colleagues, and students
- 23
- 24

25 This agreement shall be effective upon signature of the parties and shall remain in
26 effect through June 15, 2023.

1 **Memorandum of Agreement (Corrected) between**
2 **Portland State University (University)**
3 **and the Portland State University Chapter**
4 **of the American Association of University Professors (Association)**
5 **March 22, 2022**
6 **Corrected MOA #2 (May 27, 2022)**

7 Subject: Adoption of new NTTF-I ranks: Teaching Assistant Professor, Teaching
8 Associate Professor, Teaching Professor

9 **Recitals**

10 On February 25, 2021, the PSU Faculty Senate adopted the NTTF-I Teaching Professor ranks
11 (Teaching Assistant Professor, Teaching Associate Professor, and Teaching Professor) as new
12 ranks that could be utilized, as appropriate, at Portland State University once an implementation
13 plan is in place. On May 3, 2021, the Faculty Senate adopted modifications to the University
14 Promotion and Tenure guidelines that define the Teaching Professor ranks. The University has
15 adopted the Academic Rank Policy to replace PSU Standard 580-020-0005.

16 **Agreement**

17 **1. Definitions:**

18 *The minimum qualifications for the ranks as defined by the Faculty Senate.*

- 19 a. TEACHING PROFESSOR: A NTTF (instructional) appointment for individuals who
20 typically hold PhDs or terminal degrees and are primarily engaged in teaching at a
21 level normally appropriate for a professorial rank. Ranks in this category in
22 ascending order are teaching assistant professor, teaching associate professor, and
23 teaching professor.
- 24 b. INSTRUCTOR: A NTTF (instructional) appointment for individuals with unclassified
25 instructional appointments whose functions are devoted exclusively or primarily to
26 undergraduate instruction. Such appointments include advising and mentoring
27 expectations congruent with creative and engaged undergraduate instruction,
28 including the possibility of involvement in design and development of courses and
29 the curriculum. Ranks in this category in ascending order are instructor, senior
30 instructor I, senior instructor II.

31 **2. Primary Distinctions between the Teaching Professor and the Instructor Ranks:**

- 32 a. All personnel decisions will reflect the need to create and maintain clear distinctions
33 between these new Teaching Professor ranks and the current Instructional ranks that
34 will continue to be in place.
- 35 b. The primary distinguishing features between the Teaching Professor ranks and the
36 Instructor ranks will be: (1) the level of autonomy in curricular decisions, curricular
37 development, and course design; (2) the academic experience and degrees held;
38 and (3) the skill to apply expertise across courses and curricular levels as manifested
39 in the breadth and depth of assignments and that requires intellectual flexibility,

- 1 coordination and cooperation.
- 2 i. The level of autonomy in curricular decisions, curricular development, and
3 course design as evidenced in the preponderance of the assigned course
4 load:
- 5 1. For the **Teaching Professor ranks**, expectations include the
6 development, coordination, and evaluation of all aspects of assigned
7 courses in relationship to the broader curriculum.
- 8 2. For the **Instructor ranks**, there is less autonomy over the
9 development, coordination, and evaluation of all aspects of assigned
10 courses in relationship to the broader curriculum (e.g., an Instructor
11 may teach one of multiple sections that utilize the same syllabus and
12 reflect similar design).
- 13 ii. The academic experience and degrees held:
- 14 1. The number of years of academic experience and type of professional
15 experience required for the Teaching Professor and Instructor ranks
16 will vary by discipline and be determined by individual academic units.
- 17 2. For the **Teaching Professor ranks**, faculty will ordinarily hold the
18 highest degree in their fields of specialization. Exceptions to this
19 requirement may be made when there is evidence of outstanding
20 achievement and professional recognition in the candidate's field of
21 expertise. In most fields, the doctorate will be expected.
- 22 a. A terminal degree in the field of specialization is not sufficient
23 to qualify for a **Teaching Professor** rank.
- 24 3. For **Instructor ranks**, individuals with a terminal degree may apply for
25 and receive an instructional position, although this is not an
26 expectation.
- 27 iii. Skill in application of expertise and integration of knowledge:
- 28 1. For **Teaching Professor ranks**, faculty have skill and expertise
29 necessary to teach across upper and lower division and
30 undergraduate/graduate levels, where applicable, reflecting the
31 breadth and depth of assignments and requiring intellectual flexibility,
32 curricular coordination and cooperation. Faculty must demonstrate
33 evidence of the application of scholarly inquiry, pedagogical methods,
34 and curricular integration consistent with the criteria established by
35 their academic units and approved by the Department Chair (or
36 equivalent).
- 37 2. **For Instructor ranks**, faculty are responsible for a narrower scope of
38 courses and/or are more likely to teach lower-division undergraduate

1 courses. Upper-division undergraduate major courses may be taught
2 by instructors if the duties and responsibilities for the assigned
3 courses do not require the autonomy, coordination and control
4 associated with the Teaching Professor ranks and if these courses do
5 not represent the preponderance of their teaching assignments.
6 Teaching lower-division undergraduate courses shall not be the sole
7 determining factor in whether a faculty is assigned to the Instructor or
8 Teaching Professor ranks. Faculty in the Instructor ranks should be
9 assigned graduate-level courses only on rare occasions.

10 **3. Role of Department Chair/Equivalent in the Assignment of Work:**

- 11 a. It is the responsibility of the Department Chair (or equivalent) to assign work that is
12 appropriate to a member's rank. Departmental needs may, on occasion, warrant an
13 Instructor being assigned courses and related duties more commonly associated
14 with the Teaching Professor ranks. Regular assignments, however, must be in
15 accord with those outlined in Section 2 above, *Primary Distinctions between the*
16 *Teaching Professor and the Instructor ranks*.
- 17 b. If an Instructor requests a course with duties and responsibilities more appropriate
18 for the Teaching Professor ranks, the Department Chair (or equivalent) may grant
19 the request on a limited basis, but this should not be an ongoing or common practice.

20 **4. Re-titling into the Teaching Professor Ranks:**

21 a. **Process for Notifying Faculty eligible for re-titling to the Teaching Professor**
22 **ranks:**

- 23 i. Department Chairs (or equivalents) in consultation with the Dean's office will
24 develop a list of faculty members who hold NTTF Professorial ranks or are
25 Senior Instructor II (SRI-II).

26 a. Those who hold NTTF Professorial ranks will be notified by
27 their department chairs (or equivalents) that they are eligible to
28 automatically retitle into equivalent Teaching Professor ranks
29 (Ex: NTTF Associate Professor may retitle to Teaching
30 Associate Professor).

- 31 i. Those holding NTTF Professorial ranks will have 5
32 business days from receipt of notice of eligibility to
33 accept or decline in writing to re-title. See section 4 (b)
34 below for retitling process.

35 b. Those who hold the rank of SRI-II will be notified that they can
36 be considered for re-titling to Teaching Assistant Professor
37 using the criteria provided in section 4 (c) below.

- 38 i. SRI-IIs will have 5 business days from receipt of notice
39 of eligibility to provide a written request to retitle to their

1 department chair (or equivalent).

- 2 ii. Department chairs (or equivalents) may require that an SRI-II provide
3 documentation, including an updated CV, in order to determine eligibility for
4 re-titling into the Teaching Professor ranks.
- 5 iii. Within 5 business days of receipt of written notice of eligibility for retitling, the
6 faculty member must either elect to re-title or defer. If a faculty member elects
7 to defer, they will no longer be eligible to re-title, but will retain future access
8 to the Teaching Professor ranks as stated below in section 5, *Promotion into*
9 *Teaching Professor Ranks*.
- 10 iv. The Department Chair (or equivalent) will communicate to the Dean's office
11 all re-titling information. The Dean's office will provide re-titling information to
12 OAA and HR. In consultation with OAA, HR will update the eligible faculty
13 member's record to reflect each eligible faculty member's re-titling into the
14 appropriate Teaching Professor rank.

15 **b. Process for re-titling NTTF Professor and Instructor ranks to Teaching**
16 **Professor ranks during the transition period:**

- 17 i. The transition period for re-titling into the Teaching Professor ranks shall be
18 completed no later than September 15, 2022.
- 19 ii. Re-titling is aligned with current job duties and responsibilities.
- 20 iii. Re-titling from an Instructor rank to a Teaching Professor rank is not
21 considered a promotion. After the academic year 2022-2023, all departments
22 will be expected to utilize their own P&T Guidelines for promotional decisions
23 regarding the new Teaching Professor ranks.
- 24 iv. The re-titling of members will occur in two distinct ways using the current rank
25 of the member as described in section 4(c) below: (1) automatic conversion
26 based on meeting all criteria, and (2) eligible for conversion upon
27 administrative review of additional supporting evidence provided.
- 28 v. No faculty member will be compelled to re-title.

29 **c. Criteria for re-titling NTTF Professor and Instructor ranks to Teaching**
30 **Professor ranks during the transition period:**

- 31 i. **NTTF Assistant Professors, NTTF Associate Professors, and NTTF**
32 **Professors** shall, at their request, be retitled into the Teaching Professor
33 ranks at parallel levels.
- 34 1. Those NTTF Assistant Professors, NTTF Associate Professors, and
35 NTTF Professors who request to be re-titled will be automatically re-
36 titled into the following respective Teaching Professor ranks: NTTF
37 Assistant Professor retitled to Teaching Assistant Professor, NTTF

1 Associate Professor retitled to Teaching Associate Professor, and
2 NTTF Professor re-titled to Teaching Professor.

3 ii. **Senior Instructor II (SRI-II)** may be eligible to re-title to Teaching Assistant
4 Professor if ALL of the criteria outlined in section 2 above, *Primary*
5 *Distinctions between the Teaching Professor and the Instructor ranks*, are
6 met.

7 1. The Faculty Senate language specific to the doctorate degree
8 requirement allows that an exception to the requirement may be
9 considered when there is clear evidence of outstanding achievement
10 and professional recognition in the candidate's current field of
11 expertise.

12 2. In addition, the SRI-II must have undergone at least one successful
13 peer review. This review must have led to (a) a promotion in rank, (b)
14 award of Continuous Appointment, or (c) hiring by a faculty search
15 committee.

16 iii. **Senior Instructor I (SRI-I) or Instructor** are not eligible for re-titling into the
17 Teaching Professor ranks. See section 5 below for eligibility to promote into
18 the Teaching Professor ranks.

19 **d. Process for the reconsideration of an administrative decision on re-titling:**

20 i. Those individuals in NTTF Professor ranks who did not elect to automatically
21 retitle during the transition period are not eligible for a reconsideration to
22 retitle, as the decision not to re-title was their own. See sections 6, (c) i-ii
23 below.

24 ii. If an SRI-II questions the administrative decision for re-titling, they may
25 submit a written request for a reconsideration within 5 business days from
26 receipt of the written notice of the administrative decision not to retitle, and
27 may provide additional supporting evidence along with the request for
28 reconsideration.

29 1. The reconsideration will be requested based on the criteria stated in
30 section 2 above.

31 iii. **Composition of Reconsideration Committee**

32 1. Each School or College will create an administrative review committee
33 composed of department chairs (or equivalents) holding rank to
34 review and evaluate the original re-titling decision using the criteria in
35 section 2 above.

36 2. The size and composition of this group will be at the discretion of the
37 Dean.

- 1 3. In those Schools/Colleges that do not have ranked administrators, the
2 Dean will appoint a minimum of five department chairs from across
3 the campus to serve on the administrative review committee.
- 4 iv. The committee will endeavor to reach consensus before communicating their
5 decision to the Dean and the Dean will make the final determination. Re-
6 titling decisions are not grievable and are not subject to Article 28.

7 **5. Promotion into Teaching Professor Ranks:**

8 **a. Process for notifying faculty eligible for promotion into the Teaching Professor**
9 **ranks:**

- 10 i. Department Chairs (or equivalents), in consultation with their Dean’s office,
11 will develop a list of all faculty eligible to promote into the Teaching Professor

- 14 ii. Department Chairs (or equivalents) will notify all faculty eligible to promote
15 into the Teaching Professor ranks, referencing the faculty member’s eligibility
16 for promotion based on their current rank as stated in sections 5(c) i-iv,
17 below.
- 18 iii. Faculty members notified of eligibility will respond to the notice in accordance
19 with the deadlines stated in their unit guidelines.
- 20 1. If the faculty member elects to participate, the promotional review will

22 deadlines as stated in unit guidelines and on the Academic Deadlines
23 Calendar posted on the OAA website.
- 24 2. If a faculty member elects to defer, the faculty member will remain
25 eligible for future promotion into the Teaching Professor ranks.

27 the unit’s guidelines and will be in accordance with the University P&T
28 Guidelines and the Academic Deadlines Calendar posted on the OAA
29 website.

30 **b. Process for Promotion into the Teaching Professor ranks:**

- 31 i. Members shall be allowed to apply for promotion to the new Teaching
32 Professor ranks in Fall 2022. The parties recognize that for academic year
33 2022-2023 units may not have had the opportunity to fully develop criteria for
34 promotion into the new Teaching Professor ranks, thus departments may use
35 the rank descriptions developed by the Faculty Senate on May 3, 2021 for
36 these promotional recommendations. After the academic year 2022-2023, all
37 departments will be expected to utilize their own P&T Guidelines for
38 promotional decisions.

1 ii. For those who retitled into the parallel Teaching Professor ranks, time spent
2 in rank as NTTF Assistant or NTTF Associate Professor will count toward the
3 minimum number of years in rank required prior to being eligible for
4 application to the next Teaching Professor rank, as stated in the Faculty
5 Senate Resolution dated May 3, 2021.

27 eligible for promotion after completing three additional years in rank
28 (eligible to apply for promotion in the 4th year).

29 3. The NTTF Associate Professor who is unsuccessful in promoting to

Subject: Correction of LOA #2 in the 2021-24 CBA

1. Letter of Agreement- LOA # 2 page 122 lines 1-28:

RESEARCH BRIDGE FUNDING PILOT PROGRAM

The University and the Association share interests in stability for employees, retaining high quality research faculty and staff, and maintaining productive research programs. Tenure-related and non-tenure track research faculty occasionally experience breaks in external funding, which can result in loss of employment to personnel critical to the continuation of their research programs and the University. Access to short-term bridge funding assists such faculty members in maintaining adequate levels of staffing so they can work to secure new funding and thus maintain their research program.

The University will establish a Research Bridge Fund of \$70,000 each year for fiscal years 2021 and 2022. Monies remaining from the balance of the Faculty Travel Awards Account will be used to cover the costs of the bridge funding. These funds are to be used, at the discretion of the Vice President of Research and Graduate Studies, to support continued employment of non-tenure track research faculty and staff who would be terminated or experience a significant loss of FTE without such funding. If all of the monies in the Research Bridge Fund are not spent at the end of fiscal year 2021, these monies may carry over to fund the allocation for fiscal year 2022.

The Vice President for Research and Graduate Studies will provide faculty the opportunity to apply to the program each quarter using the criteria previously established in collaboration with the Research Bridge Fund Advisory Committee as part of the extension of the pilot program. The Vice President for Research and Graduate Studies retains the right to alter the administration of the program as long as the focus and intent of the program does not change. Prior to any changes to the program that change eligibility or accessibility criteria, the VP-RGS will meet and discuss those proposed changes with PSU-AAUP and will allow PSU-AAUP to provide feedback about the proposed changes. PSU-AAUP will be informed of any alteration of the program.

At the end of fiscal year 2022, the Office of Research and Graduate Studies will prepare a report regarding use and operation of the Research Bridge Fund and shall provide the report to the Association.

Program Description

PSU Research Bridge Funding Program

What are bridge funds?

Bridge funds are available on a competitive basis from the Office of Research and Graduate Studies to provide temporary salary and fringe benefit support to non-tenure-related employees

critical to sustaining research programs and sponsored activities in instances where an external research grant or funding source has expired, where a hiatus in funding would jeopardize the research, and where renewal of funding is expected in the near future. The funds are for one-time support only in cases where the Principal Investigator (PI) has experienced a significant reduction in extramural funding.

Note: The Bridge Funding Program is not intended as for 'pilot' or 'seed' funding.

Eligibility

A PI is eligible to apply for Bridge Funding, provided they:

- a) Have lost, or will lose most of their extramural funding within six months of the Bridge application deadline and will not have sufficient other funds available to sustain the work;
- b) Has a record of accomplishment as first-author or senior author on publications;
- c) Has made substantial and documented efforts to re-establish funding, and in the opinion of the Dean or Dean-equivalent is likely to be funded again in the next 6 months.

Notes: A funding reduction or shortfall is insufficient by itself to establish eligibility. The Vice President for Research and Graduate Studies may make exceptions to eligibility under unusual circumstances.

Considerations:

- Funding is competitive, and not all applications may be funded.
- Consideration will be given to need, assessment by the Dean or Dean-equivalent, and the strength of the overall research program.
- Because a primary objective is to keep experienced research teams together, priority will be given when project staffing will be lost without a temporary infusion of funds.
- Funding of awards will be made in consultation with academic Deans.
- Individual grants cannot exceed \$25,000 per year.
- Funding will be available for grantees for a maximum of 1 year or until the grantee re-establishes funding from other sources, whichever comes first.
- A financial commitment for support by the college or the department is not required, but will strengthen an application.
- When extramural funding is re-established, all unspent funds must be returned to the Bridge Funding Program to assist other investigators.
- A PI receiving a Bridge Funding award in one year will not be eligible to reapply for at least two years from the initial/last award.
- Any requests for exceptions to eligibility or other elements of this policy must be made in writing, and may be granted by the Vice President for Research and Graduate Studies.

Bridge Funds cannot be used for:

- Salary for tenure-related faculty
- Travel
- To cover budget overdrafts
- Graduate Student tuition

- Administrative costs

Cycle

Applications are considered four times per year. They must be received by 5:00 pm on October 30, January 30, April 30, or July 30. If the deadline falls on a weekend or holiday, applications will be accepted on the next business day.

To Apply and Process:

1. See attached instructions.
2. Submit all forms and documents to your SPA team. The SPA team will review the application, provide relevant budgetary information and context, and submit the information to the faculty member's Dean for review.
3. The Dean will forward their recommendation to the Associate Vice President for Research (AVPR) in The Office of Research and Graduate Studies for consideration.
4. The AVPR will make the final decision in consultation with the Dean and Vice President for Research and Graduate Studies.
5. Applicants will be notified of decisions within 30 days of receipt of the complete Bridge Funding request.
6. There is no appeal process.

Return on Investment and Assessment

Recipients of Bridge Funding are expected to resubmit their grant or contract applications promptly and aggressively seek other extramural sources of support.

Recipients of Bridge Funding are required, 30 days from the end of the Bridge Funding period, to provide the following information: final accounting of expenditures from the Bridge Funding Program and matching fund sources, a summary of the research that was carried out during the funding period, any publications that resulted, and any grants that were awarded or are pending.

The reports will measure the success of this program and inform program effectiveness.

The Office of Research and Graduate Studies will issue a report each September to the Academic Leadership Team (ALT) and to AAUP on the awards made and outcomes.
